Road Safety For Kids

During National Road Safety Week (NRSW) May 14-21, the Shire of Boyup Brook collaborated with the Boyup Brook District High School to organise the event 'Young People Staying Safe on their Wheels'.

Grant funding provided by the Road Safety Commission and RAC, provided the opportunity to host this session, one of 22 initiatives around the State. Boyup Brook's event entailed a lot of community involvement, road safety activities and great prizes up for grabs for the children.

To commence the day, classroom groups rotated through talks and demonstrations provided by local emergency service providers Boyup Brook St Johns Ambulance Sub-Centre, Police and Volunteer Fire and Rescue.

This included learning about injury management, knowing what to do to at various road signs, slowing down for emergency vehicles and being vigilant when riding a bike or scooter, to help keep everyone safe.

Representatives from Old Dog Dirt and Diesel were also in attendance, taking students through techniques to keep their bikes mechanically safe, and Boyup Brook Community Mental Health Action Team demonstrated how to fit a helmet correctly.

Teachers and volunteers kept busy by creating fun obstacle courses for the students who rode through them on their own bikes and scooters. There was plenty of instruction to help them practice slowing down and stopping in a timely and safe fashion.

The event concluded with a sausage sizzle lunch and ice cream, and a presentation of the day's prize-winners. The kids were also treated to a goodie bag.

The Shire was extremely pleased with how the day unfolded and BBDHS Principal Melissa Reimers said the day was "a wonderful example of the school and community working together for the benefit of our children."

Although Boyup Brook's event focused on keeping young people safe on the roads, NRSW is not just for children, all types of road users were targeted through different campaign themes such as taking care on regional roads and thinking about how safe your mode of transport is.

The week is also about remembering the 1200 lives that are lost on Australian roads and highways each year; a tragic and staggering amount, with a further 44,000 people seriously injured.

Look out for a few new spaces in The Boyup Gazette next month!

My Inbox....

Kaya, wandjoo to the June Gazette.

Judging by this edition stretching out to 40 pages, Boyup has been a hive of activity for many community and sporting groups in the last month.

It's great to see so many activities and opportunities happening for our youth. Well done to the Community Mental Health Action Team (CoMHAT) for the official opening of the new Youth Zone.

Also a congratulations to the Shire and Boyup Brook District High School for putting on a great road safety event for the kids during National Road Safety Week. The collaboration of so many community groups and businesses was great to see, I am sure the information provided will go a long way to keeping youth safe on their wheels.

For our smallest members of the community, it seems there are also more activities than ever with early childhood programs at both primary schools and the library available on different days. Don't forget there's also the local Playgroup on Mondays and the second of their free information sessions provided by *First 1000 Days* coming up on June 12.

Await next month's Gazette with excitement as it might look a little different! There will be a few changes to the usual layout, which we hope our readers will enjoy.

*Until then,
Please take care of yourself and each other
Sharon*

The Boyup Gazette acknowledges the Kaniyang people of the Noongar Nation as the traditional custodians of this land on which we live and work.

We pay tribute to elders past, present and emerging and recognise the contribution they have made, and continue to make, to our community.

Can We Help the Homeless?

In Western Australia, about 20,000 persons have no certainty of where they will sleep tonight, or any night. This increases medical pressure, violence and lack of security. Can rural shires such as Boyup Brook relax emergency accommodation to enable persons to stay in a caravan or other small type of housing without time constrictions, until they can afford a more conventional home?

The Regional Australian Institute predicts 1 in 5 Australians are considering moving from Australian cities to regional and rural communities. Another prediction is that 25,000 residents annually, will move from NSW, VIC and SA to QLD and WA. This will further add to our housing stress.

There is a shortage of accommodation in many rural towns, making it difficult to house permanent, casual or part-time workers. If they are pensioners, they may not be looking for work but will be likely to boost local businesses when they shop. The 'tiny house movement' is just commencing in WA but land needs to be allocated for this purpose.

In Nannup there are a number of multiple occupancy properties where several homes are located on one rural property. These were all owner built, established in the 1970's and some of the original residents are now key persons within the Shire, some having become Shire Councillors. Until this happened, there were not enough children to support a school bus run for the more established farmers.

Adrian Price, chair Anglican Diocese of Bunbury-Sustainable Living Working Group

Earthquake Raffle Results

The Turkey and Syria Earthquake disaster raffle run by St Mary's Parish Boyup Brook on April 28 raised \$1,229.75. The money has been sent to Caritas.

Our Caritas partners on-the-ground in Syria are currently distributing food baskets, blankets, mattresses, drinking water and hygiene kits in some of the most impacted regions in the country, including Aleppo, Lattakia and Hama.

We are also working with other agencies in Turkey to distribute urgently needed humanitarian aid to families. For more information visit: www.caritas.org.au/news/latest-news/how-you-can-support-survivors-of-the-turkey-syria-earthquake/

The Raffle was drawn by an IGA Staff member at the check out. The results were:

- 1st One Tonne of Fire Wood - Dave Ryan
- 2nd Mixed Goods - Fel
- 3rd Bag of Wood and Tupperware Sweet Keeper - John Rich

We would like to thank all who participated in making the raffle happen. In particular Daniel Gale, Kelly Winter and of course our local ticket seller and wood raffle deliverer John Walsh.

St Mary's Parish would like to thank all who purchased tickets and the generous donors who supported this worthy cause.

Your Boyup Brook Shire Council Matters

Welcome to the latest Council news items and information on
'what's going on at your shire'!

Welcome Onboard Leonard Long

Leonard will be joining the Shire of Boyup Brook as Chief Executive Officer commencing 19 June 2023. Leonard comes to Boyup Brook from the Shire of Nungarin where he held the position as Chief Executive Officer.

Outcome of Ward and Representation Review

Following the Ward and Representation Review, as was required by a directive from the Minister for Local Government in respect to abolishing the Ward System and reducing Elected Member numbers for the Shire of Boyup Brook, the Minister and the Local Government Advisory Board have now approved the following recommendations of the Shire of Boyup Brook in relation to this matter:-

1. The Ward System for the Shire of Boyup Brook be abolished
2. Elected Member numbers will reduce from 9 to 7. This reduction will be undertaken in a staged process over two election cycles. At the 2023 Elections the numbers will reduce by 1 member followed by a further reduction of 1 member at the 2025 Elections.

2023 Council Elections – Postal Vote

Council, at its April 2023 Ordinary Meeting, resolved to appoint the Western Australian Electoral Commission (WAEC) to undertake a Postal Voting Election on behalf of the Shire of Boyup Brook.

The main reason for this decision is that the Postal Voting System, as evidenced by the majority of Local Governments in Western Australia who engage WAEC, is that voter participation increases significantly as opposed to n-Person Elections.

Further, the State Government will be introducing the Optional Preferential Voting System for the 2023 Elections, a complicated preferential system that requires specific software for the conduct of the count and it was considered that WAEC's expertise in this process, especially for the 2023 Elections would be advantageous.

The appointment of WAEC to undertake the election process on behalf of Council, and particularly a Postal Voting Election, is one that is undertaken prior to each Election. Therefore, Council will assess the process for the 2023 Elections before deciding to again appoint WAEC in 2025. Should Council not appoint WAEC in 2025, the Shire will revert back to in-person voting.

The 2023 Elections will be conducted on Saturday, 21 October. Prior to this date, all Residents/Ratepayers on the Electoral Roll will be forwarded Election Packs with all Candidate Information and Ballot Papers for forwarding back to WAEC to undertake the count on Election Night.

Reporting Street Lighting Malfunctions

Western Power installs and maintains streetlights on behalf of most local councils. If a streetlight doesn't turn on, flickers or continually remains on, residents please report these malfunctions to Western Power by using the following link:
<https://www.westernpower.com.au/faults-outages/report-a-faulty-streetlight/>

Mothers Day - Poem Competition

Congratulations to the four winners of the Mother's Day Poem Competition – Robin, Elna, Louisa and Marley. We received an outstanding number of entries that made our judging panel smile. We hope all mum's had a lovely Mother's Day.

Town Hall Closed

The Town Hall, including the Lesser Hall and Kitchen, is now closed while essential structural and drainage works are carried out. Works are scheduled to be completed by the end of August 2023, weather and supply of materials permitting. The exterior public toilets will still be open to the public during this time. Please ensure you follow all signage if you are using the carpark or public toilets.

No entry is permitted to the construction site!

Public Briefing Sessions for 2023

Residents and Ratepayers are welcome to attend the Agenda Briefing Sessions which commences at 6.00pm in the Shire Council Chambers.

POLICE NEWS

BOYUP BROOK POLICE

Bikes, firearms, golf, agricultural machinery and dash cams... What do these things have in common you ask? Well safety of course! This month's Gazette article is all about safety so please take the time to read it.

If the kids haven't told you how fun it was on May 18, Police were involved in a Bike Road Safety day at the Boyup Brook District High School. Police and firefighters worked together at a stand to educate on the importance of bike road safety. The generosity and support provided by the Boyup Brook community was fantastic with some great prizes awarded to students.

Police understand that seeding is a very busy time for farmers. We also know how much farmers love listening to non-farmers advice. However, we would like to remind you that it is important to comply with the requirements for safely moving agricultural machinery around the town and surrounds.

Big machines can be intimidating to us non-farmers so please do us all the favour of marking your vehicle appropriately and abiding by the laws.

At some point in the near future, firearm owners should be expecting a letter from the Boyup Brook Police advising them of our intention to conduct random firearms checks on a lucky few storage locations.

It is important that you update your storage location and tidy up your firearms safe. Remember you should only have the ammunition for your licensed firearms and ammunition must be stored securely and separate to the firearm.

Constable Drummond is currently going through the joy of a firearm application so any questions can be sent his way.

We have all seen people driving on the road and thought to ourselves, "how did they get their licence?" Well for police to be able to 'educate' (see point 1 below), those dastardly rascals we need some sort of evidence. This is where dash cams come in handy.

Got footage of someone doing something irresponsible or dangerous? Send it to us and we can determine an appropriate course of action on how to deal with the incident. They can also be a massive help with insurance claims and protecting you from fabricated accusations.

If you're wondering why golf is on the list, well if you ever find yourself in the general vicinity of Sgt Huggins swinging a golf club, the safety advice is to leave the area immediately, as you are in imminent risk of a stray golf ball hitting you or a loved one. (see point 2)

As always we are usually hanging around the coffee shop or takeaway if you have any questions about anything we have written about today. If you don't see me around, assume that the golf joke didn't go down well.

Constable Danny DRUMMOND
Boyup Brook Police

Adam Jenkins TREE SERVICES

Mobile: 0447 792 200 • adamjenkinstreeservices.com.au

Highly Qualified • Fully Insured

Adam is a qualified arborist and is experienced in

- Felling
- Climbing
- Removal of trees in confined spaces
- Decorative pruning
- Lowering and rigging around houses and infrastructure
- Stump Grinding

We can now offer you more options for dealing with the debris of the job including Mulching/ Chipping, Heaping it all into a burn pile, Cutting it away, Cutting your logs for firewood, Having your logs milled for timber with our portable sawmill (Lucas Mill) or if you prefer we can leave the debris in movable sections for you to deal with at your own leisure.

Bandit Wood Chipper on tracks
Having a Chipper on tracks allows us to get to areas that a wheeled chipper can't, so no matter where your job is or how tricky the terrain, we can get in and get it done.

18 Meter Track Spider Lifts
These machines can go anywhere from an open paddock to a narrow side path. They are not just for cutting or pruning trees, they can be used for cleaning gutters and reaching inaccessible sites.

Tipper Truck & Skid Steer
For removal of debris, tidying up blocks, heaping debris into burn piles and clearing and managing regrowth.

Cat 308E Excavator
Our new Excavator is very versatile and allows us to get the job done with more efficiency than ever before. We can dig out your stumps with it or use it to simply speed up the rest of the job. The rubber tracks allow us to go anywhere with minimal damage to surfaces.

Red Roo Stump Grinder
This stump grinder will chew through any stump with ease and leave you with a tidy and level surface.

- 1 Infringe
- 2 For a safe location seek out the nearest fairway.

CoMHAT Youth Zone Opens

WOW! What a month for CoMHAT and for Boyup Brook. As you all know our brand new Youth Zone building just opened. Youth Zone is open every Monday and Tuesday afternoon, please pop in and say hi to our Youth Zone Coordinator, Fiona Hazlewood and check out the new building.

The opening will just be the start, with the space expected to get new internal furniture and a coat of paint very soon. We are also looking to grow and incorporate storage for our twenty mountain bikes, an enclosed verandah and deck, a landscaped garden, outdoor areas and even a possible outdoor movie area.

We will be utilising this space to continue our regular sessions of Youth Zone, which now include two age groups. All youth are welcome. The two sessions are open during school terms on:

Monday - 3.30-5pm (Yr 5-6), Tuesday – 3.30-5pm (Yr 7 +)

We are currently furnishing the inside of the building. If you have any furniture or equipment you would like to donate to add to this amazing space, please get in contact with the team via secretary@comhat.com.au or contact Fiona on 0419 190 319.

Other News

The CoMHAT Team would like to say a big *Thank You* to Shenai Johnston for her time on the team as our amazing Event Coordinator. Shenai has spent considerable time coordinating the installation and opening of our brand new Youth Zone building, along with numerous events in 2022. We will miss her on the team but wish her all the best in her family business.

CoMHAT are now actively looking for a new Events Coordinator and Project Coordinator with increased hours available. Please see the advert below for details if you would like to apply.

We would also like to welcome Colin Hales to the CoMHAT Admin Team. We are excited to have Colin join the team and are keen to gain his perspective into our new Community Wellbeing Plan to be written over the next six months. If you would like to join our amazing team as a volunteer, please get in contact by emailing secretary@comhat.com.au

Use code C10538269 for CoMHAT Containers For Change.

INVESTIGATE ENGAGE CREATE EXPLORE

WONDER DISCOVER CONNECT IMAGINE

St Mary's Primary School

Year 6 Camp a Huge Success

In May, our Year Six leavers were lucky enough to head off on their school camp to Perth, and what an awesome time they had. The students stayed at the Point Walter recreation camp in Bicton and the facilities there are outstanding.

Throughout the four day camp the students visited the Perth Mint, Parliament House, the WA museum, spent a day on Rottneet Island biking around including a tour of the Oliver Hill guns and also got to do 3D mini golf, ziplining, archery and ice skating! While at Parliament House they met local member Jane Kelsbie, pictured with the students below, and got to sit in the viewing gallery during a sitting of the upper house.

The students grew closer together as a group and thoroughly enjoyed all activities. Huge thanks to Mrs Marsh and Mr Tweedie for running the camp and giving the students memories that will last a lifetime!

Mothers Celebrate at Special Afternoon Tea

We are blessed at St Mary's with wonderful mothers who do so much for our school. The week before Year Six camp we had a celebration for them in the lead up to Mother's Day. Afternoon tea was provided and students sang a song and said a prayer for their mums.

After this there was a very competitive Mother's Day themed Kahoot! Quiz. We had a huge turnout for this wonderful afternoon of celebration and once again we would like to thank our mums for all the do for us.

World of Maths Visits St Mary's Again

On Monday, May 15 we had a visit from Educational Company 'World of Maths'. They came with a trailer load of engaging, hands on maths challenges that the students had to figure out in groups. Different year groups had their turn and all students thoroughly enjoyed getting the chance to solve some of the complex challenges.

Hosting World of Maths is just one of a host of strategies we are using as a staff to engage our students in more hands on maths challenges.

Learn and Grow in Full Swing:

Our early learning program, Learn and Grow, is in full swing every Friday. It is a wonderful hands-on morning of sensory based play, songs, rhymes and fun and games. All children from six months old to pre-school age are welcome to come along and the school provides some fruit and coffee or tea for the parents.

It is completely free and takes place every Friday from 8:45 am to 10am. We would love to see you there!

Now Enrolling for Kindy 2024!

St Mary's is now enrolling for Kindy 2024. We have a wonderful Early Childhood program in our beautiful classrooms and outdoor area and we welcome enrolments from all families. If you've never seen our school before, please feel free to call the school on 9765 1333 and ask for a look around. We will be beginning our enrolment interviews in the coming weeks and would love to show any prospective families around our school.

Art 'n' Craft Hut

Our Mother's Day held on May 12, raised \$396.20. A big thank you to all who purchased raffle tickets or gave us donations on the day. Our day in front of the IGA was helped by warm, sunny weather, but we really feel for the farmers needing rain.

Congratulations to the winners:

First prize - Orange A34 Kylie Corker

Second prize - Blue A11 Craig Bell

Third prize - Orange C84 Jan Corker

Our Art and Craft Hut is currently used Tuesday after the morning SEA session, from about midday to 4pm as a general sewing day. We bring our sewing machines to do our own projects that need working on.

Thursday is our general craft day, with lots of socialising and very lovely morning teas. Every other Wednesday a Patchwork group meets for the day.

We are currently cleaning up the rear shed to prepare for a clay pottery group. Keep an eye out for a notice in the next couple of months for more details.

Knit in Public Day

On Friday, June 9 we are heading the Boyup Brook CRC for World Knit in Public Day. All are welcome to join in with your existing projects, or if you are new to knitting we will have kits and expert advice on hand to get you started. For more details see the CRC page 21.

Contact Jenni Mackie for any queries on 0428 631 060.

Garden Club

It was at the 2022 Dinninup Show, I was admiring the floral exhibition when a fellow garden club member Glenda told me what the judges look for when judging flowers and floral displays. After sharing lunch with a few of the judges, Glenda and Lorraine both stewards at the show, talked about a possible visit to our Garden Club to teach us how to prepare and exhibit in upcoming shows. Therefore in May, our club invited three judges from the Bunbury region to a workshop at the Mayanup Hall to teach us the necessary skills.

The Floriculture workshop was a cosy affair with five Garden Club members and three visiting judges, Judy Milton, Jennifer Gardiner and Faye Lewis. These knowledgeable women supplied us with beautiful roses and other flowers and foliage to teach us how to make up flower arrangements. We had lots of fun ending up with many ideas and tips for our entries in the next Dinninup Show. Many thanks to Lorraine Robinson for organising this very interesting workshop at the Mayanup Hall.

Garden Club will meet on Tuesday, June 6 at 1.30pm at the Hillview Garden Centre, 200 Hampton Street in Bridgetown. Hillview owner Carolyn will answer all those questions we have wanted to ask about gardening. This visit may be a great opportunity for you to purchase your favourite plants. Please bring your own mug for a cuppa and your own chair if required.

Further enquiries call Colleen Railton 0413 827 900 or Helen Rice 0421 581 636. Follow us on Facebook - Boyup Brook Garden Club.

SHEEP ALL ROUNDER

Feeding Made Simple

- Made Locally in Cuballing WA -

Patmore Feeds' Sheep ARP (All Rounder Pellet) is a highly palatable pellet specifically designed and balanced to meet the complete nutritional requirements of sheep in Western Australian conditions; including added Vitamin E and Selenium.

Patmore Feeds' Sheep ARP is ideal for trail feeding as well as feeding through feeders in the paddock or in confinement feeding settings for all classes of sheep.

Boyup Brook District High School

Another busy month has passed by at Boyup Brook District High School where many fantastic events, experiences and learning opportunities have taken place for our students, staff and school community.

Professional Development of Staff

The teaching staff and leadership team attended Manjimup Senior High School for School Development Day at the beginning of the term with numerous other schools in the Warren Blackwood network. Regional Director, Sue Cuneo, addressed the network outlining priorities of the region including Cultural Responsiveness, Attendance and the Quality Teaching Strategy. Staff attended concurrent workshops of their choice, which provided professional learning in areas such as Science of Reading, Science of Behaviour, ADHD, Anxiety, Trauma, PBS Awareness, and Vaping.

Meanwhile, all of the Education Assistants (EAs) attended Classroom Management Strategies (CMS) training in Bunbury. CMS development provides our EAs the understanding and skills to assist with the management of classrooms, which improves the engagement, learning and well-being of all students. A majority of the teaching and non-teaching staff at Boyup Brook District High School are now trained and implementing CMS within classrooms. By using evidence based interactive instructional strategies, we are increasing our students' active participation and classroom engagement, leading to better outcomes for students and the school.

Other areas of professional learning that staff have undertaken during this time include:

- o Two teachers attended Science of Reading professional learning through the Peel Language Development Centre
- o Both school officers attended SIS (school software system) training
- o Four staff members received their Mental Health First Aid certificates.

PLD parent workshop

It was fantastic to see the many parents that attended the PLD workshop that was held to communicate the 'why' behind the implementation of the PLD Literacy program and Heggerty program at BBDHS. This workshop outlined the evidence-based theory for teaching children how to read, otherwise known as the Science of Reading.

This included developing understanding of Scarborough's Reading Rope, where the premise is that strong reading comprehension results only when both word recognition (decoding) and language comprehension are strong; the Big 6 of reading - Oral Language, Phonemic Awareness, Phonics, Vocabulary, Fluency and Comprehension; and overviews of both the PLD Literacy and Heggerty programs.

The implementation of PLD Literacy and Heggerty are the first steps at BBDHS in providing an evidence-based literacy approach that includes planned and structured teaching of phonics with assessment tools to monitor, assess and support early intervention.

Mother's Day Breakfast

The weather turned on a beautiful morning for our Mother's Day breakfast on Thursday, May 11. Staff enjoyed cooking bacon and egg muffins for the amazing mothers and mother figures in our school community and their children. Mums enjoyed eating breakfast with their children in the amphitheatre, attending the photo booths together, and joining students and staff for a massive group Hokey Pokey! Pictured below. There were many smiles and laughs which made for a wonderful morning. Thank you to IGA Bridgetown, Coles Manjimup and the Harries family for the donation of food items for this event.

Year 9/10 Careers Camp

The Year 9 and 10 students attended a four-day Careers Camp in Perth where they attended numerous career orientated activities to stimulate interest in industries and career paths not seen in Boyup Brook, and to motivate them to pursue fulfilling careers in a range of areas. Activities included attending the Construction Futures Centre to explore the construction industry, hearing from a Marine Biologist at AQWA, touring Edith Cowan University, speaking with many, many industries at the 2023 Careers Expo, and visiting Austal Ships. This camp was made possible through a Career Taster Program grant and the wonderful supervising team - Mr Ridley, Mrs Ridley and Mr Carroll.

Kindergarten Enrolments

Enrolments are now open for parents wishing to enrol their child in Kindergarten for 2024. Our Early Childhood team create rich learning environments that are connected to children's needs, talents, and interests. We deliver an age-appropriate program that incorporates play-based exploration and explicit instruction. This encourages the development of student wellbeing, their capacity to learn and share ideas and allows each child to be recognised as a unique individual. Please contact our front office to request an enrolment pack, seek further information, or request a tour of the school. Remember to look us up on Facebook to see the many more wonderful things that are happening at BBDHS.

Tonebridge Country Club

Carrying on from last month's Plaque Tour, we will relate the information not as we visited sites, but in order of settlement and when school sites were occupied.

We have 'Pretty Gully' family farm in memory of the Newton – Connor family. James and Anna Newton moved into Chowerup district in the 1920's. John and Amy Connor bought land from his father-in-law, James Newton, in 1922. They had nine children who are all recorded on the Pretty Gully plaque – Frank, Mary, Henry, John, Bill, Wallace, Ellen, Margaret and Jean.

They moved from their Wickepin farm in two groups. The younger children under the care of Mary (at 16 years old) came by train to Kulikup and were met by Uncle Ted Newton, then looked after by James and Anna Newton.

John and Amy Connor (Granny Connor as Kevin Connor affectionately called her) and her eldest son Frank came by horse drawn wagon and sulky, driving ten head of cattle a distance of 220kms. It took them nine days. All their grandchildren erected the plaque in 1980.

Next, we have Caroline, a sister of Amy Connor who became Mrs John Jennings and their son George Jennings and wife Bonnie who lived at 'Chowerup Creek'. They were instigators of the first assisted school at their home for Connor, Newton and Torr children. Bonnie was their teacher and the school opened in 1923. This plaque is east of Chowerup Mill on Scotts Brook (Mullidup) Road, erected by the Tonebridge Progress Association in 2021.

Chowerup Hall was built by the local community during 1924, and Chowerup Creek school opened in the hall in 1925 and operated on and off, depending on number of children, to 1950 when the new school opened. This plaque is inside the hall on the chimney erected by the local Country Women's Association schools project and the Boyup Brook Shire.

A third and much bigger two-classroom school further south, catering for Tonebridge students, opened in 1950 with 28 students. In the late 1970s, student numbers peaked at 50 and continued until 1997 when there were just 15 students and they were bussed to Boyup Brook and Manjimup. The local parents and citizen's erected the plaque at the closure of the school in 1997.

An interesting note is that there has been up to three generations of some families attending one or two of these schools. There is one more plaque to go for the next issue.

In the meantime, both the Boy's and Girl's Nights have come and gone, and also the summer windup lunch at Quininup Tavern and our first casserole tea evening, which is always held on the second Saturday of the month.

News of our Tonebridge Country Club's Big Morning Tea for cancer appeal to come in the July edition.

Dinninup Show News

Be in the Draw for Fabulous Prizes

Exciting new challenges are being planned for this year's show. As mentioned last month, we are putting together a "Farmers Challenge", but for those who have a creative streak, in the Egg Section we have a new class for a *Decorated Egg*.

The decorated egg can be any size, design or style and will be open to both adults and children. So let your imagination run wild and get creative for this fun class!

Show Schedule Cover Competition

We are still looking for 'Shearing in Action' photo's, for our cover feature for this year's Schedule. The photos can be of current shearing or historical. Entries can be submitted by posting to UBAS Committee, PO Box 80, Boyup Brook WA 6244 or emailed to Georgia at showdinninup@gmail.com or posted on our Facebook Page. (Please include your contact details.) We will need high resolution images for printing. Entries close June 15.

GAZETTE ONLINE

Scan this QR code using your smartphone and you will be asked if you would like to open the Gazette on the CRC's website.

Then you can easily keep updated with coming events and read the Gazette in colour!

Membership

Membership is now due for those who are currently members. But if you would like to become a member there are a number of options:

Individual Membership* \$12

Individual Members receive one adult entry pass for the Dinninup Show (\$15 value)

*Pensioners: Can apply for Individual membership at a special rate of \$10

Family Membership \$25

Family members receive entry passes for two adults and children. (\$30 value + 13-16yrs valued at \$10 each. Children under 13 free.)

Show Supporter Membership \$60

Show Supporter members gain the benefits of the 'Family' membership, while also making a valuable donation to the ongoing development of the annual Dinninup Show.

'Friends of the Show' Membership \$110

'Friends of the Show' Members gain the benefits of a 'Family' membership (described above), while also making a significant financial donation to the ongoing development of the U.B.A.S. and the Dinninup Show. Friend members will also receive three \$10 gift vouchers, along with their entry tickets, to be spent at any vendor stall at the Dinninup Show.

Membership closes 30th June 2023. All Members will go into the draw for some fabulous prizes.

1st Prize: One night stay in a One Bedroom King Studio Apartment and complimentary breakfast for two people. Kindly donated by Quality Apartments Banksia Albany. "Award winning hotel Quality Apartments Banksia Albany has a strong reputation for providing an exceptional experience for visitors to Albany. The serviced, modern apartments are a point of difference and offer so much more than 'room only' style accommodation."

2nd Prize: A Large Cooler Bag. Kindly donated by Boyup Brook Agricultural Supplies.

Your membership helps support our show and is very much appreciated. For an application form you can download it from our website www.dinninupshow.com, look out for our Membership form in your mail, or contact our Membership Co-ordinator Helen Elliott on 0427 332 252 or email helenelliott36@gmail.com

**48 Kaufmann Close
Boyup Brook**

Located on a great 5 Acre property, with nice views and only 4 kms to Boyup Brook. This building has been converted from a 12m x 14m shed into a delightful 3-bedroom home, with a spacious open plan design including an electric modern kitchen with dishwasher, dining room and living room. The home also has a Woodfire Heater and Reverse-cycle Air-conditioning for that year round comfort.

There are 2 double bedrooms and a large queen size room, a nice bathroom, separate toilet and laundry. All walls and ceiling are insulated to a very high standard, also under the main roof are an outdoor entertainment area and a single car garage. Outside are garden beds and a 120,000 litre rainwater tank for all your water needs, the home also has a 5.1KW Solar system which will keep those power bills under control.

The property has a horse stable and has been fenced in to different areas, with room for vegetable gardens and to start your own orchard. This is property is well worth a look for those that want a tree change lifestyle or a holiday destination and is being sold in an as is condition.

This property is located within the required 50 km catchment radius of the Greenbushes Lithium Mine.

Negotiable Selling Fees! No Hidden Marketing Costs! A No Sale No Fee Policy & Unlimited Real Estate Website Exposure for Free! A Complete & Professional Service available 7 days a Week!

CWA Update

We have been out and about in the community this past month with our Mother's Day hampers on show at the Post Office, St Mary's Primary School, IGA, the CRC, and the Co-Op. We would sincerely like to thank all of those who made donations to the hampers, and to everyone who supported our branch and future community projects by purchasing tickets. Congratulations again to our hamper winners! We hope that they brought some brightness to your Mother's Day!

We recently had two long-term CWA Members attend our branch and provide some training due to us being a revived branch. We covered topics such as "Working with different personalities", "Promoting our branch in our community" and "How to run short and effective meetings", along with training for particular chair positions held within the group.

We all found this training day not only super informative, but also lots of fun. It was so great to connect with some of the wider CWA Community, especially experienced members!

As our newly invigorated Boyup Brook CWA Branch continues to find our feet, we have been significantly humbled and overjoyed with the support and positive comments that we continue to receive from our community. It signifies to us the importance of a group like this for Boyup Brook. From discussions we have had at our meetings, and friendly catch-ups, the feedback from members has also been positive; the impact of belonging already being felt by many.

We strive to provide an avenue of connection and friendship for women in our Shire, and with plans coming together for in-house socialising, and community inclusive social events, we know that we will be continuing to create opportunities to build a social network for women who may otherwise feel isolated in our community.

Along with community connection, we have some great ideas for community projects that we are excited to start showcasing very soon, potentially during our next raffle; a wool raffle to help you prepare for the cooler winter weather approaching (hopefully accompanied by some rain for our farmers).

Our next meeting is an afternoon meeting and catch-up to be held at CWA House on Wednesday, June 14 from 3:30-5:30pm.

If you are interested in supporting CWA or becoming a member, we strongly encourage you to attend and get a feel for what we are about. You do not have to be a member to come along to our meetings, so we really hope to see a few new faces.

*Bianca – President; Boyup Brook CWA
Community, Connection, Cause.*

Opportunities for Local Businesses

On 25 May, the South West Development Commission's Local Content Adviser, Zoe Bodycoat, visited Boyup Brook to extend her commitment to supporting regional businesses. With a wealth of experience and a strong network, Zoe plays a crucial role in fostering growth and development within the local community. Here are five key ways that Zoe can assist businesses in the region.

- 1) Connects local businesses to supply opportunities within the region. By helping them find supply opportunities and participate in regional procurement processes, she ensures that businesses can capitalise on local demand.
- 2) Actively works with local businesses, industry groups, and government stakeholders to facilitate regional growth and development. By identifying potential areas for expansion and providing access to necessary resources and support.
- 3) Understands the importance of competitiveness in the market. She assists local businesses in building their capability and capacity, equipping them with the tools they need to compete effectively and achieve success.
- 4) Acts as a valuable source of information for local businesses regarding government procurement activities. By sharing insights on how to sell to the government and maximise participation in procurement processes.
- 5) Plays a vital role in fostering connections between head contractors and subcontractors, ultimately strengthening supply chains and regional networks. By facilitating these connections, she contributes to building a robust and resilient regional economy.

In addition to Zoe's valuable support, the Tenders WA website offers a significant opportunity for businesses in Boyup Brook. As the central platform for accessing government contracts across various industries from construction to professional services, the website provides businesses with the chance to bid for contracts. With the Western Australian Government spending approximately \$14 billion annually on goods and services, leveraging this platform can be highly advantageous for businesses of all sizes and locations.

Contracting with the WA Government not only provides valuable experience but also serves as a reliable and ongoing source of business. Furthermore, securing a government contract can enhance a business's reputation and serve as a valuable reference when pursuing contracts in the private sector or even overseas.

To access the tender opportunities available on the Tenders WA website, businesses are required to register and create an account. Once registered, businesses can search for tenders based on industry, location, or keywords. Signing up for email alerts also enables businesses to stay informed about new tender opportunities that align with their interests and capabilities.

Zoe Bodycoat encourages all local businesses in Boyup Brook to register with Tenders WA. By taking advantage of this platform and engaging with Zoe's expertise, businesses can position themselves for success in both the local and broader market.

For more information and to register with Tenders WA, visit their official website at www.tenders.wa.gov.au.

If you are a local business owner seeking assistance, please do not hesitate to contact Zoe at 0438 267 156 or by email at zoe.bodycoat@swdc.wa.gov.au.

In Touch Farming

Challenges ahead with dryer than average winter rainfall predicted.

Seeding

If you are seeding now, you will know how dry things have become over the last week with moisture disappearing from the soil profile. With lower-than-average rainfall predicted for the winter months ahead, giving your seeded crops/pastures every possible advantage, this season will be the difference between being successful and less successful.

Pre-Seeding

Double knock is still the way to go:

Glyphosate as the first knock with the required insecticides, spikes and adjuvants in the mix. Second knock of Paraquat or Spray Seed with pre-emergent.

Four Days between first and second knock will produce the best kill as close to 100% as can be achieved. This will give crops a weed free start. More economical to control weeds pre-seeding than post.

At Seeding

SE-14 down the tube around 2.5-3L of product with a minimum of 50L of water per ha. The addition of SE-14 will dramatically improve early seed emergence and vigor especially in non-wetting soils and dry seeding conditions. If you do not have a liquid system on your seeder, I urge you to enquire for the 2024 season. Enquire in store for fitting options if required.

Timing

This season will be critical for the timing of fertiliser and spraying applications. With rainfall events possibly being smaller and less frequent making the application of fertiliser coincide with rainfall will be highly yield responsive more so than in a normal rainfall season. Keeping crops weed free will maximise water efficiency, as the weeds will not be competing with the crop for moisture.

Always remember that a challenge gives us an opportunity to shine.

WHAT'S HAPPENING AT YOUR CRC

There has been plenty of activity at the CRC during May with IT sessions, our monthly quiz, information sessions, Better Beginnings and lots of library visitors, the recommencement of exercise sessions and a Feng Shui workshop to round out the month.

There has also been a lot going on behind the scenes, with staff participating in a number of stakeholder meetings, webinars and upskilling sessions.

A couple of noteworthy milestones include the signing off of the Community Directory for printing (keep an eye out in coming weeks for this new edition), as well as the signing of an agreement with InCasa, an aged care provider to establish community based care in Boyup Brook. If you are interested in providing support to our community's seniors, please contact Jodi on 9765 1169, or visit the Mable website to sign up - www.mable.com.au. The CRC was also recently granted funds to upgrade IT equipment through the Department of Primary Industries and Regional Development.

June is set to be another busy month, with many room bookings already scheduled for meetings, workshops and exam supervision. Remember the days when the CRC hosted Theatre, Musicals and Opera nights through Westlink? They were fantastic evenings of sharing arts and culture. Well, we are going to try it again with a 'Night at the Ballet' on Friday, June 30 at 7pm using the E-Resources available through our library. See opposite page for details.

Service of the Month: Shredded Paper - bags of cross-cut shredded paper are available for FREE! Call in to the CRC today to collect a bag. Perfect for pet bedding, chicken coops, compost bins, worm farms and packaging.

2023/24 MEMBERSHIP

The CRC Committee is currently reviewing membership packages for the 2023/24 period, with some exciting new benefits on the horizon.

Existing CRC members will be sent a renewal package in June. If you are not currently a member, and would like to be, please keep an eye on the July Gazette, noticeboards, CRC website and social media for details on how to sign up.

If you have not yet utilised all of your member benefits for 2022/23, please contact us on 9765 1169 to ensure you maximise the value of your membership before they expire on June 30 2023.

RECYCLING HUB

The CRC recycling hub accepts:

- * Nespresso coffee pods
- * Mobile devices
- * Plastic bottle lids
- * Stamps and Crayons
- * Hair Care / Colour Packaging
- * Contact Lenses and Packaging
- * Household batteries
- * Bread tags
- * Writing Instruments
- * Oral Care Products
- * Skincare Packaging
- * Plastic Plant tags

LIBRARY CORNER

The new additions to the library in May, gave numerous options to choose from. The fiction section almost over flowed and the DVDs must have been popular, as they disappeared off the shelf within two days! It's wonderful to see our members' enthusiastic use of the library.

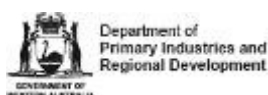

Tip Time: While items are automatically given a three week loan period, this can be extended by renewing the loan towards the end of the initial three weeks.

If you have an item you can't bear to part with just yet, let us know and we can arrange a renewal for you*. Drop in, call us on 9765 1169 or email library@boyupbrook.org

*Items may not always be available for renewal straight away as they may have a hold placed on them by another library member. Alternatively, they can be borrowed again at a later time.

The Boyup Brook CRC is appreciative of its sponsors and partners:

Newsletter, Volume 28, Issue 6, June 2023
Information, Education & Training for our community

COMING UP...

PLEASE NOTE: event dates are subject to change due to COVID-19, online options may be available

Unless otherwise stated, all events will be held at the Boyup Brook Community Resource Centre - 86 Abel St
 Registration for all events is essential as places are limited. Please phone 9765 1169 for details and to register.

KNITTING IN PUBLIC DAY

FRI, JUNE 9

11am-3pm

- o All are welcome to join in at this World Wide Knit in Public Day event! Come along with a project and fill the CRC with yarn and knitting needles! There will also be an experienced knitter on hand to help you learn, with equipment if required, so no experience is necessary! Come for as long as you'd like.
- o Tea and coffee available all day, BYO lunch.

KAHOOT! QUIZ

MON, JUNE 19

10am-11am

- o Multiple choice questions about different topics. Fun, laughs, friendly competition.
- o Please bring your own smartphone, tablet or laptop if possible. There are devices available to borrow.
- o \$5 per person - morning tea provided.

Be Connected
 Every Australian online.

BE CONNECTED - USING THE CLOUD

WED, JUNE 21

1pm-2:30pm

- o Explore the benefits of the cloud and how it can be used to back up and share photos and other important documents from your computer or mobile device.
- o If you have your own device, please BYO, otherwise there are some available to borrow from the CRC.
- o Phone 9765 1169 to register.

NIGHT AT THE BALLET

FRI, JUNE 30

7pm-9pm

- o Join us for a 'night at the ballet' watching a recording of 'A Midsummer Night's Dream' on the big screen, with surround sound, at the CRC.
- o \$10 per person for nibbles and a glass of wine.
- o Bookings essential as seats are limited. Phone 9765 1169 or email crc@boyupbrook.org

SENIORS EXERCISE & ACTIVITY (SEA)

TUESDAYS

10am-11am

- o Men and Women aged 55+ of all fitness levels are welcome!
- o Group and individual activities focusing on strength, balance and flexibility, with plenty of fun.
- o \$5 per week @ Music Park or BB Club, whilst hall N/A

SENIORS SOCIAL CLUB AND GENTLE GYM

WEDNESDAYS

9:30am-11:30am

- o Age 65+ | \$10/wk | All welcome! | Chair based exercises, plus morning tea and activities
- o June 7 - Gentle Gym & Brain Benders June 14 - Gentle Gym & Games
- o June 21 - Gentle Gym & Craft (Rose themed) June 28 - Gentle Gym & Movie
- o @ Boyup Brook Club, unless otherwise stated

STORIES, RHYMES AND FUN TIMES

THURSDAYS

10am-11am

- o Families with children aged 0-5 are welcome to join us each week for 'Stories, Rhymes and Fun Times'.
- o Listen to a story, sing a song, learn a rhyme and have a really fun time.
- o If you can't make it to the CRC, join us via ZOOM (please register by 9:30am of the morning for the link).

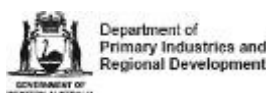

SEEKING EXPRESSIONS OF INTEREST FOR THE FOLLOWING TRAINING...

- o Forklift Course

Please call 9765 1169 to put your name down

It Wouldn't Happen Now

A recent reunion of the Boyup Brook District High School graduating class of 1961 saw a group of twenty ex pupils attend, with many memories of school days shared.

The following story from about 1956 was by one of my classmates, who like me, was made to stand outside the classroom in the corridor for disciplinary reasons on the odd occasion.

This is her story, in her words:

"One day I was made to stand outside the classroom so I made sure the headmaster could see me. Soon he approached me and said, "You may as well do something useful with your time outside of the class." He handed me the keys to his house and said to go and clean his house. So I skipped up the hill, washed the dishes, made his bed and swept the floors. By the time I finished it was school bus time. I had a wonderful afternoon!"

Ken Sprigg

Probus Club for Retirees

The Probus Club of Bridgetown-Blackwood Valley celebrated its ninth anniversary recently. Probus is a not-for-profit club, all about supporting the retired community by promoting Fun, Friendship, Fellowship and Food! They are encouraging members to join from communities in the entire Blackwood Valley area. They meet on the second Wednesday of every month at 10am at the Bridgetown Gardens Function Centre. New members are very welcome - contact Stephen Blackman 0400 403 778 for more details.

Country Music Festival EOI's Open

Are you ready to grab the spotlight at Western Australia's ultimate country music extravaganza? Get ready to crank up the excitement because the Boyup Brook Country Music Festival is gearing up for a momentous 37th year, and the event organisers are eagerly seeking submissions from phenomenal musical artists.

Calling all talented performers, don't miss your chance to shine at next year's music and camping festival. Applications are due in before Friday, 14 July 2023. This is an open invitation for a diverse range of acts, whether you're a one-person dynamo or part of a sensational act.

Get ready to unleash your talent, create unforgettable memories, and experience the thrill of a lifetime at the 2024 Boyup Brook Country Music Festival, which runs from 16-18 February.

Download an application form by visiting the website: wacountrymusic.com.au

Backyard Buddies: Splitting the Difference

Larvae in firewood

During the winter period where firewood is often collected and split, our service receives a common enquiry: *"I've chopped some wood and found these grubs! Are these borers? Is this the European house borer? Is my house at risk???"*

The first question we ask to split European house borer (EHB) from many other wood borers is: *"What wood are you cutting? Is it pine?"* If the answer is no, it's not going to be EHB. EHB larvae will only reproduce in seasoned (dry) coniferous timber and wood, including pine, fir and spruce. Of these, pine trees (*Pinus* species) and pine timbers are abundant in WA.

What if the answer was yes? - If you notice larvae or borer emergence holes in dead pine branches, logs, or untreated pine pallets or timbers, please report this. EHB has the potential to cause major structural damage to buildings constructed with untreated pine timber. Infested wood stored in or around the home is worth investigating.

Who's on the chopping block?

Most firewood burnt in WA is from native hardwood species and pictured in this article are the larvae of native longicorn beetles (*Phoracantha* species) in jarrah. These beetles attack live or recently dead/felled Eucalypt trees and do not pose a risk to the timbers in your home. If you have been chopping firewood for years but are only starting to see these borers, it's likely the trees the firewood has come from, were stressed or recently felled. Trees stressed by drought or disease are particularly susceptible to borer attack.

Reporting

We can't all be insect identification specialists, but that doesn't matter. If something isn't familiar to you, it's best to report it rather than ignore it. When reporting, please include as much information as possible about what's occurring. Collect and hold onto any insect samples, and if taking photos, include things like a ruler or a pen so the dimensions of insects, holes or other symptoms can be gauged.

If borers are coming out of furniture, timber, or wooden products like bowls, chopping boards or ornaments – report it as soon as possible and we will provide guidance from there. For more information on EHB and other reportable species like the polyphagous shot hole borer (PSHB), see our webpage agric.wa.gov.au and search EHB or PSHB, or contact us.

*Pest and Disease Information Service | (08) 9368 3080

Blackwood Basin Group

Attention farmers!
The planting season is upon us...

Are you looking to address increasing salinity, restore the health of a waterway, or just increase the vegetation on your farm this winter?

The Blackwood Basin Group, your local community-based land care organization, can assist with the success of your project!

We offer expert advice on improving unproductive areas of land, restoring degraded waterways, managing remnant bushland, planning revegetation works, and addressing soil salinity issues.

Enhancing the health of natural areas and increasing biodiversity on your farm has been proven to increase farm productivity, increase crop and stock resilience to pests and disease, and improve the overall health of your livestock and land. This will also ensure that the land you pass on to your children is as productive for them as it has been for you.

Storm Preparedness

Every year, storms, including rain, tornadoes, lightning, hail, flash flooding and gale force winds, cause major destruction across Western Australia.

Here are five steps you can take to help protect your home:

- Trim branches to prevent them falling on your roof or car.
- Remove unused aerials and satellite dishes.
- Check and replace cracked, damaged or loose tiles.
- Clear gutters and downpipes of leaves and blockages.
- Have tarps and ropes on hand if needed.

For more information visit dfes.wa.gov.au/hazard-information/storm. **If your property has sustained damage from a storm and you need help, call the State Emergency Service on 132 500.*

Cancer Council

Be Bowel Cancer Aware!

Bowel cancer is the third most common cancer in men and women in WA. Being aware of the early symptoms and taking action early can save lives and prevent cancer from spreading to other parts of the body.

The most common symptoms include: blood in your poo (even just one time) or, for more than four weeks: a new pain, lump or swelling in your tummy; feeling tired; looking pale; losing weight without trying; and a change in normal bowel habits such as runny poo, pooing more often or finding it hard to poo.

If you're unsure about a possible symptom, you should make an appointment to discuss the change with your doctor, clinic nurse or Aboriginal health worker as soon as possible.

For more information visit www.findcancerearly.com.au/cancer-symptoms/bowel-cancer/

Quit Smoking Today

Smoking harms nearly every organ in the body and can cause many serious conditions including at least 16 types of cancer, cardiovascular disease and lung disease.

There has never been a better time to quit smoking, not just for your health and loved ones, but also your wallet.

For more information visit makesmokinghistory.org.au/tips for all the best tips to quit and stay quit. Call the Quitline on 13 78 48 or chat online at quitlinewa.org.au

Avoid Being Billed for Paper Bills

Next time you spot a bill in the letterbox, it could be worth looking into whether you're being charged extra to receive this correspondence in the mail and how you might avoid paying the fee if so.

A growing number of service providers now charge a fee to cover the costs of printing and posting your bill. That list recently expanded to include Telstra, which reportedly cited 'environmental reasons' as the reason many of its customers would need to pay \$2.20 each time they received a bill in the mail after 20 May 2023.

Not all of Telstra's customers will need to pay the paper billing fee – those who have a valid health care, pension concession or Department of Veteran's Affairs card are exempt. The charge will also not apply to customers who don't have an email address or access to an active internet service, as well as those who require special bill formats, such as braille or large print.

There are numerous reasons why other companies may elect to not charge fees, such as those customers who receive income support or are on a hardship program. The best way to find out if you are eligible for an exemption is to contact each of your providers to ask if you qualify for an exemption from paper bill fees, and how to apply.

If you're not eligible, then the easiest way to avoid paying a paper billing fee is to switch to online billing and receive your bills by email or via the company's app or website. Over the course of a year, these charges for paper billing all add up, especially for people on a low income. By opting out of paper billing or claiming the fee exemption, you could save a considerable amount each year.

Also remember to be wary about fake billing scams via phone calls or emails. Scammers sometimes try to trick consumers by sending emails that look like they are from a legitimate company. The email may ask you to send money for an overdue account.

Consumers who are eligible for an exemption but are having trouble getting their exemption request processed should contact Consumer Protection for help by emailing consumer@dmirs.wa.gov.au or by calling 1300 30 40 54. For more information about paper billing visit www.consumerlaw.gov.au/paperbilling

Beware of New Bank Scams

Scammers have been pretending to call or text from financial institutions for years, but it's the latest twist on these banking impersonation scams that should have all consumers on alert.

The Australian Competition and Consumer Commission (ACCC) raised the alarm after reports to Scamwatch indicated new technology was being used to make scam calls look like they were coming from the bank's legitimate phone number and to allow scam texts to appear in the same conversation thread as genuine bank messages.

These tricks mean it may not be possible for consumers to distinguish a real message or call from those that aren't based on a phone number or message thread alone, and sadly many are falling victim. Since January 2022, our WA ScamNet team has heard from 20 victims who reportedly lost \$1.9 million to bank impersonation scams. When you consider that's an average loss of almost \$96,000 per person, it's clear just how financially and emotionally devastating these scams can be.

One WA victim's bank account was drained of almost \$41,000, after she answered a call from the same number as one listed on the back of her credit card. Posing as a bank employee, the scammer claimed her accounts had been hacked as a ruse to gain control of her finances. A big red-flag is communications that come with a sense of urgency, such as claims of fraudulent activity or a frozen account. No matter how legitimate the call or message seems, a bank will never ask you to urgently transfer funds.

We urge all WA consumers to 'practice the pause' to stop scammers in their tracks. If you receive an SMS with a phone number to call, do not use it. Instead, call your bank direct on a number you have sourced yourself. Likewise, hang up if you receive a call from someone claiming to be from your bank requesting you to transfer money to 'keep it safe'. Ask for a reference number and call your bank back using contact details you have found independently.

Never provide online banking passwords, one-time security codes, pins or tokens to anyone over the phone. Contact your bank or financial institution immediately if you think you have been scammed, and report scam activity to WA ScamNet at www.scamnet.wa.gov.au

Eulogy: Ainslie (Lee) Duke

Former Boyup Brook shopkeeper Ainslie (Lee) Duke, passed away in February 2023. The following words were taken from the eulogy written by one of his children for his funeral.

Ainslie Allen Duke was born on November 17, 1938 in Kalgoorlie, the third and youngest boy to Albert and Ivy. Tragically, Alwyn the eldest passed away before Dad's birth, leaving Adrian to look after his young brother.

The family moved to an orchard in Stoneville, to be closer to Albert who for several years, had been admitted to Wooroloo Sanatorium suffering from tuberculosis.

Both boys briefly spent time in the Parkerville Children's Home as Ivy and Albert tried to manage the orchard, however after only three or four months it became clear Albert could not manage, returning to the sanatorium and eventually passing away in 1945.

Ivy then sold the orchard and moved to Rivervale where Dad attended Carlisle Primary School. Ivy owned and operated several boarding houses and properties including one in the leafy streets of Subiaco and a house in Nedlands opposite Steve's Tavern. At the age of 12-13, Dad worked Saturday's delivering bread around Nedlands and Dalkeith.

The family then moved to Bunbury, living in Victoria Street not far from the old Egg Board building and one Bunbury property is still in use today as a boarding house and backpackers, and it is from here that I will pick up the story.

So begins Dad's Odyssey. An odyssey is any long, complicated journey, often a quest for a goal, an actual voyage or spiritual journey and may involve many changes of fortune, adventures or experiences.

While not on the scale of the Ancient Greeks, Columbus or Cook, Dad's journey was none the less, as he sought to gain experience and knowledge to improve his lot in life, and that of his family.

Dad attended Bunbury High School and found work with several local merchants and storekeepers.

In 1955, at nearly seventeen, Dad thought he would stretch his wings and took up a position as an assistant at the Dinninup Store working for C.E. Smith, delivering fuel, mail and general deliveries to the surrounding area including Boyup Brook, which would feature again many years later.

Dad got his driver's license in Boyup Brook by driving from the police station past the post office and back to the station, a round trip of about 600m. He enjoyed his two years in Dinninup, and two stories stand out to me among others.

In 1955, a phone call was taken at the Dinninup store from the Kulikup general store to hold the train at the siding. As Dad put it, the train guard had nicked across to the Kulikup shop to get something and the train left him behind. The train was stopped and the guard was brought down to take up his position on the train and not a word was said, as railway procedure had not been carried out – plus the guard would have been late home for tea!

Dad was also in Dinninup when it snowed! Dad was awakened to Mrs Smith calling out, "Earl! Earl! It's snowing, come and have a look. Come on Ainslie get out of bed and see the snow!" Both Earl and Dad got out of bed, and it was snowing and the snow stayed on the ground and bushes until the middle of the day.

In 1957, he returned to Bunbury and eventually commenced work during Christmas 1958 for C.E. Jones at a store in Harvey. In June 1959, Dad's journey continued as he left Harvey and followed his passion for shopkeeping at Wongan Hills.

It was while living in Wongan Hills that the local shop assistant was introduced to his future wife Marie the new nursing sister when she commenced her nursing post at the Hospital in 1963.

Dad and Mum married in the St Barnabas Anglican Church in Kalamunda and briefly return to Wongan Hills before moving to Ongerup in 1967, where Ainslie managed the town Co-op.

Peter was born in July 1967 and a third boy was added to the family with the arrival of Timothy in 1969. Ainslie was then offered a position to run a store for Wesfarmers and so the family moved to Three Springs arriving in 1971. It was here that the fourth and final son, Ian was born.

Dad's move from local co-ops to the corporate world of Wesfarmers exposed him to a whole new world of wheeling and dealing with company support behind it. In this role, Dad was able to introduce some of his ideas and develop a successful management system for country stores.

On the back of this success, he was offered a position to oversee the construction and manage the latest Farmers Store when Wesfarmers bought out Charlie Carters in Tom Price.

Eulogy: Ainslie (Lee) Duke

continued

So the journey continued and the family arrived in 1976. Not only was the support and backing from Wesfarmers a positive thing for the town but the strength of mining was booming and being a company town, Hamersley Iron looked after its residents and workers and the new store catered well for the large incomes.

With high schooling a priority for the boys, Dad took a new position in Perth based at Francis Street in Northbridge and at the end of 1978 Marie, Ainslie and the boys moved from Tom Price to the metro area, briefly renting a house in the Swan Valley vineyards while having their first house built in Swan View.

With the boys now attending high school and primary school and a 19% mortgage rate, Dad and Mum found the going tough. Mum returned to nursing and Dad was on the road five days a week managing the southern stores, returning when he could, rather than stay overnight in the town so he could keep the money allocated for accommodation.

By 1985 with only Ian still at high school, Dad took an opportunity to move onto his own business, purchasing a store in Mount Lawley and moving the family to Mahogany Creek. For the next 12 years, Dad and the boys along with Mum at various stages, endured the drive to and from home to work seven days a week.

Working for himself in business was the catalyst to seek a greater challenge and when the Boyup Brook supermarket came on the market, Dad and Mum made the decision in 1997 to head south again. This meant only five and a half days and the shop was close to home.

Peter, Tracy, Connor and Jaelithe along with Tim also went to Boyup to work alongside Dad in this venture.

A bigger and better business also meant bigger challenges and Dad relished in the pursuit of a good deal whether it be on pallets of toilet roll or water or refrigeration or shelving. All with the aim to improve the service to the community so they would want for nothing in their own town.

The shop was able to support so many community projects and fundraisers and when approached, Dad would always try to find some way to offer as much as he could and for the business to also benefit. The Country Music Festival and the Harvey Dickson Rodeo were good examples of the massive efforts the shop would go to, ordering in hundreds of hamburger buns and meat patties, delivering these to site along with pallets of water and frozen chips.

On those weekends, we would have queues of 60 to 70 people in the shop to buy the essentials along with smokes and lotto and it used to make Dad proud to see and speak to many of the visitors who were amazed a small town had such a well provisioned shop.

Another challenge overcome was by sharing the purchase and running costs of a truck and trailer with Peter Rogers from Kojonup, reducing the cost of freight and delivering fresh produce more frequently and of a higher quality to the store.

The shop also afforded Mum and Dad the opportunity to travel as part of organised incentive tours and together they saw the sights of Hong Kong, Singapore, Christmas Island, Norfolk Island and parts of the UK and Europe. Dad was never happier than when he returned home and went back into work. Even a trip to Perth and back still had him checking the freezers before he left and again when he got back. A shop keeper through and through.

With Tim, Pete, Tracy and the kids moving on and Dad approaching 70, thoughts were given to retirement and a final move back to Perth. To do this Mum and Dad built the new home on the family property in Hovea and in 2010 sold the shop and moved in.

Dad and Mum celebrated milestones such as their 75th and 80th birthdays and 50th wedding anniversary in the Hovea house surrounded by family and friends, some of whom are here today and I thank you all for your attendance. To those that were not able to be with us today, I would thank them for their thoughts and well wishes.

As Mum's health declined and her needs increased, Dad made the difficult decision for one final move to Bunbury where her care and wellbeing could be maintained, and he could receive the level of support he needed.

Dad was devastated when Mum passed away in August last year, and although he made an effort in recent months to get on with life alone, he never had his whole heart in it and he left us on Saturday, February 11 on his final journey to be together with Mum.

Throughout Dad's life, people referred to his honest, reliable, diligent and courteous manner. All positive traits for us to emulate. We farewell Dad knowing he will be missed by us all, and his legacy will forever be an example of the journey of life. Rest in peace old friend!

LiveLighter Recipe: Green Pea Soup

Ingredients

- spray olive or canola oil spray
- 3 onions, roughly chopped
- 2 cloves garlic, chopped
- 3 cups salt-reduced chicken stock
- 1 cup water
- 500 g frozen peas
- 1/2 cup mint leaves
- to taste pepper, to serve
- 4 tbs low-fat natural or Greek yoghurt, to serve
- 4 slices grainy bread or roll, to serve

Method

1. Heat a large pot and spray with oil. Add onion and cook for 5 minutes over medium-high heat, stirring often until softened but not browned.
2. Stir in garlic, cook for 1 minute then add stock and water and bring to the boil. Simmer for 2 minutes then add peas and mint.
3. Bring back to the boil and simmer, covered, for a further 2 minutes, ensuring peas remain bright green.
4. Remove from heat and puree with a stick mixer or in batches in a food processor or blender until smooth.
5. Ladle soup into bowls, season with pepper and serve immediately with a swirl of yoghurt, mint leaf garnish and bread.

Variation: Substitute a sliced leek for onions.

Serving Suggestion:

- This recipe requires a food processor, stick mixer or blender to get a nice smooth texture.
- As an appetiser, canapé or palate cleanser, serve soup chilled in shot glasses with a small dollop of yoghurt and mint leaf garnish.

Book Review

Author: Dr Norman Swan

Title: So you want to Live Younger Longer?

Published in 2022, this modern and informative book has good advice and lessons for us all. The book is broken into ten parts, clearly set out in the contents so you can easily access those topics of interest to you.

Dr Swan talks about his time in medical school identifying the mind-body connection, genetics and their role in our quest for longevity of life. Dr Swan believes our diet holds the secret, "Protein intake is important to prevent muscle wasting and keep our immune system running well." He recommends to cook as often as you can with basic and a variety of ingredients. Cook slowly and in extra virgin olive oil which has its own bio actives known as cancer fighting cells.

Dr Swan addresses the Easter Island effect and writes on what was found in soil samples taken from the island and the advances made in medical treatments as a result. He also talks about how regular exercise is important, explaining what exercise is best and the science behind why. Prebiotics, probiotics and those lovely hormones are also discussed.

Oh yes it is a fun read. So we are still waiting on the magic pill of youth! Don't lose sight of the basics presented in this book with very easy to understand explanations as to their effects and benefits.

By Sandy Orman

Poem: Oops

So Mr Musk
 What a nasty blow
 Your rocket off to Mars
 Did not really go
 That huge and costly rocket
 That blew up in a minute
 It was lucky Mr Musk
 That you weren't sitting in it
 Yes it's lucky Mr Musk
 That your weren't there upon it
 Or your wealthy stupid mates
 Had not bought a ticket on it
 I don't think you'll get tourists
 Into the distant sky
 Getting burned up to a crisp
 Is not the way to die
 It was very foolish
 To send that thing up there
 Wasting lots of money
 Polluting lots of air
 Just have a little sense
 Don't go chasing off to Mars
 Do a good thing for the earth
 Just make safe electric cars

We love Local at the Boyup Brook Visitor Centre

Ph: 9765 1444 | E-mail: bbvisitor@wn.com.au | www.boyupbrooktourism.com.au

Visitor Centre Opening Hours: Monday - Friday 10am to 2pm,

Saturday 10am to 2pm, and Sunday 9am to 12 noon

Boyup Brook Tourism Association Inc proudly sponsored by Shire of Boyup Brook

New Administrator

Hi readers! I'd like to take this opportunity to introduce myself as the new administrator for the Boyup Brook Visitor Centre. My name is Katelyn Lansdell and I grew up on a mixed sheep and cropping farm enterprise in Popanyinning which is situated 30km north of Narrogin.

What brought me to Boyup Brook? Well, I had been spending most my weekends travelling to Boyup Brook and as my local mate and bush poet Bill Gordon phrased it, "It seems like there's a local attraction." So in February of this year, around the weekend of the famous WA Country Music Festival, I had made the move to my new home.

I reside on a farm located between Boyup Brook and Bridgetown and enjoy spending my spare time playing music.

In fact, I have recently performed at Harvey Dickson's and the local Country Music Festival in February with my family—The Lansdell Family Band. Our family band consists of my Dad (Kevin) on drums and vocals, my charming younger brother (Tyson) on bass guitar, my beautiful Mum (Simone) singing and myself playing guitar and singing.

I am thoroughly enjoying my time here in the community so far and I'm excited to continue meeting all the locals!

Advertise On our Town Maps

We are in the process of sourcing advertising for our updated Shire and town map which is made available to visitors and locals at no cost. This is an opportunity for you to promote your business to travelers who are staying in town, or passing through, and may need your services. For more information email bbvisitor@wn.com.au or call Katelyn on 9765 1444.

New Opening Hours

During the winter season, our Visitor Centre is open Monday to Saturday from 10am-2pm and Sunday 9am-12pm. Please note we are mainly run by volunteers so occasionally may not be open during these advertised hours.

As always, we have a variety of local made merchandise for sale so please do your best to support local artists by coming to see what we may have for you! There is always some lovely gifts whether you are needing a birthday present for someone special or needing to stock up on some homemade goods. Knitted toys and clothing, Jams, Honey, Olives, Cards, Laser cut products and soaps, just to name a few! And of course our amazing little art gallery with lots of masterpieces ready to be sold.

Buy Up In Boyup

Shop local because; it stimulates local economy and promotes growth; it creates jobs for locals; it helps reduce carbon footprint; it promotes a sense of community; local businesses support the community.

So please support our local businesses and people whenever possible and you will be supporting our great little community and the local economy!

St Saviours Snippets

Lots of activities that revolved around Mother's Day! Just as Jesus always appreciated and loved his mother Mary, May is the month where many countries allocate a special day for mothers. So, several of our Anglican ladies devoted a morning to making little posies which were then distributed around our local shops for the kids and Dad's to take home for Mother's Day. And if you came to church that Sunday, the Mothers Union presented all the ladies with a gift of chocolates!

On top of that, we had a special service for mothers, with the church being decorated with beautiful Christening gowns, Christening certificates, mugs and serviette rings.

The gowns dated from the 1850s to early 1900s were brought in for display by members of the Lee Steere, Hester, Whistler and Hearman/Ritson families. The workmanship of the gowns was exquisite, especially when we remember that they were hand sewn without artificial lighting. The lace work and pintucking on such fine cotton was absolutely extraordinary. It was a very special display for the occasion.

While talking of beautiful craftsmanship – our altar cloth was made by a former parishioner and over time and washing, shrank a little so that it didn't fit perfectly. However, Vivienne Lee Steere has diligently restored it to its former glory. Well done and thank you Vivienne.

The first week of May was Recycling Week and through the services and enthusiasm of Adrian Price we endeavour to recycle as much as possible. Garden wastes are so good for composting as the soils are enriched and kept friable so roots can penetrate and water can soak into the soil; pity it hasn't rained to truly utilize all that added organic matter! But....it will rain and the gardens will benefit even after delayed rainfall.

Ascension Day was Thursday, May 18 – may the Risen Lord bless you all.

Direction for Our Times

We continue our cycle of monthly messages for 2023 with the message for May 1, 2007 for our prayer groups and personal reflection.

Jesus

My apostles, I speak to you with such hope. Why do I feel hope when I speak these words? I, Jesus, feel hope because you are reading these words and listening to me. In your soul, you are interested in my plan. In your soul, you are willing to make the changes which will bring about my plan. In your soul, you receive a foretaste of Heaven which provides you with the joy that I wish to make available to others.

My heavenly plan is truly rooted in your soul and for this reason I have hope. The times in which you live provide you with opportunities to practice hope, even while much of the world feels dismay and fear. My apostles see that the world is changing and this is the message, a message of hope, which flows through them. You are precious to me, both because of the unique love I have for you and for the unique plan I have for you.

Allow me to rest in your soul each day and I will fill you with my love. Where can you find more silence? How can you give your Saviour just a few more minutes of time to be with you and sanctify you even further? My beloved apostle, please be disciplined about your time with me in each day. I do not want you to be distracted. I do not want the world to take your hope from you. If you do not spend time with me, you are vulnerable to the fears sown by the enemy of hope.

I rely on my beloved ones. In them I find rest and solace. You see, dear apostle, if I can change you and fill you with my great spiritual blessings, I can change others. Is there even one life that you can say you affected by your faith in me and by my presence in you? Do not limit my plan in your mind. My plan is vast and it is working.

Be joyful today as I am joyful. Hope in me, dear one, as I hope in you. Trust in me as I trust in you. Be with me as I long to be with you. Together we will fill the world with hope, drawing many wounded souls back into our family of love.

Submitted by Anne Staniforth-Smith. Direction for Our Times (DFOT) is a 501(C)(3) non-profit organization dedicated to spreading God's messages as revealed in the Volumes. Please visit our website at: www.directionforourtimes.org

Be Still and Know..... God

Beware of self pity

'No one should seek their own good, but the good of others.' 1 Corinthians 10:24

Self-pity can be deadly. It tells the wife and mother who works hard, 'You're not appreciated.' It says to the office worker, 'Look how valuable you are, yet you're never recognised or rewarded.' It says to the unemployed, 'No chance!' To the divorced, 'No place!' To the bereaved, 'No hope!' And to the struggling, 'No way!'

Look at the prophet Elijah. Twenty-four hours after his greatest victory, he is deeply depressed and wallowing in self-pity. "I have had enough, Lord," he said. "Take my life ... I have zealously served ... But the people of Israel have broken their covenant with you, torn down your altars, and killed every one of your prophets. I am the only one left, and now they are trying to kill me, too." (1 Kings 19:4, 10 NLT). There it is – self-pity in the raw!

Generally speaking, there are two reasons behind self-pity. The first is emotional manipulation. We use self-pity as a weapon to guilt-trip others and get our own way. That's immaturity and you have to deal with it, whether it's in yourself or somebody else. On the other hand, self-pity can also stem from sheer exhaustion. Recorded in the Old Testament, God showed Elijah four things that were necessary to get himself back on track:

- 1) He needed more rest.
- 2) He hadn't been eating properly.
- 3) He had taken his eyes off God and was trying to do everything in his own strength.
- 4) He was isolated and needed a friend. So, God gave him Elisha. That did the job, and the next time we see Elijah, he is back on top. Take a moment today and think about how these four truths apply to your life.

On the Green

Golfing in Boyup Brook got off to a great start with Men's and Ladies Opening Days well attended. Thanks to generous sponsors for both days – winners departed the club with well-earned trophies.

Mark this date in your diary and join us for some golf, fellowship and friendship:

July 1st – Pirate Bar and Perup Industries Golf Day

It will be a great day of golf – CANADIAN FOURSOME – with a band to follow. All welcome. Come out after golf for a meal, music and dancing. See posters around town and in this edition of the Gazette for more details (pg 4).

Various days of golf are taking place on Thursday and Saturday with hopefully some rain to keep the course in tip top shape.

Great to see some new members coming along. We pride ourselves on being a welcoming and friendly club for everyone.

Big Cheque Delivered

After the Cricket Club's successful charity match in March this year, the big cheque arrived ready to hand over to Ronald McDonald House Charities WA. Pictured below, local superstar Tahlia Lee Steere and her powerhouse Mum, Caitlin, presented the large cheque, with its large sum to a very happy RMHC crew.

The money raised will go a long way in helping RMHC continue the incredible work they do to support families; support that has made a huge difference to many of our local families.

Once again, we want to express our gratitude to everyone who helped make this event successful and to all that partook in the day. We had donations coming in, whether it be financial or items we could raffle or donate. We had families offering the use of their spit, smokers and more. So many donations of meat, salads, desserts, the list goes on. The success of the event would not have been possible without our community rallying behind us. Thank you, thank you, thank you. Your contribution made such a difference, and we are truly grateful.

Gazette Subscriptions

Do you know someone who would like to receive the Gazette in the post each month, but is not covered by the Boyup Brook postal service? For only \$28, a copy of the Gazette can be posted to an address each month. Contact the CRC on 9765 1169.

The Boyup Brook Football Club would like to thank and acknowledge our Sponsors for the 2023 Season.

Around the Traps

A cloudy day greeted the twenty-six shooters that turned up at the Boyup Brook Clay Target Club on Sunday, May 14. All were keen to try to get their name on the John Harley Memorial Trophy.

As usual, Phil House made a good start and was the only 50/50 after the DB event. Nathan Blake from Denmark and Mike Daden from Collie joined Kyle Guadagnino to be only one behind on 49/50. The 50 pair of double rise very quickly sorted out the winner. Phil House came in on 138/150, well ahead of everyone else.

50 Double Barrel O/A Phil House 50/50

AA:	Nathan Blake 49/50	Jon Dyas 48/50
A:	Mike Daden 49/50	Ray Guadagnino 53/55
	Melissa Fisher 52/55	
B:	Kyle Guadagnino 49/50	Jim Sharpe 45/50

Roos News

JUNIORS:

With the season well under way The Mighty Roos are settling in to their rhythm. The 8/9's have had a couple of byes and a couple of wins and sit second on the ladder. With a large playing squad of 26 and a maximum of 15 a side on the field, Coach Rick Twigg has had some challenges managing the interchange. Some standout players have been Samuel Roeger, Zeth Malthouse and Jack Leusciatti.

The 6/7's Coach Ben Thompson is dealing with a smaller list of 15. A loss first up to Deanmill was followed by a good win away against Imperials. Round 4 saw them come up against a strong Kojonup side and despite an excellent effort could not stop the run and flow of the Cougars. Max Thompson, Owen Lee Steere and Devon Larkworthy-Darke have all made a strong start to the season.

4/5's have had some tough hit outs to start the season. It's fantastic to see the development of the young players year on year with Bailey Chambers, Ollie Thompson and Nash Tweedie some of many examples of players who have taken a big step up this year.

Luke Harding and his helpers are taking on the challenge of the large number of Auskickers this year. It's great to see a big group of kids getting their first structured taste of our great game. It is not too late to register for any of the grades if your child is interested in having a go. We welcome all levels of experience and ability.

Upcoming games are:

Rd 6	3 rd June	Tigers @ Home
Rd 7	10 th June	Bridgetown away
Rd 8	17 th June	Bye (8/9's play Sths away)
Rd 9	24 th June	Deanmill away

Matthew Chambers, BBJFC President, 0467 781 166

SENIORS:

The month of May has been a busy one for the two senior sides with three rounds being played both home and away.

Round three saw us up against the rivals from last years grand final at home, Deanmill, with the League side remaining victorious 100 points to 78 while the Reserves went down 73 points to 30.

Round four was Imperials in Manjimup, a tough day for both sides not coming away with a win as a lack of numbers and an energised opponent proved too much.

Round six was at home against Kojonup, the Reserves going down 17 points to 77. The League had a much better day, piling on the points after a half time spray, beating Kojonup 118 to 54.

There have been some new, younger faces this year at the club and it is worth mentioning the efforts of Mitchell Hallett, Brayden Murphy, Chayce Whitton and Bayley Marinoni all of whom are colts age eligible, but are making an effort to get across to trainings and slogging it out in the senior grades.

The club has a busy social schedule for upcoming home games with Sponsors Day on 3 June and Ladies day on 24 June. We are always grateful of our local support and we look forward to seeing you all down there to support the mighty Roos!

Junior Hockey

Boyup Brook Junior Hockey Association would like to say a sincere thank you to Amaroo Primary School in Collie and Keith Old - the South West Regional Engagement Coordinator for Hockey WA for donating some hockey goals to us for our club to refurbish. The goals will be placed on the second field so that all Junior teams and Mini/Minkey teams can train with goals each week.

Thank you also to Adam Windsor from Old Dog Dirt & Diesel for the use of his trailer for us to collect them, Michael Love for collecting them from Collie for the club and to Nigel Thompson for refurbishing them for the club. We can't wait to put them to good use!

Our Junior Games are held every Saturday morning throughout the term from 8.45am - all welcome to come and watch. If any past or present hockey players would like to umpire some games, please contact Tara Reid on 0418 615 424 to put your name down, we are always looking for more umpires!

NEW HEXA FULL CHISEL CHAINS OUT NOW!

STIHL 3/8" RAPID HEXA CHAIN (40-91cm)

- Ideal for professional forestry and tree maintenance
- Full-chisel chain with distinctive V-shaped teeth
- Highest cutting performance in the entire STIHL saw chain range
- Sharpened easily & quickly with the exclusively developed hexagonal file
- Stays sharp significantly longer than other saw chains

While stock lasts - call in and speak with our friendly staff today!

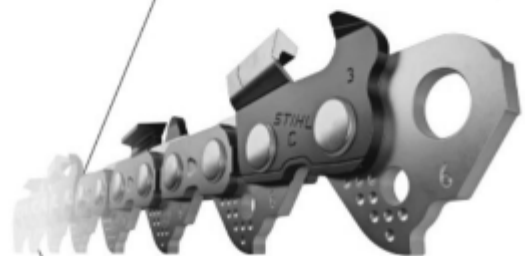

FASTER AND EASIER TO SHARPEN

Thanks to the optimum fit of the Hexa blade tooth and patented Hexa file.

CUTTING PERFORMANCE IMPROVED BY UP TO 10%

Compared to the STIHL 3/8 RS saw chain.

SAW CHAIN TEETH STAY SHARP FOR LONGER

With significantly increased blade tooth sharpness achieved each time, the Hexa saw chain needs to be sharpened less often, increasing durability and lessening downtime.
