Volunteer firefighter duties include: Hydrant inspections and maintenance; Fire investigation; Fire fighting for building, property and bushfires; Vehicle rescue operating tools such as 'jaw of life'; Recovery of hazardous material spills and more.

If you're in immediate danger, call 000

Welcome to the Boyup Brook Community Directory for 2023 -2024

This is the twelfth edition of the Directory, produced for the first time by the Boyup Brook Community Resource Centre, with the support of the local Lions Club, who had previously undertaken this project since 1999.

We thank the Lions for their work to initiate a local directory, and for their sponsorship to ensure the free delivery of this edition to every household in Boyup Brook.

Also helping to keep the Directory in circulation, are the many businesses, local and from around the district, who have taken up advertising space. We urge you to please support these businesses, who are generously supporting their local community.

We would also like to thank the Boyup Brook Tourism Association, who provided the town map within the front cover page. To the Shire, St Johns Ambulance, Volunteer Fire and Rescue Service and the Boyup Brook Police, thank you for your assistance in providing up to date information about your services to the community. Also, a big thank you to everyone who assisted in updating their details.

If you find any information within this Directory is incorrect, please contact the CRC on 9765 1169 or by emailing crc@boyupbrook.org. There will be live updates made to the online Directory, available by scanning this QR code, or visiting: www.boyupbrook.crc.net.au.
