Billabong's Helping Hands

Just in time to celebrate World Nature Conservation Day, nearly 100 community volunteers and students from the Boyup Brook Primary School and St Mary's Primary School planted 800 native seedlings in the Kura Kartaga Langa Reserve. Despite frequent showers and muddy conditions, the tree planting event was a great opportunity to raise awareness for the Boyup Brook Billabong and connect young people back with nature.

On Tuesday, July 26 a group of ten volunteers from Boyup Brook, Collie and Nannup, met at the picnic area and were eager to start planting. Various shrubs and trees, specifically selected for the vegetation system of the reserve, were planted and protected with tree guards.

The day was highlighted by Mrs Francke's class of 15 Kindergarteners from the Boyup Brook Primary School. After a quick visit to the Billabong, the students were motivated to start planting. New seedlings are now establishing around the seating area, near the interpretative sign and along the path leading into the reserve.

On Wednesday, students and staff from St Mary's Primary School continued with planting and staking, supported by two volunteers who agreed to help on the second day and tirelessly folded tree guards. The first group of year 5 and 6 students were paired up with pre-primary students, helping each other with planting tools, staking tree guards and a little bit of exploring the curiosities of the bush.

The second group of students from Years 1 to 4 were eagerly digging, planting and helping to fold tree guards. Overall, another 300 seedlings were added to the tally, totalling up to an unbelievable 800 seedlings planted in just two days.

The tree planting event was part of the rehabilitation of the Boyup Brook Billabong. Numerous plant species, some previously displaced by weeds, inappropriate fire regimes and more frequent flooding events over the past 120 years, have now been re-introduced into the reserve.

Once established, these native plants may provide suitable habitat for the (critically) endangered forest red-tail cockatoo, chuditch, ringtail possum and southern brown bandicoot. The successful establishment of native plants do not only add to the recreational value of the reserve but also provides erosion and flood control.

The native plants selected for the revegetation are mostly deep rooting and act like sponges in the soil, preventing soil erosion and waterlogging. They will minimise the risk of flooding in this area by absorbing excess water and improving drainage.

If you would like to be part of our Landcare group 'Friends of the Billabong' and part of the rehabilitation and management for our small town reserve, please email celina@blackwoodbasingroup.com.au.

My Inbox....

Kaya, wandjoo to the September Gazette and my very first 'My Inbox' as I have been entrusted to take the reins with this edition.

It has extended out to a 40-page newspaper this month, hopefully full of interesting things for you to read. As always, we encourage you to please get in touch with us if you have some news to share with our community.

This month, we welcome spring and hopefully some more sunny and warmer days. It is a wonderful time of year to go for a drive to see the beautiful canola paddocks, or even take a walk to discover the flowers and foliage that have started to arrive. We sure do live in a beautiful pocket of WA.

Well done to the Boyup sporting teams that have come to the end of their winter seasons and best of luck to the teams that have made it into finals.

Lastly, you may notice a common theme with some of the community group articles this month, that many are in need of volunteers to keep offering their services. If you have any time to spare, perhaps you may donate some of it to a good cause.

*Until Next Month, Take care,
Sharon*

We Wear Green

St Johns Ambulance Boyup Brook Sub-centre is a volunteer staffed depot. We provide a 24 hour, 365 days a year, emergency and transfer roster. This means that every day there are four highly trained volunteers waiting to come to your aid.

These volunteers give up an evening every month to attend training. This training equips the officers with the skills to provide lifesaving assistance to the community. The emergency crew deal with all sorts of incidents from motor vehicle collisions to sporting injuries. Most of our call outs are non-life threatening and it is very rare that we must deal with the not so pleasant scenes. I personally gain a great deal of satisfaction from being able to help one of our elderly community at two o'clock in the morning just to get back into bed.

The officers providing the transport service, where we transport a patient from our hospital to Bunbury or even Perth on the rare occasion, can be away from their home for five hours or more. These patients may require scans, tests or even operations. Without the volunteer transport service, they could be waiting hours if not days for transport.

If you have any medical issues at any time, please do not hesitate to call 000 and we will be with you as soon as we can. We often hear of people driving themselves or their relatives to hospital. This can place the patient at risk. Call 000 and let us provide you with a safe and professional service.

It takes a lot of work by dedicated people to provide the town with a professional and compassionate service.

However, it's not just ambulance crews that we need volunteers for, we require all sorts of help. Volunteers are needed to wash the ambulances, maintain the gardens and buildings, administration, restocking ambulances, assistance with recruitment and many other activities. If you have some time available and would like to help in any capacity, we would like to hear from you.

*Until next time stay safe, Neil Alexander

Forms are available at the Shire Office and on the website www.boyupbrook.wa.gov.au. Nominations must be in an envelope clearly marked "Citizenship Award", "Sports Person Award", "Young Achiever Award" or "The Kevin Henderson Memorial Award" and forwarded to the Shire Administration

Office, 55 Abel Street (PO Box 2) Boyup Brook 6244 or emailed to shire@boyupbrook.wa.gov.au by the 1st November 2022.

Rylington Park Annual Field Day

Rylington Park will host their Annual Field Day on Friday, 23rd September 2022. The day will commence with morning tea at 8.30am in the shearing shed, ECU will organize a drone demonstration after which we'll head out to the paddocks for a walk through the trials which will include:

- GRDC's national oat variety trial.
- Summit Fertilizer - the long-term effects of nutrition on retained seed.
- Adama Australia (chemicals) – post emergent rye grass control in Roundup Ready canola.
- Boyup Brook Agricultural Supplies - comprehensive pasture and crop demonstration site as well as a canola variety trial.

We'll return to the shed for lunch, further discussions will include:

- On farm biosecurity with reference to Foot and Mouth disease.
- Fertilizer prices and availability.
- Drench resistance and strategies for the future without capsules.
- Various ECU research topics.

The day will conclude with some refreshments and a BBQ around the bonfire. For more information, please call Erlanda on 0429 375 609.

Rates

Shire Rates Notices are due to be sent out in early September. If your postal address has changed, please notify the Shire in writing as soon as possible.

Casual Position - General Hand (Plant Operator)

The Shire of Boyup Brook are seeking General Hands for our Works and Services casual pool.

The Shire of Boyup Brook have a large number of strategic Capital Works Projects scheduled for the next two years and require casual General Hands (including Plant Operators) to assist during the busy periods.

This is a fantastic opportunity to work close to home, be part of a team environment and be involved with Community improvements.

A position description and how to apply is available on the Shire website www.boyupbrook.wa.gov.au

For more information please contact Jason on 9765 1220 or email shire@boyupbrook.wa.gov.au

The Shire of Boyup Brook is an inclusive and equal opportunity employer that values and respects diversity in its workplace.

Your Boyup Brook Shire Council Matters

Welcome to the latest Council news items and information on
'what's going on at your shire'!

Flax Mill Caravan Park - Campervan & Motorhome Club of Australia Ltd

The Shire has entered into a Management Agreement with CMCA (Campervan & Motorhome Club of Australia Ltd) to manage the Boyup Brook Caravan Park.

The CMCA is the largest Recreational Vehicle (RV) club in Australia, with more than 70,000 members. The CMCA currently operate RV "no frills" parks in all Australian states other than WA and promotes these parks through its online website and monthly magazine which is distributed to CMCA members.

The CMCA have their own branding for parks that will be used for their members and the booking site. However, we will continue to use the Boyup Brook Flax Mill Caravan Park name on our own directional signage and marketing materials.

The CMCA will take responsibility for all bookings through an online booking system and have a live in caretaker for the Flax Mill Caravan Park. The Shire will receive 70% of the bookings, with 30% being retained by the CMCA.

Guests have the option to make a booking through the following methods: -

- Online booking system - <https://rvparks.cmca.net.au/> (non-members have access to this booking system as well)
- By phone through CMCA head office in Newcastle 02 4978 8788 (8.30am to 5.00pm Monday to Friday EST)
- By calling the Park Custodian on 0477 806 621
- Arrive at the park and Custodian (currently Michael) can book you in on site

The benefits to the Shire include free nationwide advertising, introduction of an online booking system and an onsite caretaker for the caravan park.

In 2021, the Shire commenced renovations of the ablutions blocks, installed new reticulation systems, replaced the cladding on the scutching shed and extended and renovated the caravan park camp kitchen. New water tanks have been installed and work has begun on the extended/additional bays, and installation of a gravel road.

The Shire President, Councillors and staff wish to thank Gyula and Maria Bogar for their dedication and commitment at the Flax Mill Caravan Park over the last 20 years.

Full Time Position - Works & Services Administration Officer

Shire of Boyup Brook are seeking an Administration Officer to join our Works & Services team. A unique opportunity has become available to join the Works & Services Team in undertaking a range of administration activities (including financial), that contribute to enabling operational goals and strategic Capital works to be achieved within the Community.

Applicants should possess the following qualities:

- Highly developed written communication and business administration skills
- Highly developed computer literacy skills in MS Office
- Strong organisational and time management skills
- Good problem-solving skills and willingness to work within organisation and program guidelines
- Strong verbal communication and interpersonal skills and ability to relate to a wide range of customers
- Desire to work within a team to contribute to the successful delivery of community programs.

A position description and how to apply is available on the Shire website www.boyupbrook.wa.gov.au
For more information please contact Jason on 9765 1220 or email shire@boyupbrook.wa.gov.au

The Shire of Boyup Brook is an inclusive and equal opportunity employer that values and respects diversity in its workplace.

Community Perception Survey

Talison Lithium Pty Ltd (Talison), operator of the Greenbushes
Lithium Operation, is keen to get your feedback through a
community perception survey. The survey should only take you
approximately 10 minutes, and is accessible via the following
link: <https://survey.sogosurvey.com/r/c7gKE3>. Closes soon.
By completing the survey, you have the chance to win one of
number of vouchers for a retailer in your local community.

Museum News

Another month has passed and another successful wood raffle
was held on Friday, August 5. Congratulations to "Tim" for
winning and we hope you are keeping warm.
We are enjoying having more visitors of late which has given us
a lift. We had a visit from the Vintage Car Club on Sunday,
August 21 and will have another group from Collie on Saturday,
September 3. We will try to open out of the usual hours for
groups of a reasonable size if we are approached with some
warning, but it does depend on the availability of our volunteers.
John Imrie (President)

Rosary of Reparation

St Mary's Catholic Parish are holding a public rosary of
reparation on October 7 at 3pm under the trees on the island
between IGA and the Tourist Bureau.
It will take approximately 30mins and all are welcome to come
along and join us. Thank you.

Eligibility for Oral COVID-19 Treatments

The Pharmaceutical Benefits Advisory Committee recommended changes to the eligibility criteria of the oral treatments. This will take effect from Monday 11 July 2022. Antiviral treatments taken as capsules or tablets may help stop COVID-19 infection from becoming severe. Courses of these antiviral treatments need to be started as soon as possible after symptoms from COVID-19 begin.

People at higher risk of severe illness are eligible for antiviral treatments.

Senior Australians and Aboriginal and Torres Strait Islander people

If you test positive for COVID-19, you may be eligible for antiviral treatments if you are:

- 70 years and older, regardless of risk factors and with or without symptoms
- 50 years or older with **2** additional risk factors
- Aboriginal or Torres Strait Islander, 30 years or older and with **2** additional risk factors.

Risk factors for these groups include:

- living in residential aged care
- living with disability with multiple conditions and/or frailty (but not limited to living in supported accommodation)
- neurological conditions like stroke or dementia and demyelinating conditions e.g. multiple sclerosis, Guillain-Barre Syndrome
- chronic respiratory conditions including COPD, moderate or severe asthma
- obesity or diabetes (type I or II requiring medication)
- heart failure, coronary artery disease, cardiomyopathies
- kidney failure or cirrhosis
- living remotely with reduced access to higher level healthcare.

People aged 18 years and older

If you test positive for COVID-19 and are moderately to severely immunocompromised, you may be eligible for antiviral treatments.

Conditions include:

- blood cancer or some red blood cell disorders (thalassemia, sickle cell disease)
- transplant recipient
- primary or acquired (HIV) immunodeficiency
- chemotherapy or whole-body radiotherapy in the last 3 months
- high dose corticosteroids or pulse corticosteroid therapy in the last 3 months
- immunosuppressive treatments in the last 3 months
- rituximab in the last 12 months
- cerebral palsy or Down Syndrome
- congenital heart disease
- living with disability with multiple conditions and/or frailty.

How to get COVID-19 oral treatments

If you test positive, you should contact your doctor or the hospital for advice about eligibility first.

If your doctor recommends oral antiviral treatments, you will need a prescription.

The medications are available at your local pharmacy or the hospital with a prescription.

Your doctor can send the pharmacist or the hospital your prescription electronically so the medications can be either collected by a friend or family member (you will be in isolation having tested positive) or delivered to your home.

If you have any questions, do not hesitate to call your doctor.

POLICE NEWS

BOYUP BROOK POLICE

A little while ago I was cleaning out some drawers in my office when I came across some very old station documents. One in particular was the annual report for Boyup Brook Police District from 1944. Due to some sensitivity in some of the content I couldn't transcribe the entire document, however I am able to provide some insight into what policing the area was like at that time. The below are some selected excerpts from the report, submitted by Henry John Jacobs, Constable 1452, dated 1st July 1944. It's nice to know some things haven't changed.

"I have to report that this sub-district was free from serious crime during the past year. There was one case of 'Unlawful Assault' before the Court, which was withdrawn by the complainant. One case of 'Disorderly Conduct', the offender being fined £2.0.0, and four cases of drunkenness.

The total number of Police Court charges being 7, an increase of 2 of that of the previous year. The fines inflicted £5.10.0 in all. All amounts were paid.

Traffic Prosecutions by Police – NIL. Number of sly grog shanties in district – NIL. Liquor seized under the Illicit Sale of Liquor Act – NIL. Wife and Child Desertions – NIL. The number of Police Patrols for the year were 76 and the total miles travelled 1,711.

Total charges against street betting – NIL. There are no common betting houses in this sub-district. Street accidents reported during the year – NIL.

There are 115 motor cars, 236 motor wagons and 19 motor cycles in the sub-district, an increase of 63 from the previous year."

Policing in 1944 was not just crime and traffic, with extraneous duties performed by Constable Jacobs including Bailiff, Clerk of Petty Sessions, Postal Vote Officer, Assistant District Registrar, Local Supply Officer and Inspector for the Liquid Fuel Control Board. All of these duties, and some others, were all recorded in the report.

Due to Constable Jacobs' many roles within the community, he also including in the report the current state of local industries; *"The principle industries are :- Apple and Pear Orchards, Cattle and Sheep raising, mixed farming and Flax Production.*

The past season has had a set-back owing to the lack of rains and both the fruit production and stock raising have not been up to expectations. The following figures show the stock, perishable goods and other commodities railed from Boyup Brook to 30th June 1944.

Perishable Goods: 42,000 cases of Apples, 353 cases of Pears and 7,000 cases of stone fruits. 41,798 gallons of cream was railed to the butter factory at Boyanup.

Stock and Wool: Cattle, Sheep and Wool railed to Perth as follows: Cattle 589, Sheep 34,500, Horses 20, Pigs 335. Wool 7,036 Bales, 1,200 Bags.

Flax Production: Approximately 6,500 acres have been sown and a yield up to 10,000 tons is expected. A large Retting Tank has been erected and is now in operation. There are approximately 180 persons employed at the Flax Mill and in the very near future another 100 persons will be engaged in the industry at Boyup Brook.

Ten new buildings (private homes) are now being built at a cost of approximately £900 each.

Water Supply: The PWD has completed a dam capable of holding 30,000,000 gallons which will supply the Flax Mill and the township."

I hope you enjoyed this piece of nostalgia. There are a number of humorous comparisons we could make between policing Boyup Brook in 1944 and now, however I think I will leave it there.

*Stay safe. Phil Huggins

BBDHS Principal's Last Address

Welcome to our whole school assembly.

As this most likely will be my last assembly at Boyup Brook DHS I would like to acknowledge a number of people. Firstly I would like to say I have been very fortunate to have had the career that I have had. I have worked with some amazing people that has enabled me to enjoy and feel valued throughout my time with the Department of Education.

There have been, as you have heard, some significant moments that I am very proud of. However it hasn't always been an easy road and many times I have needed to show the core values of our school of *Respect, Resilience and Striving for Success*.

None of what I have achieved would be possible without the support of my wife Jane and my family who have followed me through several locations and made the very best of where we were living. Youle has had seven schools along with my daughter Milli, and Spencer just had the five schools which I am reminded about regularly. If we added up what school uniforms have costed over those schooling years it would be a significant amount of money, however we have all enjoyed a full and happy life together.

We have lived in rental or supplied housing for much of my career, which in a lot of cases was very basic housing. I have advocated for some time that the Department needs to make more effort to rectify the quality and availability of staff housing in regional WA. To Jane, I thank you for supporting and allowing me to have the career that I have had.

Often my family complained to me that I am always at work, and in some ways this dedication to my role resulted in some great outcomes, but at times this was at the expense of my family. I do remember vividly, my son Youle in about Year 10, saying to me, "Dad, you are just always at work." This certainly made me reflect and change some of my life.

It is five years since I went to interview in the Bunbury Regional Office having just returned to the WA College of Agriculture Cunderdin, after 12 months as Director of Agricultural Education in Central Office. In my interview, of which Craig Nield was one of the panellists, I made the following resolution as a new principal to Boyup:

- To leave the organisation in better shape than when I took on the role.
- Be up front for what I stand for.
- Not be daunted by criticism.
- Use the levers available to me.
- Build in ground that can be conceded.
- If I push hard, I have to love hard at the same time.
- Be aware people watch everything that I do.
- Be honest.
- Lead from the front.
- Never any surprises.
- If I condone it I own it.

I certainly hope you judge me positively on those resolutions as I can reassure you I have put everything into my role of principal of this school.

I would like to particularly acknowledge my administration team. Firstly to Jann our Corporate Services Manager. I haven't added up the number of major and minor projects that Jann has managed over the last five years but it would be a large number and over and above any normal expectation. One thing I do know is due to Jann's persistence and her philosophy of putting students first, our school is in extremely good condition and would have to be one of the best resourced DHS's in the state. Jann is an extremely hard working person and when she does leave the school it will be a massive loss and a role that will be hard to fill with the same level of professionalism.

Renee Knapp our pocket rocket. Renee's work around the Positive Behaviour Support framework and the work she does with mental health and music and in recent times health, has been nothing short of outstanding. Added to this, she has almost single-handedly taken the local Community Mental Health Action Team to a new level with the significant resources both physically and financially, improving mental health outcomes in our district. She is without doubt one of the hardest working individuals, who brings energy and enthusiasm to our school.

Ms Cheree Shields the rock of our school. We could never have achieved what we have done over the last five years without Cheree's organisation and her quiet manner that she goes around the business of running the school. This school is very fortunate to have a deputy of her calibre and she has researched and implemented many initiatives around student improvement and performance in our school.

To our staff, it would be rare to work with such a dedicated and professional group of people as we currently have. And what every individual staff member here today has, is an underlying commitment to ensure the success of every student in this school. It is very special to have a group of people of this calibre around you, and a privilege to be working with them.

I would like to finally acknowledge someone who isn't here and very few of you would know. For the last 15 years, I have had a coach and mentor in Kerryn Oliver. Kerryn was an outstanding principal in her own right and I thank her for guiding me through and supporting me over the last 15 years. I could not have achieved as a principal, without her support and guidance.

Thank you to all of the parents in the school. You uphold great values that run through the community and school and we are so fortunate to have such supportive parents.

Finally to our 180 plus students, I am going to be perfectly honest with you, I am not going to miss Clancy, Nate and Owen marking me out on the football oval or Charlie, Oscar, Rory and Jacob continually beating me in the goal kicking competition. But seriously, I am going to miss every one of you. Keep working hard and remember to follow our core values of *Respect, Resilience and Strive for Success*.

To all our Boyup Brook school community I wish you all the very best for your future.

Bernard Beatty
Principal

Boyup Brook District High School

Boyup Brook District High School

Mrs Melissa Reimers Welcome

Please allow me to introduce myself as the acting Principal of Boyup Brook District High School. It truly is a pleasure to be leading this beautiful school and its wonderful staff and students, and I look forward to meeting and working with you over the remainder of the year.

My career began at Wickham Primary School in the Pilbara where I spent many years as a classroom teacher, Science Specialist, STEM Coordinator, Project Manager of the Wickham Maths and Science Centre of Excellence (for aspirant Indigenous students), and Deputy Principal. In 2018 my family and I relocated to our small farm in Winnejuup and since then, apart from classroom teaching, my career has led me to further roles that include leadership support at Northcliffe DHS, acting Principal at Kirup PS, and leading school improvement and acting Principal at Greenbushes PS.

A couple of sayings that have sat with me over the years and that reflect my values as an educator are “we’re all in this together” which reaffirms in me that learning is a partnership where parents, teachers and students learn from each other and work together to support student growth; and “high expectation relationships” which illustrates collaborative staff environments, strong teacher-student relationships and trusting and supportive relationships with parents and carers.

As I said, I look forward to meeting and working with you and your beautiful children. Please say hello when you see me, or feel free to contact me at the school.

Kind regards, Melissa Reimers

WA Student Council

Last term we nominated Nicole and Anne for the WA Student Council as Year 10's. The WA School Council has been initiated by the Minister and Director General to have student voice in the vision for the Department. The nomination included a reference from the principal and a three-minute video of themselves as to why they would make a good Student Council member. We are very pleased to announce that both were shortlisted and completed further interviews in Term 3. This is an enormous achievement for these students and we certainly wish them the very best for the next stage of the process.

The council will represent the diversity of students across the State. Students will offer their views to the Minister on education policy and reform and represent the interests of all public-school students in WA. Ten students from Year 10 and another 10 Year 11 students from each region in the State will make up the council. Some of their tasks will include attending ministerial meetings, liaising with schools and students in their regions, attending student leadership activities, and providing feedback to the Department of Education on various initiatives.

Play Café

Play Café continues this term at the ECE with Mrs Kate Beatty on Wednesdays from 9-10:30am. Come down, let the children explore and play while you chat with some other parents. It is a great opportunity for your children to socialise and gain confidence in the school setting, amongst other children who will be in their class when they start Kindergarten. All children 0-4 years are welcome.

School Social

This year's social was a hit across all year levels. The theme was *Retro* and we definitely saw some incredible outfits on the night! As staff, it was bittersweet to see the students dancing away to music from our childhoods and even knowing all the lyrics. I am very proud of the student council for working tirelessly with me to ensure that the socials ran smoothly for all age groups.

A huge thank you to the council and to all staff who volunteered to help on the night. It was a night to remember!

Miss Anna Raven

Putting Patients First

The McGowan Labor Government is delivering the biggest ever investment in the WA public health system. Bringing **total new investment to \$5.7 billion** since the last budget.

More Funding for Telehealth

More telehealth services mean less pressure on hospital emergency departments.

We're putting **a further \$55.2 million towards telehealth services** which provide quick and effective care for people who do not need to visit an emergency department.

People in Warren-Blackwood and across regional WA rely on telehealth services for a range of healthcare needs.

Our investment also means more funding for the 24/7 WA Country Health Service Mental Health Emergency Telehealth Service.

Increased Care Options for Long-Stay Patients

We're freeing up busy emergency departments with more care options for long-stay patients.

Long-stay hospital patients (often older people) have complex care needs. To transition out of hospital, they can require a range of supports including residential accommodation.

That's why we're **investing \$74.1 million in other forms of care for long stay patients, including 120 aged-care beds** to help transition older patients out of hospital.

Crisis Connect Hotline 1800 048 636

During a mental health crisis, it's vital that young people have immediate support services staffed by specialists.

We've **launched the Crisis Connect phone and online videocall support service** for younger people experiencing a mental health crisis.

This will also help reduce hospital admissions, which can help free up hospital beds.

New Mental Health Beds

More mental health beds in our hospitals means more specialised services for those in need, and more hospital beds freed up for other patients.

We've **added 30 more mental health beds and 92 more community mental health beds across WA.**

We are also committed to **establishing a further 267 beds.**

Royal Flying Doctor Service

The Royal Flying Doctor Service has played an important role in the health of Western Australians for more than 90 years.

The McGowan Government is committed to supporting the RFDS in the important work it does. We have contributed significant funding to the RFDS, including:

- \$7.9 million for the Pilatus PC-12 turboprop aircraft
- \$6.5 million for the new LifeFlight PC-24 jet, one of the first purpose-built aeromedical jets in the world
- Extensions to the Jandakot Airport runway to cater for new RFDS aircraft
- \$10.9 million in the 2021.22 State Budget to refurbish and replace aircraft engines

Palliative Care Funding

The McGowan Government is committed to ensuring that all Western Australians are well informed about their options and have access to the very best of care as they near the end of life.

Since 2019, the McGowan Government has committed an **additional \$102.5 million in palliative care funding**, including expanding palliative care in regional areas by more than 60 FTE staff.

St Mary's Primary School

To say a lot has been happening at St Mary's is an understatement. What an exciting school to be a part of. We hope you enjoy reading about our wonderful school.

Public Speaking Competition

The major focus for all students this term has been preparing, practicing and delivering their speeches to their class. This is such an outstanding tradition that is extremely important to St Mary's. Every student from Kindergarten to Year 6 present a talk on their chosen topic to their class. The process begins with conversation, research, writing, re-writing and rehearsing and concludes with an informative and entertaining talk.

From each class, three finalists are selected who present their talk to the whole school and community. Such an achievement to be able to deliver a speech in front of so many people. Our finalists this year were:

Kindergarten / Pre-Primary Class:

Viv Wheatley- Lamb Marking, Channing Henderson- Dinosaurs, Charlie Barnes- Snakes.

Year 1 / 2 Class:

Ollie Sprigg- Leif Erikson and Christopher Columbus, Penny Neild- Sheep, Marley Anderson- New Zealand.

Year 3 / 4 Class:

Aidan Fisher- Plastic, Kayden Brown- Mariana Trench, Ruby Lloyd- Pollution.

Year 5/6 Class:

Lisharn Turner- Foot and Mouth Disease, Makalah Welch- Thunderstorm Asthma, Trinity Gear- Accidental Inventions.

Tree Talks

Following our school finals, select students from Year 4-6 represented St Mary's in the inaugural 'Tree Talks', a public speaking interschool between St Mary's Boyup Brook, St Brigid's Bridgetown, St Joseph's Pemberton and Kearnan College Manjimup. All students performed extremely well and we are so proud of the way they presented their talks. Well done to Eva Lee Steere, Makalah Welch, Trinity Gear, Lisharn Turner, William Bagshaw, Emma Lloyd, Kayden Brown and Ruby Lloyd.

Science Week

"Glass – More than meets the eye" was the theme for this year's Science Week. The school was busy all week investigating, creating and discovering more about their world as they develop their love of science. Monday's incursion from Science Alive was a great way to begin the week. All of the students were well and truly entertained and engaged. Mrs Glisenti led a creative assembly on Wednesday that included some magic. What a great way to inspire curiosity inside our students. Every day each class has also been competing against one another by completing class science quizzes, we are excited to see and hear the results soon.

Tree Planting

What a great initiative from the Blackwood Basin Group. All the students in the school rolled up their sleeves, trenched into the swampy areas and planted trees and shrubs at the Boyup Billabong. We are always looking at ways of engaging the students into their community and giving back. The area looks amazing now and hopefully with continued care, will provide homes for many creatures for years to come.

Bush School

It has been a bit wet lately but that hasn't stopped our Kindergarten and Pre-Primary. They love puddles! I am not sure who gets more excited by 'Bush School', the children or their teacher, Mrs Wheeler. What a fantastic way to connect to nature, connect to each other, connect to Boyup Brook and spend some time discovering the amazing surrounds we are blessed to live in. The added bonus is the increased engagement we have seen back in school with writing tasks and mathematics lessons linked to their bush adventures.

Enrolments open for 2023

Enrolments are open for all students in Boyup Brook and the surrounds. We provide quality education and pride ourselves on being a school where every child belongs. Call the school office on 9765 1333 to enquire and book a school tour. With our new fee structure it is even more attractive, \$300 per year for Pre Primary to Year 6, and \$100 a year in Kindergarten.

Blackwood Basin Group Update

BBG is Back in Town!

The Blackwood Basin Group Inc. (BBG) are pleased to announce they will be operating from an office at the Boyup Brook Community Resource Centre, 86 Abel Street, Boyup Brook from Tuesday, September 6 2022.

The BBG office hours will be Tuesday, Thursday and Friday, 9am to 4pm. Please call in and see us at our new location!

As always, the BBG is contactable via email: enquiries@blackwoodbasingroup.com.au

Management of Perup: Nature's Guesthouse

It is with regret, that the BBG advises they will be relinquishing the management of Perup: Nature's Guesthouse effective 30 September 2022.

The BBG have managed the facility since 2017, but due to financial implications are unable to continue with the management.

The BBG Management Committee are committed to focus the group's effort and resources towards Natural Resource Management, as identified in the Blackwood Basin Group Mission Statement:

"To inspire the sustainable community management of the Blackwood Basin's resources for the benefit of current and future generations through co-ordination and education"

Please direct enquires relating to Perup: Nature's Guesthouse to: DBCA Pemberton Office, contact number (08) 9776 1207 email: donnelyd@dbca.wa.gov.au

Photography Competition Open

Entries are now open for the 2022 'What's Your Angle?' Photography Competition with the deadline for submissions Friday, September 30.

This year's five categories are: Landscapes, Animals, Flora, Portraits and the OPEN category is the Colour Yellow.

Local photographer Naomi Rice will judge the competition and award prizes in each category and to the Most Outstanding Print. All Under 18 entries will then be examined and awarded separately after the main judging.

The entry forms include all of the information about the competitions conditions of entry and fees. They are available at the CRC or online at www.boyupbrook.crc.net.au.

Photographers can submit entries completely online if required and photos can be prepared by CRC staff. All information about this is available on the entry forms, or by calling 9765 1169.

Award winners will be announced the exhibition opening on Saturday, October 8 at 11am at a morning tea presentation. All are welcome to this event, which coincides with the Visitor Centre's Blooming Wild Weekend.

This event has been made possible thanks to generous sponsorship from the following local businesses: Blackwood Plant Hire; Boyup Brook Co-op; C.M. Dalton Transport; Hampton Partners; Lions Club of Boyup Brook; Naomi Rice Photography; Shire of Boyup Brook; The Brook Takeaway.

Upper Blackwood Show Committee News

Scitech is coming to this year's Show!

We are excited to announce that Scitech will be coming to the Show this year and there will be an interactive Science Wonderland to explore as well as two live shows! Many thanks go to Talison Lithium for their very generous sponsorship to fund Scitech at our Show.

Membership Draw

Congratulations to the winners of our membership draw. First prize of one night's accommodation at the Banksia Gardens Quality Apartments in Albany for two people including breakfast went to Vikki Atkins.

Second prize of a Colemans 38L Wheeled Cooler kindly donated by the Boyup Brook Co-op went to Marc and Erlanda Deas. A big thank you to our sponsors and to all our members this year.

Fashions on the Field

Dust off the fascinators and come dressed in your finest *Fashions on the Field* wear. Great prizes will be awarded on Show Day.

Volunteers/Stewards Required

We are still looking for volunteers. One to coordinate this year's Sheaf Tossing events. And the other area we need your assistance with is for someone who is interested in learning the role of steward in the British and Australasian Sheep Breeds section.

You will be working alongside the current steward, with the aim to take on the role in 2023. Please contact Lyn or Georgia if you would like to take on one of these roles.

Wanted – Old Chest Freezers

Do you have an old chest freezer that no longer works? Please let us know, we would love to make use of them at the Bar on Show Day.

Wanted – External Paint

If you have any external paint of any colour, that you have finish with and would like to donate, please ring Lyn or Georgia to arrange pick-up or drop off.

Containers for Change

Thank you for the generous donations to our Containers for Change account C10485611. We appreciate all donations and the funds assist with ground improvements and making Show Day a success!

Any queries regarding the show or volunteer for any of the above roles or just to help out for a few hours, please contact either:-

Adam Jenkins TREE SERVICES
Ph: 9761 1128 M: 0447 792 200

Highly Qualified and Fully Insured

Adam and his team are highly qualified and are experienced in:

- Felling
- Climbing
- Removal of trees in confined spaces
- Decorative pruning
- Lowering and rigging around houses and infrastructure
- Stump removal

After tree removal we can chip/mulch the debris, heap trees into a neat pile for burning, cut for firewood or remove from site. Portable sawmill (Lucas Mill) is available for converting logs into lumber.

Zen Tracked Spider Lift
This machine can go anywhere from an open paddock to a narrow side path. Not just for cutting trees it can be used for cleaning gutters and reaching inaccessible sites.

Bandit Tracked Wood Chipper
Our Wood Chipper on tracks allows us to get to areas that wheeled chippers can't. So no matter the location or terrain we can get in and get it done.

Tipper Truck and Slid Steer
For removal of debris, tidying up blocks, helping debris into barn piles and clearing and managing of regrowth.

Cat 5 tonne Excavator
Available with a wide range of attachments to suit all your requirements.

Rylington Park Management Committee Inc.

Presidents Report 2022

It has been a quiet year for the Rylington Park Management Committee Inc. with the Shire having full control of the property and its management. The creation of the Rylington Park sub-committee within the Shire Council and the inclusion of interested community members has been an important step forward to continue the long history of community involvement in the running of Rylington Park.

Committee members Joshua Stretch, James Johnston and Cr Charles Caldwell are part of the sub-committee which is pleasing to see. In the future, I would encourage any community member who is interested to apply to join the sub-committee to have your input.

A reunion for past and present RPMCI members was held on June 24 at the Rylington Park shearing shed. Approximately 25 people attended and enjoyed the relaxed atmosphere, excellent food and the opportunity to catch up with past colleges. I feel this was an important opportunity to thank the many people who volunteered over many years to make the farm the success it is today.

The RPMCI, as it currently stands, is no longer relevant. Without a farm to run, there is very little for the committee to achieve. And with the opportunity for interested parties to have an input through the Shire sub-committee, I feel the RPMCI should be wound up and the remaining funds distributed to a relevant community organisation.

It has been an honour and a privilege to serve the last ten years on the RPMCI. While it is in some ways sad to see it become irrelevant, I am still very proud of what we have been able to achieve in this time. To be able to hand back the property in good shape and a very strong financial position is something all past and present committee members should be most proud of.

If the decision is made to wind up the RPMCI and those present wish for me to remain as Chair, then I will gladly lead the committee through the process. Finally thanks to the committee members Cr Charles Caldwell, Bronwen Bird, Josh Stretch, Tristan Mead, James Johnston and Dean Phillips.

*Matthew Chambers
Chairman, Rylington Park Management Committee Inc.*

Garden Club

It was a very cold afternoon on August 9, but a small group visited Helen and Reuven's garden despite frequent showers and a maximum temperature of nine degrees. Most of the time was spent keeping warm by the fire, drinking tea and eating delicious treats. Suddenly the showers abated and we ventured outside for about ten minutes before the rain continued.

The rear garden is terraced with Geraniums, Salvias and Lavender bushes sprinkled with Californian Poppies beginning to pop out their bright yellow flowers. The lower level is predominantly a 'no dig' garden meaning that the plants have been grown in layers of cardboard sheeting, pine bark shavings, soil and compost all without having to dig a hole in the ground.

Small plants are grown and eventually the roots make their way through the layers to establish themselves further down growing into large mature shrubs of Salvia, Rock Rose, Daisies, Proteas, Fountain Grass and True Wormwood. A great way to get rid of weeds!

A generous number of trees in the back garden including Eucalyptus, Grevilleas and some eastern states native trees provide home to a variety of birdlife. An Olivacea Grevillea attracts a great number of bees as do many of the cottage plants such as Daisies, Nasturtiums and Borragge.

Fruit trees are generous in supplying Mulberries, Apricots, Loquats, Almonds and a prolific Autumn Plum tree. Light is captured in parts of the garden by the placement of large mirrors which old dressing tables no longer require. Thanks to all who visited Helen and Reuven's home and garden.

Our next visit on Tuesday, September 13 at 1pm will be a leisurely walk through a bush block in Boyup Brook to view native wildflowers. This bush block is on Cailes Rd. Parking is available on the right hand side of the road just before the sign which reads Bridgetown 28km as you are leaving Boyup Brook. Please bring a chair and your own thermos for a cuppa.

If you have an interest in visiting gardens or would like to join our friendly group please come along. Membership is \$20 per year or \$2 per visit. For Facebook members please check out the page - Boyup Brook Garden Club - tick to Like or Follow. Further enquiries please call Colleen Railton 0413 827 900

SUPPORT LOCAL BREEDERS

Little Sew 'n' Sews

The Little Sew 'n' Sews shop has been boxed up for now as the building sold, but it will be coming back soon at a new premises. Apologies to anyone who has been passed and seen us gone, it all happened quickly.

Thank you to everyone who showed their support. Our time at the little shop was wonderful, and I wish to thank everyone who helped me pack up the shop and get it all out between down pours. I honestly can't thank you all enough.

I have now partnered with Mark and Mary-Anne Brlevich to create *Yarn n Co*, a new venture we are hoping to get up and running in Boyup Brook which will be based upon wool in our district and surrounding areas.

Mark is a beautiful wool spinner and Mary-Anne a lovely crocheter and knitter. We will be catering for spinners, felters, knitters/crocheters, crafters etc, as well as sewing and other crafts with Little Sew 'n' Sews.

We are on the look out for:

- Fleeces of lovely local merino (white and black), heritage breeds, mixed colours and anything else unusual, like alpaca and goat.
- Spinning wheels and accessories – got any hidden away in sheds and spare rooms?
- A few bits and bobs of shearing memorabilia

We can't take fleece from any self sheading sheep.

These fleeces will be processed and sold on a raw fleece all the way to beanies, scarves, jumpers etc, 100% in shop. Workshops and classes will also be offered and organised.

We will be doing a couple of markets and shows before we are able to open, as well as Walk on the Wild Side, so if you see us, please come over for a chat and a look at our product range.

The aim is to try and keep all items as local as possible – with reference to breeders and studs accompanying all products where possible.

Little Sew 'n' Sews dedicated Mondays to a knitting and crochet group. This is and will continue with *Yarn n Co* – with the group meeting at the Boyup Brook Hairdressers every Monday for the time being. A third wool spinning class will be organised very soon.

At this time, we are still in the planning and organising stages. We have a premises to move to and we are very excited to start this and have had so much positive feedback. Wish us luck.

Marie-Claire Ryder, Mark and Mary-Anne Brlevich

Gazette Submissions

The Boyup Gazette welcomes submissions to share news, achievements and coming events.

WHAT'S HAPPENING AT YOUR CRC

It's been a busy time at the CRC during August with plenty of room bookings, our monthly quiz, library activities, weekly exercise programs, a community clean-up, information sessions and a well attended 'social media for business' workshop.

Another exciting piece of news is that the CRC has been gifted a piano from the Whitton family. This beautiful, antique piano will be available for use by community members and events at the CRC. A massive thank you to Russell Miller, Tara Spencer, Phil Huggins, Matt Cole, Cam Atherton, Craig Nield and Sharon Lampard who assisted with the relocation of the piano, as well as the Whitton family for their generosity.

Opening Hours: From September, the CRC will trial a later closing time of 5pm on Wednesdays and Thursdays to enable school students and families to have longer access to the library.

Free RATs and Masks: There are still supplies of COVID-19 RAT testing kits (*oral only*) and reusable masks available.

Membership: There has been a great response to our membership drive, with the CRC welcoming a number of new members. With some of the benefits including discounts to CRC services and events, plus a free Gazette advertisement for businesses and community groups, it is definitely worth signing up. See below for more details...

BECOME A CRC MEMBER

The Boyup Brook CRC is proud to have been providing services to our community for the past 27 years. To assist us to continue our service delivery, we invite you to become a CRC member for 2022-2023. Base for Motorbike Tour

Motors are starting to rev in preparation for the fifth instalment of the ADAMA Australia 2-wheel motorbike crop trials tour in WA which will start and end at the Dinninup Showground.

From September 13-15, registered riders are set to enjoy a range of bike trails and some camping fun while gaining an insight into some of the latest crop and pasture research.

This year, the tour heads to some of the most picturesque areas of the State's agricultural region in the South West and stretching over to the Great Southern. Bevan Addison, Market Development Manager with ADAMA Australia in WA, said the first day of the tour would take in a visit to the Rylington Park research farm to view a range of crop and pasture types, as well as herbicide trials. On day two, the tour tracks to Manjimup and Pemberton, looking over unique, high rainfall farming systems, pasture plant breeding and some research into cereal crop diseases. Bevan said on the final day, the group will journey to Kojonup and Muradup to visit growers and some further crop herbicide and disease trials.

Growers and advisers interested in further information and joining the ADAMA Australia 2-Wheel Trial Tour can contact Bevan Addison on 0427 422 852.

Library Corner

There has been so much activity in the Boyup Brook Library with the Better Beginnings program 'Stories, Rhymes and Fun Times' attracting fantastic numbers on a Thursday morning. Facilitators, Anna and Anne share a story, rhymes, music, songs, movement and a range of activities. Families with children 0-5 are welcome to come along from 10am-11am.

The Golden Feather Hunt has been very popular with lots of feathers being found. Lucky readers, Nate and Maggie, discovered special Amethyst and Silver feathers respectively, resulting in them winning a book prize.

Book Week gave the CRC staff an excuse to dress up and there were also some very cute costumes worn by Better Beginnings participants!

The BBDHS Year 9 and 10 classes visited the library to look through the collection to conduct research about Sandakan in preparation for their scholarship presentations.

The library is also building a collection of local books and authors. If you know of a book that could be added, please let contact the CRC on 9765 1169.

And remember to come in and see what new library items we have received this month!

Book Review

Green Gifts: 40 Sustainable and Beautiful Present Ideas.

Author(s): Rosie James; Claire Cater

Our Library continues to grow, with this new craft book, published in 2021, added recently.

The book is an enchanting display of 40 sustainable and beautiful present ideas. I know it is only September, however the gift of giving season is fast approaching. Time to start collecting the required objects for your creations: glass jars, lavender for pressing, buttons, string, wool and cotton fabrics with exciting colours.

An example of a few of the gifts you can easily make are: pressed bloom pictures, travel folders, lavender soy wax candles, vegan dog treats and dog chew toys.

Enjoy and happy creating.

By Sandy Orrman

Boyup Brook CoMHAT News

CoMHAT Seeking New Event Coordinator

This is a part time position for someone who is passionate about improving mental health and is interested in coordinating events within the Boyup Brook community, focused on improving mental health and wellbeing outcomes.

In this role you will be required to:

- o Plan and coordinate events relating to the Community Wellbeing Plan eg. Mental Health and Community based
- o Coordinate 2022 Mental Health Week events – Community Colour Run
- o Work with CoMHAT Youth Zone Coordinator and Project Officer
- o Keep records and acquit grants related to projects
- o Assist in coordinating and running Youth Week Forum
- o Speak to grants writer about new grants
- o Must attend CoMHAT Board meetings once a month on voluntary basis and send in report prior to meeting (aim to increase hours to include this as a paid part of role)
- o AWARD: Clerks Award Lev 1-3
- o HOURS: 3 hrs/week allowance (flexible hours to allow for delivery of events) plus additional hours based on grants

If interested in the position please send a one page expression of interest including your experience in event coordination, strengths you bring to the role and references.

Please email renee@thinkeffective.com.au no later than Friday, September 9, 2022.

Mountain Bike Track

CoMHAT are currently working with Monkey Rock Mountain Bike Company and the Boyup Brook Shire to develop a Mountain Bike Track in Boyup Brook.

In order to get things started we need to raise \$5,000 in initial funding. Please use our code C10538269 when you donate your Containers For Change to help us raise this money and get an exciting new resource in Boyup Brook.

What's On

Youth Zone happens every Tuesday in the Lesser Hall (at the moment – soon to be Youth Zone Donga near the Boyup Brook Swimming Pool).

- WHAT: Boyup Brook Youth Zone
 - WHO: Anyone aged 11 and up
 - WHEN: Every Tuesday 3.30-5pm
 - WHERE: Boyup Brook Lesser Hall (opposite skatepark)
 - DETAILS: Great free food every week; fun games and activities; a place to hang out with your mates.
- On offer soon: learn basic mechanics/mountain bike adventures etc.

Fire Danger Rating System

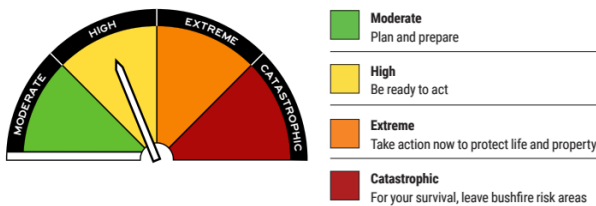

From September 1, Western Australia will have a new Fire Danger Rating system as part of a national project to ensure Fire Danger Ratings are communicated the same way, no matter where you are in Australia.

Fire Danger Ratings describe the potential level of danger should a bushfire start. They provide important information so you can take action to protect yourself and others from the potentially dangerous impacts of a bushfire. You need to understand the Fire Danger Rating to assess your level of bushfire risk and decide what actions to take.

What to do

- Learn the four levels of Fire Danger Ratings and the actions you should take at each level.
- Check the Fire Danger Rating each day at emergency.wa.gov.au. You should also monitor Emergency WA for bushfire warnings.
- Ensure your bushfire plan is adaptable for the different levels of fire danger. Your plan might include triggers at a High Fire Danger Rating. Even if your property is very well prepared, homes cannot withstand fires in Catastrophic conditions and it is too dangerous to stay. Visit www.mybushfireplan.wa.gov.au

The new Australian Fire Danger Rating System (AFDRS) levels are:

Shed and House Pads

Driveways Septics

Underground Power and Water Trenching

Sand, Gravel and Blue Metal Supplies

Blackwood Plant Hire

Contact us for all your earthmoving jobs around the house

Phone 0408 950 320

Tonebridge News

The Tonebridge Country Club has been successful in obtaining part of the LRCI3 grant through the Boyup Brook shire, to remove interior asbestos, reclad, re-wire and repaint the interior walls and ceiling of the club. This is stage one of our five year plan to upgrade the building and facilities of the club.

Another happy casserole tea evening- the popular sweets were mostly apple based. Lucky numbers for chocolates were Helen Turner and Ronald T.

A surprise event was on Friday, July 29 when a boy's night was held at the club – Beer, BBQ and 'B... it'. It was very well attended, a good time had by all and looks like being a regular event on our calendar. Thanks to David Turner for the snaggers and also to Matt and Kent for bringing some awesome steaks and chops to add to the BBQ.

This has sparked another initiative for a girl's night to get together – Grub and Gossip at the Tonebridge Country Club on Friday, September 2 at 6pm. BYO drinks, sausage sizzle, nibbles, tea and coffee supplied. Some drinks are available. It is 'come as you', straight from work you are involved in, to enjoy a stress free night with other women.

We at Chowerup and Tonebridge wish Ruth S. from Westbourne Farm a happy 90th birthday and good health.

Any news, contact Vikki on 9769 1190.

CWA at Risk of Folding

The Boyup Brook Country Women's Association (CWA) has a long and proud 92 year history, but it is at risk of not reaching its centenary milestone, unless membership numbers increase.

Over the years, the group has provided numerous donations to local schools, events and organisations. It has also contributed to the welfare of many local families and been a source of connection, friendship and enjoyment.

On a wider scale, the CWA is the largest advocacy group for rural and regional Australia.

The local branch will be holding some promotional days in the near future, so if you are interested in joining, or would like more information, please come along, or contact Dorothy Ricetti on 9765 1760.

Better Health Boyup

Advance Health Directives

An Advance Health Directive (also known as an AHD) is a legal document used to record your decisions about the future medical treatment you want or do not want to receive if you become very unwell or injured. It can only be made by a person older than 18 years who is able to make and communicate their own decisions.

An Advance Health Directive is only used if you become unable to make or communicate decisions. If this happens, your Advance Health Directive becomes your 'voice'. It can only be used if the information in it is relevant to the treatment or care you need.

The WA Advance Health Directive was updated in the *Guardianship and Administration Act Regulations* on 4 August 2022 and now includes two new sections on values and preferences and medical research decisions.. The new Advance Health Directive is easier to complete and understand as it:

- enables you to capture your values and preferences, in addition to treatment decisions
- includes more guidance and examples
- combines tick box and free text questions
- includes consent to medical research.

Advance Health Directives using an old version of the form that were made prior to 4 February 2023 will continue to be valid if the person followed all legal requirements to complete the form.

How do I make an Advance Health Directive?

Start by reading the Advance Health Directive and the Read the Guide to Making an Advance Health Directive in WA.

- Think about what matters to you most about your values, health and health care and what will matter most if you become seriously unwell or injured in future.
- Talk to close family and friends about what is important to you.
- Seek medical and/or legal advice as required.
- Complete the details in your Advance Health Directive by hand or type into the electronic PDF form.
- Sign your Advance Health Directive in the presence of 2 witnesses aged 18 years or older, including one person who is authorised to witness statutory declarations in WA.
- Make certified copies and upload a copy to My Health Record to ensure your Advance Health Directive is available to your treating health professionals if it is needed.
- Keep the original Advance Health Directive in a safe place.
- Give certified copies of your Advance Health Directive to close family and friends and people who are involved in your care.
- Plan a time (in 2 to 5 years) to review your Advance Health Directive or do it immediately if your health circumstances change.

Help the Refund Point

The Lions Club of Boyup Brook are looking for volunteers to help out at the Containers for Change Refund Point at the Waste Transfer Station.

The jobs include counting and carrying cans, glass and plastic bottles to bins. We are willing to donate part of the proceeds to any club, school or sporting club that helps on the day.

We need more people to help out, otherwise the refund point is at risk of being closed and the money will not be of benefit to our town.

Please help your community raise money for your clubs and schools. You do not need to be COVID-19 vaccinated.

*Thank you, Mick Burgess
President, Lions Club of Boyup Brook, 0439 376 242*

DO YOU NEED SUPPORT TO ACCESS AGED CARE AND NDIS SERVICES?

Anthony Flemming will be at the CRC from 11am to 1pm, every second and fourth Monday to answer your questions and help you to negotiate the care you, or a loved one, may need.

Aug 8, 22
Sept 12 (26th public hol)
Oct 10, 24

Opening Hours: Monday - Friday 10am to 4pm, Saturday 10am-2pm
Sunday 9am to 12 noon.

Boyup Brook Tourism Association Inc proudly sponsored by Shire of Boyup Brook

Blooming Wild Boyup Brook

Come *Walk on the Wild Side* in Boyup Brook during our *Blooming Wild Weekend* Friday 7, Saturday 8 and Sunday 9 October 2022.

Be intrigued by the quirky collections' trail featuring Boyup Brook's Beetle/Butterflies, birds' eggs, dolls, quilts and spinning, garden ornaments and plants. Take a walk down memory lane at the Museum, see the Flax Mill's iconic scaled models, do the sculpture stalk, or head to the CRC to view the 2022 'What's your Angle?' Photography Competition Exhibition.

Highlights are Boyup Brook Classic cars and many local classic vehicles on show on Saturday, October 8. This year the feature is the auctioning of a 1994 Yamaha Virago 1100cc motorbike for charity.

Pop into the Visitor Centre, the old stone building in the heart of the town, which is filled with locally made goodies, to pick up a booklet featuring each collection and where to find it.

Art on Abel spills out of the Little Art Gallery in the Visitor Centre and into Abel Park, showcasing original artworks by local artists. On Friday, October 7 wander amongst the wildflowers in bushland and enjoy a picnic lunch. Booking is essential, call the Visitor Centre on 9765 1444 to book the Blooming Wildflower bus tour – just \$30.

Father's Day—Sunday, September 4

Looking for something a little different for Dad this year? Pop into the Visitor Centre and check out our great range of local produce unique Father's Day gifts.

Opening Hours

We're back to Summer opening hours.
Monday to Friday 10am-4pm, Saturday 10am-2pm, Sunday 9am-12 noon, depending on volunteer availability.

Wildflower Season

The Wildflower season is slowly emerging in Boyup Brook and September is the most prolific month for orchids. Flowering natives to look out for this month include: Coral Creeper, Red and Green Kangaroo Paws, Blue Leschenaultia, Jug Orchid, Running Postman and Pink Fairy orchids and many more.

Wildflowers in abundance! Photographic records, information brochures and maps are available at the centre. Also, pocket sized booklets are available to purchase to help you easily identify wildflowers. A collaboration by Mavis Sowry and Shirley Broadhurst, these booklets

group the flowers in the months they appear and feature photographs taken exclusively within bush blocks that bound the Boyup Brook town site.

Pictured is a Slender-sepaled Spider Orchid (once known as Boyup Brook Orchid), it also comes in cream tones.

GIDDY-UP... Best of the West Stockman's Challenge

The Challenge will be held at Mayanup from September 23-25. A wonderful couple of days providing our community with something different to attend as spectators!

Competitors from far and wide, plenty to see and do, great variety of food, coffee etc. Book in into the calendar and see you there.

Gazette Subscriptions

Do you know someone who would like to receive the Gazette in the post each month, but is not covered by the Boyup Brook postal service?

For only \$28, a copy of the Gazette can be posted to an address each month.

Contact the CRC on 9765 1169.

St Saviours Snippets

Thanks to everyone who helped with the wood raffle early in August, the weather has certainly given us reason to have our wood fires! The lucky winner was Eric Muncey.

The money was raised to help people in the Ukraine as they struggle to keep their families both fed and safe while the Russians continue their relentless war. St Saviours has now had two fundraising events and \$1,000 has been forwarded via Act for Peace.

It was with great sadness that the people of St Saviours learnt of the passing of Fred Doust. His contribution to our community over a long time has been recognised through several voluntary organisations and although his wife Grace was a loyal church worker, it was Fred who did small jobs around the grounds and rectory.

His funeral was very well attended and his community support highly commended. The floral decorations in the hall were done by St Saviours with a colour theme of red, blue and white in recognition of his military service. Our love and prayers remain with Fred's devoted family.

Lots more work has been done in the annexe with the installation of the kitchen units now completed and both power and water have been reconnected. Final touches and a coat of paint.

WOW! What a transformation.

St Saviours

Be Still and Know..... God

Fathers Day

We exhorted, and comforted, and charged every one of you, as a father does his own children. - 1 Thess. 2:11

Thanks Dad.

In the US, more long distance calls are made on Mother's Day than any other day. But on Father's Day, the most collect calls are made. It seems that children still depend on their fathers to provide, even when they are far away from home.

Fathers are needed and wanted for much more than financial help. While 1 Thessalonians 2:10-12 is primarily directed toward church leaders, Paul talks about how their role is similar to a father's. He states, "You know how we exhorted, and comforted, and charged every one of you, as a father does his own children."

Exhorted is "to call near." It is easy for fathers to think that all that's required of them is to bring home a paycheque. But children need their close encouragement.

The word *comforted* is "to console." Nothing is more valuable to a child than the time given by a father to listen and talk. Without constant relating, relationships turn cold.

Charged is "to affirm." Fathers challenge their children by affirming the truth of God's Word as they live it out in front of them. And even in failings, they affirm what is right through the asking of forgiveness. How thankful we can be for fathers who help their children "walk worthy of God" (v.12).

Direction for our Times

We continue our cycle of monthly messages for 2022 with the message for August 1, 2006 for our prayer groups and personal reflection.

August 1, 2006,
Jesus

I send my apostles the grace necessary for a calm spirit. With this calm spirit, my followers will bring heavenly calm to a restless world that trembles with unease. Live your commitment to time spent in silent prayer and I will place these heavenly graces in your soul.

Others will identify these graces in you because these gifts are contrary to the gifts offered by the world. This is another way that my apostles stand out. Do not spend a great deal of time discussing events in the world. Long discussions do not benefit the situation. Instead, spend time praying for the world. This will benefit the world and those around you, along with your own priceless soul, which becomes more and more beautiful through prayer and silence.

I want each apostle to understand that I have not abandoned this world. Consider this carefully. I am Jesus. I am God. I have not abandoned this world. Do not be afraid. I say this, dear apostles, firmly. I do not want my apostles to be afraid or to communicate fear to others. Bring your fears to me and bring my peace to others. This is your call and your divine task.

Accept this call as seriously as you accept my love for you and your love for me. Our reciprocal love is natural and right, holy and blessed. My peace in your soul is also natural and right, holy and blessed. Apostles, be disciplined in those actions that bring you peace and be equally disciplined in avoiding those things that cause you upset. I seek to comfort many. Very often, I comfort others through you.

Submitted by Anne Staniforth-Smith. Direction for Our Times (DFOT) is a 501(C)(3) non-profit organization dedicated to spreading God's messages as revealed in the Volumes. Please visit our website at: www.directionforourtimes.org

Sports News

The place to list your club's upcoming sporting event, games roster or publish results.

Senior Roos' News

It has been some mixed results for the Boyup Brook Seniors, with the League side going from strength to strength, to finish the home and away season in second position, whilst the Reserves team lost two close games to narrowly miss out on finals. The club also held a very successful Raffle Night and 2012 Premiership reunion.

On July 23, Boyup travelled to Bridgetown. A depleted League team played out of their skins to win 8.5 (53) to 7.7 (49) against the much fancied Bridgetown team. David Johnston (3) was dominant against his former club, as was Lewis Mead, Mathew Michael, Alex Cabassi and David Cowan. Unfortunately the Reserves forfeited their match.

On July 31, Boyup hosted an undefeated Deanmill in the league. In the game of the season, Boyup came away winners, 8.10 (58) to 6.10 (46). Mathew Michael (4), Seaton Thompson, Luke Reilly, Lance North, River McGregor and Alex Cabassi played well. In the reserves match Boyup narrowly lost 6.9 (45) to 9.9 (63). Shaughan Mead, Jacob Maw, Jack Wilson, Matthew Bown, Chris Heath and Chris Hewton played well.

August 6 saw a big day for the club with Boyup hosting Imperials, and later that evening the premiership reunion and annual raffle night. The League team completely dominated Imperials to win by 141 points – 25.23 (173) to 4.8 (32). In the Reserves, Boyup needed a win to book a place in the finals. After a slow start, Boyup slowly got back in the game.

In a pulsating final minute the game was anyone's to win, however, it was Imperials who came out on top by a solidary point, 7.8 (50) to 7.9 (51). Jack Wilson, Shaughan Mead, Jacob Maw, Chris Heath, Mitch Cavanagh and Corey Bennett were the best players.

A very successful premiership reunion for 2012 was held that afternoon and evening. There were plenty of photos and memorabilia on display, and the DVD replay of the game provided many enjoyable memories. Speeches from Scott Tweedie, Alex Tweedie, Tristan Mead and Rhien Lloyd allowed the large crowd to hear all the memories and experiences from that year. A big thank you to all the past players (some who travelled a long way), trainers and committee members from 2012 for making the effort to celebrate this important milestone.

After the speeches, the club hosted the annual raffle night. With a great array of prizes on the night... thanks to all our wonderful local businesses for their sponsorship, the winner of the \$5,000 went to J and S Draper. Thanks to all the families, footballers and partners for their attendance and to all those who assisted in the delicious meal. All in all it was a fantastic evening.

The final home and away game of the season was away against Kojonup. With the League side resting a few players, it was always going to be a tough ask against Kojonup, but the boys played well to win 14.11 (95) to 9.8 (62). David Cowan (5), Seaton Thompson, Benji Bleechmore, Luke Reilly, McKenzi Nix and Lance North were the best players. A big shout out to all those players who doubled up. The Reserves team played well in their final game of the season to finish on top of Kojonup, 10.11 (71) to 6.3 (39). Jacob Maw, Lachlan Chilwell, Shaughan Mead, Jay Martin, Scott Mauger and Chris Hewton were best players.

Next up the league team take on Deanmill away, in the second Semi Final on Sunday, September 4. If the boys win, they head straight to the Grand Final at Kojonup on Saturday, September 17. If they lose, they get a second chance in a preliminary final at Boyup on Sunday, September 11. I am sure the boys would appreciate as much support as they can get to try and win our third league premiership. Stay tuned in October's edition for all the finals results.

Junior Roos News

And just like that, the 2022 home and away season has finished. A big shout out firstly, to all the children who participated this year. It is great to see the improvement in skills and team work over the season and the good sportsmanship and spirit on display each week.

Thanks to Scott Tweedie and Luke Harding for coaching the Auskick this year. Scott has decided to have a break next year and the club thanks him for his efforts for the last two seasons. Sheri Sanderson continued her great work as coordinator this year. The strength of the entire Junior Club starts with a strong Auskick.

The 4/5's continued their strong form through the year. A big thanks to Floyde Neil (Coach), David and Sharon Nield (Team Managers), Paul Lee Steere (Assistant Coach), Kirsten Skraha (First Aid) and Leigh Beadle and David Turner for running and umpiring.

The 6/7's improvement continued to the very last game. It has been great to see players who have not had much experience step up each week and contribute to their team. Thanks to Michael Wallace (Coach), Hayden Bock (Assistant Coach), Ben and Sarah Thompson (Team Managers) and Anna Darke (First Aid).

The 8/9's were undefeated for the home and away rounds and finished clear from the pack at the top of the ladder. They started their finals campaign with a bang beating Southerners 8.14 (62) to 4.6 (30) in the second semi final.

They now go straight through to the grand final on September 10, to be hosted in Boyup Brook. Congratulations and good luck to Rick Twigg (Coach), Kate Turner (Team Manager), Kristy Lewis and Ben Murphy (First Aid).

The windup was held on August 25, with a parents versus kids game and presentations. Congratulations to all the award winners listed below.

8/9's

Fairest and Best - Charlie Goerling R/U - Jacob Dupe
Coaches Award - Henry Roeger

6/7's

Fairest and Best - Aston Halsey R/U - Felix Twigg
Coaches Award - Chyann Lintott

4/5's

Fairest and Best - Colby Beadle R/U - Brody Thomson
Coaches Award - Jake Phillips

Inglis Junior Clubman Award - Oscar Twigg

Lastly, congratulations to Jacob Dupe and Charlie Goerling who have been selected in the WAFL Development Squad.

Out on the Fairways

Thursday Ladies results

Wendy Tuckett was our outstanding winner for the Melba Henderson Memorial Trophy with 36 points on July 21. Thank you to Robyn Skraha who kindly donates this trophy on behalf of her mother, Melba, who was a quiet achiever in our club.

Twelve players contested for the Captain's Trophy, with Rhonda Parker the outright winner with a great score of 67 nett and an 89 gross which also won her the best monthly gross. Lyn Willett was runner up with 74 nett and won the monthly consistency with 21.5 points.

The Ladies Foursomes was well contested, with Rhonda Parker and Suzanne Fairbrass the gross winners, Naomi Dorrington and Lyn Jennings the gross runners up, Wendy Tuckett and Leanne O'Neil the nett winners and Penny Tweedie and Rebecca Thompson were nett runners up.

Wendy Tuckett's name will go on the Gong Trophy as the 2022 winner with 72 nett. This trophy was originally donated by Nell Cook and has been going since 1958. Jenny Aird was the runner up with 73 nett on a countback from Naomi Dorrington.

The much sort after Piper Marshall Crystal Trophy was won by Jenny Aird with 35 points and the runner up was Wendy Tuckett with 31 points.

A new name appears; Denise Twigg won the Treehouse Coffee Lounge trophy with -1 and she won both novelties as well. Wendy Tuckett just missed out again and was runner up with -2. Club members travelled to both Greenbushes Open Day and Veterans Day. A big thank you to all supporters of the Boyup Brook Golf Club.

Saturday Combined Men's and Ladies Golf Day

Saturday, July 23 was sponsored by CSBP Area Manager Dan Glover. The club thanks them for the commitment to our club and also to the community. We are grateful to Dan, for this is about one of the only times he gets his clubs out for a run.

Ten men and one lady turned up, and with what the weather looked like, may have run many away. The decision was made to play nine holes in between showers and see how committed we were after that. After nine holes, all but two stayed by the fire, those two appeared to finish their round in slight drizzle.

The results are based on the front nine and as the sponsor did not want to win his own trophy, the winner also had the same score as Dan. The winner was Jim Pottinger - 22pts, runner up Rance Dorrington - 19pts. Novelties: #3 Nearest the Pin - Naomi Dorrington, #6 Nearest the Pin - Ian Tweedie. Well done to those who braved the conditions and to Dan and CSBP for the support.

On Saturday, July 30 we saw the last of our stroke rounds and qualifiers for the champs (men), whilst the ladies played foursomes. We had really good Melbourne weather again with the course in top notch condition.

We had 17 men (one visitor) and 11 women play in their respective comps. Results as follows:

Men's Winner: Phil Huggins (Sarge) 115 - 45 - 70

R/Up: Max Thomas 79 - 7 - 72

Women's Gross winners: Suzanne Fairbrass / Rhonda Parker
Nett Winners: Wendy Tuckett / Leanne O'Neil

Novelties: #3 Nearest the Pin - Rhonda Parker, #6 Nearest the Pin - Podge, #9 2nd best shot - Max Thomas, #12 Nearest the Pin - Wendy, #15 Nearest the Pin - Naomi Dorrington, #18 Longest Putt - Rance Dorrington.

On Saturday, August 6 the club held the Mixed Foursomes' champs. 14 teams took part and as always played in good spirit. Well done to all who played and our winners who won back to back:

Winners: Penny Tweedie - Michael Wallace 89 - 17.5 - 71.5

Runners Up: Wendy Tuckett - Grant Downing 90 - 16.5 - 73.5

Nett winners: Sharon Nield - Luke Dynan 100 - 30.5 - 69.5

Runners up: Sue Fairbrass - Brad Fairbrass 101 - 30.5 - 70.5

On Saturday, August 13 it was a club day with four men attending the State Sand Greens in Augusta. They featured early on the two days prior and hence played all their good golf then, and did not feature in the rain affected champs.

At home in Boyup Brook twelve men and five ladies attempted to play, but the conditions saw play abandoned for the second time this season.

On Saturday, August 20 the Jock Aird Memorial Challenge Day with Greenbushes GC was held in Boyup. 27 men and 11 women turned out to represent both clubs. Whilst the day is a team day, we had some good individual scores.

Individual winner: Rance Dorrington 40 pts

Runners Up: Wendy Tuckett 37pts and Grant Downing 37pts

After much calculating, the winners of the Memorial Trophy was team Greenbushes. Thanks to all those who came along to play and also to remember the man that was Jock Aird.

Seeking Swimming Coaches

Boyup Brook Amateur Swim Club is seeking swim club coaches for the 22/23 season on Monday and Wednesday afternoons (after school) in Term 4 and Term 1. This is a fantastic club and a great opportunity to give back to your community and our children. Please contact Gemma Lee Steere on 0428 673 001 or cgleesteere@gmail.com. We appreciate your help!
