# My Inbox....

Kaya, wandjoo to the December Gazette.

It is hard to believe that this is the final edition for 2022; it comes around so fast.

We hope you enjoy reflecting back on some of this year's stand out moments on the colourful front cover. There was a lot of diversity in the awards and accolades achieved this year, showing what a talented and eclectic bunch of people we live amongst in Boyup Brook!

This month, the festive season will kick off with the Shire's Carols in the Park and there are many other Christmas services and activities to get amongst.

Please don't forget to vote for your favourite festive business premises this year! 14 local businesses have gotten into the spirit and are taking part in the Christmas Competition. See page 29 for more details about how to vote.

I hope you have a lovely December and good fun bringing in the new year of 2023!

*Until Next Year,  
Please take care of yourselves  
and each other,  
Sharon*

*The Boyup Gazette acknowledges the Kaniyang people of the Noongar Nation as the traditional custodians of this land on which we live and work.*

*We pay tribute to elders past, present and emerging and recognise the contribution they have made, and continue to make, to our community.*

# Remembrance Day

A small crowd gathered at the Boyup Brook War Memorial to commemorate the 104<sup>th</sup> anniversary of the silencing of the guns of World War I.

It was also a time to remember and reflect on the tragedy of World War I, but the many other conflicts and peace-keeping missions across the world and those who have, and continue to, serve our country.

Members from the Boyup Brook and Kojonup RSL sub-branches were present and took part in the official proceedings

# World Shearing Records

Boyup Brook residents Koen Black and Floyde Neil have set new shearing world records in October and November at properties in Kulikup and Kojonup.

Koen of Lojik – Shearing Training, broke the 8hour Merino Lamb shearing record on Thursday, October 27 by more than 30 sheep.

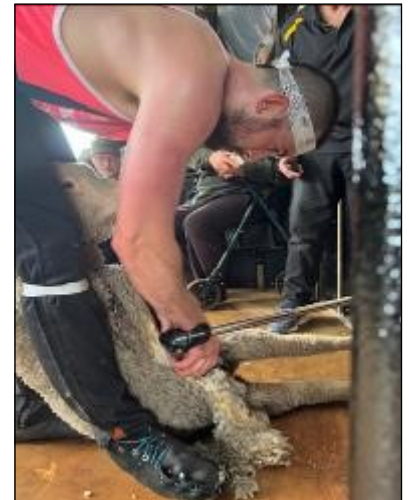

Managing to shear 604 sheep in the time frame, he beat the previous record which was made by his older brother twenty years ago, when Koen was just six years old!

Less than three weeks later on Sunday, November 13 Floyde of Shear Pride, broke the world record for the 8hour Crossbred Lambs category, shearing 527 in the time frame.

Floyde tallied 132, 126, 140 and 129 lambs during four, two-hour runs.

He broke the record by three sheep.

Well done Koen and Floyde!

# POLICE NEWS

## BOYUP BROOK POLICE

We are fast approaching the end of the year and the “silly” season. With that in mind it’s time we ask our community to be vigilant, respectful and above all, safe.

Over the Christmas period a lot of people take the time to go on holidays or visit family and friends away from their usual home. Let your neighbours know you will be away and preferably a contact should they need to get in touch with you. Keep an eye on your neighbours homes/property whilst they are away and report any suspicious behaviour to us. We will be working throughout the Christmas and New Year period and available if needed.

We know the dangers of being on the roads at any time, let alone the busy holiday periods. Please plan your trips carefully. Don’t drive tired. Have a good time, but don’t let thinking you are ok to drive whilst affected by alcohol or other substances is a good idea. Again, there will be a police presence on all WA roads specifically focusing on safe road use.

It is also timely to again remind firearms license holders that the obligation is on YOU to renew your license every year. It is not the responsibility of the WA Police or anyone else other than the license holder to pay the renewal by the due date. Do not wait for the renewal letter to come in the mail.

We have seen for various reasons this to be unreliable. If you fail to renew your license in the time required you may be issued with a \$421.00 infringement and your firearms seized.

Set a calendar reminder. Put a post-it note on the fridge. Get a tattoo. Whatever it takes to remind you to pay the renewal so we don’t have to call you up. Moving forward into the new year, those with a history of not paying on time will be receiving an infringement.

On a lighter and sadder note, Senior Constable Tara Spencer is leaving Boyup Brook Police Station for a different type of role in Perth. Yes, the rumours are true. She is leaving however, not to become a carpenter as some thought. She may spend some afternoons on her porch whittling but she is not taking on a new trade.

Tara will still be living in Boyup Brook and working with WA Police, however has called time on her three and a half years serving this community. Tara’s character around the office will be missed. Although, her new role will give Tara a better work/life balance so we will likely see her frequenting the station, much like a station cat we can’t get rid of. We all wish Tara and Sharon good luck in the next chapter of their life.

Merry Christmas and happy new year from the staff and families of Boyup Brook Police.

# St Mary's Primary School

Term 4 has been a busy one so far. The school has been abuzz with events, activities and engaged students. Recently our Year 5 students have been on camp, we celebrated Crazy Sock Day to raise money to fight poverty, had two assemblies - our K/PP Assembly and our Yr 5/6 Assembly, held our Athletics Carnival, competed in the Interschool Athletics Carnival and welcomed our new Kindergarten students into our school during our two Kindy Orientation Days.

### Year 5 Camp

Mr Chambers, Miss Deb, Mr Priest and the Year 5 students headed off to Camp Pemberton for two days. The camp was filled with team building activities, swimming, climbing sand hills, playing, campfires, waterfall walks and relaxing whilst hanging out with some friends. The students were exceptional on camp and demonstrated their manners, gratitude and energy during every activity. See picture below.

### Crazy Sock Day

All students and staff came dressed in Crazy Socks to raise money for Socktober. Our focus was on raising money to fight poverty in Ethiopia as well as raising awareness that we can all make a difference and make the world a better place. The Year 6 Mission Leaders made Sockballs – soccer balls out of socks. These were used as sport equipment during recess and lunch. We raised enough money to buy two goats for an Ethiopian village.

### Assemblies

Two classes recently showcased their dramatic skills and entertained and informed the school during their assembly. The K/PP class lead us in 'Baby Shark' and a re-enactment of the nativity. I am always amazed at how brave our youngest students are when performing. The 5/6 class gave the school a taste of what to expect when they get the chance to go on camp. They loved putting their drama together and from all reports had a ball performing it for the school. See picture below.

### Kindergarten Orientation

Such a lovely group of parents and students were welcomed into the St Mary's family this term. Mrs Wheeler and Miss Deb are so excited to be able to be your educators in 2023. The parents enjoyed a light morning tea whilst listening to Mr Ben Priest and Mrs Kirsten Skraha, our P and F President and the children enjoyed getting to know their classmates, teachers and surrounds. The second orientation was a huge success, with the students being left at school to begin their educational journey.

### Athletics Carnival

Not even the weather could stop us. It was a tad cold, a bit windy and a times a touch wet but we put our heads down and had a great Athletics Carnival. The students threw their best into the wind for Turbo Javelin and Vortex, jumped their longest in long and triple jump, ran their fastest in the sprints and combined well in Tunnel Ball, Leader Ball, Pass Ball, Flag Relay and Wheel Relay. The last race of the day saw the parents take out the race in the Parents / Staff / Year 6 Leader Wheel Relay.

### Interschool Athletics

The Interschool athletics was held on Tuesday, November 22. It was the first really hot day in a long time. All the students competed hard, tried their best and represented St Mary's extremely well. A big thank you to the Boyup Brook District School for hosting us and coordinating a very successful carnival.

### Enrolments open for 2023

Enrolments are open for all students in Boyup Brook and the surrounds. We provide quality education and pride ourselves on being a school where every child belongs. Call the school office on 9765 1333 to enquire and book a school tour. With our new fee structure, it is even more attractive, \$300 per year for Pre Primary to Year 6, and \$100 a year in Kindergarten.

## HAY FOR SALE

Small squares old season hay,  
oat/ryegrass mix: \$10.  
New season squares available late  
November: \$15.  
Pickup on farm or delivery can be  
arranged.

## Dinninup Clean Shears Competition

Luke and Jess Harding would sincerely like to thank the generous sponsors, transport (D&L Bleachmore), judges administration, competitors, shed staff and everyone who helped make the day such a great success. It's not possible without their generosity.

To Jo and John Ritson we cannot thank you enough for supplying a beautiful line of sheep again for the competitors, keeping them dry can be a tricky task.

There was a fabulous turnout of shearers with 42 competitors total with 12 Novice shearers. We also had a great turnout of Local Shearers, thank you for your support.

## Blues at Bridgetown

What an amazing day it was for our BBDHS Music Students performing live on the Youth Stage at the Blues at Bridgetown. A huge thank you to Chris Baker, Steve Franklyn and Jesse Knapp for all their work in preparing the students for the big day.

Our High School Bands enjoyed putting on show their musical talents, playing songs such as Crazy, Shotgun, Wrecking Ball, Hotel California, Sweet Child, Baby I've Got You On My Mind and Joker and the thief.

## Year 6 Transition

Year 6 students from BBDHS and St Mary's Catholic School enjoyed a day in the life of High School! They explored the High School facilities and participated in some fun activities and opportunities.

This is a great way for students across both schools to get to know each other and see what subjects they will be involved in next year such as Music, Science, English, Physical Education, Design and Technology, and Home Economics.

## Access ALL Abilities

International Day of People with Disability is a United Nations observed day, held each year on December 3, aimed at increasing public awareness, understanding and acceptance of people with disability.

The Boyup Brook Community Resource Centre, together with the disabled community of Boyup Brook, invite all community members to an event on Friday, December 9 at the Town Hall from 10am-12noon, which will provide an insightful view into life with disability.

Hear stories of local community members with different disabilities, their challenges and achievements, and you can also expect some fun and humorous anecdotes along the way.

There will be opportunities to ask candid questions to increase understanding of life with disability, in a similar style to the ABC television program 'You Can't Ask That'.

A number of community stakeholders, service providers and support agencies have been invited to contribute to the forum which will also aim to identify issues and gaps for people with disability in rural areas.

A light lunch will be provided. For catering purposes, please RSVP to the CRC by calling 9765 1169 or email [crc@boyupbrook.org](mailto:crc@boyupbrook.org).

This event aims to promote diversity and inclusion and all community members are welcome to attend.

## Co-op Supports Community

The Boyup Brook Co-operative is proud to announce a donation of just over \$35,000 from its Community Fund benefitting both the Boyup Brook Hospital and the Senior Citizens Lodge.

The Community Fund was established by the board in 2020 with the aim of providing financial support for specialised projects and objectives within our community.

The first donation of \$25,800 will go towards the purchase of a lifesaving Hamilton T1 Ventilator machine for the Boyup Brook Hospital. This will replace the current unit which has limitations including only providing invasive ventilation and requires trained staff. The Hamilton T1 can be used on all patients including children to the elderly and can be operated easily by staff guided by telehealth.

Chairman of the Boyup Brook Co-operative Board Michael Wright said, "We are delighted to be able to support our local hospital with this donation and look forward to the Hamilton T1 machine being available to assist those patients who require it at their most critical time".

The second donation of \$10,650 consisted of the purchase and construction of a patio for the courtyard area of the Boyup Brook Citizens Lodge. This will allow the residents to enjoy the outdoor area with their guests without getting sunburnt or wet.

Manager of the Lodge Maria Bogar said, "We are thrilled with this very generous gift and look forward to the weather improving so our residents can enjoy more morning teas and lunches outdoors with their guests".

## Music Festival Returns

Dust off your hat, buckle and boots, because pre-release tickets are now on sale for the iconic Boyup Brook Country Music Festival, which is making its long-awaited return on the 17th - 19th of February 2023, after a two year hiatus due to COVID cancellation.

Artists already on the line up are Brooke McClymont and Adam Eckersley as well as The Bushwackers, with more to be announced soon. Pre-sale tickets for the Music Festival and the Ute and Truck Muster are available now from the website: [www.wacountrymusic.com.au](http://www.wacountrymusic.com.au).

## Why Ring the Bell?

COP 27 is the Conference of the Parties throughout the world, where it is hoped that words will be translated into actions.

Why ring the bell? Before the telephone and radio news was available in most homes, churches rang bells to make announcements such as the start or end of wars, local marriages and funerals, to call parishioners to church, or other matters.

About 40 years ago, Prince Charles (now King Charles III) spoke of his concerns about climate change but was criticised as being alarmist. Soon after, the ABC Science Show presenter, Robin Williams spoke on radio about the greenhouse and ozone effect and climate change.

With record intensity and frequency of floods, fires, drought, in Australia and world-wide, the signs are clear of the impacts related to climate change. We also hear of melting ice in the Antarctic and Arctic regions at a rate not previously predicted.

We call for urgent action from COP 27. We seek for the work of climate change scientists to be without influence of political parties or multi-national businesses. We give thought for those who are most vulnerable but least responsible for climate change. We seek wisdom of those attending COP 27 and that they return to their countries with positive actions to address climate change.

# Great Day at the Show

What a great day the Show was this year! The weather was better than it had been for a while and great crowds came through the gates to support our wonderful community event.

Some of this year's highlights:-

- Life Membership awarded to Les Elliott. Les has been actively involved on the committee for over 22 years, a steward of the Clean Shears for 16 years, instigator of the speed shears and has spent many days over many years doing improvements on the grounds. Thank you Les, your effort has been, and is appreciated by us all.
- Opening of the new Ablutions block Hon by Rick Wilson MP. We extend our sincere thanks to everyone involved in making this major undertaking come to fruition.
- Online Entry system.
- Entries were up, particular in the cooking section both adults and children's saw the addition of over 100 entries in both, well done. In fact, all sections were up with the exception of Sheep, both Merinos and British Breeds & Home Industries, which are we would like to encourage more support in for next year.

**Show Opening** – Bob Melville, National President of the Rose Association and International Judge joined us this year to open the show and also gave a talk on roses.

**The Fashion Parade** was well run again by Sally Thomson with Postie Fashions and Linen Beach featuring. Thank you to our wonderful models for volunteering and showing the clothes to our audience.

**Speed Shears** was a highlight of the show, with Floyde Neil coordinating the event and the participation of three world champions competing which was amazing to watch. Thank you Floyde.

**Young Judges** had a huge support from Harvey, Narrogin and Cunderdin Ag colleges, as well as Mt Barker Community College, and others with some of the school staying on the grounds enjoying the new ablution block.

A new **Show Entry** system was put in place this year, which proved to be very successful. Thanks to Ally Kinsman for all her work to put this system in place and the smooth running on show day.

A big thank you to **Talison Lithium** for the generous grant that paid for the Critters Up Close and the popular kids train to be at the Show. The funding they provided allowed these activities to be free and were enjoyed by all.

The **Boyup Brook District High School P&C** were again amazing this year with helping to keep the kids entertained with many activities including the gaming trailer, soccer darts and shooting basketball inflatables along with table tennis, bubbles, giant jenga, hula hoops and circus kit. The P&C also provided a wide range of show bags, which were very popular. They also received the trophy for best contributor to the show.

This year we had a new MC, Ray Hastie who did a wonderful job informing the crowd of what was happening around the Show.

Thank you to all the members and supporters of the Show, to the judges and stewards and especially to the new people who have taken on roles for the first time this year. There is a lot of work that makes that Show happen each year. More hands are needed! If you would like to join our team of volunteers in either a large or small capacity, please contact either:

## Garden Club

A relaxing lunch was shared by 19 Garden Club members for our final gathering in 2022. We met at the Quacking Frog Teapot Shed where Ruth and Ray Gorman treated us to a delicious Indian Thali meal which we highly recommend. Apart from the tasty cuisine on offer is the amazing collection of over 5,000 teapots on display which is well worth an inspection.

After filling ourselves to the brim, Ray took us on a tour of their garden in which he has set up a hydroponic system successfully growing strawberries and various vegetables and herbs. Ray has also made good use of packing boxes to grow some of his produce. Thank you Ruth and Ray for making our end of year lunch so enjoyable.

Boyup Brook Garden Club would like to thank all of our hosts for 2022 who delighted us with their gardens. Lyn and Ted Willett, Heather and Tony Domoney of Bridgetown, Boyup Brook Community Resource Centre, Reuven and Helen Meiri, Dan and Lorrene Sambell-Sayer, Glenda and Trevor Bock and lastly Ruth and Ray Gorman.

# Not the Art Awards

The Boyup Brook Art Awards is held as a key fringe event of the Country Music Festival each February, however it has not been conducted for the past two years due to COVID restrictions.

Unfortunately, this year, due to scheduled upgrades on the Town Hall, the Art Awards will also be postponed for another year, however, the Boyup Brook CRC will host a smaller scale art competition and exhibition entitled 'Focus on Flora' across the period of the Festival, February 17 to 19.

Artists are encouraged to enter using any media (except photography), as long as the main feature is 'FLORA'. Entries are to be no greater than 75cm on the longest side, with sculptures no greater than 1m in height. The entry fee is \$15 per piece, with a limit of three entries per person.

Prizes will be awarded for 1st, 2nd and 3rd place with a special prize for Under 18 entrants. There will be a Packers' Prize and the public will have the chance to vote for the People's Choice.

Artworks should be made available for sale by the entrant.

The closing date for entries is Friday, January 27 2023, however depending on available space, the number of total entries may be capped and the closing date made earlier.

For further information, please contact the CRC on 9765 1169 or email [artawards@boyupbrook.org](mailto:artawards@boyupbrook.org). Full entry details and conditions will be available on the CRC's Art Awards webpage, [www.boyupbrook.crc.net.au/boyup-brook-art-awards](http://www.boyupbrook.crc.net.au/boyup-brook-art-awards).

# Business Spotlight on OLD DOG

A tractor has a heartbeat and feelings too. A farmer feels for his sick animals, and that's how we mechanics at OLD DOG Dirt & Diesel feel about poorly running machines and vehicles.

When you don't feel quite right and head to a doctor, out comes the stethoscope and straight to the heartbeat and lungs, then out to feelings and receptors after asking about symptoms and diet/service history.

This is very much us as mechanics being the doctors of all things mechanical.

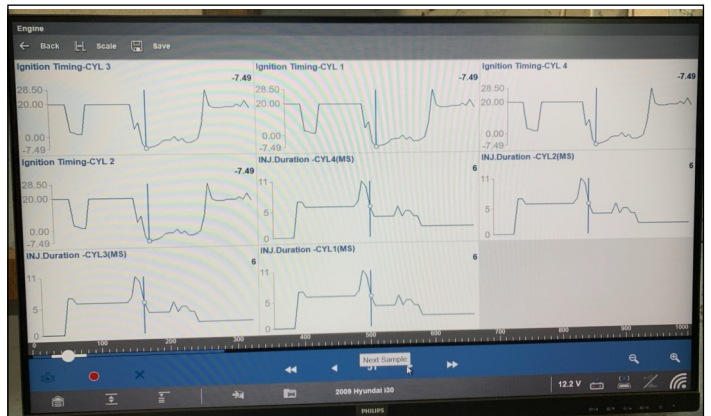

Technology in today's world is only scary if you don't understand it or have the right tools to decipher the nervous systems that these latest machines/vehicles now run with. It's why we utilise accountants, pharmacists, specialists, etc. to understand this hidden complicated world for us.

Here at OLD DOG Dirt & Diesel we have recently invested in the latest and greatest of technology in the form of diagnostic equipment. These aren't just tools, but weapons in our world, for fighting electronic and mechanical diseases. For our technicians to operate and understand these weapons, it takes a lot of training and clever minds with a passion to learn.

There are certain diagnostic aspects and tools on our latest computers that are not utilised, or even understood by the larger dealerships and workshops in the cities, that makes it our goal to be the best in the industry.

We are so excited to offer the cutting edge in diagnostic technology right here in Boyup Brook. Please come and chat to us about these computers and their capabilities for your machines and vehicles. It can help eliminate 'a stab in the dark diagnosis' and can mean saving days waiting on parts that may actually not be at fault in critical hay/harvest times.

Thanks again Boyup Brook for supporting our local family business.

## We Wear Green

### What to do When an Emergency Vehicle Approaches

Every few minutes an emergency vehicle will activate its lights and sirens to assist someone in a life-threatening situation. The driver of this vehicle is trained in emergency driving and their aim is to do this safely. Some road users are unsure about their obligations and options when an emergency vehicle approaches. The Road traffic Act 2000 in Western Australia states that, "A driver shall give way to and make every reasonable effort to give a clear and uninterrupted passage to, every police or emergency vehicle that is displaying a flashing blue or red light (whether or not it is also displaying other lights) or sounding an alarm."

Here's a simple guide to staying safe when making way for an emergency vehicle.

- If you hear a siren or see flashing red-and-blue lights and stay calm
- Look for somewhere safe to pull to the left and, if necessary, stop
- On the approach to a bend or the crest of a hill, keep going and pull over when there's a better view ahead
- Stay out of bus lanes and keep off kerbs and pavements and don't stop near traffic islands
- There may be more than one emergency vehicle, so check that it's safe before continuing your journey

### At Traffic Lights

An emergency vehicle won't want you to put yourself in danger by going through a red traffic light.

Doing so may mean you're breaking the law (it varies from state to state, and even if it is allowed, you'll need to prove you had good reason to ignore a red light) and ignoring a red light always carries a degree of risk. If you're first in the queue at a red light, stay where you are, and leave the ambulance to find its way around you.

### Roundabouts and Junctions

If you're approaching a roundabout or a junction and you see an emergency vehicle with its red-and-blue lights activated, look at its position, as this will let you know where it wants you to go. If you're already at the junction, be patient and wait for it to come past. There may be more than one emergency vehicle approaching, so check before moving off.

### Solid White Lines or Double Lines

On a road with a solid white line system, an emergency vehicle will probably switch off its siren (although it may continue to activate its red-and-blue lights) as it closes in on you. This is because overtaking is not allowed and is unsafe. The best thing for you to do is keep going at the speed limit if it's safe – until you're clear of the solid white lines. When the siren goes on again, that's your cue to let the emergency vehicle go past.

### Motorways, Freeways and Dual Carriageways

On motorways, freeways and dual carriageways, move to the left to allow an emergency vehicle to pass in the outside lane if it's clear. In slow and stationary traffic, emergency vehicles usually use the motorway hard shoulder, so you should only go onto the hard shoulder if you have an emergency of your own.

### Smart Motorways

On a smart motorway (those with overhead lane indicators), one or more lanes may be closed because of an incident ahead – you'll know because of red X signs above the carriageway. Emergency vehicles will use these lanes if they can. Keep out of these red X lanes – it is illegal to use a lane marked with a red X. If no lanes appear to be closed, be prepared to help create the emergency corridor.

In summary: stay calm, make a point of always scanning ahead and behind, to give yourself more time to plan. Don't break the law or take risks, however helpful you're trying to be. Emergency vehicles come in all shapes and sizes so, when you pull over and every time you park, make sure there's sufficient space for any emergency vehicle to get through. Have a good look around and be aware of what everyone else is doing.

Follow these simple guidelines and you'll reduce risk and maybe even help save a life.

*Until next time stay safe*

St Johns Ambulance Service, 0418 957 419*

## LONG CAKE

We've all herd of 'Long Covid'  
 A long time dread disease  
 We know that we can catch it  
 From someone else's sneeze

Hear now of another state  
 That is even stronger  
 It hits us with a shock  
 And it lingers even longer

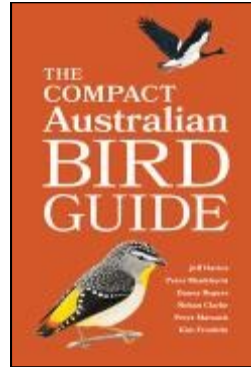

We catch it when we're young  
 And taking no precaution  
 It affects our lives completely  
 It causes great distortion

If you study this condition  
 (And it is all around)  
 You'll find that its effects  
 Are always most profound

There is no cure at all  
 No drugs that we can take  
 It's a serious condition  
 Its cause is Wedding Cake

## Book Review

Have you seen the shelf in the library devoted to new arrivals? It is being constantly updated. This month's review, 'The Compact Australian Bird Guide', was a recent new arrival.

This is a wonderful reference guide to help us identify birds we see flying by or coming in to our gardens. The book would fit into your backpacks to take hiking or on a picnic.

It is broken into three main categories, marine and coastal birds, freshwater birds and lastly land birds. It shows maps of Australia and the locations they are found.

Our library has reference guides on many other topics including travel, arts and crafts, plants and flowers and healthy living. Drop in and have a look.

*Best wishes for a safe and festive season.*

## SEALED SOULS

*540 pages, lavishly illustrated with locations, boats, scenes, people, and maps that will take the reader there.*

**NEW BOOK OUT NOW**

Come back in time when sealing was the first industry in Australia. An era when displaced people were forcibly transported half a world away, only to displace others in a strange land.

This fascinating book chronicles many of the sordid activities of expired convicts who, as intrepid sealers and sailors, cut a frugal existence on the coastal frontiers of Australia and New Zealand. Many only survived with the help of native women they had either abducted or bartered for.

By 1831, many of these daring characters were chased out of their island camps in Bass Strait and headed westward, island-hopping to the fledgling settlement of Albany where they resurrected a new life hidden behind aliases and deception.

A **thought-provoking history** that pulls the curtain on the darker beginnings of an embryonic colony.

## Local Picnic Spots

Summer is here and it's time to get out and about in Boyup Brook. We have some wonderful picnic spots within our Shire so shake out the blanket, whip up some sandwiches, and head off to.....

### Boyup Brook Billabong

On the banks of the Boyup Brook, this is a gorgeous natural setting where a small pool and rock formations provide a tranquil experience. Access is across the footbridge behind the Railway buildings. On the way down to the water you will find a picnic table where, if you are very lucky and quiet and patient, you may see robin red breasts or blue wrens and other small bird life.

### Abel Park

This small park is in the heart of the town on the grounds of the Visitor Information Centre. Facilities include picnic tables, a gazebo, disabled access toilets with baby changing facilities. With a grassed area and beautiful shady trees, this park is close to shops and TRANSWA bus station

### Lions Tourist Park

Set on the banks of the Blackwood River on the town side of the bridge on the road to Kojonup, this park has a natural bush setting and provides picnic tables, toilets, water and night lighting.

### Sandakan Park

Located behind the Town Hall and right in the middle of town, this park is home to the Sandakan Memorial which honours those prisoners of war who lost their lives in the Borneo Death Marches in WWII. There is a free BBQ, access to a power point and water, gazebo shelters, picnic tables, a large playground under sails, a skateboard rink, three hologram sculptures, and open parkland with wandoo trees. Access to the toilets is behind the Town Hall.

## Music Park

Situated on the Riverside in Jackson Street on the way to the Flax Mill Caravan Park, the Music Park offers a picnic table, water, large open spaces and outdoor gym equipment. This facility is a designated dog exercise area together with the nearby oval. A stroll along the Bicentennial Walk Trail by the river will bring you out at the Lions Tourist Park. This trail is 6km long and travels around the outskirts of the town through two bush reserves where wild flowers are abundant in season, and along the banks of the Boyup Brook to return you to this point.

## Merry Christmas!

The Boyup Brook Tourism Association Inc. sends you and your family best wishes for a joyous Christmas, filled with love, happiness and prosperity. And a big thank you to all volunteers, customers, makers and artists for your support throughout the year.

## Be Still and Know..... God

Your provision is on the way

‘Then they opened their treasures and presented to Him gifts of gold, frankincense, and myrrh.’ (Matthew 2:11)

The Bible tells us: ‘When Jesus was born in Bethlehem... [astrologers] from the east came to Jerusalem, asking, “Where is He Who has been born King of the Jews? For we have seen His star in the east... and have come to worship Him.” ...and behold, the star... went before them until it came and stood over the place where the young Child was... And on going into the stable, they saw the Child with Mary His mother, and they fell down and worshipped Him. Then opening their treasure bags, they presented to him gifts—gold and frankincense and myrrh ‘ (Matthew 1:11).

We all remember the Christmas story of how the Wise Men followed a star that led them to the Holy Child, and they worshipped Him, laying before Him precious gifts. Mary and Joseph didn't go out seeking gifts. Although they were forced to spend the night in a stable, they didn't send out messages asking for gifts.

But because they were in the middle of God's will, He sent them Wise Men on camels, loaded with provisions. If we are in the will of God, He will bring our provision to us. We don't have to try to chase it down; it will seek us out. We don't have to try to make things happen; God will bring them to us. We can only expect provision by being faithful to where God has placed us. When we begin to believe this, we are free to cast our care upon Him. We don't have to stay up all night fretting and worrying.

## St Saviour's News

Yes! The bells rang out for COP27 on November 5!

This was part of a world wide exercise to promote the climate change meeting in Egypt by nations all ringing bells in their own time frame so a 'spiritual wave' encircled the globe. To our happy band of bell ringers - Well done!

At the time of writing, we have yet to hear of the results of the meeting but the intention was to lay down recommendations of a practical nature for all nations to comply with – a big ask. So here's hoping that our bell ringing contributed to positive thinking and we will all be witnesses to effective solutions.

On Sunday, December 11 it will be the blessing of the annex, refurbished with much enthusiasm by some very dedicated church folk. This will be one of Rev. Carol Reid's last tasks as she will be retiring after the Christmas services. Luncheon will follow and everyone is invited to participate.

Yes! Christmas is fast approaching and plans are well in hand for the combined churches Christmas Carol service at St Saviours on December 18 at 6.00pm. This is such a glorious service – a little more intimate than the community carols – so again, everyone is invited to come along and sing and then enjoy a supper afterwards in the church grounds.

For those who like to read the Prayer Tree prayers, we will dress the tree with joyous Advent and Christmas prayers very soon. And then – Christmas Day! Rev. Carol will be taking the service at 9.30am. Do join us for the best day of the year – the birth of Jesus.

Many people will be travelling at this time to celebrate and share with friends and family – everyone from St Saviours wishes you a happy Christmas and hope that your journeys will be safe. God bless.

## Direction for our Times

We continue our cycle of monthly messages for 2022 with the message for November 1, 2006 for our prayer groups and personal reflection. November 1, 2006

Jesus

My apostles will be known by their love. It has always been this way. Look for those who treat others gently and you will see my hand at work. If you begin to follow me, you will become gentle and loving to other people. Dear apostles, during this time I send you great graces. Everything you need comes from me. Do not hesitate to answer my call because you feel you may not be holy enough. You are called to holiness, it is true, but all genuine holiness comes from me. If you ask me, I will send holiness to you in great abundance. I notice that many fear a commitment to me because they see only their flaws and weaknesses. At this time, I want you to stop thinking about your humanity negatively. It is your humanity that delights me, my friend. It is your humanity that gives me glory.

Souls in Heaven give me praise, it is true. I return their love. But when a person on Earth, acting from faith, makes even the smallest gesture of love or fidelity to me, I am given great glory and the family of God is given power. Yes, each time a person steps out for God or stands up for God in any way, the Kingdom grows. Do not put a limit on the importance of each little action and each little prayer. If you rose each day and pledged your allegiance to Heaven with an honest desire to serve, and then went out and committed sins all of that day, you would still be considered a friend to the Saviour.

I know that you will not do this because when you pledge your allegiance to me, you are then wrapped in great graces. These graces assist you in each moment and illuminate my will for you so that you can make heavenly decisions. But I am making a point so that you will understand that when you try to please me in even the smallest way, you change the world.

Each prayer, however small and imperfect, fuels this renewal. Will you answer my call? I am relying on my apostles on Earth to spread my words and to allow my light and love to flow back into this world. It is only a difficult job if you rely on yourself. If you rely on me, Jesus, you will see the greatest things happen in the shortest time. You will be filled with my love for others. Ask me for this. If you do not feel my love, remind me of this promise and I will make good on it by sending you increased love for others. This prayer always reflects my will and it is always answered. If you see people through my eyes, you will love them. Be at peace in each moment because you are surrounded by Heaven. There is nothing to fear. Let love direct your actions and you will be a part of my team.

## Around the Traps

Boyup Brook Clay Target Club finished the year with two shoots in three weeks. First, we held the Bell Pasture Seeds 100DB when 27 shooters turned up for a very enjoyable day. Overall winner was Mark Evans on 98/100.

Other winners on the day were-

- AA** 1<sup>st</sup> Nathan Blake 96/100      2<sup>nd</sup> Michael Griffiths 91/100
- A** 1<sup>st</sup> Ben Stratton 93/100      2<sup>nd</sup> Grant Robertson 92/101,  
Sean Conner 91/101

**B** 1<sup>st</sup> Colin Hales 95/100, Stu Uren 93/100, Graham Hales 92/100.

**C** 1<sup>st</sup> Rob Hewton 89/100, Dave Harford 84/100, Sally Stratton 79/100.

Big thanks go to Bell Pasture Seeds for sponsoring our club.

On Saturday, November 5 we were back out there to compete for the Boyup Brook Co-op 100DB, our annual end of season closing shoot. This shoot has earned a reputation as one not to miss. Ryan's Quality Meats again supplied pork, beef and lamb roasts which were cooked to perfection by club member Ross Shepherd.

A large field of 57 shooters filled the carpark with many bringing caravans, campers and swags so as to be able to enjoy the day and not face a long drive home after the 30 target novelty night shoot.

Our new shower/ablution block was well and truly christened. Thanks to Russell Squire for sorting out the plumbing and also thanks to Colin Hales for getting it hooked up to the power. None of this would have happened without Solar Dave coming out one afternoon with his trencher. Thanks Dave.

The Co-op 100DB was hotly contested with several shooters still on a perfect score after the first 50. As the day progressed, they slowly dropped away and after the 100, only Phil House and Nathan Blake had not missed a target.

With the light fading and a few shadows starting to appear, Phil and Nathan went back out to decide the overall winner.

They were back very quickly as Nathan missed his second shoot off target!! Overall winner Phil House 102/102.

- AA** 1<sup>st</sup> Nathan Blake 101/102      2<sup>nd</sup> Mark Evans 98/100  
3<sup>rd</sup> Jon Dyas 96/100.
- A** 1<sup>st</sup> Ian Porter 97/100      2<sup>nd</sup> Banjo Paterson 96/100  
3<sup>rd</sup> Gary Scott 96/100
- B** 1<sup>st</sup> John Rourke 96/100      2<sup>nd</sup> Brad Caporn 94/100  
3<sup>rd</sup> Deanne Blake 93/100.
- C** 1<sup>st</sup> Jamie MacKean 92/100      2<sup>nd</sup> Ben Lamont 90/100  
3<sup>rd</sup> Roger Bevan 87/100.

The winners of the Solar Water Pump Sales highest points scorer for the year awards were:

- Overall:** Stu Uren      **Ladies:** Melissa Fisher
- Junior:** Jono Hewton      **Veteran:** John Griffiths

Captains Award went to Rob Hewton and the Club Person of the Year Award which is sponsored by Helen Robertson went to Stu Uren for his dedication and commitment to promoting and improving the club.

A huge thankyou to the Boyup Brook Co-op for sponsoring this shoot every year! Also, a huge thank-you to all of our sponsors! The club could not keep their costs low and prizes awesome without you! And finally, a massive shout out to all the members who travel to represent the club at home and beyond!

## On the Green

Opening day for our 2022/23 Bowling season was held on October 2, with two of our life Members Vivienne Leesteere and Robin White bowling the first two bowls for the start of our season. After a game of social bowls a lovely afternoon tea was had by all, followed by another game.

Pennants are under way and unfortunately due to lack of members, ill health or working, numbers are down. So, Men are making up the numbers for the Ladies and the Ladies are doing the same for the Men.

On October 8 and 9, the Frank Palmer Memorial 75up Handicap Singles were played. The results were:

Winner: Peter Dearden R/up: Robin White.  
Plate: Winner: Wally Holland R/up: Neville Parker

On October 13, the Championship Mixed 4's event, sponsored by Rex Leesteere and Blue, were played. Results:

Winners: Baz Uren, Merridee Millington, Peter Dearden and Wally Holland  
R/up: Robin White, Freddie Baxter, Neville Parker and Dee Dearden

Inter League Round Robin Pairs were played on November 16 and 17 at Port Bouvard. Marie Uren and Rhonda Parker represented Boyup Brook in our League. During a combination of wind and rain, our League held their own against Leeuwin, Southwest and Murray Leagues.

Every Sunday is Social Bowls with names in by 1pm for 1.30pm start. ALL WELCOME.

## From the Baseline

November 6 saw the official opening day of the 2022-23 tennis season with a family day attracting fabulous numbers. Captain Jo arranged games and activities for all ages, with the juniors taking to the courts alongside the seniors for a couple of fun rounds. It was great to welcome some new members and everyone enjoyed the spirit of the day, including the bouncy castle and burger night at the end of play.

The Handicap Mixed Doubles event was played on November 26, with six pairs and a solo effort from Mike Lloyd, who took on his doubles opponents with ease. Congratulations to Alec Malcolm and Michelle Lloyd who won a tight battle in the final over John Scolari and Sharon Nield. Thanks to our event sponsors, Northlands B&B and CM Dalton Transport.

Each Thursday, the courts are filled with enthusiastic juniors who are keen to develop their skills under Coach 'Woody' and volunteer coaches. We thank everyone who helps out as it makes for smooth sessions and quality court time for the kids.

Junior and adult coaching will break for the school holidays and resume on February 2. However, this doesn't mean that there is no tennis for the kids - they are welcome to come along on the weekends for social tennis. There are always junior nets set up and older juniors are welcome to have a hit with the seniors.

December fixtures:

- 1st: Junior tennis from 3:30pm, adult coaching from 5:30pm
- 3rd: Social tennis 2pm
- 8th: Junior tennis from 3:30pm, adult coaching from 5:30pm

**Round 2:** Washout vs Bridgetown

**Round 3:** Boyup 95 (B.Ridley 26, D.Holland 19, M.Francke 12) defeated by Manjimup 9-221 (J.Maw 4-12, T.Carroll 3-41, S.Tweedie 1-7)

**Round 4:** Boyup 8-171 (B.Ridley 48, T.Carroll 35\*, J.Miller 25) defeated by Northcliffe 4-173 (D.Holland 2-29, C.Marsh 1-12, J.Maw 1-33)

For three weekends in December the competition goes into 20/20 mode. On Saturday, December 3 we play at home versus Manjimup at 9:30am, and then Bridgetown at 4pm.

We will also be hosting a quiz night that night. Very informal so come on down and watch some 20/20 action and enjoy a quiz night that evening. Contact Todd Carroll 0411 278 010 for more details.

December 10 and 17 will be at Collier Street in Manjimup.

The juniors are travelling very well, having won the majority of their games. The Cricket Blast players are enjoying training sessions from Mr Haydn-Smith and Mr Reid where they are honing their skills through an array of fun activities.

Remember it is never too late to join, with senior training on Thursday's from 5:30pm onwards and junior training Friday's from 3:30pm.
