JULY  
2021

## A Very Plastic Free Morning Tea

With the aim of inspiring locals to reduce their single-use plastic consumption for the month of July, a successful Plastic Free Morning Tea was hosted by the Boyup Brook Community Resource Centre on June 19 2021.

The local town hall provided a familiar setting for the event's keynote speaker Rebecca Prince-Ruiz (pictured right), who was born in Boyup Brook and remembers performing in ballet concerts as a young girl, at the same venue.

Rebecca is the founder of the global movement 'Plastic Free July' and was also named this year's WA Local Hero at the Australia Day Awards.

She spoke about the importance of choosing plastic free alternatives, supporting companies that are providing recycled plastic products and touched on the effects that microplastics are having on health.

Ashleigh Dilley of A2 Bulk Foods in Kirup, a store that is providing sustainable homewares and plastic free pantry products, also spoke about how shopping for items in bulk and using your own containers can radically reduce single-use plastic consumption.

The morning tea was well received by more than fifty patrons who avidly listened and asked the speakers important questions in their search for solutions to the plastic problem.

The day also featured a delicious morning tea, with all of the ingredients sourced plastic free. There was not a single piece of cling wrap in sight, the milk came in cartons, the butter wrapped in paper and a very eclectic array of teapots provided a warming cuppa, without tea bags.

The event was also completely waste-free by using ceramic plates, metal cutlery, cloth napkins and all food waste and tea leaves were composted. Much of the tableware was borrowed, including a collection of tablecloths provided by Deb Chambers, and teapots and food platters on loan from the local RFDS Charity Shop.

Guests at the morning tea were invited to make a plastic free pledge, for an item they will choose to refuse in July and helping them to do this, were two pop up shops, Youanme and A2 Bulk Foods, providing a variety of sustainable and reusable items.

The lucky winner of the sustainable door prize hamper was Sue Fairbrass. Sue took home handmade products donated by Rosey Wright and Lynn Tooke, donations from the pop up shops, and other eco products collected by the CRC.

If you are taking on the Plastic Free July challenge this year, the CRC invites you to add to the Community Pledge Board started on the day. Simply drop in to make a pledge or send in a photo to boyupbrook@crc.net.au.

So far, community members have pledged to refuse single-use coffee cups, plastic water and milk bottles, cling wrap, plastic cutlery and straws.

An additional highlight of the morning was the attendance of three awardees of the WA Local Hero of the Year (pictured below), Adrian Price (2004), Rebecca (2021) and Rhonda Parker (2010), all who have called Boyup Brook home.

# My Inbox....

Kaya, wandjoo to the July Gazette. And just like that, we enter the second half of the year.

As I write this, the Perth and Peel regions are again in lockdown due to COVID-19. This virus continues to impact our lives and it is important, even for us here in Boyup, to remain vigilant about hand hygiene, covering coughs and sneezes, distancing and please keep 'checking-in' to venues with the Safe WA app, or using the manual registers. If you have any symptoms, please get tested and consider vaccination, if you haven't already.

July brings school holidays and after a long term, a well earned rest. Travel plans may be interrupted for some, depending on the COVID-19 situation, however take the time to recharge.

There are also a number of national celebration events and awareness campaigns throughout July. Here are just a few...

*Until next month, stay safe, stay well, stay connected*

## Boyup Brook Comfortmakers

Boyup Brook Comfortmakers express a big THANK YOU to everyone who supported our fundraising display and auction in May.

Special thanks to the CRC, management and staff, for hosting and facilitating this event.

Your generosity puts us in a favourable position for the 2022 season of manufacturing quilts for charity.

For those who are interested in participating, we hope to offer a basic patchwork quilting workshop later in the year, with the help of our CRC .

## Museum News

Hello to all in Boyup Brook.

The Boyup Brook District Pioneer’s Museum Committee would like to thank all who supported our wood raffle on May 28. We thought it was a great success.

The winner of the ute load of firewood was Ian Watmore and the 2<sup>nd</sup> prize of an IGA voucher and a diamond dot picture was Duncan Jones. Congratulations to you both.

The Museum had a display at the Volunteers day at Mayanup. Many thanks to the Larkins and John Walsh for arranging and manning the display and for your donations.

The Boyup Brook Ambulance Sub Centre have loaned us an old rescue kit, a baby mannequin and leg brace for display until they have room to display them at their own building. We thank you for these items.

### COMMUNITY PROJECT PRIORITIES

The Shire has received advice from the Australian Government that Boyup Brook will receive \$915,000 in Phase 3 of the Local Roads and Community Infrastructure (LRCI) Program in January 2022. There is also approximately \$500,000 available for community projects from Rylington Park (which may be available to leverage further grant funding).

The Shire would like to give you the opportunity to participate and contribute to local decision-making processes. You are invited to attend one of these community workshops to have your say about how we might achieve the goals of the SCP and to discuss potential projects.

The Strategic Community Plan is an important plan that has an impact on everyone. There are several ways community members can get involved. You can make a written submission or attend one of the workshops below.

### Community Workshops

The Shire will be holding 6 community workshops. The dates of the workshops are:

# POLICE NEWS

## BOYUP BROOK POLICE

Howdy Boyup Brook, we have some exciting news for you this month.

July 14 not only marks the day that Louis VIII became the King of France (in 1223), it's also the first day on duty for our new Sergeant Phil HUGGINS. Let us rejoice! I know Sarah and I are very excited to have our third member in blue gracing these cold halls again.

I will leave Sergeant HUGGINS to 'Phil' you in on the details of his life, past, present and future, but I will say that he is coming over from Wickepin Police Station with his wife Danni and two dogs in tow. Please help us give him a warm welcome and we will be sure to host a 'Cuppa with a Cop' or similar event in the near future so you can have a nice palaver with him...and us too, of course.

Onto some business matters. If you hold a current Firearm Licence, please be sure to check your renewal dates. We have received a lot of infringements lately for the non-payment of Firearms Licences. These fines are \$421 which is definitely better off in your own pocket.

The responsibility remains solely with the Firearms Licence holder to ensure their licence remains current at all times. Unfortunately stating you haven't received your mail or it's your partners job to pay the bills won't work.

Renewal Notices are sent out as a courtesy, not a right. Put a reminder in your calendar or in your phone. Make sure you have updated your postal address and if you have not received a renewal notice and you want to make a payment, you can contact Licensing Services (Firearms) on 1300 171 011.

Some important History.

Did you know that the WA Police Force was established in 1853 and the first female officer started in 1917. Women weren't allowed to wear a police uniform until 1976. This was also the first year that married women could be employed as police officers, previously they were forced to resign once they got married. Although initially Woman Police Constables had full constabulary powers, their official role was to look after drunken women and get assistance for neglected children.

Today, WA Police Force has over 1400 woman in their ranks making up more than 22% on the front line. It's still very rare for a police station to have a majority of female staff. Boyup Brook is one of those exceptions. Lucky you! Stay tuned for some background on us gals' in the coming issues.

Alrighty then, stay safe. Tara

## Real Estate Matters

The management and all at Harcourts Bridgetown are excited about welcoming Arron to our team. Arron is very enthusiastic about property sales and is willing to assist you in achieving the best outcome in any of your real estate needs. Give him a call if considering your selling or buying.

Hi, my name is Arron Kelemen. I am the newest member to the Harcourts Team in Bridgetown and I am excited to assist you with all of your real estate needs!

Having spent 12 years of my younger childhood growing up in the Balingup Area, coming back to Bridgetown and the South West area, really feels like coming home.

I am proud to have had a distinguished career, just shy of a decade, as a Police Officer with the Western Australia Police Force, primarily in Regional WA. As an involved community member I served in Perth, Bunbury (on three occasions), Esperance and Nannup.

I am encouraged and supported by my beautiful wife, Tyra, and our pigeon pair, Utah & Isla. In our spare time we love camping trips, cafes and exploring new places in the South West that we haven't experienced yet!

As a property owner, I understand that selling or buying a home is a big life decision. I strive to provide you with an experience that enhances your decision-making process, reduces the stressors that may be present, meet all of your needs and exceed your expectations.

I am motivated, have a strong work ethic and positive attitude, and I like to have a laugh. Transferring well-practiced investigative skills, I aim to provide my clients with a high level of skill, diligence and attention to detail from your first contact, through out the sales process and in your future endeavors. I bring an elevated level of honesty and integrity to your real estate experience and strive to ensure that you feel informed and supported at all times.

I feel very blessed to be a part of this vibrant community. If I can help you in any way or if you'd like to have a chat over a coffee (or tea) give me a call today!

# Boyup Brook District High School

## Yarning Circle

On July 2, the official opening of our school Yarning Circle will take place at the High School. The Yarning Circle is a harmonious, creative and collaborative place to communicate with each other.

The use of a Yarning Circle is an important process within Aboriginal culture and Torres Strait Islander culture and has been used by Indigenous peoples from around the world for centuries. The circle is place to learn from a collective group, build respectful relationships, and to preserve and pass on cultural knowledge.

## Noongar Seasonal Calendar Mural for Yarning Circle

Mrs Meriol Beatty and a group of creative, committed and skilled students have been busy creating a vibrant mural expressing the Aboriginal Seasons of South Western Australia.

Imogen, Charlotte, Jessica, Anne, Nicole, Caitlyn and Sydney were an admiral team who worked efficiently and took great pride in completing the project in record time. Thank you to Shianne and Amelia for competently applying the background colours to get us started.

Congratulations to you all for a job well done.

We would also like to thank Tony from Donnybrook Building Services for building the frame and installing the Mural, Bunnings Bunbury for donating all the paints and panels, and Talison for donating money towards our Artist in Residence Meriol Beatty.

## Cross Country

It was a great day for Cross Country held on May 21. Thanks to all the parents for their support and the wonderful organisation skills of Mrs Meredith and Mrs Haydn-Smith. Congratulations to all students who participated and to Lee Steere, which was the overall winning house followed by Blechynden and Forrest.

# St Mary's Primary School

Every student at St Mary's has the opportunity to explore their inner brilliance through the school's unique Genius Hour program.

The initiative is part of the school's challenge and support program and involves each year group completing a 5-week Genius Hour project. Genius Hour, run by support and challenge teacher Gemma Hester, allows the students the freedom to explore and extend their knowledge on any topic that is of particular interest to each individual student.

They must create a researchable question to guide their learning and then present their learning to other classes at the end of the 5-week timeframe.

The Year 4 students have just finished their Genius Hour learning. It was wonderful to see the huge range of research happening on topics ranging from learning boxing techniques and phrases in Auslan sign language, developing drawing and singing skills, to creating board games and 3D structures.

The Year 4 students were buzzing with excitement every week.

"It was great to see how self-motivated and enthusiastic every student was to challenge themselves in new and interesting ways each week," said Mrs Hester.

Year 5s are now following the same format for Genius Hour as the Year 4s. They each needed to create a 'non-google-able' research question on a topic that interests them.

The answer must be complex enough that it cannot be found with just one search on Google.

Year 5 topics that are being covered include scientific experiments, fundraising ideas and planning to help those in need, constructing 3D objects (horse sculpture and toy crane), designing a motor-cross track, researching topics of interest and presenting learned facts using PowerPoint presentations and picture books.

They are combining research from websites, YouTube, peer questionnaires and other sources to find the information which they will then present to their peers at the end of term.

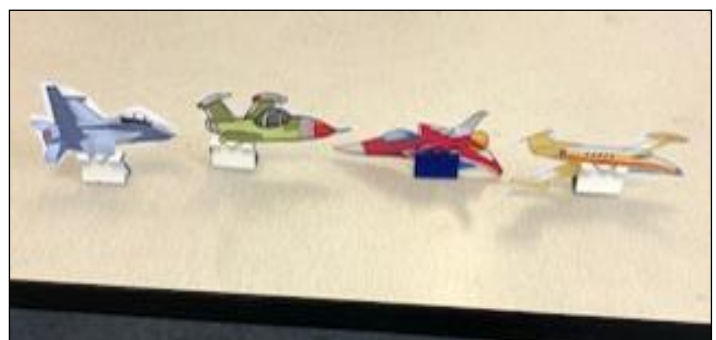

The students have all been busy, engaged and on-task throughout the sessions. The limited time frame has challenged the students to create a specific/refined research question that extends their knowledge yet can be achieved in the 5 sessions.

The Year 6 students kicked off the program last term, participating in the Synergy Solar Car Challenge, finishing third in their division in WA. Teams of students had to construct and race solar cars as part of the competition which attracted schools from across the state.

In other news at St Mary's, Learn and Grow for all children of pre-school aged and their families will be held on Fridays next term, from 9-10:30am. All are welcome.

Kindergarten enrolments for 2022 are now open. Please contact the school on 97651333 for more information.

St Mary's will be getting an extensive facelift during the second half of the year, with exciting renovations of classrooms and outside play areas, updating the school with state-of-the-art facilities.

## Lions Den

I wish to say a big thank you to St Mary's School and the HASS, Pay It Forward Programme. Thanks to Nicole Reilly, teacher extraordinaire, and her very eager students: Grace Lee Steere, Sophie Thompson, Charlize Welch and Amalia Cailles for jumping into the "Lions Den" to help out at the Containers For Change, Refund Point.

The girls are very interested in, and incredibly keen to be part of, cleaning up the environment and learning to be a volunteer really, doing something for nothing and feeling good about themselves.

I just love their enthusiasm and innocent conversations where they natter on to us oldies and of course between themselves.

**BIG ANNOUNCEMENT:** Lions Refund Point C4C will close on THURSDAYS from July 15 until at least September 16. When we see an increase in the volume of items being processed, we will revise the hours. I apologise for any inconvenience.

*Many thanks, Glenda Moroni.*

## Personal Care Alerts

Did you know that the Boyup Brook Lions Club has personal alert systems available to local community members for FREE? That's right, for free.

If you live alone, have a medical condition, or are at risk of having a fall, one of these systems could be just what you need. Systems are set up to contact your choice of family members, neighbours and emergency services should you press the button.

The Carealert and Surealert systems that are available from the Lions, do require a landline phone connection.

If you are interested in obtaining one of these alerts, please contact Mick or Angie on 9765 2252.

If you do not have a landline, but are still interested in an alert, please contact the Community Resource Centre where other mobile or wireless options can be explored.

Give yourself and your family peace of mind should you be in the situation that you need to activate the alert.

## Rylington Park Committee of Management

### Acting Chairman's Report 2021

Sixteen months ago the Rylington Park Committee of Management was asked to attend a meeting with the Boyup Brook Shire, where we were informed by the CEO that our lease of the farm would not be renewed and the Shire would run the farm themselves.

Although the Shire owned the property, the Committee of Management had built up a large asset over the 36 years, that volunteering committee members had run the farm. This included an outstanding sheep flock, upgraded farm machinery and a healthy bank balance which overall totalled around \$1.5 million.

In good faith, as we no longer had a farm, it was decided to donate our assets to the community of Boyup Brook through the Shire.

Peter Reid, Matthew Chambers and myself were appointed to a transition committee with two Shire councillors, to help with the change-over. After six months of regular meetings with the Shire, it became apparent to me that Rylington Park being run from the Shire office was not in the best interests of Rylington. So I moved a motion for the Shire to have another look at their decision to run the farm. This was carried.

Following meetings of the transition committee, I gained the impression from the Shire representatives that the farm would go back to being run by a committee of volunteers as in the past, but with some profits from the farm directed to the community.

During the last 36 years, many local volunteers have served on the Committee of Management carrying out Mr Farleigh's wishes to carry out research trials and training in agriculture. The house, buildings and farm infrastructure in general has been continually upgraded. In my view, the Boyup Brook Shire Council has never shown any public acknowledgement or appreciation, of their contribution and donation to the Boyup Brook community.

At this stage the Shire is yet to make a decision on the future management of Rylington Park. It is my hope that a committee of local volunteers can again run the farm, with a renewed focus and determination to benefit the whole community.

After 13 years involvement with Rylington Park, many as Chairman, I won't be seeking re-election to the committee. I am proud of my achievements which include getting Eric Farleigh inducted into the WA Agricultural Hall of Fame. I thank all those who have been involved with the success of Rylington Park and wish it every success in the future regardless of who is in control.

*Richard Turner  
Acting Chairman*

## A Rose for Hilary Sawyer

Quite a number of years ago a decision was made to begin a memorial garden to honour past nurses and other staff who gave a high level of care to the patients in the Hospital and community of Boyup Brook.

On May 23, a small group of past staff gathered to plant a rose in this garden to honour Hilary Sawyer. "Gold Bunny" was chosen because it is hardy, disease free and a cheerful yellow.

Hilary would have been astounded had she known of the inclusion, but it is well deserved because she came back to work in the Health Service of Boyup Brook in January 1999 and stayed until her retirement to her home in Collie.

Hilary had years of experience in her working life, which spanned much physical labour, cooking for shearing teams, as well as sewing for pleasure, handicrafts, woodwork, leatherwork, art, gardening, reading and completing a memoir of her time in the shearing life.

Hilary was also gifted in photography and had an extensive knowledge of wildflowers, in particular orchids.

Although there have been two recent acknowledgements already published of Hilary's time spent in Boyup Brook, this particular event reflected on her time working as a nurse. Hilary was a very experienced nurse, with broad skills that she brought to the workplace with zeal and determination.

Following the brief ceremony led by Health Service manager Kate Lefebvre, who also acknowledged several other people who will be added to the Hospital Honour Board, the group went to the Treehouse for lunch and spent several cheerful hours reminiscing on their past working life.

## WHAT'S HAPPENING AT THE CRC

There is never a dull moment at the CRC with lots of events, room bookings, student volunteers and providing support to the community in many ways.

The Plastic Free Morning Tea was a great success and we encourage you to come in and make a pledge on how you will reduce single use plastics during Plastic Free July.

Bev Prideaux conducted another popular felting workshop, this time creating baby numbats.

We welcome Lizz Rear to the CRC's Management Committee and look forward to your contribution.

July is set to be another very busy month with quite a few events planned. There will also be a few noticeable changes to the interior of the building in coming weeks, as we prepare to relocate the community library from the Shire to the CRC, news we are extremely excited about. Stay tuned for details about when this will occur.

And we encourage you to become a member of the CRC to support us into the future - see opposite for details.

## RECYCLING HUB

The CRC recycling hub is accepting:

- Nespresso coffee pods
- Household batteries
- Mobile devices
- Bread tags
- Plastic bottle lids
- Writing Instruments
- Hair Care / Colour Packaging
- Oral Care Products
- Stamps and Crayons
- REDCYCLE plastics

If you are heading to a nearby town that has a supermarket with a participating REDCYCLE program, we encourage you to take your own soft plastics. The CRC relies on volunteers to deliver the plastics, so would appreciate it if you were able to call in to see if there are any surplus bags that you could take with you.

## UBAS News

Sincere thanks to Dana Caldwell for volunteering to be the Advertising Coordinator and also to Kurt Norton for taking on the Ground Steward position. We look forward to many happy years of association.

Plans for the sheep yards behind the Shearing Shed are underway and work will begin very soon. The pavers to complete the area between the two halls have arrived and work can commence immediately.

The Society is seeking offers from local organizations to provide the Morning Teas and Lunches on Show Day. Margaret Giles, our wonderful past caterer is very willing to provide details such as quantities required, times to serve and costs etc. Any organization wishing to fund raise through catering should contact Secretary Lyn Chambers by phoning 9767 3069 or 0427 673 069. We are still looking for a new Catering Coordinator—*please put your hand up*—Margaret will tell you it is a very rewarding job. And of course, she offers her invaluable assistance.

After many delays, we will see 'concrete' beginnings on the new Ablution Block .

However, those delays (Government incentives for building construction mean builders are not short of work!), created cost increases and the Society will need to fund raise to complete the project; more details next month.

In the meantime, anyone wishing to assist in decreasing the shortfall, your welcome donations can be forwarded to the Treasurer, Sue Emmerson.

## Local Drug Action Team

The Australian Government and the Alcohol and Drug Foundation have announced a Local Drug Action Team for Boyup Brook, to be facilitated through the Community Mental Health Action Team (CoMHAT), to prevent and minimise alcohol and other drug-related harm in the community.

It brings the total number of Local Drug Action Teams across Western Australia to 37, and 280 Teams nationally.

The Local Drug Action Team Program supports organisations to build or extend partnerships in their neighbourhoods and use local knowledge to deliver evidence-informed alcohol and other drug harm prevention activities that are tailored to individual community needs.

The new Boyup Brook LDAT will provide ongoing support for the community related to alcohol and other drugs, particularly preventative programs for youth.

The LDAT will work closely with stakeholders, including local health professionals, police, local Government and mental health services.

The next steps for the LDAT is to work with the Alcohol and Drug Foundation to develop a Community Action Plan, which will confirm its evidence-based harm prevention activities, who they will reach and exactly where they will be delivered.

Local Drug Action Teams receive an initial \$10,000 to develop Community Action Plans and can apply for further funding to deliver activities within their Community Action Plan.

## Garden Club

The Boyup Brook Garden Club's June visit was to Robin and Darryl Gibbs' place out on Brown Seymour Road.

Robin, Darryl and their two red dogs met everyone at the front of their house on an elevated part of the farm with impressive views all round. Robin gave a short talk about the garden they designed and planted around the house and answered questions from the group.

There was a great number of men joining this visit with good reason. Soon after Robin's introduction, Darryl invited anyone interested (obviously the blokes and Jan Corker took photos) to follow him to the sheds where he had a surprise waiting.

Once arriving at the first shed (and the other three) a world of vintage tractors of a host of models and makes, in different stages of repair, from the basic to the fully functioning and freshly painted were on display.

Darryl started collecting these several dozen machines from 2003. He was able to describe each exhibit in detail and answer any questions with ease. The tour lasted more than an hour which was time well spent.

Meanwhile, the ladies enjoyed perusing the garden and its many plants and interesting ornaments which included iron bedheads and enamel sinks - a great idea to repurpose old items from the house.

Robin was generous in offering some of her iris plants and other plant cuttings were taken too.

The afternoon was a cold one but the welcome was warm and we enjoyed afternoon tea, a laugh and a good natter. Thank you to Robin and Darryl for welcoming us to their property.

The July Garden Club visit on July 13, will be at Helen and Reuven's property, 16 Inglis Street and a talk will be presented on the principles of Permaculture. Due to limited parking, any wishing to carpool please meet at the Town Hall carpark at 12.45pm.

If you want to join our Boyup Brook Garden Club you are more than welcome. The membership fee is \$20 per year or \$2 per visit.

Enquiries please to Helen Rice 0421 581 636 or Margaret Nield 9765 1192.

## 91 Years for C.W.A.

At our last meeting, we celebrated our 91st Birthday with Damper and Tea. Many thanks to all those who assisted on the day.

Those present were some local ladies, also members from as far away as Nannup.

The next outings planned are bus trips to Kodjar place on the 23 July, contact Marie Claire Ryder 0458 090 651 or Dorothy Ricetti 9765 1760.

August will be an 'op shop hop' at a date to be decided.

# Getting to Know ... Bev Prideaux

with Sharon Lampard

**Above:** Bev during her early pistol shooting days.

After being lucky enough to hear this reluctant lady speak at the 2021 Rylington Park Women's Day, I knew it might be a challenge to get her in to the CRC for a chat about herself. But I am so glad she took the time, because *Getting to Know* Bev Prideaux has been such a delight.

Beverley, most widely known as Bev, was born in Perth in 1942 and grew up in the Mt Hawthorn area. Although enjoying many benefits of city life, her family

spent most of their weekends and holidays with family in regional areas starting in the Swan Valley, and stretching as far east as Ravensthorpe and as far south as Albany.

Her father Ossie, was a very successful diesel engineer who owned his own motor engineering business. Bev loved to go down and help him as his apprentice motor mechanic, but this didn't go too far as her mother Beatrice, was quite mortified that her first born daughter was defying gender norms of the time.

Her father was also a professional cray fisherman and Bev spent a lot of time outdoors and on the water, "I swam in anything that looked wet enough to swim in," she recalled.

Bev was often put into school classes with students from other countries, as Mt Hawthorn was a very multicultural place at the time. She quite enjoyed sharing conversations with them, and where able, sharing their delicious school lunches. She had a feeling their cuisine might be quite a lot better than some of her other Australian peers!

Upon entry to high school, all students were required to sit an IQ test and when the results came back, Bev sat in the top two. This meant she was placed in the top school stream, however, over the next three years, her unique learning style subsequently saw her slip to the lowest.

Nevertheless, at age 15, when high school was coming to a close, an opportunity arose to sit a test for an internship. Astonishing her mathematics teacher, Bev answered all the maths questions very well, and ended up in the top ten. This saw her being offered a job at the Commonwealth Department of Census and Statistics.

As was common in those days, Bev went from work to getting married and over the next few years she said her time was spent between having her three children and then "horses, pony clubs and racing cars."

In 1968 she took up basketball, but after getting injured, she looked for a less physical outlet and this first lead her to pistol shooting. It didn't come easy to start and she remembers, "The first targets I shot, they were all over the place!"

## Getting to Know ... Bev Prideaux

*continued*

But after a lot of calculating and analysing where she was going wrong, in less than 12 months of taking up the sport, Bev was named the State Champion and made the State team.

As with school, Bev found she had a unique way to learn and practice, "I'd go out to the range and I'd shoot, and if I shot a shot that wasn't where I wanted [and] was less than a nine... I'd go home." This shocked those around her, but Bev was convinced that too much practise in the wrong technique would ingrain all the bad habits.

"That's me - different. Got to find your own way to do it." Said Bev, but it worked!

In 1969 Bev went to her first nationals and in 1975 she won the National Australian Championships .22 pistol gold medal of which she humbly said, "That was a good year".

It was in 1977 that Bev moved with her family to Boyup Brook. But up to 15 years before this she was experiencing some baffling health difficulties and was made to feel as though it was all in her mind.

It wasn't until losing feeling in her right arm whilst driving a car, and nearly getting into a nasty accident that she was finally believed and diagnosed with Multiple Sclerosis (MS) in 1978.

"It was a relief to know after 15 years of 'get over it, darling', that it is was actually something real. And then it gives you something that you can put a label on and you can fight it." She said.

At the time there was no treatment available for MS other than to monitor the symptoms, and her doctor had to break the news that she had about 10-15 years until the disease would take her life.

Just as she did with any other problem in life, Bev set about analysing the disease. She found out what she could and tried to come up with a way to overcome or get around it. This lead her to Neuroplasticity, which was not a recognised treatment at the time, but Bev persevered anyway.

With her youngest child seven years old at the time of her diagnosis, Bev put all of her focus on getting her kids self-sufficient. She wanted to be around long enough to make sure she could get them on their feet, so they could face whatever they needed to in their lives.

Bev's shooting accuracy suffered as her symptoms worsened and so she tried to move over to shooting with her left hand. After three months of trying, she went back over to her right insisting that she should have enough muscle memory on the original side to get her back on track.

She must have been on to something because in 1981 she was nominated for the Western Australian Sports Federation's Sportsman of the Year. She received a handmade plaque for this nomination of which she is most proud to display.

In the early eighties, Bev competed in the Commonwealth Games selection and finished first amongst all competitors-male and female. Although she well and truly qualified, she was not selected as it was decided that the only the top four men would represent Australia in the Brisbane Games.

Bev was extremely disheartened to be treated with such overt misogyny and came home to retire. She felt all of the effort and hard work that went into being at the top level was now not worth the reward.

However, this retirement was short lived as only three months later she received a telegram inviting her to join the Australian team at the World Championships in Santo Domingo.

**Above:** Bev Prideaux

There must have been something in the Boyup Brook air at this time as she was a part of the same team as another local resident, Rod Hack.

With this shooting career highlight taking place during a hurricane, the team did not perform as well as they set out to. A disappointed Bev found solace in placing highest out of all of the Australian competitors, men and women.

From here her life switched lanes from shooting, to her passion for breeding Mohair goats and the business of farm to shop production of mohair-wool mix jumpers. Which saw Bev play an integral role in the importation of improved Mohair genetics all the way from Texas.

In 1991 Bev married her husband Grayden, who she said has been the love of her life. "That's the point where my life turned around... everything was easier; I had support. And I couldn't have done it without his support".

She also has seven grandchildren and ten great grandchildren that she loves dearly and you can tell she is a very proud mum when she speaks about her three children Sue, Lee and Michael.

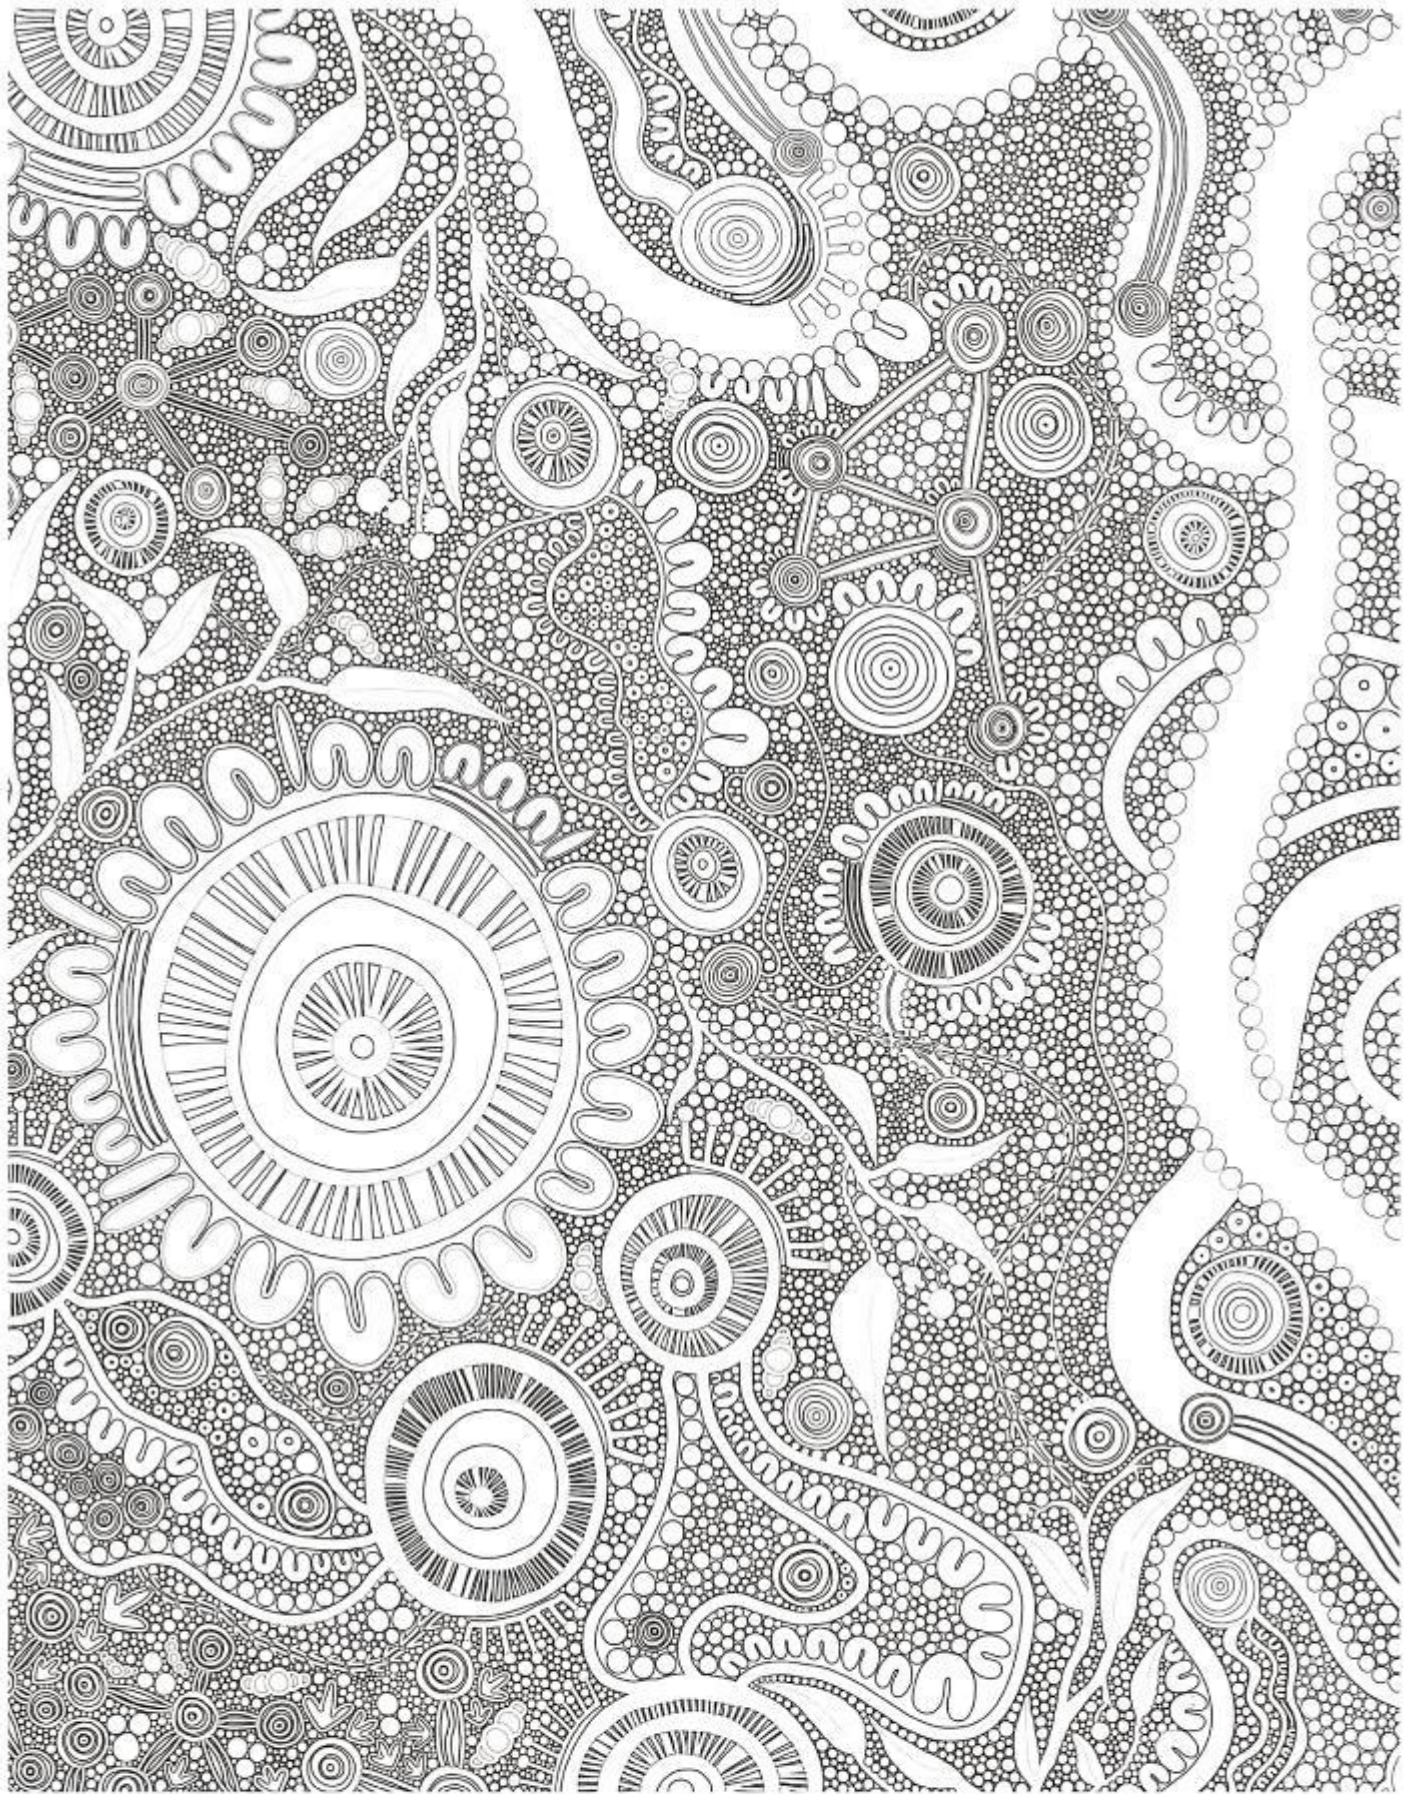

Over the years, Bev's other roles have included the Coordinator for the South West Games, involvement with a variety of local committees, working in Rural Merchandising, vineyard development (which included putting one in at her own property), freelance journalism for 25 years and she was the founding secretary of the Blackwood Valley Wine Industry Association.

She said she has tried to retire many times from different roles, but keeps getting called back up. After her third retirement she wrote a book called *Moodiarrup: an oral history of its Hall & people*.

Her hobbies have been art, photography and making soft toys for her grandkids, which then lead her into needle felting.

As for the MS, Bev says she has it under control and is pretty determined that it is not going to come back. She puts her fight over the disease down to being pretty stubborn and not allowing it to overcome her despite that early prognosis.

Bev measures her success in life at trying her hand at new things, as she'd rather be a "has been, than a never was".

Artwork: Care For Country by Maggie-Jean Douglas (Kibbi Dabbi)

When creating 'Care for Country' I kept in mind that this meant spiritually, physically, emotionally, socially and culturally – I chose to create a bright and vibrant artwork that included the different colours of the land but showed how they come together in our beautiful country and to make people feel hopeful for the future. I've included communities/people, animals and bush medicines spread over different landscapes of red dirt, green grass, bush land and coastal areas to tell the story of the many ways country can and has healed us throughout our lives and journeys.

## What's New?

### Visitor Centre renovations

Over the past two months the Visitor Centre received a long overdue makeover. Both the inside and outside of the building have received a splash of paint, a beautiful new kitchen has been installed, and the art gallery walls have been touched up. The BBTA would like to thank the Shire of Boyup Brook for their ongoing investment in local tourism, along with the preservation of our historic Visitor Centre building. Make sure you drop in and see the improvements for yourself!

### Thank you Irene

The BBTA would like to extend its sincere thanks to Irene Doust for her invaluable service as a volunteer at the Visitor Centre over the years. Irene has volunteered across many areas for the BBTA, and we will miss her friendly smile, willingness to help new volunteers, and positive attitude. Thank you for all your hard work over the years Irene, we will miss you, and look forward to bumping into you soon at the Pioneer Museum!

### Keep warm this winter by shopping local

We have a wide range of warm woollens for sale at the Boyup Brook Visitor Centre. Each item for sale has been made locally with love, and is guaranteed to keep you warm on these cold wintery nights! We also have gifts suitable for all ages including hand crafted local chocolates, delicious spice mixes, an array of produce made from local olives, artwork, homewares, woodwork, jewellery, and crafts. We have new stock arriving weekly, so come and visit us to find perfect unique and special gifts. A selection of goods pictured below.

## Volunteer with us!

Do you have a few hours spare each month? If so we would be delighted to hear from you as we are actively looking for more volunteers to assist with the running of the Visitor Centre.

Our volunteers love the sense of community gained by volunteering their time at the Visitor Centre promoting Boyup Brook, and sharing its history with both local residents and visitors.

If you are interested please phone 9765 1444 or email: [bbvisitor@wn.com.au](mailto:bbvisitor@wn.com.au).

### The Anglican Churches observe Plastic Free July.

The Anglican Bishop of Bunbury, The Rt Rev'd Dr Ian Coutts is encouraging the churches within the Bunbury Diocese to observe Plastic Free July and to try to avoid single use plastics in future.

The fifth mark of mission of the Anglican Communion calls us to strive to safeguard the integrity of creation and sustain and renew the life of the earth.

At St Saviour's we are celebrating Sustainable Sunday on July 4. Here are some tips to avoid single use plastics:

St Saviour's of Boyup Brook began its Plastic Free July campaign three years ago and provided a recycling bin especially for single use plastic wrapping. Rev'd Terry O'Neill blessed the bin 'and all that goes in it'. The contents of the bin are sent to REDcycle agents at Coles or Woolworth Supermarkets.

We are all part of God's creation. In Genesis 2:15 God committed the care of creation to us. Plastic Free July is one way that we can encourage each other to be good stewards of the earth.

If you would like more information or ideas about Plastic Free July please visit their website: [www.plasticfreejuly.org/](http://www.plasticfreejuly.org/)

## Direction for Our Times

We continue our cycle of monthly messages for 2021 with the message for June 1, 2005 for our prayer groups and personal reflection.

Jesus

My brothers and sisters, how I love you. How eager I am that you use the graces available to you. When a person understands this mission and begins to ask for graces for others, Heaven is joyful.

In the same way, those on Earth for whom you pray begin to benefit and to change. Graces surround them. Their soul becomes alert because there is hope. Dear ones, help me. I want every soul to return to me. I am waiting for each person to become open to me so that my graces can flood their soul.

Many of you have seen this and you understand. For those of you who have not seen this happen, please ask me for graces for a person who seems far from me. Continue asking. Ask me for graces for strangers, too. I will come to them in a special way. I will observe them closely, as only I can through my personal knowledge of them, and I will find the perfect moment.

While I wait for this moment, I will be allowing them to benefit from your prayers and wishes by sending moments of grace and people of grace into their lives. Think, my friends. Did I not do this for you at some time in your life? Did I not pursue you if you were far away? If you were never far away, perhaps I encouraged you when you felt abandoned or afraid.

I have graces for each person in darkness. Please work for me now and you will see people returning. All is well, dear friends. You are children of Heaven and as children of Heaven, you have nothing to fear. There is only good possible for you. The Earth is a temporary residence. Your home is in Heaven. So when you come here, you will have come home. Be joyful servants of your Returning King and you will see great changes in your world.

## Be Still and Know.... God

**'Let us run with perseverance the race marked out for us.' Hebrews 12:1**

The story is told of a traveller who met a leadership expert along the road and asked him, 'Where's the road to success?' The expert didn't speak but instead pointed to a place off in the far distance. The man, thrilled at the prospect of quick and easy success, rushed off in the direction indicated. Splat! Down he went! He limped back, bruised and stunned.

Assuming he must have misinterpreted the message, he repeated his question, and again the expert pointed silently in the same direction. So the traveller took off once more. This time the splat was deafening. Crawling back bloodied, broken and angry, he shouted at the expert, 'I asked you which way is success! I followed the direction you indicated, and all I got was splattered! No more pointing—talk!'

Finally the expert opened his mouth and spoke. 'Success is that way. It's just a little beyond the splat.'

The fact is, all of us have experienced 'the splat'. There's no way to avoid it. But it's what we do after the splat that makes all the difference. And perseverance always wins. The Bible says: 'Let us run with perseverance the race marked out for us.'

Champion racer Rick Mears is attributed with saying: 'To finish first, you must first finish.' So if you've fallen, get up again and keep going. American educator Hamilton Holt said: 'Nothing worthwhile comes easily. Half effort does not produce half results. It produces no results. Work, continuous work and hard work, is the only way to accomplish results that last.'

So the word for today is—keep persevering and you'll win.

## Roos News

### Seniors

Well, it's been an exciting month. The Boyup Footy oval finally has its two new oval lights and don't they look great. I'm sure our training sessions will improve immensely, now that the boys can see the ball under bright lights.

So, we are still waiting for our Grant approval for the second pair of lights. Once approved they should be commissioned by next year. I'd like to thank the Boyup Shire for allocating the money for our new lights. Also like to thank Colin Hales for the installation.

Boyup Roos are still enjoying good success, with Reserves and League both sitting second on the ladder.

With a recent cold, wet and windy away game against Kojonup on Sunday, both teams were able to hold Kojonup's Cougars and win the games.

We have Deanmill and Bridgetown (home game) in the next two weeks, so our boys will certainly be tested.

The Club has there \$5,000 raffle night on 3 July. So, if anybody wants to win \$5 grand, tickets are available from all players and committee for \$100.

Hope to see lots of supporters on July 3, against Bridgetown and then the raffle night.

Go the Roos!

### Juniors

Here we are at just past the half way mark and it's getting cold. The action on the field is heating up though as the skills improve and the games get tougher.

The 4/5's side is improving week on week with the last game against Kojonup some of the best football they have produced all year. A big thanks to Paul Lee Steere and Leigh Beadle for stepping up to help with the coaching while Floyd was in New Zealand.

The 6/7's bounced back after two losses in a row with a nail biting win over Kojonup to retain second place on the ladder. With some challenging sides to come over the next few weeks, they will have to be on the ball to remain in the top two in the run up to the finals. The return of Capitan Henry Simpson from injury will no doubt be a boost.

The 8/9's had a fighting loss against Deanmill two weeks ago with some of the skills and endeavour, a real highlight of the match. A big shout out to Rory Miller, who despite his size, never takes a step back from a contest. Keep cracking in mate. Talks are underway with Kojonup for next year with a view of combining the 8/9 sides for a more competitive team.

Availability of umpires is starting to be an issue. Please can any parents capable of assisting step up to help out. Without umpires we don't have a game!

The next four games are as follows:

July 3	Bridgetown in Boyup
July 24	Southerners in Pemberton
July 31	Imperials in Manjimup
August 7	Tigers in Boyup.

Go The Mighty Fighting Roos!

## Boyup Brook Sport and Recreation Association

The BBSRA would like to thank Richard Surrige and Reagan Shalders for kindly donating their machinery and time to contract seed Rylington Park on behalf of the BBSRA. Richard and Reagan are new to our community and we appreciate your kind support. If you are looking for a harvest contractor this season please contact Richard on 0428 425 667.

The BBSRA is continuing to work towards an inclusive Multipurpose Sporting Precinct and improvement of our Sporting Facilities. An exciting thing happened within the Sporting Precinct that you may have noticed: two new light towers have been erected at the Boyup Brook Football oval. A grant has also been applied for to install an additional two light towers. We would like to thank the Shire of Boyup Brook and all involved to make this happen.

## Boyup Brook Golf Club

A huge thank you to the sponsors listed below and congratulations to all the winners.

### Thursday Events

**May 20, Boyup Brook Physiotherapy Trophy- 4 Ball Better Ball (partnered)**

Our thanks to our wonderful Physio, Helen Hack, who has been a long-time supporter of our club. It was also part of the Travel Tree Challenge where the 20 best scores from the country and 20 best scores from the city play-off and the winners get a trip to see the Australian Women's Open.

We had 15 Women play. Our winners for the day were Shirley Sanderson and Wendy Tuckett with 39 pts and runner up Jann Mead and Jenny Aird with 35 pts on a countback from Lyn Willett and Rhonda Parker. We now wait to see if 39 pts will get Wendy and Shirley into the play-offs.

### May 23, Mitchell/Chidzey Trophy

Unfortunately, play was cancelled due to the weather conditions on the course.

Six ladies turned up but had to abandon play on the 16<sup>th</sup> hole. Jenny Aird must be congratulated for her 31 pts under such trying conditions.

### May 27, Vice Captain's Trophy – sponsored by Denise Twigg

A qualifying round for the ladies Championships and stroke, the winner was Angie Houkamau with 72 nett and runner up was Lyn Willett with 73 nett. Jann Mead had a gross score of 89.

It was a surprise and pleasure to welcome Peter House and include him in the days play.

### June 3, Parker/Inglis Trophy

An event played in A and B Grades

The winner of A Grade was Wendy Tuckett with 36 pts and runner up was Shirley Sanderson with 30 pts.

The winner of B Grade was Angie Houkamau with 26 pts and runner up was Lyn Jennings with 24 pts.

### Saturday Events

#### May 23, 1<sup>st</sup> Qualifying Round Championships

Unfortunately, play was cancelled due to the weather conditions on the course.

#### May 29, Boyup Brook Hotel - Stableford

Thanks to Peter and the staff from Boyup Brook Hotel for supporting the club again this year.

1<sup>st</sup> Greg O'Neil 35 pts, 2<sup>nd</sup> Michael Wallace 34 pts and 3<sup>rd</sup> Ian Tweedie

#### June 5, Atherton Transport - Format Canadian Stableford

Todd Atherton is a long-standing sponsor and we appreciate the support he has given to our Club over the years. The start of play was delayed when it was established that there were no keys for the bar. After a couple of phone calls and a short car trip. Play was able to get underway.

There were 11 men and 5 women playing in great conditions with the low handicappers struggling to revel with this format, where everyone tees off and then plays individual stableford from the best drive each hole. The winners: Sue Fairbrass 48pts, Peter Sanderson 46pts & Sharon Nield 45pts.

#### June 12, Bridgetown Challenge – Club prize

14 Men from Bridgetown GC and BBGC had 13 Men and 4 women and with 7 pairs each BBGC was 1 short, so one of the ladies stepped up to partner with the King for the win.

We played a combined stableford match play format which was played in good spirit. We retained the shield with 5 wins- 1 draw and BGC 1 win. The individual results were 1<sup>st</sup> Grant Downing 44pts, 2<sup>nd</sup> Simon Purse and Ladies Lyn Jennings

#### June 19, Boyup Brook Tyre Service – Chris & Peta Meredith

A big thanks to our sponsors and appreciated that they came out to join us after the game.

We had 30 in the field with Men playing stroke and the Ladies stableford.

**Men's Winner** on Countback – Tim Mead 84 -12 – 72 Runner up Luke Dynan 91 – 19 – 72

**Ladies Winner** – Lyn Jennings 32pts

## Boyup Brook Netballers

On June 17, the two Boyup Brook senior netball teams competed in their first head to head match over in the Bridgetown, and took the opportunity to take a photo all together (pictured below).

Those smiling faces could be seen on the court as well, as the game was played in great spirit. The result went the way of the Rangers as they were able to take an early lead and held on, despite the Blazes coming back strong in the second half.

The Rangers had a close call in Round 8, but managed to overcome the Crushers 59-58 in the dying seconds of the game. Aside from a few leads that went either way, much of the game was played goal for goal.

Well done Haylee Fitzgerald who found excellent position in the goal circle and had great shooting accuracy all night. Also of note, was the huge effort from the defensive end who managed to pick up loose balls in crucial moments of the game.

## Around the Traps

### Stridem 100DB

Despite the forecast of rain, Sunday June 13 started foggy followed by some light drizzle which cleared very quickly.

By the time the 30 shooters from all over the southwest had arrived at the clubhouse to compete in the Stridem 100DB competition, it was turning into a lovely day.

After the first round, several shooters still had not dropped a target. At the halfway mark only three shooters were still clean.

The next 25 saw Phil House and Mark Evans both drop a target leaving Nathan Blake from Denmark the only one with a perfect score.

Nathan was able to close it out to win with 100/100 leaving Mark and Phil to shoot off for the minor prizes.

Other winners on the day were: -

**AA:** Phil House 117/118      Mark Evans 116/118  
Ben Stratton 97/100

**A:** Rod Marshall 107/112      Frank Pradera 106/112  
Grant Robertson 94/100

**B:** Ray Guadagnino 95/100      Chris Hewton 93/100  
Graham Hales 89/100

**C:** John Griffiths 93/100      Nathan Simms 92/100  
Tegan House 86/100

Congratulations to Ray (Rafa) Guadagnino for achieving his first 50 Break and also Nathan Simms in his third ever shoot for coming in with his first 25 break.

A big thank you to Mike and Michelle Lloyd for again sponsoring a shoot. Their support is greatly appreciated by the Club.

Our next shoot will be on Sunday July 11, when we will be holding the annual Finn Staniforth-Smith Memorial shoot starting at 9am. This year the shoot will be run as a 100 target 5 Stand Sporting Handicap.

Why not remember a well-loved larrikin club member by joining us on the day! Follow us on Facebook.

## West Australian 8-Ball Federation

### Country Week June 5 & 6

Our Blackwood Pool Association sent 3 teams to the West Australian 8-Ball Federation with players from Boyup Brook, Bridgetown, Greenbushes and Kirup.

The Division 8 team with Alan from Boyup Brook, John and Baden from Greenbushes, Steve and Sandy from Kirup and Luke from Bridgetown won their division, playing strongly against teams from Geraldton, Narrogin, Katanning, Albany and Peel. Each player will receive a trophy.

The Division 5 team with Mark from Boyup Brook and the Division 9 team with Suzi, Hooley, Chris and Sammy from Boyup Brook had mixed results.

A good weekend was had by all.

Sunday nights "The Boyup Brook Club" runs a knockout pool competition from 6pm. \$10 to enter, names in by 6pm, and winner takes all.

Good practice and lots of fun. Meals available.
