Remembering Sandakan

Above: Special guests Rick Wilson MP and Peter Aspinall stand by the memorial with Colin Hales. Photos: C Armstrong

The emotive presentations that featured at the 2021 Sandakan Memorial Service, all included a common theme: it is of utmost importance that we pay tribute to, and remember, the story of the Sandakan death marches.

This event is described as the worst atrocity committed against Australians in war, of which there were only six survivors out of more than 2000 British and Australian soldiers forced to partake in the deadly marches in North Borneo during WWII.

Boyup Brook is home to the very first Sandakan Memorial in WA, and yearly services first commenced in 1991. Former resident and POW, Ted McLaughlin played an integral role in its establishment, due to his desire to remember his best mate who died during the marches.

Rhonda Parker lead the September 14 service which commenced under the watch of the 515 Army Cadet Unit - Bunbury Catafalque Party.

In his opening address, Peter Aspinall, State President of RSLWA, spoke about the grotesque tragedy of the marches, and went on to thank all who donated to the three Sandakan memorials in WA.

The Sandakan Ode, Prayer of Remembrance and two heartfelt songs performed by the Boyup Brook District High School Choir and Ensemble were to follow, before guest speaker and local shire CEO Dale Putland gave his address.

Dale spoke emotionally about how this was to be the first Sandakan Service his late father would miss. His father taught him about the services and how important it is to have a place and a memorial service like this one, to show our respects and to remember.

St Mary's Primary School students were then invited to recite a poem called 'Ranau Road', and a moving presentation by Boyup Brook RSL Sub Branch President Colin Hales followed this.

Each year local high school students compete for the Ted McLaughlin Sandakan Scholarship, which is generously sponsored by the Boyup Brook Lions' Club. This year's winner, Anne Deas (pictured right), was invited to the stage and spoke about the tragedy of the Sandakan story seldom remembered.

Her presentation came complete with a piece of artwork she had created, and a song that she sang beautifully before many guests at the service.

To conclude the day's events, bagpipes accompanied wreath laying, all stood for the Ode and the National Anthem, and the Last Post was played live on a bugle followed by a moments silence and the raising of the flags. All were then invited to the Town Hall for a luncheon.

My Inbox....

Kaya, wandjoo to the October Gazette.

It is spring and the start of the Noongar season of Kambarang, when our surroundings come to life with colour. The local wildflowers and orchids are amazing once again this year. Take the opportunity to go for a wander and discover their beauty.

October is a very busy month, with so many activities and events being held in Boyup Brook. Look at how full the calendar is! From ram sales to workshops, council elections and a whole lot of community festivals, the rodeo and a fundraising 'dready' shave - there will not be a spare moment!

October also sees a change in sporting seasons. Well done to all involved in the winter sports which have (or almost) come to a close. It has been a very successful year for many of you. Take a look at the sports pages for all of the latest news.

Before we know it, the Dinninup Show will be here, so now is the time to prepare your entries. Show schedules are now available with details about each section.

Look forward to seeing you out an about!

Until next month, Stay safe, stay well, stay connected
Cheers Jodi

The Boyup Gazette acknowledges the Kaniyang people of the Noongar Nation as the traditional custodians of this land on which we live and work.

We pay tribute to elders past, present and emerging and recognise the contribution they have made, and continue to make, to our community.

Big Boost for Festival

The Boyup Brook Country Music Festival has received a \$161,000 boost under the Morrison Government's \$200 million Restart Investment to Sustain and Expand (RISE) Fund.

Federal Member for O'Connor Rick Wilson said the major funding boost is especially important during such a difficult period for the local entertainment sector.

"This funding will support the Boyup Brook Festival to deliver a re-imagined COVID-safe festival showcasing WA's best musicians and the breadth and diversity of Australian Country Music," Mr Wilson said. "Our commitment to local organisations will play an important part in rebuilding our local arts and entertainment sectors, and will assist in the long-term sustainability of cultural and creative organisations throughout O'Connor."

To date, the Government has already allocated \$160 million of the \$200 million RISE Fund, creating more than 167,000 job opportunities and expanding cultural and creative experiences for audiences across Australia.

The Morrison Government is investing more than \$1 billion into the arts and creative sector in 2021-22.

'Dready Shave' for Cancer

Join local Cam Atherton at the Boyup Brook Club on October 9, to witness his 'dready shave', that's raising important funds for Prostate Cancer.

Prostate cancer threatens the lives of 1 in 6 Aussie men, and 16,700 men are diagnosed yearly.

Cam hasn't had a hair cut in over a decade! But he isn't nervous as he is "raising funds today to save men's lives tomorrow."

To witness the great shave, Cam invites all to the Club from 4pm onwards. There is an open license, and there will be meat and gravy rolls available for purchase and the kitchen will be open on the night. You don't need to be a member to attend.

To make a donation, head to the website: fundraise.pcfa.org.au/fundraisers/cameronatherton/cam--s-dready-shave

Every dollar donated goes towards Aussie men and their families, boosting life-saving prostate cancer research, nursing, and support provided by Prostate Cancer Foundation of Australia.

POLICE NEWS

BOYUP BROOK POLICE

By the time this edition of the Gazette is published, the Queens Birthday long weekend would have been and gone. Along with it would have been the WA Police state-wide double demerits traffic campaign.

Every available police officer in the south west district was on duty working over the long weekend. Targeting unsafe road-user behaviour is one of the key priorities for WA Police and plays an essential role in minimising the number of people fatally and seriously injured on our roads.

High visibility patrols will target those Category 'A' offences known to be the major causal factors in fatal and serious crashes:

- Impaired Driving – Drugs and Alcohol
- Reckless/Dangerous/Careless Driving
- Speeding
- No Authority to Drive
- Use Mobile Phones
- Non-use of Restraints/Helmets

As we approach the busy period, it's a timely reminder to secure your properties both in town and out on the farms. This includes your vehicles while they are parked up, whether at home or not.

Anti-social behaviour incidents are on the increase and will not be tolerated. A Boyup Brook male was recently charged with Disorderly Behaviour and Unlawful Damage after an incident at the Boyup Brook Hotel. Police are working closely with all our Licensed venues to ensure everyone stays safe.

There is a shared community responsibility to identify and report crime to police. If we don't know something has happened, we can't help prevent it in the future, which leads me to the best way to contact us. As previously mentioned, you can reach police on any of the numbers listed at the end of this article.

Please refrain from contacting officers on their personal mobiles or via social media platforms such as messenger or Facebook. These are not monitored full time and will not elicit the appropriate response.

Since March 2018, Western Australian drivers have been required to slow down to a maximum of 40kmh when passing stationary emergency vehicles with lights activated on the roadside.

The SLOMO laws apply when passing Western Australia Police Force, Department of Fire and Emergency Services, St John Ambulance, roadside assistance, tow trucks and Main Roads Western Australia incident response vehicles that are responding to any roadside emergency across the State.

The instructions for safely passing stationary emergency vehicles are:

1. You see an accident ahead

This could be break-down, RAC Patrol van or emergency services like police, fire crew or ambulance.

2. Slow down

Safely and gradually drop your speed and indicate to prepare to change lanes.

3. Move over

Safely move over in to the lane furthest away from the incident as you pass it.

The penalty for not slowing down is \$300 and three demerit points.

*Thank you,

2021 COUNCIL ELECTION NOMINEES

paid advertisements

Philippe Kaltenrieder
840 Terry Road
Boyup Brook WA 6244

Philippe, Candidate for Boyup Brook Town Ward

Living in Boyup Brook with my wife Claire for the past 20 years, living in a rural setting within the town boundary.

Presently a Councillor elect in the town ward, I will ensure a continuity of existing projects and future plans to be implemented in an efficient and timely manner.

Presenting myself to you for re-election to your Council will ensure my strong support for our volunteer organisations and community based groups.

I am a firm believer in open and accountable Council giving residents and ratepayers a strong voice in your local Government.

Presenting myself to you for re-election will allow me to be your active and positive representative in Boyup Brook Council.

Kind and respectful regards,

2021 COUNCIL ELECTION NOMINEES

paid advertisements

My name is Eric Muncey

I currently live on Lee Steere Drive. I am standing for the TOWN WARD.

I have lived in Australia for forty four years, Perth for 20 years and Boyup Brook for 24.

I was self employed in construction, I have employed up to 20 men and ran my own business.

I have been a member of Lions, Bushfire Brigade and was also an Ambulance Driver. I was one of the founding members of the Men's Shed.

I also had the honour of serving as a councillor for eight years.

I believe all councillors should talk and listen to the ratepayers and put their points of view and ideas to council.

I also think its important to maintain and enhance what we have to offer in our shire, and not waste money on projects that are not needed and that are Pie in the Sky.

The main thing that all councillors should look at is the bottom line and stop hitting up ratepayers for more money.

Everyone should vote, even if it is not for me, get involved have your say. You can ring me at any time to discuss any of your concerns on 9765 1571.

Neil Stuart Derrick

195 Gibbs Road
Dinninup WA 6244
0407 992 519

I have been living and working in Boyup Brook as a cattle farmer and Heavy Duty Mechanic for the past decade.

I am committed to supporting local residents, businesses, sporting groups, tourism, industry, health and education.

I am a good listener and am willing to represent you at meetings with any issues or concerns you may have and provide answers to any questions you may have. I believe everyone should be heard and represented in some way.

I am also committed to an accountable and transparent council, by ensuring that efficiency is maintained in reducing costs and financial burdens to residents and businesses in any proposed projects planned for the communities benefit in the future.

As a councillor I would like to see more growth in industry that will provide suitable and sustainable employment opportunities, especially for the younger generation.

I promise to do my best to represent you in whichever way I can.

The future is in our hands and it is up to all of us to make Boyup Brook a great place to live.

Charles Caldwell Candidate for Dinninup Ward

Hello, I would like to put myself forward to represent you in the Dinninup ward, for the Boyup Brook shire council. I feel I can make a positive contribution to council decisions. I went to school in Boyup Brook then on to Narrogin Agricultural Collage, and then studied at Muresk Institute of Agriculture. On Completion of my studies, I returned to work in our family farming business and have been actively involved in local community and sporting clubs.

I am married to Dana Caldwell and have three kids Lillianne, Angus and Selina. We love living and working on our family farm and being a part of our great community. My main motivating reason for nominating is because I want to contribute to decisions to help our community continue to improve as I have had great opportunities education, sporting, farming and friendships here and want to help see those same opportunities continue into the future.

I believe it is important to get involved and actively to contribute to decisions that will shape the future of our community as a whole, from Health services, sporting facilities, employment opportunities, Rylington Parks future. Also, road improvements and widening I believe is critical to enable safe use of these shire roads for movement of farm machinery, trucks and cars, to make our roads safer for our community.

I was an active member of Boyup Brook Rural youth and President of this group for about 4 years where I contributed a lot and also learnt a lot from this experience.

I was on the Rylington Park Management committee for about 15 years where I learnt a lot and also made a positive contribution to its success. I am very keen to help advocate for the development of Rylington Parks future structure to ensure Eric Farleigh wishes for agricultural training and research continue, as well as it making a positive contribution to our community development.

If you have any issues or concerns you would like to raise with me, please contact me on my mobile 0418913531 or via email charliewell@hotmail.com

I am a good listener and prepared to be a strong advocate for issues important to the Boyup Brook community. I would like to ask for your vote in the Dinninup Ward in upcoming local election prior to or on the 16th of October.

Many thanks Charles Caldwell Mobile 0418 913 531 email: charliewell@hotmail.com

UBAS Update

GREAT NEWS!

Work on the ablution block has started! A huge thank you to everyone who has made this possible; the many businesses with their very generous support and encouragement as well as the wonderful people that make up our community that have given repeatedly and supported our fundraising efforts, which still continue.

If you drive past the show grounds you will see a typical building site – fenced off area, safety signs and stacks of timber. And in the middle of the area, there is a concrete slab, curing in the September rains, thanks to Cam Atherton and his team.

Whilst on the subject of footings, the commemorative pavers have arrived and work to install them at the front of the two halls will commence immediately. It be wonderful to have these two projects finished by show day.

Yes! The plans are moving forward for a Show on Melbourne Cup Day – 2nd November. The Show will be conducted in the usual format with some adjustments to accommodate COVID-19 requirements, so now is the time to not only think about your show entries but get them ready – November will come very quickly!

The Schedule is completed and now available in Boyup Brook. "Horses in Action" is the feature this year. It is always good to see horses performing at shows – the skill of both rider and horse has to be admired. All the entries from our Schedule Cover Competition depicting 'Horses in Action' will be on display at this year's show.

The winner of the competition (held in 2020) was Georgia Walker, her art work is on our schedule cover. Congratulations Georgia.

So, we turn to next year - the Schedule Cover Competition for next year's schedule will be decided from entries in a special 'Schedule Cover Competition.' Entries are being sort from both Photography and Art and the winner will be decided by a People's Choice vote.

The Show Feature for 2022 will be 'The Rose' – plenty of scope for beautiful drawings, paintings and photos as well as artistic ideas. Check out the requirements in the schedule, entry is free.

The winner will be announced at the Trophy Presentations at 4pm.

Being Melbourne Cup Day there will be a Sweep and the 'Fashion on the Field Competition'. So, ladies and gents – it's your time to really dress up and strut your stuff! As a farming community, we don't have many occasions to really put on the 'best', so let's make the most of this opportunity.

Volunteers needed. Yes, to make the show happen each year we need your help or some of the areas you have enjoyed watching or visiting will disappear.

If you're interested in preserves and would like to learn the finer points of what makes a good preserve, we are looking for people to become assistant Judges, and learn from an expert on show day, how to do it.

Or if you would like to become an assistant steward in any section let us know, we would be delighted to have you join our team. If time is your problem and you can only spare a little but would like to contribute, there is a job waiting for you, it can be before, on the day or even after the day. If you prefer inside work to outside, or visa versa, it is all possible and needed.

Please contact Lyn Chambers 0427 673 069. All we need is your smiling face and willing hands, the rest will be easy!

Finally, the Society wishes to thank everyone who supported the Father's Day Raffle. The prizes were fantastic! Thank you so much to all businesses for their very generous donations. A total of \$2,733.40 was raised for the ablution block.

The lucky winners were:

Raffle 1 - Wheelbarrow with items valued at \$1100 winner: Cheryl Pilmer.
Second prize Hamper winner: Rose McGee

Raffle 2 - Lawnmower valued at \$399 winner: Grace Maddams.
Second prize - \$30 Gift Voucher winner: Megan Smith

St Mary's Primary School

St Mary's has been a hive of activity this month, as our building and renovations take shape amongst the busyness of school life. From the excitement of Book Week to public speaking competitions and everything in-between, Term 3 has been action-packed.

The start of Book Week brought the much-anticipated staff play, based on a book by Julia Donaldson, *The Ugly Five*, adapted ably by the very talented Mrs Jane Wheeler. Mr Tweedie delighted the crowd once again by his appearance in a dress. Students proudly paraded their costumes emulating their favourite book character.

Our fathers and VIM (Very Important Men) enjoyed a Fathers' Day breakfast early in September and completed fun activities with students.

A long-standing tradition at St Mary's is the annual public speaking competition, where students from Kindergarten to Year 6 present a speech within their class and then finalists are chosen to compete in the school event.

This year's winners were:

- PP Oliver Sprigg - Ammonites
- Yr 1/2: Luke Kelly - The Lost City of Atlantis
- Yr 3: Fifi Mashangu - Sea Turtles
- Yr 4/5: Trinity Gear: Deforestation
- Yr 6: Hayley Hester - Foodbank

Students from Year 4-6 also competed in the interschool TREE Talks competition at St Brigid's in Bridgetown, where Yr 4 student Lisharn Turner and Yr 6 student Hayley Hester won their divisions. Congratulations to all students on their efforts.

In Sport, St Mary's sent 4 teams to Greenbushes to compete in the annual minkey carnival, with two St Mary's finishing in a tie for first place. Students are also preparing for the upcoming faction carnival in Term 3.

As if there hadn't already been enough excitement, the school disco was a great success recently, complete with disco lights, lolly bags and glow sticks sold as a fundraiser for the P&F Association.

In a peaceful contrast, the last week of term was dubbed 'Wellness Week', which involved no homework for students, the option to wear sports uniform (or even pyjamas, on 'Chill Out Tuesday'), mindfulness sessions, muffins, milo, or pancakes for recess, and the chance to try new foods such as kale chips and bean sliders on 'Try it Out Thursday'.

While classrooms are being renovated and rebuilt, existing spaces have also had a makeover. Recognising the important role learning environments play in education, an educational learning spaces expert has advised us on how to make the most of space within the classroom to allow for optimal teaching and learning.

Classroom furniture has been rearranged to cater for varied learning needs. Some of this has been as simple as making use of wall space for desks and creating more space in the classroom. While the teaching and learning programs have not changed, the new look allows for more flexibility in the classroom.

Learn & Grow has been a great success on Friday mornings this past term. We have two more sessions remaining this year: Friday, October 15 and Friday, October 22 from 9:00am to 10:30am.

We look forward to finishing the year strongly in Term 4, which begins on Monday, 11th October.

Sandakan Presentations

The Year 9 and 10 students presented for the Sandakan Scholarship Program on Monday, September 13. Weeks of hard work paid off as all of the students delivered incredible speeches, presentations and artistic interpretations.

They gave the audience incredible insights into the hardships and torture of Sandakan and highlighted the need to keep the stories alive and remembered.

A special congratulations must also go to our award winners:
 1st - Anne Deas 2nd - Xaver Webb 3rd - Zac Knapp
 4th - Nicole Turner 5th - Caitlyn Imrie

The judges had tough job and all award winners were well deserving of their accolades.

Music Night 2021

Record crowds turned out for the 2021 Musical Evening. With no event in 2020 due to CoVID audience members were keen to see a return to performances on the stage.

More than 130 people turned out to support the performers on the big night. The Choir opened the night with a heart stopping "Believer" by Imagine Dragons and it was all up from there. With a mixture of solo performers, Choir and Vocal Ensemble performances and 4 bands the audience were entertained with a variety of musical delights. Lights, smoke machines and special effects helped to illuminate the performances and audiences were left in awe as soloists performed big numbers. Please take the time to visit the BBDHS Facebook page to see all of the incredible photos from the evening. Come along and watch the bands perform again at the upcoming CoMHAT Wellness Festival on Saturday 16 October.

Kindergarten 2022

Enrolments packs and Tours are available for Kindergarten 2022. Kindy Transition dates are on the following dates from 9-10am, November 17 and 24, December 1. Feel free to contact our school with any queries you may have.

BBDHS Country Week

The last week of Term 3 saw our Year 7-10 students attend Country Week in Perth. There was a lot of excitement and healthy competition with students playing a mixture of netball, hockey, futsal and basketball.

There was a mixture of wins and losses with plenty of team work and great sportsmanship.

Coaches, Team Managers and School staff were highly impressed with the student's encouragement and RESPECT for one another, their RESILIENCE, and their determination to STRIVE FOR SUCCESS throughout the week. Check the BBDHS Facebook page for more details and final updates on the results for the week.

Museum News

Congratulations to Vivienne Lee Steere for winning the last wood raffle. Thanks to all for your support and donations.

We are still waiting for the various quotes required for the hope of some grants towards our new building.

Don't forget the Walk on the Wildside Weekend on the 9-10 October. The museum will be open both days for a gold coin donation and we are hoping to have a working blacksmith on site.

Our next meeting will be at the museum on Wednesday, October 13 at 2.30pm.

Country Women's Association

The delegate to the 97 State Conference was Dorothy Ricetti. Plans are in hand for the celebration of The Centenary of Country Women's Association in Western Australia. Country of Study this year is Australia, this means we will be learning and celebrating more of our own backyard.

Betty Knapp and Dorothy Ricetti attended Sandakan Service, then went to Manjimup to their 90th Birthday Lunch and the unveiling of a Picnic Set in the Park. Dorothy Ricetti won one of the raffle prizes: one of the new Country Women's Association Mugs.

Craft Hut

To all our friends and members here we are again and September has now gone, how time flies.

We've had a wonderful month. The icing on the cake being the Father's Day raffle, which was won by Sandy Chambers with the Green Ticket #E32. Congratulations Sandy.

If you want to drop in morning tea, see what we do, please do. We have so many gifted people; you can just chat, or bring your knitting or sewing, or whatever you do, you will be quite welcome.

Thursdays at 10am at the Craft Hut.

Seniors Forum Returns

After the success of the 2020 event, another Seniors information forum is being planned for Monday, November 8 at the Boyup Brook Town Hall.

Coinciding with Seniors Week, this forum will provide all members of the community with valuable details about a range of topics that are relevant as we age.

The forum will be free to attend and include guest speakers, stalls, information packages, activities and lunch.

For catering purposes, please register your name and any dietary requirements at the Boyup Brook CRC by phoning 9765 1169 or email boyupbrook@crc.net.au, or on the list at the Boyup Brook Pharmacy.

Lions Den

Boyup Brook Lions Club is proud to announce that we have added \$10,000 to our Term Deposit which is monies that was raised many years ago to help fund two over 55's Units.

It's fantastic to have Grace and Sophie back on the Sunday team. Us "oldies" really enjoy their company and look forward to hearing about their escapades for the past week, both at home and at school, oh and learning the "worm"!

The girls interact with the public so well and are always keen to learn new things and this is not just about Containers For Change.

Sandakan Award

Students from the BBDHS presented their research into the Death March, Borneo at the end of WWII, on September 13. Eleven students presented from years 9 and 10.

I know the three judges, Lyn Chambers, Helen O'Connell and Peta Meredith, had a difficult time judging (a big thank you to you ladies), but in the end as always, there is someone with a special something and Anne Deas was awarded first place. Second place went to Xaver Webb and Zac Knapp came third.

Don't Feed the Fill

Don't Feed the Fill is the message from Containers For Change. There is 40% of 10c Refund items sold going into landfill across WA. And there is still a lot (not 40% though) going into Boyup Brook's landfill bin.

Can I please urge you all to take the time to separate 10c items from your landfill and place them into the bins provided down at the Landfill section at the Transfer Station.

You are helping your community every time you do this and without your help the Lions Club would not have a Refund Point to raise money for worthy causes within our community.

A big thank you to Boyup Brook Tyre Service, Peta and Chris Meredith for their annual donation of fuel to the value of \$800 which goes toward the fuel costs of outings for our Senior citizens.

Many thanks for reading.

WHAT'S HAPPENING AT YOUR CRC

The CRC recently held a workshop where participants created handmade native orchids. The results were stunning and so realistic (see right) and the feedback was extremely positive. There are plans to conduct another session. Please contact the CRC to register your interest.

Unfortunately there has been a delay in transporting furniture from the Eastern States, which means that the date for the relocation of the Library remains uncertain. Fingers crossed it won't be far away.

There will be plenty to keep us busy during October, with a Friendship Bracelet school holiday activity on Thursday, October 7. Then there is another Needle Felting workshop, three activities during Get Online Week, a workshop to learn how to crochet a poppy for Remembrance Day, Lego Legends fun during Children's Week, and of course the Photography Exhibition - so much going on!!

As part of its future planning, the Department of Primary Industries and Regional Development is conducting a survey about CRCs and the value they provide to regional communities around the State. We appreciate your input. Please scan the QR code below, or type the link into your browser.

ANNUAL GENERAL MEETING AND SUNDOWNER

All members are welcome to attend the Boyup Brook CRC's AGM on **Friday, November 5 2021 at 5:00pm**, which will be followed by a Sundowner to celebrate the year of 2020/21. The AGM will be held at the Boyup Brook CRC, 86 Abel Street.

There are a number of committee positions vacant and we welcome a diverse range of skills and experience to the team.

Nomination forms are available from the CRC, or from the website: www.boyupbrook.crc.net.au/news

Please contact Jodi Nield, Centre Manager on 9765 1169 or current Chairperson, Hayley Graham on 0427 531 347 for more information about the committee and its role.

WE WANT YOUR FEEDBACK ON COMMUNITY RESOURCE CENTRES

Do a 10-minute survey to give us your feedback and you'll go into the draw to WIN 1 of 5 x \$100 eGift Cards

Enter the URL below into a website browser or scan the QR code to access the survey.

This survey is being conducted by Painted Dog Research, on behalf of the Department of Primary Industries and Regional Development. If you have any issues entering the survey, email yienna@painteddogresearch.com or call (08) 9227 8464

Lego Legends in Children's Week

Children's Week is a week dedicated to celebrating children, promoting the Rights of the Child as proclaimed by the United Nations in 1954 and to remind us of our responsibility to advocate for children as citizens and their right to a positive childhood.

Children's Week (October 24 to 30) is an opportunity for the community to engage in a variety of family-friendly activities that facilitate, support and encourage children and their families to play, learn and grow together.

And that's exactly what the children of Boyup Brook will be able to do, at the CRC, involving the classic favourite - LEGO!!

Children attending playgroup and the early learning centre will have the chance to take part in activities, and there will also be an afterschool activity for school students on Wednesday, October 27 from 2:30pm-4:00pm. As part of the Go for 2&5 health message, healthy snacks will also be provided.

The Boyup Brook Community Resource Centre is able to hold these free activities as a recipient of a Go for 2&5 Community Grant, supported by Healthway, Lotterywest, the Department of Communities and Meerilinga.

If your child(ren) would like to participate, please contact the CRC on 9765 1169, or email boyupbrook@crc.net.au to register.

Women in Farming

How is it October already! With only two meetings left for 2021 Women in Farming has some great things in the pipeline.

Our upcoming dates are as follows:

Tuesday, October 12th

Tuesday, November 9th

For September we hosted a "Working with Different Personalities" workshop that was a great success. We learnt about our own individual personality types and how we interact with others. A huge big thank you to Amy for taking the time out of her day to come and present this to us.

Also in October, we have teamed up with AWI to bring the Future Wool evening to Boyup Brook. This will be held at the Boyup Brook Club on Thursday, October 14 at 6pm.

If you would like to join us please register at www.wool.com/events places are limited. See the ad below for more details.

As always we would love to welcome anyone along to Women in Farming to see what we are all about. For more information email boyupbrook@womeninfarming.org or call Stacey Dalton on 0448 548 236.

Ampol is Back!

Iconic Australian Fuel Brand Return in 2021

You may have noticed the change at Boyup Brook Tyre Service signage. Yes, we have changed our branding to Ampol. Nothing has changed with the supply of fuel and customers can be assured they are getting the same professional service and supply of quality fuel. Starcard and Ampol Card are still accepted, and Starcard holders will soon be receiving their replacement cards.

Caltex Australia (ASX:CTX) announced it would be bringing Ampol, the much-loved and iconic Australian fuel brand, back to forecourts across the country after it was retired almost 25 years ago in the merger with Caltex.

The Australian Motorists Petrol Company, which later became Ampol, was founded in 1936 and has been part of Australia's DNA since then. Ampol has also been part of the ethos of Caltex Australia since the two companies merged in 1995.

Revitalising this iconic and strong Australian brand is an exciting move that reflects the company's deep local heritage and experience in this market. The modern company today still shares the same values as the Ampol many Australians remember so well - delivering excellent customer service, being community-minded and making and selling its own high-quality fuels and products designed for local needs.

We look forward to your continued support.

Festival of Country Gardens

Included in the Festival of Country Gardens this year, there are three Boyup Brook properties that will open for viewing.

The event runs from November 4-7 and is celebrating Spring with 18 private gardens to be explored in Balingup, Greenbushes, Boyup Brook, Bridgetown, Manjimup and Nannup.

Residents Murray and Yvonne Hales, Carolyn and Peter Reid and Ros and Peter Chilwell are all a part of this years event and hope that it will bring some new faces to Boyup Brook, but are also excited to host locals as well.

Stop in at any of the properties and enjoy a morning or afternoon tea, whilst you take in the beautiful blooming gardens.

For tickets and to see all of the details about the event, visit the website www.festivalofcountrygardens.com.

Garden Club

In September, the Boyup Brook Garden Club enjoyed a delightful visit to Hugh and Melva Browne's property at Maranup Ford which is part of the Maranup Ford Caravan Park. We set off on a relaxing drive via Bridgetown winding our way through the brilliant green countryside on a beautiful sunny spring afternoon.

The Browne's home is over 100 years old having been built in 1917. It sits on land that slopes down to the Blackwood River and the adjacent caravan park makes for a relaxing holiday spot for caravanners and campers.

A beautiful cottage garden surrounds the house which is quite large, with bench seats situated throughout providing resting places to sit and relax and soak in the beauty of the garden and river.

Standouts were the huge arbour supporting a well established wisteria. Bluebells, Spanish Irises, Portuguese Squills, Plum trees, Poppies, Peppermint Pelargoniums and a beautiful Box Elder Tree with flowers that resembled Christmas tree tinsel decorations. These are but a few of the plants in this garden.

Fauna was plentiful also; various geese and ducks foraged on the river's edge; a Scrub Wren was nesting on the verandah of the house which we respectfully kept our distance from; a magnificent Blue Wren was spotted flitting about the bushes and many Monarch butterflies danced around us showing off their bright orange and brown colours.

Such a peaceful and sunny garden was a perfect spot for us to enjoy our afternoon tea chatting with Hugh and Melva who told us stories of the Blackwood river flood levels over the years.

Many thanks to Hugh, Melva and their daughter Cate for welcoming us to their beautiful garden.

The October Garden Club visit on Tuesday October 12 at 1pm, will be to Colleen and Don Railton's property 94 Ridge View Avenue Boyup Brook. We will meet at the Town Hall carpark to carpool at 12.45pm. Please bring a chair, mug and name tag.

Further enquiries please call Helen Rice 0421 581 636 or Margaret Nield 9765 1192.

Winston Farleigh Memoir

Former local Winston Farleigh passed away in March 2020. On September 12 this year, his family returned him home to Rylington Park by scattering his ashes on his former childhood home and farming property. This memoir was written and read out at his funeral by his son David Farleigh.

My father Winston was born in Claremont, Perth on 9th January 1931, during the Great Depression. Following his birth, life on Rylington Park, Boyup Brook continued as normally as possible during those difficult economic times with the family self sufficient in meat, milk and eggs. Vegetables were grown and fruit planted.

Two years later, Winston was joined by his sister Esma and the two youngsters grew up on the farm while their father Eric continued to develop Rylington Park as best he could during and after the Depression followed a few years later with the onset of WWII.

As I understand it, life was fairly normal for the family. Winston, Esma began their formal schooling on the farm with a governess.

When he was older, Winston was sent to boarding school where he attended Scotch College in Perth. I don't recall Dad talking very much about this period of his life except the joy and pleasure he got from rowing on the Swan River and the long trips back to the farm by train at the end of term – first to Bunbury and then to Hester where he would be met by his parents – the slow journey taking all day.

When dad's formative school years concluded, he returned to the farm and worked alongside his father Eric. Life continued normally in the district. Winston's social life was filled with bush dances, tennis, shooting at the local rifle range, golf and other events in the area. He continued his participation with some of these activities until he retired from the district.

At age 21, Eric gifted a 90 acre paddock to Winston who then began his farming career.

In the mid fifties, (1954 I believe) Winston accompanied his parents on a world farming tour lasting several months. This expanded his horizons having travelled to England, parts of western Europe and the USA.

In January 1957 Winston married his first wife May, my mother and that of my two brothers, Brian and John. May was teaching in the local primary school at Boyup Brook. During the early years of marriage, they lived in a small cottage on Rylington Park.

It was at this time my parents bought the undeveloped half of Rylington Park on the western side of the Cranbrook road from Eric. They named the property "Lyndon" after the plans for the house they built in 1961.

As a young boy I remember the enormous work load both my parents shared as they built and developed Lyndon together. They scrimped and saved every cent they could. My father would spend several months each year shearing in the neighbourhood leaving my mother to rake hay, run the household and keep the farm going.

During the early summer months Dad would go contract harvesting, eventually establishing a long term contract with the Jackson family who farmed at McAlinden south of Collie.

It was here that Dad learnt about fine wool growing from Syd Jackson. The Jackson family ran a sheep stud with Peppin blood lines with which they won supreme grand champion prize for their wool entries at the Perth Royal Show over many consecutive years. The Peppin line of merinos were better suited to the high rainfall environment on Lyndon.

Winston bought rams from the Jackson's gradually transitioning his flock from the larger bodied Collinville sheep to the Peppin blood line, smaller framed animals with soft handling free combing wool immune from the dreaded fleece rot.

This change established the foundation for Winston's flock of heavy wool cutting 19 – 21 micron sheep of which he was very

Winston Farleigh Memoir

proud. High yielding fine wool of this type was sort after by wool buyers and in particular, a high fashion Italian suit maker who chased dad's wool clip each season.

My father was a very creative, clever and industrious man, self taught in many ways and willing to tackle almost any challenge or task in need of doing. This "can do" was an ethos he passed onto my brothers and I. He worked alongside a local carpenter, Frank Smith to build the family home on Lyndon. Later working on his own.

Winston built all the sheds, stock yards and other infrastructure on the farm. He erected windmills, built dams and fences, cleared paddocks, blasted out mill stumps, designed and built a reticulation system of tanks and water troughs for stock throughout the property.

He was often engaged by local farmers to build sheds, stock yards erect silos or windmills for them. He built gates, tractor cabs, front end loaders, repaired and modified machinery to improve performance and minimise operating costs.

He pursued agronomy techniques to improve soil fertility and boost the quality and yield of his pastures, maximising the carrying capacity and productivity of his mixed farming enterprise that included beef cattle, wool, prime export shipping wethers and the sale of surplus grain and quality hay as each season permitted.

Dad was an active member of the Mayanup progress association and was a fire control officer for the local ward over several seasons.

These successes weren't without difficulties. Winston suffered several major and crushing set backs during his farming years, the first being the devastating fire January 12 1958, WA's worst to that point in time burning out 27 farms in the district including the Farleigh's.

He suffered from a drought in the 70s. I can remember as a young school boy, a serious on farm accident involving my youngest brother John in 1980 followed soon after by another devastating fire in 1981. With resilience, hard work and skill, Winston recovered from each of these events. Sadly, however, the stresses built over the years and the most recent of these events took their toll and claimed my parent's marriage in 1983.

Winston meet June Upton whom you all knew and they married in the spring of 1985. In 1990 Winston and June purchased a 1 acre block in Gelorup and took their time to build a new house and establish friendly relations with their neighbours.

A few years later, Lyndon was leased to Alex and Richard Forbes – a respected pioneering district family and lifelong neighbours. Dad then retired from farming. Lyndon was eventually sold in 2000.

Winston and June spent their retirement years travelling together and visiting family (both Upton's and Farleigh's) and their friends. For a time, dad involved himself with Riding for the Disabled, looking after horses and the property.

Winston and June were very committed to their church family here in Bunbury. As many of you know, Winston would happily involve himself with music rosters and prison visits. He enthusiastically engaged himself with newspaper collections, delivering many tons to Kemperton raising funds towards building this worship facility.

In 2014 June passed away after a period of illness. In 2016 Winston moved into a retirement villa at Eaton where he lived until January of this year at which time declining physical and mental health necessitated a move into full time residential aged care in Perth close to my brothers and I.

Dad passed away peacefully in his sleep on 11 March 2020.

Dad lived a full and productive life. He is survived by his three son's Brian, John and myself, 3 grandchildren being Daniel, Hannah and Katie and 3 great grandchildren – Evelyn, Amelia and Judah.

Today provides an opportunity for all of you, Dad's church family, friends, neighbours and others to say your goodbyes. Winston left each of us with a lifetime of unique memories and a hope for those of us who know and love Christ of meeting him some day in eternity.

Today is not the end – merely a chance to say a collective goodbye and to reflect and reminisce of a mortal life well lived.

Poem: Take Heart

The body is a complex thing, a thing of many parts
Let's look at the very centre, let's look at the heart

This organ starts to work before you see the light of day
Then goes on pumping faithfully until you pass away

In fact it is the first thing that appears to make you 'You'
Three weeks from conception it is there. And pumping too

If you live to be a hundred, as some of us may do
Consider what your heart will pump while looking after you

If your resting heart beats properly at sixty times a minute
And sends to lungs and body all the blood that's in it

Then your busy heart has delivered seven litres, round about
That's two fifty litres in an hour it has just pumped out

That's over six thousand litres delivered in a day
With only quiet activity, asleep, at work or play

Now expand the timeline to a year and see the score
Over two million litres, an Olympic pool or more

So if our centenarian has a heart still beating strong
It has pumped two hundred million litres to help her life along

That's the water in a big dam out there on your farm
So protect your heart, keep it safe from harm

Recipe – Blueberry Banana Bread

Ingredients

- olive or canola oil spray
- 4 ripe bananas, peeled
- 1/4 cup sugar
- 1/2 cup reduced-fat milk
- 2 eggs
- 1 cup self-raising flour
- 1 cup wholemeal self-raising flour
- 1 tsp ground cinnamon
- 1 cup frozen blueberries

Method

1. Preheat oven to 220°C (200°C fan forced). Spray a 20 x 10cm loaf tin with oil; line base and sides with non-stick baking paper.
2. Reserve one whole banana for presentation and mash remaining 3 bananas in a large bowl (1½ cups mashed).
3. Add sugar, milk and eggs and mix with a fork until well combined.
4. Sift flours and cinnamon on top of banana mixture, returning husks from the sieve to the bowl. Mix ingredients together until just combined, taking care not to over-mix, then gently fold through blueberries.
5. Spoon mixture into prepared loaf tin and smooth the surface. Slice remaining banana thinly and overlap slices through the centre of the loaf.
6. Bake for 35-40 minutes then cover with foil and bake for a further 20 minutes. Centre of loaf will remain moist but not wet when tested with a skewer. Allow to cool in tin for 5 minutes then turn onto a wire rack.
7. Cut into 1 cm slices and toast before serving, if desired.

Cryptograms

Cryptograms are simple-substitution ciphers where every letter of the alphabet has been switched. Your task is to use pattern recognition and your grammar and vocabulary abilities to decipher the hidden quote. Hint: start with the 1, 2 and 3 letter words, and remember that the most common letters in the English language are E-T-A-I-O-N, in roughly that order. Good luck!

Rosetta

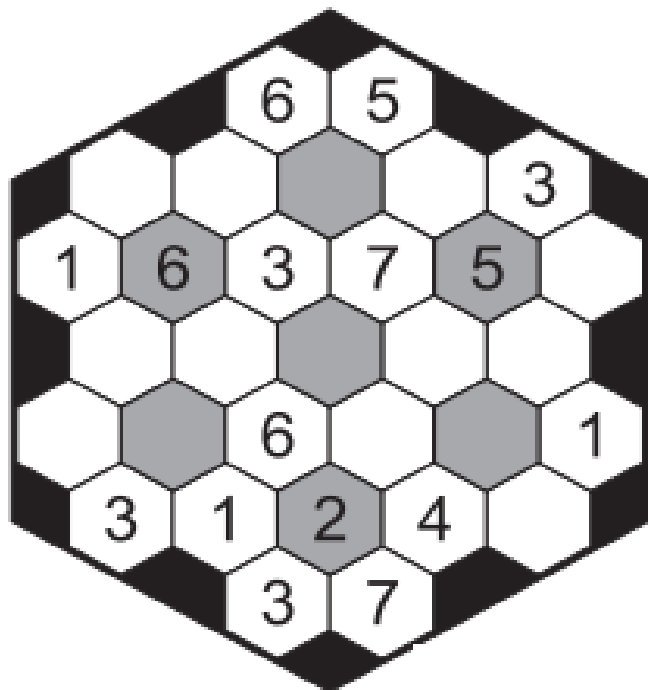

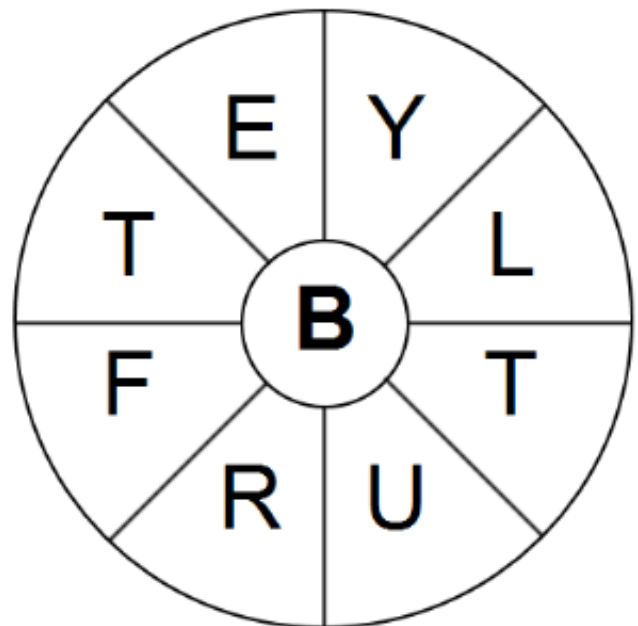

A Rosetta is made up of a centre coloured hexagon encircled by 6 white hexagons. To complete the puzzle, fill in all 7 Rosettas with each number between 1 and 7 in no particular order while also ensuring that:

1. No number is repeated in a horizontal row
2. Each number from 1 to 7 are represented in the 7 grey coloured hexagon cells.

Spring Word Wheel

The word wheel is made from a 9 letter word, and the challenge is to find the 9 letter word, and then to see how many more words you can make from the letters. There are two rules - you can only use each letter once, and each word must include the letter in the centre of the circle. This Spring themed word wheel is made from a 9 letter Spring themed word. Try and find that word, then make as many words of any length as you can from these letters. You can only use each letter once, and each word must include the letter B.

Mental Wellbeing Postcards

Australia Post is helping Australians stay connected by delivering more than 4 million specially designed prepaid postcards to rural and remote households across the country as part of its continued focus on mental health.

Designed in collaboration with Australia Post's mental health partner Beyond Blue, the postcards are divided into two sections with a part to keep, including helpful tips on how to maintain mental health, and a second part to write on and send to friends or loved ones in Australia free of charge.

Australia Post Head of Community Nicky Tracey said the simple idea would have a positive impact on people's mental health, particularly for those who are currently unable to visit friends and family.

"We know that when we connect, we feel better and sometimes a small message can be all it takes to make a big difference to someone you care about," Ms Tracey said.

"These postcards make it really easy to connect with a message of love, hope and support by simply putting a message on the card, addressing it and dropping it in a red post box."

Beyond Blue Chief Executive Officer Georgie Harman said the partnership with Australia Post helps to share important messages about mental health with communities across the country and reach people who continue to grapple with the impacts of bushfires, floods and droughts on top of the pandemic.

"This postcard campaign will help us reach into rural and remote areas, where social and geographic isolation, weather impacts and difficulty accessing services can present mental health challenges," Ms Harman said.

"I really hope people will join in the spirit of this initiative, read the tips and send a card to a loved one. If we keep talking about mental health, we can smash the stigma and remove the barriers that hold people back from seeking support."

September 1, 2005

Jesus

God's little children know great suffering on Earth, it is true. There will always be those who are suffering. Together, we extend the greatest love and assistance to those who carry the cross because you will carry it one day too, and you will then benefit from the help of others.

Dear brothers and sisters, all is well. I can say that all is well because I view all from the perspective of Heaven. Can I ask you to share that view with me? I will give you this view, if you are willing to accept it.

From Heaven, I see that souls cry out to me. They ask for relief from darkness. I am sending relief, my dear faithful ones. I am sending great conversion graces.

There are times when a child is having trouble and the child cannot see how to solve a problem or remove himself from a situation. The parent sees more clearly, of course, and often understands what the child requires to recover. What parent is unfamiliar with the protesting cry of the child who wants to do it his own way, despite the danger of the child's intended path?

The parent must then step in and avert the child's course, showing the child the better and safer way. Such protests a parent must endure! But a good parent perseveres in the course that will benefit the child in the long run.

I am the good parent in this time. I am looking at the world and I have decided that it is time to pierce the darkness with my light. I have told this to my beloved apostles. Please trust me. Please support me. Please do as I ask and examine your role in the renewal each morning, when you offer me your day. I will then continue to flow my light through you into the world.

Dearest friends, I am your saviour. I do not abandon you. Do you understand that Heaven is your intended destination? Do not object when others come to Heaven. It is for this they were born on Earth.

I understand earthly grief. You know that I understand because I experienced great human grief. I will comfort you. I will sustain you. You have been asked to spread my heavenly calm. All is well. You know this because I am telling you this. You are one who believes your God. Spread my calm, my grace, my joy.

Will you support me, Jesus Christ, in everything? It is this I am asking of you. Rest joyfully in your soul with me. I will give you exactly what is needed for your world and you will be a holy carrier of my grace. I am with you. Rejoice.

Be Still and Know..... God

Things are going to get better

'I know the plans I have for you,' says the Lord. 'They are plans for good.' Jeremiah 29:11

Are you grieving the death of a loved one? Are you walking through the fires of divorce? Have you lost your home or your job? Are you trying to pick up the pieces of your life and start over? God says, 'The plans I have for you... are plans for good.' When you involve God, the best is yet to be! But it's impossible to move forward when you're trapped in the past.

When 'The Great Paderewski' first started studying piano, his teacher told him his hands were too small to master the keyboard. Yet the fire in his soul drove him to become a world-renowned pianist.

When 'The Great Caruso' first started studying voice, his teacher said he sounded like the wind whistling through the window. But today he's remembered as one of the world's greatest tenors. If you need inspiration, look no further than Christ. 'Keep your mind on Jesus, who put up with many insults from sinners. Then you won't get discouraged and give up.' (Hebrews 12:3)

When it comes to your losses, grieve them and leave them. 'Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.' (Isaiah 43:18-19) The word for today is: keep looking ahead, because things are going to get better.

Netball Champions

Three of Boyup Brook's junior netballers tasted Grand Final glory on September 16, when their team Skylarks came from fourth on the ladder to beat the league's undefeated Trimuets by 23 goals.

Champions Hayley Hester and Charlize Welch will now move from the Bridgetown Netball Association's Junior B to A team next year, with teammate Makalah Welch remaining in the B team for another year.

Hayley also took out the Grand Final Fairest and Best award.

Above: Left-Right Makalah Welch, Hayley Hester and Charlize Welch, Junior B Netball Grand Final winners.

Boyup Brook Junior A netballer, Naomi Clark, pictured below, also had a great end to her season by taking out three awards!

At only 14 years old, Naomi has already been playing netball for ten years and she says it isn't just a sport to her, it is also her passion.

She has played the majority of her season in the Centre position, much like that of her hero and West Coast Fever star Verity Charles, who she admires for her hard work ethic and strength.

Before her Grand Final, Naomi found out she had won the 2021 Coaches Award and despite her team Jetz, not taking the win, she received the Grand Final Fairest and Best award.

Naomi also took up the challenging role of umpire this year and as a part of her training, she received her C Grade Badge.

To get there, she was tested by umpiring a senior netball game, and even though she said she was nervous, she showed a lot of maturity, confidence and knowledge of the full spectrum of netball rules.

For these efforts, she also received the Up and Coming Umpire of the Year Award.

Naomi said she is keen to carry on in this role because, "I love keeping the game fair, safe and fun for everyone."

Well done Naomi!

Roos News

Well the footy season has finally come to the end. What a huge season it's been, with both Boyup teams entering finals.

The Reserves got in to the preliminary-final where they played Deanmill but unfortunately lost. The League team made its way to the Grand Final for the first time since 2012 but unfortunately went down to Bridgetown.

I can certainly speak on behalf of all the supporters and committee saying the boys did really well in coming from bottom last year to where we ended up this year for both teams.

At the Lower South West Association windup, we also had three boys do very well. Congratulations to the following award winners from Boyup Brook on the night.

Jacob Maw won the Fairest and Best for LSWFL reserves.

Liam Park won the Best Under 21-year-old.

Mckenzi Nix won Fairest and Best for LSWFL League.

This was a great achievement for Boyup Brook Football club and we are all very proud of these 3 lads.

Our Windup was held on September 18, at the Boyup Brook town hall. Congratulations to all award winners:

Around the Traps

Boyup Brook really turned the weather on for the Father's Day Shoot, which saw spectacular blue skies and glorious sunshine beam down on the 38 shooters all day!

The Zone 6 50 DB and the Southwest Shield 50 were up for grabs! This year also saw the maiden run of the Boyup Brook Challenge taken over the 100 targets DB and kindly sponsored by OFI Group.

Collie Clay Target Club walked away with both the shields but Boyup Brook put up some great scores with only a two-target difference in the Zone 6 Shield: Collie 247/250 and Boyup Brook 245/250.

The results for the South West Shield were Collie 247/250 and Boyup Brook 242/250. Some spectacular shooting by all!

A massive congratulations also to Ray Guadagnino and Nathan Simms, who have both been regraded to A! Thank you to OFI Group for their sponsorship and to all that made the day a great success.

A special mention also to Christine and Murray Alexander who came down from Perth for the weekend to hold a coaching clinic on Saturday. Their help and advice were greatly appreciated for those who attended and also for the ongoing support and help at the shoot.

Sunday, September 19 was the day for the annual **AFGRI 100 Skeet Shoot**. This year nineteen shooters rolled up to try their luck at winning. The day started with some misty light drizzle but improved as the day went on.

As usual Phil House was the early leader with Ian Porter and Stix Davis in hot pursuit. Laurie Hull from Katanning was also in the running for a while. Phil was in very good form and only dropped one target for the day to come in on 99/100. This year AFGRI had generously donated a lawnmower as first prize which Phil was very pleased to win as he was in need of a new mower.

Other winners on the day were:

A: Stix Davis 95/100

Ian Porter 93/100.

B: Laurie Hull 94/100

John Rourke 84/100

Trent Bowden 76/100

C: Clem Riley 92/100

Stu Uren 83/100

Ross Porter 83/100

Thanks to our local John Deere specialists AFGRI for their continued support of this shoot. Our next shoot sponsored by Phil and Jenny House will be 100DB on Sunday 3rd of October starting at 10am.

Junior Hockey

Thank you everyone for another great season of Junior Hockey. Congratulations to this year's Grand Final Winners Crocs and to Hornets for putting up a good fight!

The Club would like to acknowledge some key people that make junior hockey a huge success.

Firstly our coaches, Phil Corker, John Ritson, Tristan Mead, Travis Reid, Janis Beadle, Kerri Ivey and Melissa Fisher. Coaching juniors is not easy particularly given the age range of the kids our coaches are coaching.

All our wonderful coaches manage to get the best out of the players. Thank you to the 7 of you, you all do an amazing job and I know all your teams are very appreciative of your efforts each week.

To Sarah Thompson, our mini and minkey coach and Sonia Bermingham who assists Sarah, thank you for encouraging and teaching our future players.

Ginette Corker, our scorer and the Baker Family for time keeping - both are important roles that assist with the smooth running of our games each week.

Our wonderful umpires Fleur Mead, Simon Purse and Tara Reid, often umpiring two junior games each week. It would be great however to see more people step up and umpire next year.

Tara Reid is the backbone of the Boyup Brook Junior Hockey.

She organises umpires and umpires each week, does the line marking, supports and encourages all coaches and players, advocates and promotes all sports within Boyup Brook and so much more! The Club appreciates all that you do and thanks you for the commitment and time that you invest in hockey in Boyup Brook.

Finally, to all our families, thank you for supporting your kids being part of the Boyup Brook junior hockey club. To those that have helped out with toasties, general clean ups and setting up and making hamburgers on grand final day, it is very much appreciated.

Boyup Brook Cricket Club

Well it's that time of the year to dig out the whites from the back of the cupboard, head to the shed and dust off the pads and bat.....it's cricket time!

After a highly successful 2020/21 season, which saw many junior players register and improve their skills each week, and the senior side going from last position the previous year to playing off in the grand final, this cricket season looks to be a belter of a season for the Boyup Brook Cricket Club.

All official positions remain the same with Charlie Miller president of the club, and Bobby Miller secretary/treasurer.

The juniors will start their season with their first training on Friday, October 15 3:30pm (Week 1, Term 4). Registrations will take place on that day, with Milo cricketers ranging from age 4 and up, whilst juniors are aged 10-14.

The seniors will be looking to go one better than last year, and look to have a very strong squad again this season.

With seasoned campaigners Tristan Mead, Scott Tweedie, Jacob Maw, Jason Raven, Tim Mead, Leigh Clark and Joseph Thompson going again, as well as up-and-coming youngsters in Josh Miller, Declan Holland and the Marsh brothers (Jakob and Cameron), it looks to be a promising season.

The key to their success this year could be the inclusion of three experienced cricketers to town in Todd Carroll, Braydon Ridley and David Johnston.

Seniors first training will be on Thursday, October 7 at 5:00pm. We invite any keen cricketers to come on down and roll the arm over.

This year the cricket club will be hosting a combined 10 and 20 year premiership reunion.

Winning premierships from 2000/2001 and 2011/2012 will be celebrated early in the season. We also intend to have a Past Players Day, which will be early in 2022.

So stay tuned this summer, for plenty of cricket action here in Boyup.

Boyup Brook Swim Club

It's nearly that time of year again!

In Term 4, the Boyup Brook Amateur Swim Club will be starting again. We offer a supportive and fun environment for kids to be coached in the development of their technique in all strokes, stamina and overall fitness. The only preference is that your child has passed Stage 5 which is where they should have learned the basics of all of the swimming strokes.

For new swimming club members, the swimmer will need to attend a short assessment on registration day for demonstration of swimming ability to assess if your child is ready for swim club, and for allocating into groups. If you are unsure, please bring them down to our Registration at 4pm on Monday, October 18. We have members aged from 6 up to 16!

The committee for the 2021/2022 season is as follows:

President:	Mary-Anne Inglis
Secretary:	Gemma Lee Steere
Treasurer:	Narelle Simpson
Time Recorder:	Kerri Ivey

Registration Day

Registration Day will be on Monday, October 18 at 4pm. Please come along, we would love to see you there!

Registration forms for the 2021/2022 Season will be available from all school offices and the Boyup Brook Swimming Pool. Completed forms can be handed in to Tara Reid at the Pool prior to the registration day or emailed to our secretary Gemma Lee Steere on cgleesteere@gmail.com.

Please email Gemma if you would like an electronic copy of the registration form.

Once the registrations are completed a new 2021/2022 season WHATSAPP Group will be set up by Mary-Anne (0427 652 998) to keep all members up to date with all things swimming club.

Training Days

Term 4 2021 and Term 1 2022, training days will be on Monday from 3:30pm and Wednesday from 3pm.

Cost

\$90 for full season, \$45 for half season (one term)

We look forward to seeing you in the pool!

PLEASE NOTE: IF UNDER 10 YEARS OF AGE EACH CHILD MUST HAVE A PERSON OVER THE AGE OF 16 AT THE POOL EDGE WATCHING THEM.

Social Badminton

Badminton is every Wednesday morning, from 9am (approximately) in the Town Hall - use the car park entrance (near public toilets).

Wear sports shoes, bring your own water bottle. \$5 per week, which includes a weekly donation to Boyup Brook Sports and Recreation Association. Racquets available.

Boyup Brook Golf Club

Thursday Events

Boyup Brook Golf Club has a new Champion lady. Shirley Sanderson, picture right, won the Ladies' Single Championship for 2021 in a Match play final against Lyn Willett. Lyn Jennings was the winner of the B Grade final against Maureen Piper.

On August 26, the ladies played for Lisa's Beauty Service trophy with Lyn Willett winning the par event with +3. There was a tussle for runner up position with Jann Mead winning with -2 on a countback from Rhonda Parker and Jenny Aird. The Gong trophy was won by Maureen Piper with 27 points on a countback from Jenny Aird.

On Sunday September 12, the ladies played their Foursome Championship with Jann Mead and Naomi Dorrington being the outright winners for the Gross, with runners up being Jenny Aird and Lyn Jennings. Nett winners were Rebecca Thompson and Sue Fairbrass and nett runners up Rhonda Parker and Sharon Nield.

The ladies held their Open Day Friday, September 17 with a turnout of 60 people from 19 clubs, coming from as far away as Guilderton, Kwinana, Serpentine and Augusta.

There was lots of laughter on arrival when the visitors realized they were caught up in the wedding of the year with the announcement that *The Farmer wants a Golfer*. There were plenty of would-be brides and bridesmaids, champagne and wedding cake on arrival before going out to play their game of golf on a well maintained course. Back in the Clubhouse a delicious wedding breakfast was served and entertainment kept the golfers amused.

The bride was eventually revealed when Shirley Sanderson with 36 points won the day. Runner up was Rita Baldock from Bridgetown, 35 points, 3rd was Wendy Tuckett, Boyup Brook 34 points, 4th Judy Wunnenberg Darkin, 33 points on a countback from Iris Phillips, Sanctuary. Gross Winner was Denice Nock with 17 points from Bridgetown and Gross Runner Up was Jennifer Schaeffer from Guilderton with 16 points. Front 9 and Back 9 winners were Lyn Willett, Boyup Brook and Jenny Ingram from Bridgetown both with 20 points. The Bridesmaids Team Event was won by Lisa Cavanagh, Vicki Frost and Judy Wunnenberg with a total of 92points.

Thank you to the generosity of our sponsors, Anne Thompson from Boyup Brook IGA and Robert and Cecile Maddams of South West Riverstones. Both have been with us now for many years and the Boyup Brook Golf Club appreciates their involvement once again in 2021.

Saturday Events

Saturday saw the completion of the first and second rounds of the men's champs in all grades. With a couple of late withdrawals, it left the field wide open in 2 of the grades. Most

matches were very close with one pair going to the 22nd Hole in the morning. So next weeks finals look like this:

A Grade - 36 holes Match Play

Alex Tweedie vs Grant Downing

B Grade - 36 Holes Hcp Match Play

Peter House vs Greg O'Neil

C Grade - 18 Holes Hcp Match Play

Nev Parker vs Kev Connor

Saturday afternoon a game of scroungers was organized for the few who turned up and hung around after losing their first round match.

Sunday was the 66th running of the Men's Anniversary Cup sponsored by IPG Advisors, CRT, Conquest and Victorian Chemicals.

Whilst the numbers were down for those who attended had a really good time. We had in the end 41 players from 13 different clubs with the youngest in the field was 14 to the well over 70. Whilst this is a net event we had well over half the field playing on a HCP of under 10.

Congratulations to this year winner our very own Luke Dynan a list of all the other winners you can view this on our Facebook page.

Above: Luke Dynan and Greg O'Neil

A big thank you to all members who assisted over the weekend but especially to our ladies for keeping the troops fed and for organizing everything else, made my job easy.

The day saw the Club Champions crowned and for the rest of the members a fun afternoon playing for the Mumballup Organics sponsored event thank you to Mark and his team. Well done to all the members who came along and played and also supported those playing in the finals. We have now crowned our 2021 club champions. All the games were played in great spirit with a couple going down to the wire.

Congratulations to

A Grant Downing def Alex Tweedie 1 up Played over 36 holes

B Greg O'Neil def Peter House 7 and 6 Played over 36 holes

C Neville Parker def Kevin Connor 1 up Played over 18 holes

Golf Club

continued

Due to our local Footy team playing in the League GF on Saturday we changed our day to Sunday.

The club would like to thank the team at Harley Transport for their ongoing support and sponsorship of our club, it is as always greatly appreciated. Whilst we thought Nathan was going to be playing his one game of golf for the year, like all good truckers saw him loading wool for one of our members and like all good farmers left him to it. Great weather and very little breeze made for good golfing conditions

1st Greg O'Neil 39pts
 On a countback all on 33pt 2nd Ian Tweedie
 3rd Rance Dorrington 4th Chris Mead 33 points

A big thank you to another long time supporter of the club in C & L Mechanical. To Colin and Lisa we appreciate the sponsorship and support you have given our club.

We had 18 Men and 6 Women come along and play Par in glorious weather conditions. The Men were also playing for the PD Forrest Board event.

The winners were:
 1st Simon Purse +3 2nd C/B Alan Casserly +1
 3rd Jann Mead +1

Our Closing Day and AGM is fast approaching October 16, could everyone please consider a position on the Committee for next year.

Tennis to Return

Junior tennis for Kindy - High School students will start on Thursday, October 14 with registration and a social hit, lessons will start the following week. The groups will be coached by Andrew 'Woody' Woodward from Tennis Excellence and assisted by Lizzie Twigg. This term will run from 21 Oct - 9 November (8 sessions).

Beginners will work on holding the racquet correctly, hand eye co-ordination, hitting the ball over the junior nets, forehands, backhands and volleys with red balls.

The intermediate group will play on the bigger courts with the bigger nets and harder balls (orange dot). Woody will work on forehands, backhands, volleys, rallies, serving, where to stand and introduction to playing matches.

The advanced group will play on full size courts with the correct height net. It will develop their shot strength, court awareness, match play and confidence to play in our local and nearby tournaments.

Woody will also run a fun adult/advanced junior session, considering all ability levels. Over the 8-week term he will work on all areas of tennis.

Junior Tennis Registration- 14 October, 3.30-5pm
 Adult Tennis Opening Day - 30 October - Halloween theme, bouncy castle for the kids. All Welcome for tennis or a social get together.
