Big Launch for Better Beginnings

There was great excitement as 27 children and their caregivers attended the launch of the early literacy program, Better Beginnings, at the Boyup Brook Public Library on Thursday, July 28 2022.

The Better Beginnings family literacy program is run through the State Library of Western Australia and connects families with books through free reading packs. The goal of the program is to inspire a love of literacy and learning for children across the state by encouraging families to read, talk, sing, write and play with their child every day. The key aim of Better Beginnings is to support the development of literacy in children from birth; providing them with greater potential to grow, learn and develop, perform well at school and succeed in later life.

Attendees at the launch were treated to a story, rhymes and then colouring activities, before taking the opportunity to explore the library and the many books and DVDs available. As morning tea was served, families mingled creating fantastic social connections for both adults and children.

“Better Beginnings is a well regarded program throughout the State and it is so exciting that we are able to provide it to the Boyup Brook community through our library. We are so fortunate to have secured the grant funding to kick-start the sessions and we can’t wait to see where it takes us”, commented CRC Centre Manager, Jodi Nield.

‘Stories, Rhymes and Fun Times’ will occur each Thursday morning for 0-5 year olds and their caregivers, at the library, located at the Community Resource Centre, from 10am to 11am. However if families can’t make it into the CRC, the sessions will be streamed live via Zoom, so they can join in from home, just as one participant did to attend the launch event!

There are also plans to make regular visits to Playgroup and Daycare, as well as take the resources to community events such as the Dinninup Show, Wellness Festival and community Christmas celebrations.

If you would like further information about how to get involved with ‘Stories, Rhymes and Fun Times’, please contact Anna at the CRC on 9765 1169, or email admin@boyupbrook.org.

Kaya, wandjoo to the August Gazette and the Noongar season of Djilba. This season is referred to as the transitional time of year in terms of weather, but is also known for the explosion of cream and yellow flowers in the bush which is very evident right now!

Speaking of plants, have you noticed all of the new tree plantings around the town? Well done to the Shire for investing in this streetscaping project which will change the look of the town in years to come.

As reported last month, COVID-19 continues to impact our community and with the reinfection period reduced to four weeks, it is important to stay safe. See page 26 for tips on how to reduce your risk of infection according to recent Government advice (July 17 2022). The CRC still has supplies of free oral RATs and masks available for households if required.

The August calendar is filling up with plenty of activities for all ages and interests. Our winter sporting teams are also heading to the final stages of their seasons before finals. All the best to our various Boyup competitors.

*Until next month,
Stay well, stay connected
Jodi*

The Boyup Gazette acknowledges the Kaniyang people of the Noongar Nation as the traditional custodians of this land on which we live and work.

We pay tribute to elders past, present and emerging and recognise the contribution they have made, and continue to make, to our community.

Upper Blackwood Show Committee News

Show Entries are going Online!

The UBAS committee is excited to announce that this year's Dinninup Show will be introducing Online Show Entries for all categories. We are implementing a new system that will improve the ease of submitting entries for the Show as well reducing the workload on our volunteers. We encourage everyone to use the new system and more information will be available soon in the schedule and online.

Fashions on the Field

Dust off the fascinators and come dressed in your finest *Fashions on the Field* wear. Great prizes will be awarded on Show Day.

Volunteers/Stewards Required

We are looking for Volunteers to coordinate both this year's Speed Shears and Sheaf Tossing events. Also looking for someone to learn the role as the British and Australasian Sheep Breeds Steward, to learn from the current Steward this year to take on the role in 2023. Please contact Lyn or Georgia if you would like to take on one of these roles.

Wanted – Old Chest Freezers and Batteries

Do you have an old chest freezer that no longer works? Please let us know, we would love to make use of them at the bar on Show Day. UBAS are also collecting old car, truck or tractor batteries as a fundraiser. Please contact or drop off to David Corker, Les Elliott or Harris Thompson (they are happy to call in and pick them up from you). Any donation is greatly appreciated.

Containers for Change

Thank you for the generous donations to our Containers for Change account C10485611. We appreciate all donations and the funds assist with ground improvements and making Show Day a success!

Leadership scholarships available for Women

Women and Leadership Australia is currently offering professional development scholarships for Royal Agricultural Society of Western Australia affiliates and members. Scholarships of \$1000-\$5000 per person are available for women in the farming and agriculture sector, to help increase their impact at work and step into leadership roles. WLA is offering scholarships for four leadership development courses. Apply by September 9, find out more here: www.wla.edu.au/farmingagriculture.html

Judging for the Future by Agricultural Shows Australia

Short video courses on handling of cattle, sheep, poultry and alpacas by students and young competitors at shows are now available. Please contact us if you wish to have access to these resources.

For any queries regarding the show or to volunteer for any of the above roles or just to help out for a few hours, please contact either:

Payment Options

The shire offers instalment plan option when original rate notice for the year is raised.

Some ratepayers are choosing to set up BPAY through their preferred financial institution to pay an allocated amount each week/fortnight/month, so the credit reduces the amount to be paid when rates are raised.

BPAY – Important information

Each assessment has a unique Biller Code, therefore if making payment by BPAY please ensure a separate BPAY payment is made for each assessment.

If a payment is made for several assessments, it is the ratepayer's responsibility to inform the shire the assessments the payments is to be allocated. If the shire has not been informed of the allocation, interest will be incurred on those assessments with monies outstanding.

RevenueWA have introduced more stringent cross checking on Pensioner Concession Rebate claims.

Rejections can include:

- Claim address does not match
- Cannot confirm owners occupy land

To address the above, the Pensioner Ratepayer will be requested to supply proof of occupancy, to the shire, with one of the following:

- Utility bill with the Pensioner Ratepayer name and clearly displays property address
- Insurance bill – with the Pensioner Ratepayer name and clearly displays property address
- Name and address on Pensioner Concession Card – Rural numbering has been an issue with the claims. If your card is showing a rural number, please photocopy or come into Administration for the card can be updated on the Pensioner system.

Copy will be scanned and kept on Shire system only and noted on the Pensioner Concession Rebate Claim that proof has been sighted.

Eligibility for the concession

To receive a concession on local government rates an applicant must, on 1 July of the current financial year, own and occupy the property as their ordinary place of residence.

To receive a concession on water service charges an applicant must:

- as at the date of application, own and occupy the property as their ordinary place of residence and

- be the holder of a valid:
 - ⇒ Pensioner Concession Card; or
 - ⇒ State Concession Card; or
 - ⇒ Commonwealth Seniors Health Card together with a WA Seniors Card; or
 - ⇒ WA Seniors Card.

To own means an applicant must:

- be the registered owner or co-owner of the property on the Certificate of Title (Note: where the property is co-owned a partial concession may apply); or
- have a right to reside or life tenancy at the property under the terms of a Will (probated) and are responsible for the payment of the rates and charges raised against the property; or
- hold a long-term lease (greater than 5 years) in a retirement village, park home, lifestyle village or caravan park.

Ratepayer portion of rates, including waste collection must be paid by 30th June each year, if payment is not received then entitlement to the rebate is not valid. The rates then become 'Deferred Rates' and can be paid at the settlement of a property or once the new current year rates (2022/2023 etc) are paid can be paid.

During 2022/2023 it is anticipated a review of all Pensioner Concession Rebates is to be undertaken to ensure information is current on the shire system.

Rates outstanding - Debt Collection

Debt Collection costs to the Shire are recoverable under Local Government Act 1995 as per excerpt below from the Local Government Act (1995):

Rates or service charges recoverable in court

6.54. (1) If a rate of service charge remains unpaid after it becomes due and payable, the local government may recover it, as well as the costs of proceedings, if any, for that recovery, in a court of competent jurisdiction.

Debt collection costs can be more than \$1,000 so please, to avoid these costs, contact Rates Department to discuss options that may be available to you.

Difficulty in paying rates?

The shire understands that the last few years have been difficult for many people. If you are having difficulty in paying rates, please contact the shire to discuss Special Payment Arrangement.

If you have any questions relating to this, please email shire@boyupbrook.wa.gov.au, Attention Rates Officer.

POLICE NEWS

BOYUP BROOK POLICE

Hello Boyup Brook,

We are well and truly getting into the wet weather season and with the rain, early morning fog and smoke around at the moment there poses more risk on the roads. Whatever the posted speed is, please be careful and drive to the conditions presented. You do not have to travel at the speed limit if the weather diminishes visibility.

Please check that all your vehicle lights are in working order and use them to let other people know you are there. Similarly, check your tyre tread and make sure it's compliant.

When there are roadworks taking place within our shire, please be aware and abide by the change of speed zones.

During the Boyup Brook-Bridgetown Road upgrades, Police received many complaints of people not abiding by the posted speed limits. I know it's frustrating to drive at 60kms/hour, especially when you can't see any road workers around, but posted speeds are there for a reason.

Speeding infringements hurt the back pocket, and if you rack up too many demerits, you may lose your licence. To detail this:

- 0-9 kms over = \$100 fine
- 10-19 kms over = \$200 fine and 2 demerit points

- 20-29 kms over = \$400 fine and 3 demerit points
- 30-40 kms over = \$800 fine and 6 demerit points
- 41-45 kms over = \$1200 fine and 7 demerit points
- 45 kms over = Reckless Driving - your vehicle will be seized for 28 days and you will have to go to court.

To put this in to perspective, when road works have lowered the speed to 60kms, and you travel through at 100kms, you will be out \$800 or \$1200. If you have a lead foot normally and consistently drive over 100kms along this road, it is highly likely you will have your vehicle seized.

As always, stay safe and look out for each other.

Billabong Needs Our Help

Conserving a Place of special Memories

Nestled behind the old Railway Complex, a narrow gravel track leads down to one of Boyup Brooks hidden gems – the Kura Kartaga Langa Reserve. The seasonal wetland is not only an important feature of our town’s history and culture but also home to many native mammals and birds, some of which rely on the isolation of our Shire’s remnant bushland for survival.

Standing under the canopy of century old Rivergums and Wandooos you get the sense that this place holds a lot of special memories. The Kaniyang peoples of the Noongar Nation lived on these lands long before the arrival of the first settlers.

The reserve is the cradle of Boyup Brook’s post-colonisation origin since first settlers arrived in the area in the very early 1900s and built huts on the banks of the Boyup Brook. The early settlement was so successful, its population even established a market garden to subsidise their diet of kangaroo with some familiar fresh European produce.

Once the Railway arrived in Boyup Brook in 1909 the Reserve was soon bustling with life; kids playing race cars in the bush and working men spending their well-deserved lunch break underneath the shady Swamp Paperbarks on the banks of the Brook.

The Kura Kartaga Langa Reserve is part of the world-renowned biodiversity hot spot: the South West. It is known for its plant diversity and large number of endemic plant species and communities and combined with it being the wettest area of the state, has resulted in an immense variety of wetlands.

But, being in the most populated area of the state, these wetlands have suffered the greatest impacts from clearing, agriculture and urban uses, leading to loss, fragmentation and degradation of previously pristine bush- and wetlands.

Considering the cultural and ecological importance of the reserve for our town and region the Blackwood Basin Group (BBG) has recognised that the Boyup Brook Billabong and Kura Kartaga Langa Reserve are in dire need of rehabilitation.

Thanks to grants from the State NRM and Highways and Byways, the BBG is able to provide knowledge, materials and equipment for the rehabilitation of the reserve. We would like to encourage the local community to come down and get involved, with the opportunity to learn about ecologically sensitive land management practices such as monitoring fauna, identifying and controlling weeds, plant and nurse native seedlings and preserving a piece of local heritage!

The management of the reserve and the Billabong will focus on the long-term restoration by controlling weeds, monitoring of flora and fauna, necessary in-fill planting, nesting box installations, effective fire management and building a relationship with the traditional owners to ensure the long-term health of the culturally significant site.

If you’d like to get involved, we’d love to hear from you! We are looking for people that:

- ◇ People of all ages, interested in land management practises such as weed and pest management, revegetation of degraded land, heritage values and cultural exchange
- ◇ Groups and Organisations that would like to attend workshops and/or collaborate on other projects (e.g. building bird nest boxes)

Please reach out to celina@blackwoodbasingroup.com.au to have a chat about suitable volunteering opportunities and other ways to get involved with your local Landcare Group.

What's Your Angle?

Get your cameras ready Boyup Brook as the 'What's Your Angle?' Photography Competition is back again in 2022, celebrating its fifth year.

The categories have been tweaked slightly, bringing back those that have proved to be the most popular with local photographers and an open category that will hopefully add an extra element of flare and creativity.

Photographers can enter up to three photographs in each of the five categories: Landscapes; Animals; Flora; Portraits; OPEN: The Colour Yellow.

Thanks to some amazing local sponsorship, there are great prizes up for grabs including first, second and third places for each category, the Most Outstanding Print Overall and the highly contested People's Choice Award.

To add to this, images entered by Under 18 photographers will be separated after the main event judging, to award first, second and third prizes to young entrants.

Local photographer Naomi Rice is back to judge the competition for the second year in a row, and will be looking for images that are unique and eye catching.

'What's Your Angle?' is organised by the Boyup Brook Community Resource Centre, who have staff available to support to entrants by means of printing and mounting their images, to get them ready for exhibition, if required.

For a small fee of \$3, the images will be printed on 200GSM, gloss coated card using a laser printer in a maximum of 8x10 inches.

They will then be trimmed and mounted onto 200GSM black card using double sided tape, with a 1cm border. Alternatively, the CRC can mount any pre-printed photos to a maximum of 8x10 inches for \$1.

The opening of the exhibition and announcement of winners, will take place as a part of the Boyup Brook Tourism Association's weekend event, Walk on the Wild Side on October 8-9, 2022.

Entry forms containing all of the competition's conditions will be available at the CRC or on the website from August 15, with entries open until Friday, September 30 at 4pm.

Last year's competition saw 111 images entered by 37 keen photographers. The CRC is hoping for another successful year of showcasing the art of photography to the community.

St Mary's Primary School

We are now well and truly into Term 3 and the students and staff are excited to be back learning and engaging in their day. It is going to be a busy term at St Mary's with Science Week, Book Week, Public Speaking Finals, Cross Country, the Hockey Carnival and Wellbeing Week, as well as many more fun activities planned.

Lightning Carnival

On Friday, June 24 the students from Year 3, 4, 5 and 6 had such a great day playing soccer, netball and football. The students trained well throughout Term 2 with the help of some amazing parent volunteers (Chris Lee-Steere, Jenna Welch, Nicole Sutton and Leigh Beadle) who generously gave their time on numerous Thursday afternoons leading up to the carnival. A special thank you goes to all the staff from St Mary's, for your commitment to providing these wonderful opportunities for the children in our care.

Soccer

The soccer team performed extremely well on the day. They ran hard, passed well, scored and saved goals and demonstrated outstanding sportsmanship throughout the whole day. The noise from the side-line was amazing when they made a great save in goals or scored from a brilliant shot.

Netball

Our netball girls were amazing on the day. One thing that stood out for our team was how supportive they were of each other. They showed a never give up attitude and fought hard in every game.

Football

What a great day our footy team had. They showed some real grit and determination in all their games, saving their best for the local derby. So many great memories created and there is something special about playing a game of footy of mixed ages and abilities.

Staff Wellbeing - The best teachers are also the best learners

We believe here at St Mary's that one of the keys to having flourishing children, is to have flourishing adults around them. On the last day of Term 2, the staff engaged in a worthwhile workshop on stress awareness and stress management, facilitated by Anna Foley from Kadam Kinetics.

The day was filled with new learnings for all the staff, as well as practical ways to manage the stresses in our life. Mr Priest is always amazed at how enthusiastic and willing the staff are to be learners themselves.

Vietnam Veterans' Day

Vietnam Veterans' Day is coming up on Thursday, August 18 and this year's Southwest commemoration service is being held in Greenbushes.

Each year, the community gathers to remember the sacrifices of those who died during the 1966 Battle of Long Tan, on the day of its anniversary.

It is the most recognised Australian battle of the Vietnam War, with 18 Australians killed and 24 wounded.

Vietnam Veterans' Day is also a day to say thank you to the 60,000 Australians who served during the Vietnam War from 1962-1972.

For more information about the Greenbushes service, contact Pat on 0427 643 508 or email gnbushesrsl@westnet.com.au.

Above: Last year's Southwest service was held in Boyup Brook.

Tonebridge News

A good crowd enjoyed the warmth of our wood heater at the July casserole tea, plus the comment was made that each casserole was quite different.

A welcome was extended to Hilary and Teresa from Yornup, Melanie Albany (nee Turner) and Rick Stretch, a former Chowerup farmer.

During June, former Chowerup resident Anna Kinnersley paid a visit to Ralph and Betty and to her old farm of 'Tangalooma' to meet with Ross and Lyn, the present owners.

We have also heard of the passing of Derm Cullen, also a former Chowerup farmer, shearer and school bus driver. Condolences to Christine and David.

Ralph and Melanie were the lucky number winners for the chocolates.

Coming up we have a Quiz Night / Fundraiser at \$10 per head, on Saturday, August 27 from 7pm. It will be a fun night, with warm cosy fire, raffles, prizes, nibbles and light supper tea / coffee with lots of laughter.

Please RSVP to Vikki on 9769 1190 by Tuesday, August 23.

VEX robotics

On Tuesday, June 28 four Year 6 students went to Manjimup Primary School to represent BBDHS at the Warren Blackwood Schools' Network STEM Competition. A big thank you to Emma Davidson, for organising the competition and running a robotics day with the entire Year 5/6 class.

In the weeks leading up to the competition, Hannah L, Jesse W, Maddie G and Yasmine M spent hours building two robots to take. They chose to make Claw Bot and Fling to use in the various challenges. On the day, there were four different challenges: Squared Away, Cup Race, Pitching In and Rise Above. Our representatives (Owen LS replacing Hannah at the last minute) were exceptional in every way. They worked extremely well as a team, provided positive feedback and consistent encouragement to each other and at the end of the day, they assisted the staff to pack up while everyone else went off to play. They represented our school and displayed our core values beautifully.

A big thank you to Don Railton, Adam Windsor and Steve Windsor for their support in helping the students to build the robots for the competition. After a fun and exciting day, our students came third out of ten schools, winning themselves a little Vex toy and \$150 voucher for the school. Congratulations to Hannah L, Jesse W, Maddie G, Yasmine M and Owen LS for displaying such skill, teamwork, and determination throughout the competition period. Well done!

Portfolio Day

ECE invited parents and special guests to school for a celebration of our Semester One learning journey. Students were very excited and proud to showcase all their hard work. Thank you to all the special visitors who came along to see what we have been up to, reflecting with your child about the year so far and staying for lunch.

Lightning Carnival

Congratulations to everyone that attended the Lightning Carnival last term! The weather was perfect and all students strived for success and showed great sportsmanship. Although no trophies were won by BBDHS, we are so proud of the way you all gave it your best and had fun along the way. A special thank you to all the teachers, coaches, parent helpers and event coordinators, your time and effort is greatly appreciated. Well done, everyone.

Play Café

Play Café continues this term at the ECE with Mrs Kate Beatty. Come down, let the children explore and play while you chat with some other parents. It is a great opportunity for your children to socialise and gain confidence in the school setting, amongst other children who will be in their class when they start Kindergarten. All children 0-4 years are welcome.

Year 8 Business Enterprises

As part of the Year 8's HASS studies, they formed Business Partnerships selling either brownies or muffins with a special twist. Students had to set up everything about their business from scratch. They altered recipes, created, distributed and tracked order forms, made advertisements and designed their own logos, all to raise as much money as possible for a cause of their choosing.

Students put their cooking and organisational skills to the test and delivered some amazing treats to their peers, staff, and families. I couldn't be more proud of the way students approached this task and I think it shows in what they produced. The winning team was awarded for having the highest profits overall.

Job well done Year 8's.

Mr Carroll

P&C Country Week Fundraising

The P&C Country Week committee have been fundraising over term two, to reduce the amount that families pay for their child/children to attend Country Week Sport Carnival in September. Donations have been amazingly generous from many businesses, parents, and community groups. A massive thank you to Erlanda Deas for her tireless efforts in organising the letters and phone calls. Close to \$13,000 in donations has been collected so far, which is incredible.

On Sunday, June 26 at the home game of football, year 7-10 parents and students participated in a wood raffle and car wash. The two trailer loads of wood were generously donated by Phil and Ginette Corker and Jamie and Zoe Anderson.

Thank you to Matt Chambers and Rick Twigg for towing the loads of wood and delivering them to the Winners - Jordan Morgan and Sarah Ruffino. The parent and student groups that worked endlessly washing cars and selling raffle tickets must be congratulated for their enormous efforts which extended from morning to afternoon.

Thank you to Sally Larkin, Mel Fisher, Lauren Imrie, Kate Turner, Erlanda Deas, Pia Chambers, Sarah Thompson and Lisa Bleechmore. Thank you as well to the wonderful students who helped. The parents and students raised \$1,050 dollars and we are so proud of the community spirit shown on the day.

BBDHS P&C President, Lizzie Twigg

High School Art Work

The high school students have been working hard over the past semester to create some outstanding pieces of art. Mrs Gardiner and her students have created fan art, landscape collages, water colour paintings, and lava lamps. The results of their hard work and careful techniques have produced some amazing designs.

To create their fan art, Year 7 students chose a character and created a silhouette in the symbols, which represent the characters in negative space. Students focused on negative and positive space in artwork and composition. Landscape collages were created by the Year 7's with a focus on colour in the environment.

Year 9 students used blending of water colours to create oceans and skies. To create lava lamps students used oil pastels to blend and shade colour, producing this mesmerising effect.

School Photos

School Photos will be held on Monday, August 8.

Museum News

Hello to all, we are trying to make our site friendlier for our aged and disabled visitors. We have installed a new hand rail at the steps and laid down a carpet runner in the Agricultural Shed which will make it easier for wheelchairs and walking frames.

We hope this will encourage some of the older folk to come and see the items of the past. Our new project will be a new safety rail from the ramp to the stairs into the Mason's Temple. Many thanks to Gordon and John.

Many thanks to those who supported our last raffle on June 24, and congratulations to our winner Tiny from Kulikup. We are now asking you to please support us again at our next wood raffle on Friday, August 5 at the IGA.

Have you remembered that our memberships are due? \$20 per person, payable to the Museum Office at 25 Cailles Street or direct into the Commonwealth Bank in the name of:

Snowfall in Boyup Brook, 1956

We may have had some cold mornings, but nothing like this picture, which appeared on the front page of 'The Daily News' on Wednesday, June 27 1956.

The caption read "To all who experienced WA's widespread snowfall, it's a picture that needs no explanation. Too all who just shivered (and wondered, perhaps, if it was going to snow in Perth too), suffice to say that the scene of these snowball frolics is Boyup Brook, 168 miles from the city."

Identified from the photograph is Margaret Nield (nee Proctor), Michael Ducey and Terry Cuttriss, however sources are unsure of the other two children. If you know who they are, please contact the CRC on 9765 1169.

Boyup Brook CoMHAT News

There is lots of great work going on behind the scenes for CoMHAT at the moment. Here are some recent updates!

Youth Zone Donga

Thanks to the Rick Wilson Stronger Communities Grant the donga has been having important maintenance and renovation improvements. CoMHAT are looking to utilise some Boyup Brook youth to do a base coat of paint, so then a mural can be painted on the donga by an outside company. It will also get moved into position in the near future. Keep an eye out for future updates.

Mountain Bikes

CoMHAT now have 20 incredible mountain bikes and safety equipment thanks to the Jane Kelsbie Small Grants Program. We are currently looking into some training for a variety of people and organisations across the town, so that we can start utilising the bikes. We have just acquired some well needed funding from Bridgetown Rotary and Talison Lithium in order to purchase a purpose built mountain bike trailer for transporting the bikes to various venues.

CoMHAT are also working with the Shire to develop Boyup Brook's very own Mountain Bike Track. We are currently aiming to raise \$5000 to go towards the initial building of the track. If you would like to support this amazing project and help get some new facilities in Boyup Brook please use the following code when donating your recyclables to Containers for Change: **C10538269**.

Free Youth Zumba Classes are back on every Monday for five more weeks this term thanks to a COVID Youth Recovery Grant from the WA Govt, Dept of Communities.

WHAT: FREE Youth Zumba Classes

WHO: Youth aged 10-18

WHEN: Mondays 1 – 29th August

WHERE: Boyup Brook High School Hall

DETAILS: Youth Zumba classes with Anna. Bring a bottle of water and some comfortable shoes e.g. sneakers. No experience necessary

We Need You!

CoMHAT work to support the mental health of all community members across Boyup Brook beyond just youth. We have a Board Committee that meets once a month to discuss important issues around mental health, alcohol and other drugs and a sense of belonging and connection.

If you would like to be part of making a difference to the mental health of our community and can spare one hour a month please get in contact with CoMHAT via secretary@comhat.com.au or phone Renee on 0416 156 404.

Communication Focus

Our promotional campaign for August in SAY NO TO VAPING.

FACT: Despite their appealing flavours, many e-cigarettes contain or produce chemicals and toxins such as formaldehyde and heavy metals that can cause DNA damage, serious lung damage and cancer. They also contain other chemicals not found in tobacco smoke, and it is not yet known what effects these will have on your health in the long-term – so why take the risk?

What's more, they can cause physical harm too; there are now thousands of cases of people being injured by faulty e-cigarette batteries exploding.

Book Week

Each year since 1945, the Children's Book Council of Australia has brought children and books together across Australia through CBCA Book Week.

From August 20-26 schools and public libraries will spend one glorious week celebrating books and Australian children's authors and illustrators.

This year's theme is 'Dreaming with eyes open...' and artwork for the poster was created by proud Dharug woman and artist Jasmine Seymour, who is an award winning children's book writer and illustrator.

Jasmine said the poster artwork encourages children to step into their own story, to listen to country as the first storyteller and to learn from friends who will help you on your way.

The Boyup Brook Library will celebrate Book Week alongside the Better Beginnings program 'Stories, Rhymes and Fun Times' on Thursday, August 25 from 10-11am.

To learn more about the CBCA Book Week, head to the website www.cbca.org.au/cbca-book-week.

National Stroke Week

National Stroke Week 2022, will take place between August 8-14 and the Stroke Foundation are using it as an opportunity to celebrate the precious moments that affected families can continue to enjoy during and after a loved one's recovery from a stroke.

Stroke is one of Australia's biggest killers. It kills more women than breast cancer and more men than prostate cancer but more than 80% of strokes can be prevented.

The Stroke Foundation website contains excellent resources about what a stroke is, including advice on how to prevent one. It provides access to support services available for survivors and carers and it also details how to recognise the signs of stroke through the F.A.S.T. (Face, Arms, Speech, Time) signs, see the poster below for details.

As well as all of this information, there are also free National Stroke Week kits available to sign up for from website here: strokefoundation.org.au/what-we-do/prevention-programs/national-stroke-week.

If you require help to access this website the local Community Resource Centre can assist.

A stroke is always a medical emergency. The longer a stroke remains untreated, the greater the chance of stroke-related brain damage.

If you or someone you know experiences the signs of stroke, no matter how long they last, call triple zero (000) immediately.

DFES - Storm Season Preparation

Time to clean your gutters and trim your trees – storms are on their way. Every year, storms, including rain, tornadoes, lightning, hail, flash flooding and gale force winds, cause major destruction across Western Australia. By preparing your property ahead of time, you can reduce the risk of damage.

Here are a few things you can do to prepare your home and families for storms:

- Trim branches around your home to prevent them falling on your roof or car.
- Clear gutters and downpipes so they do not overflow after heavy rain.
- Store or weigh down loose objects around your home or work, such as outdoor furniture and trampolines, that could be picked up and thrown by strong winds, causing damage or injury.

Prepare an emergency kit with a battery operated radio, torch, spare batteries and first aid kit.

Remember, if a storm has badly damaged your home and you can't safely fix it yourself, SES volunteers are there to help. If you need assistance call 132 500.

For more information go to dfes.wa.gov.au/safetyinformation/storm or contact the DFES Lower South West Community Preparedness Advisor on 9771 6800.

WHEN SHOULD YOU CALL THE SES?

FOR EMERGENCY ASSISTANCE IN FLOOD, STORM, CYCLONE AND TSUNAMI CALL 132 500.
SES Volunteers undertake temporary emergency measures to make your home and the situation safe.

Is anyone trapped or injured? **YES** → Call Triple Zero (000)

Is your roof leaking heavily or badly damaged? **NO** → Contact your insurance company, private contractor or repair it yourself if it is safe to do so.

Is your house flooded or beginning to flood? **NO** → Contact your insurance company, private contractor or repair it yourself if it is safe to do so.

Is your house badly damaged and in need of temporary repairs that you cannot fix yourself? **YES** → CALL THE SES on 132 500. Your call will be logged. You will receive a reference number. Your local SES will attend as soon as possible.

Are you trapped in your house due to storm damage? **YES** → CALL THE SES on 132 500. Your call will be logged. You will receive a reference number. Your local SES will attend as soon as possible.

Has a large tree fallen on your house or driveway? **YES** → CALL THE SES on 132 500. Your call will be logged. You will receive a reference number. Your local SES will attend as soon as possible.

Garden Club

The Boyup Brook Garden Club enjoyed a relaxed afternoon on July 12, with a visit to Lorrene Sambell-Sayer's property, just a six kilometre drive out of town.

Dan and Lorrene welcomed our group of 18 ladies and gents to their property, not for the first time. They have invited the Garden Club a few times and those who had visited before would have witnessed the evolution of the property, with the original cottage still standing close to the modern house they now live in with their very friendly Labradors Gypsy and Ebony.

Apart from the Quacking Frog Teapot collection in Boyup Brook, I have not seen a collection of teapots as vast as Lorrene's. I was transported to the 1960/70s at the sight of retro styled teapots. The display could be aptly named 'Teapot Boulevard' as they were lining the driveway in sections.

There was also an eclectic display of garden ornaments from garden gnomes, to wise Buddhist monks, to yellow rubber ducks, lining the rim of a bird bath fountain.

Well established fruit trees surround the original cottage, hanging baskets of succulents from the verandah decking and some of us climbed the bank of the dam that overlooks neighbouring fields. A good deal of hard work has been put into this garden which has been completed in approximately two years.

Marg Giles donated a Spotted Zygopetalum orchid which was raffled and won by Mardi Dungey and then we all settled into enjoying a lovely afternoon tea and usual good natter. Many thanks to Lorrene and Dan for welcoming us to their interesting garden.

The next Garden Club visit is on Tuesday, August 9 at 1pm and it will be to Helen and Reuven's property, 16 Inglis Street, Boyup Brook. Bring your mug and chair please.

If you have an interest in visiting gardens or would like to join our friendly group please come along. Membership is \$20 per year or \$2 per visit. For Facebook members please check out the page - Boyup Brook Garden Club - tick to Like or Follow.

Further enquiries please call Helen Rice 0421 581 636 or Colleen Railton 0413 827 900.

Recycle Your Beauty Product Packaging

The Boyup Brook CRC Recycling Hub is still being well utilised by many community members each week, but there are a few programs that are lesser known and receiving fewer items than others.

Two of these programs are provided by recycling giant Terracycle Australia and they are the Garnier Green Beauty Skincare packaging and the Schwarzkopf Cares Hair Care and Colour packaging streams.

Although provided by beauty manufacturer Garnier, the Skincare Packaging recycling stream accepts all brands of skincare products, see image below. The items included in this stream are all skincare plastic and glass packaging that includes flexible plastic (for example the packaging that face masks are packed in), bottle lids, pumps, tubes, caps and droppers.

Most of these items are not accepted into Boyup Brook's kerbside recycling program, but they do not need to go into waste either. Simply empty all of the contents left in your items, leave them to dry and then drop them into the CRC.

Just like with the skincare program, although the Hair Care and Colour packaging program is provided by Schwarzkopf, they accept all brands of this type of packaging.

The items you can recycle include hair care jars, lids, bottles, tubes, caps, pumps and stirrers; Latex, HDPE, Nitrile and PE gloves; hair colour (or dye) soft plastic pouches, bottles, tubes and caps, see image below.

For this stream, hair care products need to be completely dry and empty before dropping them into the CRC. For hair colour products, no dye can be left behind so they need to be emptied, triple rinsed and dry before drop off.

The Boyup Brook CRC is a collection point for Terracycle, and currently collect these two items and Writing Implements on behalf of the community for free. The Recycling Hub collects twelve items in total.

To learn more about Boyup Brook Recycling visit: www.boyupbrook.crc.net.au/recycling-hub.html, or to learn more about Terracycle and what these items are recycled into, visit: www.terracycle.com/en-AU

Keep Australia Beautiful Week

Keep Australia Beautiful Week takes place yearly and in 2022 it will be from August 15-21.

The focus this year is on WASTE REDUCTION with Australians asked to #ContainYourWaste.

As a part of this, KAB have put out the challenge to all, to choose an existing container from around the house – a jar, a tub, or a bucket – and contain the amount of waste you produce in that week to the capacity of your container.

Previous year's have seen the focus placed on reusing and recycling items, but this year the main area of importance is to reduce what you consume and ultimately decrease the amount of litter found in streets and public areas.

If you would like to take part in a local KAB Week event, the Boyup Brook Community Resource Centre invites you to come along to a Community Clean-Up as a part of the Adopt-A-Spot program.

In late 2019, the BBCRC signed up to adopt the Boyup Recreation Grounds to keep it clean of all litter. The next clean up will be on Wednesday, August 17 from 2:30-4pm.

If you'd like to take part, head to the Hockey Shed to sign in and pick up your clean up kit. Please ensure you or your children are wearing suitable footwear and bring a long a water bottle.

If you would like more information about Keep Australia Beautiful Week, to sign up for the Contain Your Waste challenge or to learn some more tips to reduce your waste, head to the website: kab.org.au/campaigns/kabweek2022.

Live Lighter Winter Recipe

Healthy Sweet Potato Cheese Muffins

Ingredients

- olive or canola oil spray
- 1 1/2 cups self-raising flour
- 1/2 cup wholemeal self-raising flour
- 1/2 cup sweet potato, peeled and grated
- 2 tbs Parmesan cheese, grated
- 1/2 red capsicum, finely chopped
- 3 spring onions (including green tops), ends trimmed, chopped
- pepper, to taste
- 1 cup reduced-fat milk
- 2 eggs

Method

1. Preheat oven to 200°C (180°C fan forced).
2. Lightly spray muffin tins with oil or line with paper cases.
3. Sift flours into a medium sized bowl, returning husk remaining in the sieve to the bowl.
4. Mix in sweet potato, cheese, capsicum, spring onion and pepper.
5. In a bowl, whisk milk and eggs together.
6. Add to dry ingredients and mix through until just combined.
7. Spoon into prepared muffin pan.
8. Bake for 25 minutes until muffins are firm and a knife inserted into the centre comes out clean.
9. Allow to cool in the tin for a few minutes then turn onto a wire rack.

Hint: Muffins freeze well in snap-lock bags, but are best eaten on the day they are made.

Scams a Hot Topic

Annetta Bellingeri from Consumer Protection WA, visited Boyup Brook on July 21 to offer a very informative session about the role of the agency, with a particular focus on scams.

Attendees heard of the numerous ways that scammers target people which can potentially lead to serious personal, emotional and financial consequences.

Some simple ways to avoid becoming a scam victim include not letting anyone pressure you into making decisions; take a second to think about how you are being asked to make a payment and get a second opinion if you are unsure.

To find out the latest scam warnings and updates, or to report a scam that you have identified, please phone 1300 30 40 54, or visit www.scamnet.wa.gov.au.

Watch Out for Rogue Removalists

Moving house is widely considered to be one of life's most stressful events, so we always urge consumers to choose their removalist carefully to avoid any extra drama on the day.

Consumer Protection has recently received a growing number of complaints about the conduct of removalists advertising on social media. Initially the trader quotes an hourly rate and requests a small deposit, however upon arrival they demand a large lump sum be paid up front with a promise to return any unused money once the job is complete.

In some cases, the traders have refused to return or deliver the furniture until the higher fees have been paid. Neither are the promised refunds forthcoming and belongings are often damaged during the move for which a remedy is never provided.

Damage to property accounted for just over half of the 262 complaints we received about removalists in the past 18 months. Disagreements over costs was another top issue, along with removal trucks turning up late.

Consumers are urged to be wary when sourcing removalists on social media, as they may be using someone else's ABN to appear legitimate. It can also be tricky to identify the individual behind a business that is only advertised on social media, meaning consumers may struggle to enforce their rights should they wish to pursue legal action.

When sourcing a removalist, we recommend giving preference to removalists that are members of the *Australian Furniture Removals Association* or get recommendations from family and friends.

It is best to make sure all the details are worked out and agreed to before the move. Consumers should get a proposal on company letterhead that contains a copy of the terms and conditions and clearly sets out an hourly rate or a fixed price for the job.

Like other traders, removalists must exercise due care and skill by doing all they can to prevent damage or loss, and the consumer has the right to claim compensation if they fail to do this.

Consumers who are having issues with a removalist that cannot be resolved can lodge an online here: www.commerce.wa.gov.au/consumer-protection/how-lodge-formal-complaint or email consumer@dmirs.wa.gov.au.

DVD Review

'Dying to Live'

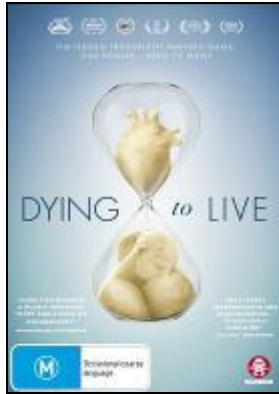

This DVD is in our collection at the library which continues to grow rapidly, with more shelving and publications of fiction and non-fiction for all ages.

'Dying to Live' is an amazing, informative and touching DVD. It addresses the topics of organ donation and transplantation, the waiting game people go through, and it looks into real people's lives and what a difference organ donation can make.

If this is a topic you have questions about, for example whether to tick the organ donor box on your license, then this DVD should answer those.

Organ donation can be the gift of life to a receiver and hope for those grieving, knowing some part of their loved one lives on making a difference.

The Road

I drove fast along a road
A road both smooth and wide
I rode in comfort soft and cool
Though all was hot outside

For I drove on a modern road
A road of safety and of speed
A road that we must travel
To meet our busy modern needs

But as I raced along
From a corner of my eye
I thought I saw another road
And I could not pass it by

I stopped to see it clearly
It was distant yet so near
For abandoned and forsaken
It was a road of yesteryear

Overgrown and rutted
Not too long to last
Yet it was clearly paved
With the story of the past

And even as I watched
There came a bullock team
A driver at their shoulder
They passed as in a dream

Then came a silent horseman
Riding weary to his home
But as he drifted past me
I saw he too was not alone

For in single file beside him
A barefoot troupe was there
They trod so lightly walking
They seemed stepping in the air

And the narrow track they trod
As it snaked between the trees
Was the road that they had followed
For fifty thousand years

Reducing the Risk of COVID Infection

COVID-19 cases are increasing in the Western Australian community, and new variants are leading to more reinfections for people who have already had COVID-19.

Since the Omicron variant reached WA months ago, the dominant subvariant was BA.2. However, most new cases in the Western Australian community today are being recognised as either Omicron BA.4 or BA.5. The BA.4 and BA.5 subvariants are considered more contagious than earlier variants due to their increased ability to infect people who have been infected previously.

With cold and flu also circulating in the community, it's important to protect yourself and your family from serious illness.

Here are four easy steps you can take to reduce your risk of getting COVID-19:

- 1) Wearing a mask indoors is strongly encouraged, particularly in crowded places where it's harder to physically distance.
- 2) Stay up to date with both the flu and COVID-19 vaccines. A fourth dose of the COVID-19 vaccine is encouraged for everyone aged 30 years and over. If you've already had COVID -19, it's recommended you wait 3 months post-infection before getting your next dose.
- 3) Get tested if you feel unwell. Remember if you've already had COVID-19, you still need to test again if you have symptoms once it's been more than 28 days since you recovered.
- 4) Keep up good hygiene habits such as washing and sanitising your hands regularly.

Square Arithmagons

The aim of an arithmagon is to work out which numbers go in the empty circles. The numbers in the square boxes are made by adding together the numbers in the circles either side. For example, if the number in the square box was 10 you could try 6 and 4, but the numbers must also add up on the other edges, making this more difficult than it first appears.

Winter Opening Hours: Monday - Saturday 10am to 2pm and Sunday 9am to 12 noon.

Boyup Brook Tourism Association Inc proudly sponsored by Boyup Brook Tourism Association Inc proudly sponsored by Shire of Boyup Brook

SAVE the DATE: Fri 7, Sat 8 and Sun 9 October 2022
WOW it's on again and with a new focus thanks to a very generous offer by two locals.

On the weekend of October 8 and 9, it will be the third year our Walk on the Wild Side has been operating. Along with our Blooming Wildflower tour (Friday, October 7) and Art on Abel (all weekend), there will be something for everyone.

Saturday, October 8 is the big day for everything that shines, roars and is old, when locals rev up their vintage and veteran vehicles and head into town.

The exciting news is there will be a 1994 Yamaha Virago 1100cc motorbike up for auction. With an exchange of \$1 the bike has been virtually donated by Glenda Moroni and will be generously repaired, and brought back to life by Adam and his band of mechanics at OLD DOG, Dirt and Diesel. All money raised will go to Ronald McDonald House.

Ronald McDonald House Perth Children's Hospital gives seriously ill children the best gift of all – their families. Their warm and supportive home-away-from-home provides the whole family with a comfortable place to stay and peace of mind, knowing they can stay together, within their child's hospital.

"I myself have had cancer and remember my time in Perth having radiotherapy for only five weeks, nothing like the children from Boyup Brook having treatment for months in Perth. Living at Ronald McDonald House at least keeps the family together. It's the least I could do to help other children and families who sadly, need to access this accommodation," said Glenda.

To make the weekend full of interest we are looking for people who would like to display their own collection however big, small, quirky, homemade, informative or just amazing. Please contact Lyn Willett, 0427 644 064.

New Project Underway

Trails and drives are becoming the way tourists like to follow when on their travels.

The BBTa has embarked on a trails program by asking local identities in each locality in the Shire of Boyup Brook to name and provide details of any interesting landmarks, buildings or places of historical or environmental significance.

This has been met with enthusiasm and already a trail from Trigwell Bridge to Boyup Brook has been identified with many interesting spots to stop and stories to be told.

The long term plan is to erect interpretive signage and directional signposts and add to our self drive brochures. Tourism is important to Boyup Brook as it benefits local businesses and helps drive our local economy. This project is also another way of recording our districts' history before it is lost.

This is a rather large project and anyone with ideas or interested in helping please contact either Annie at the Visitor Centre on 97651444 or Lyn Willett on 0427644064.

Always in need.....

Our Visitor Centre volunteers have helped many thousands of visitors enjoy our town, Shire and community since 1985. We sincerely thank each and everyone for their volunteering time.

We need to keep our doors open seven days a week. If you have a love of Boyup Brook, past and present, a few hours a week or month to spare and enjoy talking to people we would welcome you as a volunteer. Please call Annie at the Visitor Centre - 97651444.

Review from Dan from Bunbury

Visitor Centre, Art Gallery, Butterflies, Beetles and Dolls -
"Our first stop when we visit any town. Just opening as we arrived and we enjoyed the gardens and small animal sculptures as we waited. The lady volunteer was very welcoming and a font of knowledge on all things Boyup Brook Shire.

"The Centre is well stocked with information pamphlets on local attractions and accommodation. Great selection of mementos and giftware. As an added bonus the Centre also incorporates a small art gallery and displays from the collections of Carnaby's Butterflies and Beetles and Kradal's dolls."

Direction for our Times

We continue our cycle of monthly messages for 2022 with the message for July 1, 2006 for our prayer groups and personal reflection.

July 1, 2006

Jesus

Be at peace, little children of God. I am with you. Do not think you are orphans, abandoned to a world which lacks God's love. I seek to bring love into the world in a continuous stream.

How my apostles delight me with their willingness to allow me to use them for this purpose. I work without pause in each person who welcomes me. You may be asleep, or resting another way, and I am busy at work in your soul, preparing great gifts for your brothers and sisters who do not know me.

I am tireless. I am determined. I am forming many saints who will move up the mountain of holiness with speed in order to serve me more completely. Do you wish to be one of these saints? Of course you do.

We will work together to move you more fully into my will. How I guard my apostles. How I surround them with protection. I watch your life closely so that every experience you have will benefit your soul.

My little ones experience pain and carry wounds. This should not frighten you. I do not judge you for your pain. I look at your pain and remember my own pain and I am compassionate. Your pain will not separate you from me. Again I say, have no fear. I am working in your soul to bring my Kingdom to Earth through you. I will see to everything. Trust me and you will be at peace.

St Saviours Snippets

July has conformed to its usual winter character – rain, fog, cold and frost – but we are thankful for the green pastures, gambolling lambs and healthy crops.

It has also seen activity at the Church in the way of several busy bees to upgrade the Annex.

The Annex had been used for the storage of a lot of material from both the Church and the Cursillo Movement but since the Rectory has been rented to accommodate our new doctor and even more storage was required, a great deal has been 'moved on' so that once again, the Annex can be used for morning tea after church and other social occasions.

We are grateful to Adrian Price for his work at the Recycling Centre and the generous donation from the Lions Club to purchase new lino, which has now been laid. The power has been reconnected but the plumbing is yet to be completed.

Much of the internal fittings have been removed and we are in the process of installing kitchen units with fridge and stove so morning teas, etc can be in the Annex. Much nicer than having to brave the cold!

Special services in August include the Transfiguration of Our Lord on Sunday, August 6 and the last Sunday of August is our Day of Prayer for Refugees. Given the financial status of so many people in the world, let alone the conflict in the Ukraine it is no wonder that people wish to escape their circumstances and seek the security and peace such as we enjoy in Australia.

The Cursillo Movement is also focusing on peace and everyone is invited to attend a 'Day of Peace' to be held in Kojonup on Saturday, August 27 starting at 9.00am. This will include guest speakers, discussion groups, Eucharist and lots of singing. It will be a joyous, uplifting occasion.

For more details and application details, please contact Anne Ritson – phone 0428 653 053 or email anne@grindon.com.au

COVID still has to get a mention – many of the restrictions and health practices have been relaxed but.... while we can once again enjoy Communion with wine and the common cup, it may not be for long! The new variant of COVID is rampant and those safety practices may have to be reintroduced. Maybe, while sharing the Cup is still possible, it's another reason to come to church next week!!

Our services continue with Morning Prayer at 9.30am on the 1st and 3rd Sunday of each month and Rev.

Carol Reid takes the Communion service on the 2nd and 4th Sundays, again at 9.30am. Everyone is always welcome.

Be Still and Know.... God

An Apology That Works

If you have sinned, you should tell each other what you have done. Then you can pray for one another and be healed.' James 5:16

A genuine apology can help heal and restore a strained or broken relationship. But as Dr Gary Chapman tells us, it doesn't end there. Observe these:

- (1) Saying 'I'm sorry' isn't enough! It's a good and necessary start, but it's not a good finish. For example, 'I'm sorry you took it that way' isn't an apology; it's a covert attack! You need to specifically confess what you're remorseful about. 'I'm so sorry that what I said insulted you' acknowledges what you did and affirms the wounded person.
- (2) Take full responsibility for your behaviour. Without that, there is no healing or reconciliation. 'I was wrong to speak to you like that' is honest, humble, concrete, and responsible. It helps the injured party see your apology as genuine. Genuineness diminishes anger and encourages others to trust and accept your words.
- (3) Offer to make amends where possible. Ask, 'Is there anything I can do to make things better?' Putting yourself on the line to do everything you can do makes your apology heartfelt and sincere. James puts it like this: 'Tell each other what you have done. Then you can pray for one another and be healed.'
- (4) Ask for forgiveness—don't take it for granted. 'Will you please forgive me for what I did?' You need to say it and the other person needs to hear it before healing and restoration can start. When you ask for forgiveness and it's been granted, you have 'signed on the dotted line' together. You're recording your mutual commitment to move beyond the hurt and work towards a healthier relationship.

Senior Roos' News

The last three fixtures for the Boyup Brook Senior Football team has been very successful with the League and Reserves winning all three of their games against Kojonup, Southerners and Tigers.

Sunday, June 26 saw Boyup host Kojonup. In the League game Boyup were intent on notching a win after narrowly losing to them earlier in the season. With some inaccurate kicking Boyup kept Kojonup in the game, to only be leading by 16-points at three quarter time, however, the boys finally found the big sticks in the last quarter to win comfortably 16.19 (115) to 8.7 (55).

David Johnston (6), Alex Tweedie (5) and Angus Campbell (4) showed why they are the most dangerous forward combination in the league, reeling in many screaming marks. Luke Reilly, Seaton Thompson, Ben Thompson and Mathew Michael all played well. The Reserves match was an even game with Boyup coming through with a narrow win, 6.11 (47) to Kojonup's 5.8 (38). Rhys Grant was the only multiple goal kicker with two goals. Shaughan Mead, Corey Bennett, Jacob Maw, Tom Keightley and Jack Wilson were the best players.

Sunday, July 10 Boyup travelled down to Pemberton. In the League game Boyup were victorious by a large margin, 13.17 (95) to 2.1 (13). Lewis Mead played well kicking four goals, as did Mathew Michael with three goals.

Ben Thompson, Luke Reilly, David Cowan and Lewis Mead were in the best players.

In the Reserves, Boyup put up a strong performance to win convincingly 11.9 (75) to Southerners 4.9 (33). Scott Tweedie (3), Scott Mauger (2) and Michael Potter (2) with Brayden Murphy, Jack Wilson, Mitch Corker, Chet O'Neill and Corey Bennett the best players.

A home game on Saturday, July 16 against bottom team Tigers, saw Boyup start well in the first quarter to be leading by 26 points, however, Tigers fought back in the second quarter as Boyup only held a slender 9-point lead at half time. A rev-up from coach Rhien Lloyd kicked the boys into action, as Tigers didn't score after half time and the Boyup boys piled on the goals to win 21.21 (147) to 6.6 (42). David Johnston (5), David Cowan (4) and Alex Tweedie (3) were pivotal up forward. Luke Reilly played well again, as did River McGregor and Daniel Cabassi.

The Reserves game was similar to the League, with the game evenly poised right up until three quarter time. Boyup ran away with the game in the last quarter to win 8.10 (58) to Tigers 3.3 (21). Jacob Maw was the only multiple goal scorer with two goals. Best players were Corey Bennett, Josh Stretch, Jay Martin, Shaughan Mead and Tom Keightley.

So with both teams entrenched in the top 3, both teams only have two games left before finals start:

6 August vs Imperials @ home
14 August vs Kojonup away

Just a reminder that the August 6 game is our annual raffle night and 2012 premiership reunion. Tickets for the raffle are on sale now, so make sure you get yours to go in the winning for the \$5,000 prize, plus many more prizes.

Tennis Club Update

Whilst the local tennis season is in recess over winter, there has been plenty of worldwide tennis action to keep us enthused, with the French Open and Wimbledon providing plenty of entertainment.

There has been a change of committee for the Boyup Brook Tennis Club with the following taking on positions for 2022-23.

President:	Jodi Nield
Vice-President:	Russell Squire
Treasurer:	Geoff Whistler
Captain:	Jo Hales-Pearce
Committee:	Lizzie Twigg, Sharon Nield, Therese Lloyd, Mike Lloyd, Carmel Page

A big thank you to outgoing committee members, Rance and Naomi Dorrington, Ann Whistler, Ben Murphy and David Nield for their efforts over a number of years.

Your Feedback is Welcomed

A survey is now available for tennis members and non-members to have your say to help us plan for the future. Some of the questions involve improvements to the facility, what events, activities and competitions the club should conduct and what we can do to attract new members.

The link to the survey is available from:

- Website - www.boyupbrooktennis.com.au
- Facebook page - www.facebook.com/boyupbrooktennis
- Current and recent members have been emailed the link

Out on the Fairways

Thursday Ladies Day Results

With our course looking stunning, it's always a pleasure to be out on the fairways. Thank you to the Country Music Club who sponsored the ladies golf day on Thursday, June 23. We played a par game which was pretty challenging in very wet conditions. The winner was Wendy Tuckett by one stroke from Jenny Aird.

Four ladies travelled to Albany to play the Rural Bronze at Riverview Golf Club over three days of golf from June 24-26. Fun was had with Denise Twigg being part of the team to come third on Friday and Lisa Cavanaugh winning the Sunday competition.

Thursday, June 30 the ladies chose partners and played in the Jubilee Foursomes. The winners were Rhonda Parker and Lyn Willett who now will represent Boyup Brook at Royal Perth where they will play against the club winners from around the State. July 7, was a qualifying round for the championship and Jenny Aird won with a great nett score of 73 and runner up was Lyn Willett with 80 nett.

The PD Forrest Rose Bowl perpetual trophy has been in our Club since its inception. The winner of this prestigious trophy was Maureen Piper with -3 on a countback from Rhonda Parker.

Saturday Combined Men and Ladies Golf Day

Saturday, June 25: We were sponsored by the great team at Manjimup Toyota and the club and its members would like to thank them for their continued and ongoing support.. Whilst a little cold at times the conditions were really good for golf. There were 15 men and only two women play as many of them were away playing at provincial. Stableford was the order of the day with several good scores. The course is really coming into its own and is playing well and true. Results:

1st Ben Mead 38pts 2nd Grant Downing 37pts
3rd Lyn Jennings 34pts

Saturday, July 2: We had a first-time sponsor to the club and wow did they show us great support for their day. The club and its members would like to thank Yuppy and Bomber from The Pirate Bar and Perup Industries for not only coming to the club but to keeping us well watered and fed. For the first time in a long time, we had beer on tap supplied by Dingo Brewing, and it was a real hit. Great beer, great food, great prizes and great company lead to everyone enjoying the day.

Boyup Brook and Surroundings

We had 20 men and four women come along and play in a combined 4ball and had many come for the dinner and fellowship after. The course could not be in any better condition and with near perfect weather made for the possibility of some good scores. There were several good individual scores. Results:

1st Ian Tweedie 39 - Phil Huggins 37, total 76pts
2nd Brad Fairbrass 35 - Jason Edwards 27, total 62pts
3rd on CB Wendy Tuckett 37—Neville Parker 25, total 62pts

Tweeds showing that he requires a partner to help get him over the line to stop being the bridesmaid. We had nine novelties, so too many to mention.

Saturday, July 9: The club would like to thank Adam and Leah and their team for their continued support of our club and I am sure that many of our members will continue to support small businesses in this community, for without mutual support of each other, we would live in a far different community.

Thirteen men and four women battled conditions that were handed to them, with the women finishing but six men finishing early and heading to the fire. They did appreciate the dinner that was a culinary delight. The men played stroke and this was the third qualifying round and the first round of the President's trophy. The women played Stableford for the Parker trophy. Results:

Women: 1st Jenny Aird 29pts on CB, 2nd Rhonda Parker 29pts
Men: 1st Grant Downing 83 - 8 - 75 , 2nd Luke Dynan 95 - 17 - 78
3rd Jim Pottinger 124 - 45 - 79

Saturday, July 16: We had our great sponsor in Matt Lowe from West Coast Wool and Livestock Day. This is an event that started up between Boyup Brook and Moodiarrup Golf Clubs. Both clubs and their members really appreciate the support that Matt brings to his day.

We had 25 men and 7.5 women (1 x 9 Hole player) play on a day when you could have thought we lived in Melbourne, from a little drizzle to bathed in sunshine. It was great to have a few new players come along and also a walker who may have taken the rain with her. All played in great spirit. Thanks also goes to the culinary chefs in Tweeds and Luke for feeding everyone, looking forward to the next one.

Novelties - too many to mention but well done to all those who played a great shot. Several good scores to note: Jim Pottinger - 38pts, Darryl Abbott - 37pts, Michael Wallace - 35pts, Naomi Dorrington 34pts.

1st Grant Downing, Matt Blechynden, Rance Dorrington, Penny Tweedie, total 114pts
2nd Alan Piper, Simon Purse, Ian Tweedie, Greg O'Neil, total 112pts

Again, what a great day from the sponsorship and the comradery shown out on course and in the clubhouse shown between the two clubs. We look forward to tripping to Moodiarrup next year.

Vets

Friday, June 24 saw 63 men travel to Boyup Brook and play in our Vets Day. It was a brilliant day with fine weather after a very wet week.
