## Comedy Acts Come to Town

On Thursday, August 25 the Boyup Brook Sport and Recreation Association (BBRSA) hosted a Comedy Night at the Football Clubrooms in front of a great crowd.

100 people attended the evening and were entertained by four award-winning comedians; Kel Balnaves, Simone Springer, Kat Davidson and Emo Majok. The group added Boyup Brook to their circuit around Western Australia, bringing fun and laughter to many regional towns.

The evening provided a great opportunity to bring the community together with an event a little different than normal. The real highlight of the evening was the quick wittedness of the comedians, who engaged the audience with their humorous jokes.

The crowd was lively and thoroughly enjoyed the evening. It was a great night, providing an alternative entertainment option for the local community to enjoy.

Thank you to everyone who supported the event and the BBRSA for putting on an enjoyable occasion.

## Sandakan Memorial Service

**Tuesday, September 12 2023 at 11am ~ Sandakan Park, Abel Street, Boyup Brook**

Light refreshments will be provided following the Ceremony in the Lesser Hall

**RSLWA**

# My Inbox....

Kaya, wandjoo to the September edition of The Boyup Gazette, your local community newspaper.

Spring is now here and to help you prepare for the warmer weather, there are Smart Burn tips and information available from both the Shire and DFES within this publication. With it being a warmer, drier winter than hoped, getting prepared for summer seems even more important this year.

There is plenty planned for September in Boyup Brook, and this 40-page edition is full with information about what's happening around town. There's the annual Sandakan Memorial Service, Rylington Park Field Day, Ram Sales, the commencement of the Golden Feather Hunt at the library, school holidays, meetings and more.

Don't forget to wish good luck to any members of the winter sporting community that have made the finals and a big Happy Father's Day to all dads and father figures out there.

*Until next month,  
Please take care of yourself and each other  
Sharon*

The Boyup Gazette acknowledges the Kaniyang people of the Noongar Nation as the traditional custodians of this land on which we live and work.

We pay tribute to elders past, present and emerging and recognise the contribution they have made, and continue to make, to our community.

# Sandakan Story Not to be Forgotten

The Sandakan story is one of our greatest wartime tragedies, but it is also one of the most unknown.

Boyup Brook has a very close local connection to the Sandakan story through Ted McLaughlin.

In 1942, Ted was captured as a Prisoner of War (POW) in Singapore. From Singapore, some of McLaughlin's mates, including Gunner Albert Cleary, were sent to Sandakan to build an airstrip for the Japanese, whilst Ted was to remain in Singapore. Upon his arrival back home after the war, McLaughlin was in the dark about what had happened to his mates in Sandakan.

His legacy, through the Boyup Brook Sandakan Memorial and Scholarship, continues to tell the story of his mates.

In 2019, I was fortunate to be the recipient of the Ted McLaughlin Memorial Scholarship at Boyup Brook District High School, but was unable to travel to Sandakan in 2020 due to COVID-19. I attended Penrhos College for Year 11 and 12 and was surprised to learn that the events at Sandakan during World War II, were not taught at any other schools.

In 2022, I was the recipient of the Meg Melville Alumni Endeavour Award at Penrhos College. This scholarship requires the recipient to create a project that gives back to their community. This scholarship enabled me to travel to Singapore and Borneo in April 2023 to learn more about Sandakan and experience our wartime history.

It was incredible to be able to explore the places of significance firsthand and hear from people who had lost relatives at the Sandakan camp, or on the Death Marches.

This trip inspired me to continue to tell the Sandakan story. My project, as part of the Penrhos scholarship, is to create educational resources that students and the wider community can use to learn about this crucial part of our history. My main aim for the project is to help educate the current and future generations of Australians about our greatest tragedy of WWII.

I have created a short brochure detailing the events at Sandakan during WWII that will be available to the Boyup Brook community very soon, with the hope that one day it can be distributed to communities throughout the country.

This part of our wartime history was hidden from society for a long time after the war, so being able to share it now is a great privilege and I am very grateful that this scholarship is allowing me to give back, not only locally, but to the wider community.

The annual Boyup Brook Sandakan service will be held on Tuesday, September 12 2023 at 11am. It is an important opportunity to be able to remember the 2,500 POWs who sacrificed their lives at Sandakan, on the Death Marches and at Ranau.

Mobile: 0447 792 200 • adamjenkinstreeservices.com.au

Highly Qualified • Fully Insured

Adam is a qualified arborist and is experienced in

- Felling
- Climbing
- Removal of trees in confined spaces
- Decorative pruning
- Lowering and rigging around houses and infrastructure
- Stump Grinding

We can now offer you more options for dealing with the debris of the job including Mulching/ Chipping, Heaping it all into a burn pile, Carting it away, Cutting your logs for firewood, Having your logs milled for timber with our portable sawmill (Lucas Mill) or if you prefer we can leave the debris in movable sections for you to deal with at your own leisure.

#### Bandit Wood Chipper on tracks

Having a Chipper on tracks allows us to get to areas that a wheeled chipper can't, so no matter where your job is or how tricky the terrain, we can get in and get it done.

#### 18 Meter Track Spider Lifts

These machines can go anywhere from an open paddock to a narrow side path. They are not just for cutting or pruning trees, they can be used for cleaning gutters and reaching inaccessible sites.

#### Tipper Truck & Skid Steer

For removal of debris, tidying up blocks, heaping debris into burn piles and clearing and managing regrowth.

#### Cat 308E Excavator

Our new Excavator is very versatile and allows us to get the job done with more efficiency than ever before. We can dig out your stumps with it or use it to simply speed up the rest of the job. The rubber tracks allow us to go anywhere with minimal damage to surfaces.

#### Red Roo Stump Grinder

This stump grinder will chew through any stump with ease and leave you with a tidy and level surface.

## COMMUNITY NOTICES

### Hope Community Fellowship

Hope Community Fellowship continues to open its doors on the 1st and 3rd Wednesday of every month from 12noon- 3pm  
Dates are found in the Gazette Community Calendar.  
Come for lunch, and a chat, fun games or craft. We offer food for the body and food for the soul!  
Corner Cowley St and Cailles Road. All are welcome!

### Red Hot Country Hatters Boyup Brook

We are welcoming new members (Sisters) to our Red Hatting chapter for Friendship, Fun and Frivolity. Please come along and join us for our Social Natters.  
Held the 2nd Thursday of each month.  
Please call Lorrene Sambell-Sayer 0429 653 705 or email lorrene@inet.net.au for added information.  
September 14 - Lunch - 11:30am start - Quacking Frog

### Wilga Fish and Chips

1<sup>st</sup> September 2023, at 6pm, Wilga Town Hall

### Mayanup Progress Association (Inc)

Invites you to Afternoon Tea, Friday, 22<sup>nd</sup> September at 2pm to commemorate 100 years of the Official Opening of the Mayanup Hall. All Welcome.  
For catering purposes please RSVP to 0427 651 774

### Samaritan's Purse Shoeboxes

If you'd like to take part, we now have lots of shoeboxes to be filled with toys etc. for children in countries where they may never receive a Christmas present. If you would like to fill a box, please call on 0428 617 506 and we can drop them around.  
They need to be completed by September 29, and either dropped off at Hope Church or we can collect them from you.

## Community Directory

To update details in the new Community Directory, please contact the CRC on 9765 1169 or email crc@boyupbrook.org. More copies still available at the CRC and the Shire offices.

## September Spring Clean

September is the month you should start planning your bushfire risk management plan and tidy your yard. Why so soon? September allows you time to schedule, order supplies and plan so that the work is completed in time for the hotter months.

- Contact your fire-break contractor and schedule your appointment before they run out of time to complete yours.
- Plan a weekend or two where you remove dead trees, rubbish and old wood piles and get them to the tip.
- Get in the shed and make sure you have chemicals itemised and stored properly for the hotter months to come.
- Prune trees that overhang rooftops and gutters.
- Check your reticulation and/or fire fighting equipment is working adequately.
- Complete a Bushfire Plan! Ranger Donna and Ranger Roz will be more than happy to assist you with this.

**IN AN EMERGENCY CALL 000**

**Burn SMART**

Planned burning under mild and stable weather conditions means the fire burns more slowly and with lower flame heights. Plan smart. Burn SMART.

MILD | HOT/WINDY

For more information visit [dfes.wa.gov.au/plannedburning](http://dfes.wa.gov.au/plannedburning)

**Remember to check the Bureau of Meteorology for weather updates ([www.bom.gov.au](http://www.bom.gov.au)) on the day you plan to burn or speak to your local Fire Control Officer. If you are unsure who this is, please check the Shire website or phone the Shire Administration Office.**

**RATES NOTICE** 2023/2024 Rates Notices have now been raised and sent to all ratepayers at their 'last known address'. If you have not received your rate notice by the beginning of October 2023 please contact the Shire Administration Office by phone 9765 1200 or email [shire@boyupbrook.wa.gov.au](mailto:shire@boyupbrook.wa.gov.au)

BBQ and refreshments around the bonfire

For more information or to host a stall, please contact Erlanda on 9765 3012 or 0429 375 609

Program subject to change.

## Photography Competition Open

Entries are open for the 2023 'What's Your Angle?' Photography Competition with the deadline for submissions Friday, September 29.

This year's five categories are: Landscapes, Animals, Flora, Portraits and the feature category is Colours of the Rainbow.

The competition has two new judges this year, George Stewart and Gary Louth both affiliated with the Bridgetown Camera Club. They have the task of awarding prizes in each category and to the Most Outstanding Print. All Under 18 entries will then be examined and awarded separately after the main judging.

Photographers can submit entries completely online if required and photos can be prepared by Boyup Brook CRC staff.

Award winners will be announced at the exhibition opening on Friday, October 6 at 5:30pm at a sundowner presentation. All are welcome to this event, which coincides with the Visitor Centre's Walk on the Wild Side Weekend.

This event has been made possible thanks to generous sponsorship from: Blackwood Plant Hire; Boyup Brook Co-op; C.M. Dalton Transport; Hampton Partners; Lions Club of Boyup Brook; Shire of Boyup Brook.

Entry forms with all information including conditions of entry are available at the Boyup Brook CRC or online by scanning the QR code or visiting [www.boyupbrook.crc.net.au](http://www.boyupbrook.crc.net.au).

Alternatively, call 9765 1169 to speak with a CRC staff member.

## Dinninup Show Update

With only two months to go, there is a lot of work happening to make the 2023 Dinninup Show a big one!

### Entertainment

We have lots happening this year to keep kids happy and entertained all day, *free of charge*. This is thanks to Talison Lithium for their very generous donation towards Show entertainment.

This will include a mechanical bucking bull, Tropical Island Combo Bouncy Castle, Mini golf and Knock em – Nerf Game. For those who would like a challenge we will also have a Climbing Wall and even some side show alley games available!

### Farmers Challenge

As mentioned previously, a new feature to our show this year will be the Farmers Challenge. The committee have been busy fine tuning this event and we are delighted to announce first prize will be \$1,000! A big thank you to our sponsors for getting behind us.

This challenge will be limited to four teams, with four members to a team, (entrants need to be over 18). Because we anticipate the chance to win \$1,000 will be a big incentive to have a go, we have decided to limited the number of teams (so we are not still there come night time!). It will be a relay contest with two heats, the winners of each heat, will compete for the \$1,000. The first relay will start at 2pm. Details on how to be in the race will be in the next Gazette.

### Steward Needed

Are you interest in wool? Our two wool stewards are looking for someone interested in the industry to help on show day. Give Matt Chambers a ring for more details or let Lyn know on the number below.

### Helpers needed

If you are interested in being involved with assisting on Show day or prior to the show, there is a number of areas we are needing help with. Call Lyn Chambers on 0427 673 069 and we are sure to be able to find a job that you will enjoy. Come and join our happy team to help make our Show big and better and enjoyable for all. If you have any suggestions, we are always looking for new ideas.

## Change of Business Hours

**Monday-Thursday 9am-5.30pm, Friday 9am-5.00pm**

**Saturday, Sunday & Public Holidays - CLOSED**

We would like to say a big Thank You to Trevor Rowe who has been a wonderful Locum Pharmacist for us since 2018, covering every second Monday & many other days. Trevor's last day will be the 28th of August. At this point in time we have not found another Pharmacist available to work regular shifts. While we continue to search, from September 1st 2023, we will be closing Saturday morning, and extending our Monday-Thursday closing time to 5.30pm.

We apologise for any inconvenience this may cause, and sincerely thank all of our community for your continued support, loyalty & understanding.

P.S. If you know of a Pharmacist looking for work, please let us know

# Boyup Brook District High School

## Kindergarten Transition

Our Kindergarten Transition program is proving to be a hit! Children who are turning four years old by 30 June 2024 and enrolling in our school, have been attending our transition program where they are developing a love for learning, while building essential skills for kindergarten readiness through a blend of engaging activities, interactive play, and early academics. I thoroughly enjoy joining these classes on Tuesday mornings to hear nursery rhymes, songs and stories, and participate in the many exciting and colourful play-based learning activities set by our wonderful kindergarten staff, Kate and Sally.

## New Toys in ECE

Students were very excited to receive a set of new trucks for the sandpit. Our amazing P&C generously provided these much-loved additions to the ECE area.

## BBDHS Science Show

A number of incursions have taken place in the primary school so far this term including Eagle Rock, Blueback Puppetry, and an exciting Science show put on by our very own Mr Ridley and the Year 10 students. Mr Ridley and the Year 10 students performed a number of mind-blowing experiments that involved dry ice clouds, elephant toothpaste and loud explosions, all in the name of Science Week.

Opportunities such as these can inspire students to consider careers in science-related fields. Exposing them to the excitement and possibilities of science encourages them to dream big and set their sight on becoming the innovators, researchers, and problem solvers of the future!

## Year 7 Transition

The high school students welcomed Year 6 students on their first of a four-day high school transition program. The Year 6 students will attend the high school on four separate days by the end of the year, and will hear from and ask questions of our current Year 7 students as to what high school life is like for them.

If you have a child commencing Year 7 at Boyup Brook District High School, and have not done so yet, please contact our front office to book a meeting with me to discuss your child's transition to high school and address any concerns or questions you may have. Together, we can work to ensure a smooth and successful transition for your child.

## Defence Force Information Session

Students in years 7-10 were visited by the Defence Force as part of our Careers program, where students heard about the opportunities and possibilities available to them in the Defence Force.

Exposing students to various career options is a crucial aspect of their educational journey. This exposure helps them make more informed decisions about their future paths and allows them to explore fields they might not have considered otherwise.

## Amazing P&C

As our students in the high school train for the upcoming Country Week event in Perth at the end of the term, our amazing P&C (with the help of our students) have been working hard raising money toward covering the travel and accommodation expenses.

We are very proud to say, they have raised over \$18,000, which ensures that the costs for students to attend this event is at an all time low!

The hours they have spent manning the football gates, baking goods to sell, organising raffles and car washes is greatly appreciated by our school community. And thanks also must go to you, our community, for getting involved in our P&C's fundraising events. Thank you!

## Welcome to New Families

We would like to welcome the new families that have joined the Boyup Brook District High School Community - Lily (Yr 1), and Cali (Yr 3). We are thrilled to extend a warm and heartfelt welcome to you!

# St Mary's Catholic School

Greetings to our beloved Boyup Brook Gazette readers! As another exciting month unfolds at St Mary's Catholic School, we're thrilled to share some of the remarkable moments that have filled our hallways and classrooms.

### Students Embrace the Sacrament of Confirmation

Congratulations are in order for Alby, Angus, Lisharn, and our esteemed former student Eva! On August 12, these bright young individuals received the Sacrament of Confirmation at St Mary's Catholic Church. This momentous occasion, pictured below, marked a significant step in their spiritual journeys, and we couldn't be prouder to witness their growth in faith and character.

### Exploring the Wonders of Science Week

Science Week at St Mary's was a bubbling cauldron of curiosity and exploration. Our dedicated teachers orchestrated an entire week of exhilarating science experiments that left students amazed and enlightened. Each morning brought a new experiment, with Mr. T's water escapade being a particular splashy highlight. Laughter and learning flowed as the front-row enthusiasts found themselves unexpectedly drenched in the name of scientific discovery. We are also hosting the outstanding Mick Doyle from Science Alive in the coming weeks and he will run our students through a whole day of wacky Science fun!

### Celebrating the Magic of Book Week

Week 6 was adorned with the enchantment of Book Week, a time when the pages of literature come to life within our school's walls. We were honored to host Dr Marion Kickett, an Indigenous author whose inspiring narratives captivated our students' hearts and minds.

The festivities continued with a dress-up day, staff performance, and book-themed rotations, fostering a deep appreciation for the world of books and imagination.

### Learn and Grow: Nurturing Young Minds

Our "Learn and Grow" early start program continues to flourish, providing a nurturing space for our youngest learners. As the term progresses, we invite all parents and caregivers to join us on Friday, September 8th, and Friday, September 15th, from 8:45-10am for sessions filled with sensory play, delightful songs, rhythmic rhymes, engaging dances, and captivating stories. It's a perfect opportunity to bond with your children while igniting their love for learning.

### Public speaking in full swing:

Public speaking is a cherished tradition at St Mary's, showcasing the depth of knowledge and eloquence our students possess. With topics chosen, researched, and carefully presented, learners across all year levels are honing their communication skills and building self-assurance. Beyond our classrooms, we eagerly await our participation in a regional interschool public speaking competition, where our talented speakers will shine.

### Enrolments for 2024: A Pathway to Excellence

Looking ahead, we are excited to announce that enrolment for the academic year 2024 is now open. At St Mary's Catholic School, we offer an environment that nurtures holistic growth, academic excellence, and spiritual values.

If you're seeking a place where your child can flourish, we warmly welcome you to explore what our vibrant community has to offer.

## Garden Club

Tuesday, August 8 was rainy and cold which was a great day for the Garden Club to meet at the Community Resource Centre (CRC) for our monthly get together.

Seventeen members squeezed into the Media Room and we started off with a plant themed quiz. It was won by Lorraine Robinson who is now the proud owner of a worm farm kit, which included a bag of worms to start her off to make wonderful compost and worm tea, which is so rich in nutrients for our gardens.

Members received information on how to make compost using the cold and hot methods. Composting is an excellent way of keeping food scraps and leaf litter out of the rubbish bins and to nourish our gardens.

Glenda Bock showed us how to propagate hydrangeas and offered those interested to take home the cuttings she had demonstrated with. Glenda also explained how she grows her 'old style' strawberries - a patch she has been growing for 20 years - they just keep on giving tasty strawberries.

Some members brought along cuttings of plants such as Hoyas and succulents which was much appreciated and snapped up eagerly. We raffled a beautiful Fuchsia plant which was won by a very happy Ivy. Finally we mingled over a cuppa and delicious treats as per usual.

Many thanks to Anna and Jess at the CRC for making us feel welcome and comfortable and providing us with everything we required.

Our next visit will be to a property called The Grange, 27 Quagamirup Rd in Wandillup about 12km south west of Bridgetown. We will meet at 12.30pm on Tuesday, September 12 at the Boyup Brook Swimming Pool carpark to arrive at the property around 1.30pm. Please bring your chairs and mugs.

For enquiries call Colleen Railton 0413 827 900 or Helen Rice 0421 581 636. Follow on Facebook - Boyup Brook Garden Club.

## Tonebridge Club News

We send congratulations to Les and Marian Davidson, ex-Chowerup residents who celebrated their 60th (Diamond) Wedding Anniversary in July. Marian was a Forrest girl from Mayanup, Les' home farm was west of Chowerup Hall.

Last month's Girl's Night had Mexican flavoured eats and some interesting stories with the 'bling' members bought along. One piece was a supposed birthday gift which turned out to be an engagement ring! It was great to see Beth and Pippa come along too.

After a miss, the Men's Night is hoped to continue in September. Check with Mark Muir.

Always a warm fire for casserole teas and drinks are available at the club. It was great to welcome Hilary and Terese, with Terese winning the lucky door prize.

## Museum Update

Saturday, 20<sup>th</sup> August 2023. Hello Friends! We have just had a great day. The weather has been beautiful and we have had a very successful busy bee including a sausage sizzle lunch together.

The carpet strip has been laid in the Agriculture Shed. This will make it easier for those with a walker or wheelchair to move amongst the exhibits. The men also removed some rubbish to the tip, restacked some timber, prepared a bay in the cover by Cailles Street for the binder and then installed it. The ladies did some dusting, cleaning and sorting in the general display area. Many thanks to all our volunteers for their attendance and help.

Our next aim is to build an accessible toilet on site and we are still hoping to have a retaining wall built in preparation for another shed, if we are successful with a pending grant.

We would love to have you visit us sometime. We are open on Wednesday, Thursday and Friday between 10am -3pm. Entry is \$5 for adults and \$3 for children.

Our next meeting is at the Museum, 25 Cailles Street, Boyup Brook on Wednesday, September 13 at 2.30pm. You are welcome.

## Memory Lane - Revised Edition

I have had a second limited edition of "Memory Lane, DINNINUP 6245" printed. Initially I had 500 books delivered and have, on average, sold almost two books every week in the last five years!

The new edition is 16 pages longer with minor corrections to the map, captions and text; more stories from late contributors such as Gerard King, Drapers, Bilstons and an interesting 1933 article about the arrival of the Sambell family.

There are two more poems: "A Call to Arms" - a very moving account of the first call up of men to World War I with a Dinninup connection and another by Marc Glasby who passed through Dinninup and was caught up in the emotion of seeing the empty Dinninup shop.

More photographs: one of the interior of the Dinninup shop as displayed by Jesse Martin in his 'museum' shop in Williams and another of three locals unloading sleepers at the Dinninup siding.

There's a wonderful cartoon done by a Dinninup local in 1958 with a description of building the Stage. And finally on the back page is a list of readers' comments.

The books will be sold for the same price of \$25 each, however postage prices have risen substantially and it will, unfortunately, cost \$15 per book to have them posted. So, if possible, pick one up for friends and family from me or the Boyup Brook Visitor Centre where they are \$29 each.

Sincere thanks to all who already have a copy.

Liz Blechynden

# Boyup Brook's Community Care - Support for you to remain at home

The Boyup Brook Community Resource Centre (BBCRC), in conjunction with InCasa Country and Mable, are now offering a wide variety of home care support and services so older people can continue to enjoy living at home.

Whatever your needs, we will work with you to put a plan into action so that you can live your best life at home in your own community, and employ local people at the same time!

If you are over 65, or an Aboriginal or Torres Strait Islander over 50, you could be eligible for a Home Care Package funded by the Australian Government, available in four levels, based on your needs. Below are some examples of the services that may be available, depending on your budget:

Level 1: \*\$10,271 a year for basic needs like: essential cleaning, pet care, social outings

Level 2: \*\$18,064 a year for services like: meal preparation, cleaning, gardening and home maintenance

Level 3: \*\$39,311 a year for higher care and support needs such as: meal preparation, domestic assistance, personal care, gardening and home maintenance, social support, allied health services

Level 4: \*\$59,594 a year for high level care and support such as: meal preparation, nursing care and allied health services, personal care, domestic assistance, medication support, social support, gardening and home maintenance

*\*Home Care Package amounts as at July 2023*

Your Home Care Package can be tailored to your needs to support you to continue living at home and will provide you with choice, control and flexibility in the way your care is delivered. It can help around your home with tasks that are becoming difficult, help you get ready for your day or support you to get back to doing the things you love or need to do.

## How much will a Home Care Package cost?

Being eligible for an Australian Government Subsidised Home Care Package means that the government will subsidise the cost of care. If you are on a full pension, you will not be asked to make any personal contribution for home support services.

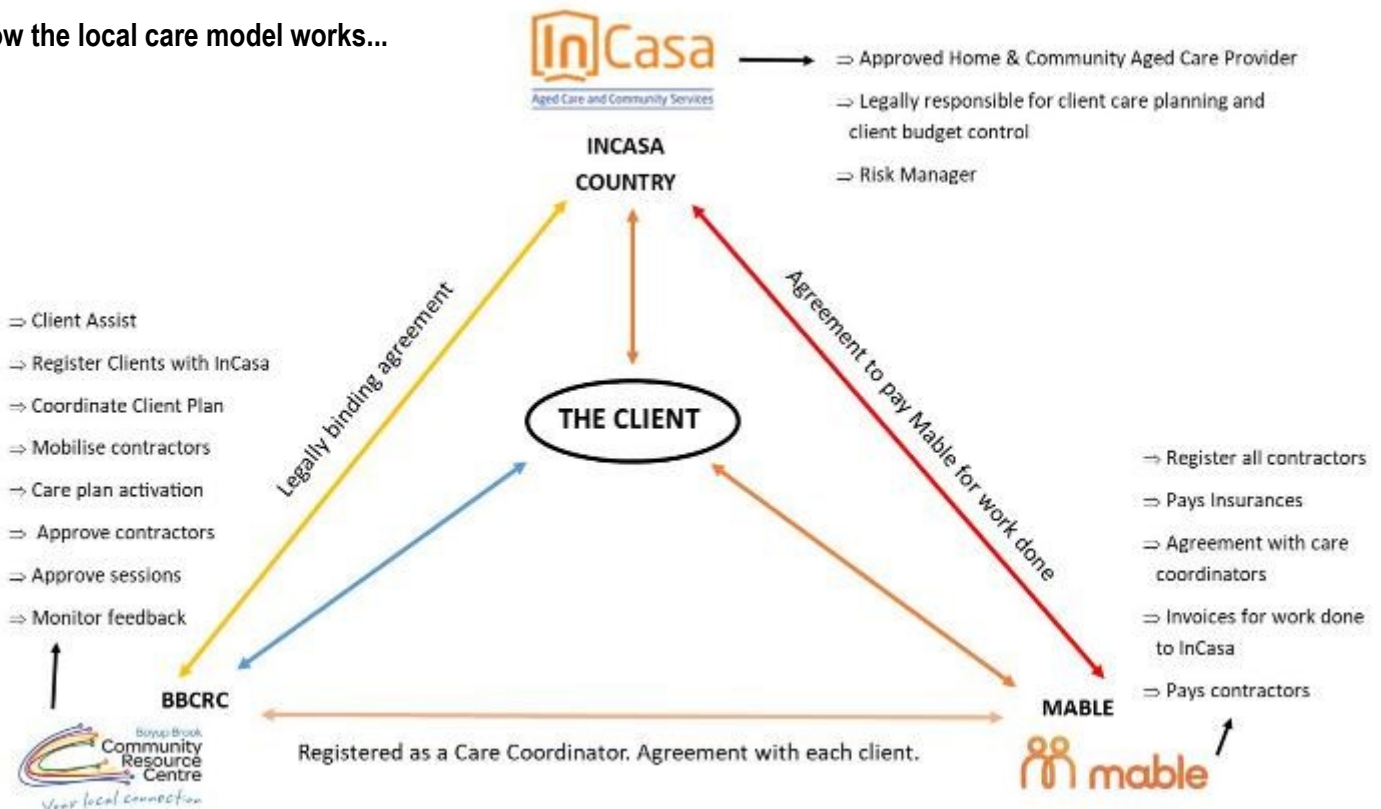

- o Basic Daily Fee: BBCRC/InCasa Country do not charge a basic daily fee. The basic daily fee is an amount that organisation may choose to ask clients to pay.
- o Income Tested Fee (ITF): The income tested fee is a contribution that some people pay, as determined through an income assessment. This fee is based on individual income, including a part-pension. However, full pensioners and people with an income up to \$28,100.80 do not pay an income tested fee.
- o Care Management Fee: This fee helps cover necessities including a dedicated clinical nurse, general manager, ongoing assessment and care planning, management of incidents, scheduling of services, financial oversight and funding, sourcing and ordering equipment and products, clinical governance and additional visits and correspondence as required.
- o Package Management Fee: Helps cover necessities such as preparing monthly statements, managing your package funds, compliance and quality assurance activities, and the administration of your package.

## Need help?

The BBCRC can help you to apply for an Australian Government subsidised home care package. We can coordinate the supply of services you need once you have a home care package subsidised by the Australian Government. We can coordinate the supply of services you need if you are a private client and need support at home.

To find out more, please call the BBCRC on 9765 1169.

# CoMHAT Update

## Brand New Event Coordinator

Boyup Brook Community Mental Health Action Team (CoMHAT) are excited to welcome Donna Bindon to the team as our brand new Event Coordinator. Here is a short introduction from Donna:

“Hi Boyup Brook Community! I’m super excited to be starting as the Event Coordinator with CoMHAT!

“I’ve lived in the beautiful south-west region with daughter, two dogs and too many chickens for three years now and just love it; the relaxed nature of people, the friendliness and stunning environment. I’ve worked in events for my whole career, both large scale and small bespoke and I’m really looking forward to combining my skills and passion for community to bring Boyup some wonderful events in the coming months. If you see me around town, please come and say hi – I’d love to meet you.”

## News

CoMHAT is currently working on the following projects.

1. Youth Zone Development
  - We are currently sourcing funding and looking to develop the following items for the Youth Zone area:
    - o Sea Container storage for our 20 Mountain Bikes
    - o Landscape gardens around the building
    - o Decking and Disability Access to Youth Zone
    - o Possible outdoor movie facilities
2. Mental Health Week events including:
  - o Community Colour Run
  - o Specific Mental Health related activities
  - o Youth Zone planned activities including use of new Volleyball and Squash equipment
3. CoMHAT Sponsors and Supporters evening
4. Development of Mountain Bike Track/Trail
5. CoMHAT Website Development

## EOI - Steering Group for Mountain Bike Track

CoMHAT is seeking expressions of interest from members of the community to form part of a Steering Group for the proposed Mountain Bike Track.

The Steering Group plays a critical role in directing and shaping the strategic direction of the project, and CoMHAT is seeking committed, passionate individuals who are eager to contribute their skills and expertise, and enthusiasm for mountain biking to this important work.

As a member of the Steering Group, you will meet regularly with other members to prioritise and make decisions that will guide the delivery of the project. Please contact CoMHAT if you are interested by calling 0416 156 404 or email [secretary@comhat.com.au](mailto:secretary@comhat.com.au).

## Community Input

CoMHAT are currently in the process of developing our new Community Wellbeing Plan for 2024-2026. CoMHAT has recently developed a community survey to determine key issues and priorities for improvement with regard to mental health, alcohol and other drugs and belonging and connection.

You can have your say and access this community survey via the following link [www.surveymonkey.com/r/8WKHY29](http://www.surveymonkey.com/r/8WKHY29) OR on the CoMHAT Facebook and Instagram page, via request by emailing [secretary@comhat.com.au](mailto:secretary@comhat.com.au) and paper copies are available at the Boyup Brook Shire, CRC, Treehouse, Post Office, Medical Centre and IGA.

We have 2x \$100 IGA vouchers up for grabs for the first completed survey and one random draw of names at the end. In order to be eligible for the draw, please follow the instructions at the end of the survey to send in your name and details. This will not be linked to your survey answers as the survey will remain completely anonymous

Use Code C10538269 to donate to the Mountain Bike Track fund.

## WHAT'S HAPPENING AT YOUR CRC

August saw lots of different activities taking place at the CRC:

- Many businesses and organisations have been booking rooms for meetings, workshops and to conduct their operations.
- We celebrated Science Week with messy, fun experiments and free kits provided by the ChemCentre.
- Better Beginnings has also had lots of participants, with Anna taking the program to visit Kindy students and fortnightly at the Early Learning Centre.
- Gentle Gym moved to the Citizens Lodge and has been a great success, with Lodge and hospital residents taking part, alongside community members.
- Our membership renewal numbers are excellent and we welcome many new members to the CRC for the first time. There are many benefits to being a member, including discounted rates of our services, member-only events and free advertising. See below for details, there is a package for everyone!

## LIBRARY CORNER

Thank you to everyone who commented on the Award the library received in July. We couldn't have done it without our wonderful community's support!

### INTER-LIBRARY LOANS

We've had a couple of queries on whether we're still offering Inter-Library Loans (ILLs)? The answer is YES, we are still able to receive (and send) items to and from other libraries for loan.

There have been some changes to the process, as detailed in the messages, articles and social media posts that have been distributed, however the changes have mostly affected our processes behind the scene.

How might these changes impact you? Ideally, they won't! We are still settling into the new system which may result in the time between an item being requested and the item being available for loan a bit unpredictable, however most requests are able to be made available for loan within 2-3 weeks. Unfortunately, once we place the request, how long it takes to get here is out of our hands, so we appreciate your patience and understanding!

**Now Available**

## WA Telestroke Expansion

WA Telestroke is expanding its hours to become a 24-hour, seven day a week service for clinicians caring for patients with acute stroke symptoms.

Western Australian stroke specialists are now available as the first point of contact to assist emergency clinicians in the diagnosis, assessment and disposition of acute stroke and Transient Ischaemic Attack (TIA) patients across the State.

Given the significant mortality and morbidity associated with stroke and TIA, timely diagnosis and treatment is crucial for treatment teams and good patient outcomes.

Critical new treatments for acute ischaemic stroke, including mechanical thrombectomy and thrombolysis, are likely to be further enabled by Telestroke.

The extended service – effective as of 31 July – is part of phase two of the \$9.7 million program. Telestroke has diagnosed and treated more than 600 stroke patients since it began in late 2021.

The expansion of the Telestroke service aligns with recommendations made in the Sustainable Health Review, which aims to create a more sustainable, equitable and efficient health system.

Having worked as a regional Telehealth manager, Member for Warren-Blackwood, Jane Kelsbie MLA knows the importance a fast response can make to a stroke patient. She said, 'Telestroke isn't just a game-changer, it's a life saver.'

## In Touch Farming

### Silage Inoculant

*Making the most out of your silage quality*

The common misconception is that you can make a Rolls Royce silage out of inferior grass. Inferior will always make inferior. If you are then going to go to the effort to make a quality silage product, why not inoculate, to make the best quality you can.

#### Pasture Silage Specific 1127 Inoculant

- Significantly improve the fermentation
- Increase dry matter recovery
- Increase Protein availability
- Improve animal Performance

1127 is for pure swaths.

#### Multi-Crop Silage 1174 Inoculant (Designed for all forages)

- Multi crop use
- Improves fermentation
- Increases dry matter recovery and animal performance
- Low-cost inoculant solution

1174 is for multi crop swaths.

Enquire in the store for more details.

### Pasture Manipulation - STOP

When you see the everlastings in pasture, clover is 14 days from flowering (general rule of thumb). Everlastings have been in pasture for two weeks. You will reduce clover seed set dramatically the closer to clover flowering you manipulate.

#### Early Manipulation Pros

- ⇒ Lower chemical rates
- ⇒ Allows desired species to grow and establish before they want to go reproductive
- ⇒ Make use of capeweed early
- ⇒ Less shelter for RLEM

#### Late Manipulation Cons

- ⇒ Higher rates of chemical needed
- ⇒ Less likely to control as target species becomes more advanced
- ⇒ More shelter for RLEM
- ⇒ More competition for rye grass and clover
- ⇒ Fertilizing being used to grow rubbish grasses and broadleaf species

Any question please call to discuss.

## Burn SMART – Planned Burning

If you own or manage land in Western Australia it is your responsibility to reduce the risk of bushfire impacting it. This applies to all landholders and land occupiers, including private homes, businesses and government.

One of the most effective ways you can reduce fuel loads and the risk of bushfire is planned burning. Planned burning describes deliberately burning a predetermined area under appropriate environmental conditions to reduce fuel loads (the vegetation and dead plant material that can burn in a fire). Planned burns are undertaken under mild and stable weather conditions so that the fire burns slowly and is controllable with low flame heights.

***It is important to note however that you are responsible for any fire you light and, if it escapes, you may be liable for the damage it causes.***

**Reducing fuel increases the chances of your property surviving a bushfire.** The more fuel available to a bushfire, the hotter the fire can burn and the harder it is to control. Flammable material such as leaf litter, fallen branches, dead grasses and shrubs provide fuel for fire, allowing it to grow more quickly and burn at higher temperatures. This increases the likelihood of damage to your property, neighbouring properties and the environment. In comparison, reduced fuel levels assist not only in reducing how quickly a fire can spread, but it also reduces its spotting distance (how far the fire can jump).

Planned burning is a particularly efficient way to remove fuel over larger areas. When used appropriately, it generally results in less environmental disturbance than other methods. Many native plants and animals can also benefit from periodic fire.

**The following information is designed to help you Burn SMART:**

- Plan smart. Burn SMART.
- Planned burning can reduce the amount of flammable material on your property, potentially reducing the impact and spread of bushfire.
- In the wrong conditions, a planned burn can escape and become an uncontrollable fire. If you plan to burn, plan to Burn SMART.
- YOU are responsible for any burns on your property and must take care to recognise and manage risks.
- Create a burn plan using the Burn SMART Guide and Burn SMART Checklist.
- Watch the Burn SMART Planned Burning How-To Video Series to revisit the key stages of a planned burn and what you must do in order to Burn SMART.
- Register your burn by calling the DFES Communications Centre on 08 9395 9209.
- Burning under the wrong conditions can put lives and homes at risk. Property owners are responsible for recognising and managing all risks associated with their burn.
- Rules and restrictions can vary from day to day. Always check with your local government for burning restrictions and requirements prior to burning.

For more information on planned burning visit [www.dfes.wa.gov.au/](http://www.dfes.wa.gov.au/)

## Backyard Buddies Biosecurity Blitz

Wherever you live and whatever the size of your backyard, you can help protect WA's agriculture, forests, and natural ecosystems into the future.

The Department of Primary Industries and Regional Development's (DPIRD's) Biosecurity Blitz is back in 2023, with a special focus on reporting backyard pests and diseases.

The Biosecurity Blitz aims to protect Western Australia's backyards and agricultural industries from an increasing number of exotic threats, such as the recent incursions of polyphagous shot-hole borer, myrtle rust and Queensland fruit fly.

By checking your backyard for pests and diseases and reporting what you find, you'll learn about these organisms, help protect your garden, regional biodiversity and the local food and nursery industries in Western Australia.

### Every report helps!

Your report helps to increase the likelihood that serious pests and diseases will be detected early, providing the best opportunity to eradicate or contain them.

If your report turns out to be a common pest, that data may be used to support WA's export trade.

### Look – snap – report

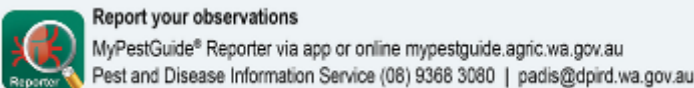

This year the Biosecurity Blitz runs from 16 October to 16 November – that's 31 days to look for, take a photo, and send in a report of every pest and disease in your backyard.

To participate in the Blitz:

- o register at [agric.wa.gov.au/biosecurity-blitz](http://agric.wa.gov.au/biosecurity-blitz)
- o download the free MyPestGuide® Reporter app
- o check your backyard for pests and diseases.
- o take photos of any pests or disease signs you find
- o report online using app or at [mypestguide.agric.wa.gov.au](http://mypestguide.agric.wa.gov.au)

### Every report gets a response

Let's see what's in your backyard! You will receive a response to your report and a weekly email with pest identification, information on priority plant pests and activities you can do in your backyard.

## Consumer Protection Column

### Battery Disposal a Burning Issue

They come in all shapes and sizes to power many different devices, yet every battery has the potential to become a menace if they end up in your rubbish or recycling bin.

Some batteries contain toxic chemicals, heavy metals and other pollutants that can contaminate water supplies when they enter landfill, while rechargeable lithium-ion batteries become fire hazards if they are damaged or crushed during the waste collection process.

In recent months, wrongly discarded lithium-ion batteries were suspected to be behind a number of fires in recycling trucks and waste-handling facilities at various locations across WA.

How you discard batteries may depend on what type they are and what condition they are in. There are many battery drop-off points that will take your spent or unwanted batteries, including at the Boyup Brook Community Resource Centre (CRC). So, if you have a drawer with old batteries and devices, drop them off to the CRC at 86 Abel St on weekdays between 9am-4pm.

Damaged lithium-ion batteries and devices can however be dangerous, so they should never be taken to a battery collection point, nor should they be thrown-out, used or left in areas where they are exposed to heat, moisture, direct sunlight or in parked vehicles.

Instead, lithium-ion batteries showing signs of swelling, bulging, leaking, overheating or visible damage should only ever be placed in a clear plastic bag or container and transported to your nearest Household Hazardous Waste (HHW) collection facility – in the South West, there is one at the Stanley Road Waste Management Facility in Australind.

Don't forget to keep your used battery collection away from children, especially given the dangers that button batteries (even used ones) can pose if they are swallowed. As soon as you have finished using a button battery, put sticky tape around both sides of the battery to make them less attractive to children and avoid the low-risk of them catching fire.

Learn more about the dangers of lithium-ion batteries on the Department of Fire and Emergency Service's website at [www.dfes.wa.gov.au](http://www.dfes.wa.gov.au)

## Poem: Thinking

Long ago all the creatures  
That lived upon the earth  
Had no use for thinking  
It had little use or worth

Whatever use was thinking  
As they wriggled flew or swam  
There was no time for thinking  
As they climbed or dug or ran

Then came an upright monkey  
Whose eyes shone very bright  
To take in rays of reason  
And set his brain alight

And so he had advantage  
As he marched across the globe  
And all earth's other creatures  
Fell before him as he strode

But now he marches further  
To change the earth itself  
In his relentless quest  
For comfort power and wealth

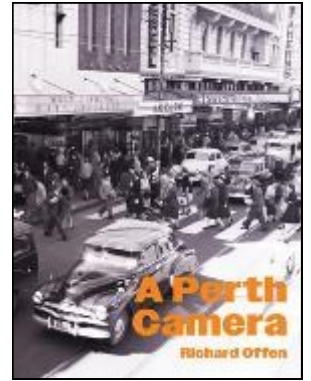

But has he gone too far  
This monkey with the brain  
Is this the ending of his era  
Will the planet win again

I wonder if our world  
Would be upon this brink  
If all those years ago  
We had never learned to think

By G.C.

## Book Review

With our upcoming photography competition I wanted to explore books on the camera lens. To be a good photographer is an amazing skill to have and develop. Many find it a rewarding hobby being able to capture moments in time, the beauty of nature in humans, animals and our environment.

**A Perth Camera**  
Written by: Richard Offen

This book focuses on the life work of Mr Ernie Polis a Latvian immigrant who after arriving in Fremantle with his wife in 1949, soon put his photographic skills to work.

After a short stint on the railways, Mr Polis was employed by the City of Perth as chief draftsman in the planning department and was later appointed the councils official photographer.

Photography was Mr Polis' life and he was mostly self-taught. After winning the 1957 Kodak Trophy for the best amateur photo taken in WA, he continued to hold the title for nine years. Mr Polis was a man who never left home without his camera, "What a good trait to have". When Mr Polis died in 1993 the world of photography lost one of its masters.

The book is a photographic record of Perth as a changing city, it has certainly undergone radical growth and development displayed in this pictorial collection. Mr Polis photographed many buildings under construction or on the eve of demolition. Looking back on them now, the ornate workmanship and style of our early building really were beautiful.

While enjoying the black and white photographs showing architectural achievements, do not miss the style of clothing and transportation. Some of my favourite photographs in the book show the Narrow's Bridge under construction in 1958-59 and a busy Hay Street in 1966.

I hope the amazing display of photographs found in this book, which is located in the reference section of the library, may cause you to reflect on bygone days or inspire you to take a few photos of your own and consider entering them in the Boyup Brook Community Resource Centre's photography competition.

By Sandy Orrman

## Support Group for Men

Men of Hope is a support group that offer a free online program to link up with men from around Australia – especially in regional and remote communities where they may be feeling isolated. They also offer the same service to family members and carers of men living with a disability.

Based in Perth and Government funded, Men of Hope is part of Black Swan Health. Winner of the 2021 Injury Matters Awards, Outstanding Achievement in Injury Recovery, Men of Hope has been operating as a men’s support group since July 2016.

They host small online groups, as well as one-on-one telephone or Zoom check ins. An experienced mental health trained support coordinator from Black Swan Health facilitates the safe Zoom or telephonic contact.

### Member Testimonial:

*“I wasn’t interested one bit, but my case manager said I needed to give it a go, so I reluctantly went along to an event and haven’t stopped coming since. I was welcomed and for the first time in years, I was treated as an equal. I love it, it’s very social. If you want to talk about your problems, you talk about your problems, if you don’t want to, you don’t have to – it’s up to you.” – Kev*

For more information about Men of Hope, call 6559 1482, scan the QR code or visit [www.menofhope.com.au](http://www.menofhope.com.au)

## Cancer Council

### “Give yourself the best chance” - Regional campaign

Our *Find Cancer Early* campaign encourages those over 40 years of age in regional Western Australia to give ourselves the best chance of finding cancer early by going to see a doctor, clinic nurse or Aboriginal health worker straight away if any unusual symptoms are noticed.

In August, Cancer Council WA launched the “Give yourself the best chance” phase of the campaign. This campaign features two regional champions, generously and bravely sharing their real stories to raise awareness of the importance of early diagnosis, and the three most urgent possible symptoms of cancer: Blood in pee; Blood in poo; Coughing up blood.

The campaign will be on our TV screens (regional stations, catch up TV), radio networks, regional newspapers, digital audio, Facebook, and YouTube, until 31 March 2024.

For more information visit [www.findcancerearly.com.au](http://www.findcancerearly.com.au) or phone **13 11 20** - our Cancer Support line to speak with an experienced cancer support nurse.

*(The Find Cancer Early campaign is an initiative of Cancer Council WA and is funded by Department of Health WA).*

### September is National Prostate Cancer Awareness Month

Prostate cancer is the most commonly diagnosed cancer in Australia, and it is estimated that one in six males will be diagnosed by the time they are 85 years of age.

So, it’s important for men to get to know the symptoms of prostate cancer, see below. If you experience any of them or have any concerns, please visit your doctor straight away.

#### Common Symptoms:

Blood in pee or semen

#### Or, for more than four weeks:

Problems starting or stopping peeing; Slow or weak flow when peeing; Dribbling at the end of peeing; Sudden or urgent need to pee; Waking a lot at night to pee; Needing to pee a lot; Losing weight without trying; Pain when you pee; Problems controlling peeing; Bladder not feeling empty after peeing.

For more information visit [www.findcancerearly.com.au/prostate-cancer](http://www.findcancerearly.com.au/prostate-cancer) and [www.cancer.org.au/prostate-cancer](http://www.cancer.org.au/prostate-cancer)

Visitor Centre Opening Hours: Monday - Friday 10am to 2pm,

Saturday 10am to 2pm, and Sunday 9am to 12 noon

Boyup Brook Tourism Association Inc proudly sponsored by Shire of Boyup Brook

## Opening Hours

We are back to summer opening hours!

Monday - Friday 10am to 4pm,

Saturday 10am to 2pm, and Sunday 9am to 12 noon

Please note we are mainly run by volunteers so occasionally may not be open during these advertised hours.

## Father's Day - Sunday, September 3

Looking for something a little different for Dad this year? Pop into the Visitor Centre and check out our great range of local crafted gifts for Father's Day.

## Walk on the Wild Side 2023 Program

### Collections Galore! - All weekend.

Explore the quirkiest of collections Boyup Brook has to offer in the comfort of your own time. Head to the Visitor Centre to see the beautiful Carnaby Jewel Beetle and Butterfly Collection. The Visitor Centre also showcases the impressive Kradals Doll Collection, the Kirup Conglomerate rocks and The Ivan Carnaby Bird Egg Collection.

Tea lovers should visit the quirky Quacking Frog Teapot Shed, boasting a collection of more than 5,000 teapots, and serving delicious morning and afternoon tea. Grab a brochure and Stalk the Sculptures and check out the wall art around town. There are lots of craft and art to purchase along with local products at the Visitor Centre.

## Blooming Wildflower Tour - Friday, October 6

Bookings essential.

All tours will Leave from the Railway Station. There will be a qualified Botanist on the bus tours along with knowledgeable locals. Please wear suitable walking shoes; walks may involve uneven or sloping ground and steps. Please be sun safe and bring a water bottle to stay hydrated.

Tour 1 (includes optional lunch)	9.30am – 2.00pm	\$30pp
Tour 2	2.15pm – 4.00pm	\$10pp

## KULIKUP CONTRACTING

### CAT 972H LOADER

Paddock clean ups, fence lines etc,  
5m rake, bucket and log grab. All areas.

### HAY CONTRACTING

Mowing, Raking, Bailing & Silage wrapping available

### Single bale silage wrapper

Fully auto, 1000 bale/day capacity

Boyup Brook, Darkan, Kojonup and surrounding areas.

Contact Luke for info/quote: 0428 673 053

## Opening Night - Friday, October 6

The opening of WOW will be held at the Visitor Centre from 4-5.30pm including a small live music performance. The award presentation of the *What's Your Angle?* Photography Competition will follow this at the CRC from 5.30-6.30pm.

## Art on Abel - Saturday, October 7

Located at the Visitor Centre and in Abel Park. Local artists work for sale. Resident artists working in the Park. Come and admire as they work.

## Walk on the Wild Side - Saturday, October 7

Come to the Visitor Centre to collect your booklet which tells you what's on and where everything is. Saturday, October 7 is the big day for everything that shines, roars and is old. There will be heritage walk tours in the morning where you'll be left fascinated about all the local history. Buses will take groups to tour the Museum, Flax Mill and the popular Harvey Dickson's Country Music Centre. You won't want to miss it after lunch when locals rev up their classic and vintage vehicles and do a lap of town.

## Heritage Walk Trail - Saturday, October 7

Leaving from the Visitor Centre.

9.30am – 11.00am

Price: \$5 adult

Tours (1.2km on footpaths) to be taken around the centre of town telling a little of the history of buildings and telling interesting tales of what happened there. There will be tour leaders and people who have been involved with the businesses there to tell the stories.

**Bus tours** - Depart from the Visitor Centre.

Museum	9.45am – 10.45am	\$5pp
Flax Mill	11.00am – 11.45am	\$5pp
Harvey Dickson's	12.00 – 1.15pm	\$5pp

## Car Parade - FREE - 2.30pm – 3.00pm

All tours will require booking so head to our website [www.boyupbrooktourism.com.au](http://www.boyupbrooktourism.com.au) where you'll find an online booking form. Alternatively, over the counter bookings will be available at the Visitor Centre.

## Sharing Memories on Lost Boyup

LOST Boyup Brook is a Facebook page engaging current and former residents by sharing memories of days gone by and we welcome your contributions of photos, newspaper articles, or stories. Email them to [boyupbrook@crc.net.au](mailto:boyupbrook@crc.net.au) or post to the BBCRC, 86 Abel St, Boyup Brook WA 6244.

## St Saviour's Snippets

So many meetings in one month!

Boyup is very similar to many rural parishes with an ageing and decreasing population and for the young, a focus on sport rather than service clubs.

Given that we, sadly, no longer have a full-time minister, we initially met to discuss the variation between a Parish Church and a Community Church. The consensus was that we would prefer to remain as a Parish Church.

We then had the privilege of Archdeacon Geoff Chadwick coming to outline how the administrative aspects of the church can be varied to suit different circumstances. Much to our joy, it is possible to reduce the size of our Parish Council and allocate responsibilities accordingly. An application to the Diocese will be drawn up to best suit our situation.

Archdeacon Geoff also led the service for the funeral of Lyn Giles; a lovely service with a full church paying their respects. To Michael and Sally, we all offer our sincere sympathy at this time.

And then to cap it off, Archdeacon Geoff will be back in Boyup on Sunday, September 10 to take a full communion service; make sure you are there!

## Be Still and Know..... God

### Father's Day

Father's Day is a special time of the year to think about and celebrate the important men in our lives, whether they are a dad, or someone who has been like a dad to us. It is an opportunity to not only honour them, but also express appreciation for good role models who have been placed around us.

Father's Day is the perfect time to show your dad or any other important father figure that you care by spending quality time with them. This could mean anything from going out for lunch, doing something special, or just sitting at home together and talking or hanging out together. There is no better way to honour someone than by putting aside all other distractions and giving them your full attention.

Another way to show honour is by serving through obedience. Whether it is doing chores around the house, listening when they share their insights, or being patient when things don't go as planned. These may seem like small acts, but they are all ways to show our love and appreciation. Father's Day is a great chance to reflect on the blessing of strong male role models in our life, and to say thank you.

## Direction for Our Times

We continue our cycle of monthly messages for 2023 with the message for August 1, 2007 for our prayer groups and personal reflection.

Jesus, A small child often prays that God will help him to be good. This prayer is pleasing to God. Indeed, which prayer is more pleasing? A child prays this prayer in humility and simplicity from a pure heart seeking even greater purity. It is this purity of heart that all apostles must seek.

Each day should be filled with brief prayers of this kind. If an apostle wishes to reside with the Father, that apostle must become the child of the Father. God has no equal. Do not seek greatness. Seek goodness.

My beloved ones, you know that I love you and that I am grateful for your service. You know that I am pleased with your progress. Do you wonder why I call you constantly further into holiness? Do I do this for my benefit? Yes. I do. I take great joy in seeing you advance, it is true. Yet, it is for your own personal benefit, also, that I call you to strive for higher heights. I want you to become as holy as you can.

As your holiness increases, my friends, so does your peace. As your peace increases, so does the peace in this world.

It is for many reasons, all similar to these, that I beckon you to come further and further into my heart.

You are called to come closer to me and move further from distractions. You turn your face toward Heaven and in doing so you turn your face away from the world, which seeks to draw you away from me. For today, pledge your allegiance to the Father and then strive to become holier. "Father, help me to be good."

In each moment of your life there is an opportunity for goodness. Find the opportunities and try. Exert yourself, my beloved ones. Work for your holiness. If you were participating in a game, you would try to win. I want you to participate in your movement to holiness. I want you to make efforts throughout each day to choose the holiest course. I am with you in each moment, helping you. If you, my beloved apostles, will work with me to become holier, I can reach others through you. But that is my affair. Your affair is to try to become as holy as possible. Have no fear. You are loved.

## Roos News

### Seniors

The Boyup Brook season has finished on a strong note with two tight games in the League and some notable performances in the Reserves.

Round 16 was at home against Bridgetown, Reserves went down 3.2 to 19.11 with Chayce Whitton and Brayden Murphy performing well. In the League it was tighter with Boyup's 10.9 to Bridgetown's 14.13. Some exceptional work up back by Jack Wharton and up front by Kaleb Michalak helped us get within a whisker of the team to beat this year.

Round 17 was also at home against Deanmill, the Reserves finally started gelling as a team however just allowed Deanmill to get too many in the first quarter, final scores 6.5 to 12.14 to Deanmill.

In League the audience was treated to a nail-biting finish helped up front by an impressive scoring boot of Kaleb Michalak who slotted six to keep Boyup ahead by one point at full time. A missed attempt at goal after the siren by a Deanmill player allowed us to hold onto the lead, 16.15 to 16.14.

With the season over for both teams, I would just like to take the opportunity to thank the various members of the community who have put their hands up this year and assumed roles around the club, it has certainly made the job of being President a pleasure.

Looking forward, Boyup is hosting the 2023 Grand Final for the Lower South West Football League (LSWFL) and it will be all hands on deck to make sure that is a success, it would be a great help if we can get as many volunteers as possible for the day on Saturday, September 9.

### Juniors

Finals fever is upon us with the 8/9's team finishing top of the ladder, a game clear of arch rivals Southerners (Sths). The last round of the regular season was held in Kojonup with both the 4/5's and 6/7's having a solid hit out with the very competitive local sides.

As has been the case all year the 6/7's had a good hard crack but the lack of numbers in the team made it difficult. Kojonup 6/7's performed well and took the points.

The 4/5's had a scrappy but hard fought game with both sides not taking a step back. This was the last game for both the 4/5's and 6/7's for the year.

Auskickers also made the trip to Kojonup and enjoyed the hospitality and well organised games that the home side put on. 8/9's were scheduled to play Bridgetown who unfortunately did not field a side and forfeited.

Tigers was the location for the first and second semi finals held on August 19. The 8/9's faced off against Sths with the winner to go straight to the grand final. The Mighty Roos started strongly kicking the first three goals. Sths then settled after quarter time and closed the margin over the rest of the game. An intense and hard fought final quarter ended in dramatic fashion with Sths finishing one point in front.

It was a valiant effort from both sides, displaying the evenness of the teams and their passion for the game and their clubs.

The Preliminary final was held in Bridgetown on August 26 with Deanmill being the next hurdle for the Mighty Roos to clear to make it the big dance. They took the win and the final will be held at Deanmill on Saturday, September 2 at 11am. We wish Coach Rick and his team all the best!

The Junior windup is scheduled for Thursday, September 7 at the clubrooms from 3:30pm.

Matt Chambers, BBJFC President

## Local Sporting Achievements

Continuing to achieve in his sporting endeavors, Devon Larkworthy-Darke has recently been selected for the 2023 Athletics West Junior Development Squad.

As a part of this, he will be coached in shot put, javelin, discus, hurdles and sprints at the athletics stadium at Perry Lakes over four months starting late September.

His spot was secured after he recorded a massive throw in shot put of 10.03m at the Junior State Track and Field Championships earlier in the year.

The Junior Development Squad is part of the Athletic West athlete pathway, encouraging athletes to look towards selection in the Western Australian State Teams in the 2023-24 Season and beyond.

Well done Devon!

AND later this month, Jodi Nield will represent Western Australia for the seventh time at the National Masters Hockey Championships in Perth. The event runs from September 22 to 30, with age divisions from Over 34 through to Over 70. So if you're in Perth, go and check out some great competition!

## Netball Ravens Finals Bound

Good luck to Jo Harding, Cat Grochowski and Sharon Lampard in their elimination final on September 3 with the Donnybrook Blackwood Ravens Masters netball team. The Ravens compete in the South West Netball Football League, with the Masters side consisting of players from Boyup Brook, Donnybrook, Bridgetown, Balingup and Manjimup. After finishing third on the ladder, they meet fourth placed Collie in a knock out final in Eaton.

## On the Greens

September at the Boyup Brook Golf Club is always a busy month with the completion of finals – determining the Championship Men and Ladies for the year. It is a big combined day with plenty of spectators eager to see who comes out the winners.

A Mixed Championship Foursomes was played early in August with a great pairing of Chris and Jann Mead to win the Gross and Luke Dynan and Sharon Nield taking out the Nett. The coveted Crystal Trophy sponsored by Piper/Marshall was this year taken home by Vicky House – always a beautiful piece of crystal for the mantelpiece.

Members have been travelling to various clubs around the district to compete in events with some successful round of golf. The main event for the Men was the AGLIME State Sand Green Championships held in Moora. Whilst attending, the boys were very vocal in promoting next years event which will be held in Boyup Brook from August 8-12. Some 200 golfers will attend and accommodation will be required. Give some thought to billeting for that weekend if you can. More details to come.

The special meeting to decide on the Kitchen Upgrade has been held with very positive outcomes. Watch this space for further updates.

Our website should be up and running shortly thanks to NIMBLEWEB with a new logo, fly-overs of the course and information about the where, when, how and why to play golf in Boyup Brook!

We pride ourselves on being a welcoming and friendly club for everyone. An easy meal is available on Saturday nights and the clubhouse bar is warm and inviting.

## On the Rinks - Let's Play Lawn Bowls

With the winter season sports almost done and dusted the Boyup Brook Bowling Club are firing up ready to go.

It was an exciting time during the off season when the final funds required for replacement of the bowling surface were secured. The Bowling Club extend heartfelt thanks to the following sponsors for contributing to the replacement/upgrade of the greens: Shire of Boyup Brook; Talison Lithium; Boyup Brook Co-op; Boyup Brook Sport & Recreation Association; CBH; Boyup Brook Lions Club; CSBP.

Along with the funds raised by the Boyup Brook Bowling Club over 13 years, these contributors have made the upgrade possible. The club will be removing the old carpet and seeking manual assistance from any volunteers who are able to help.

Bowls will commence in October and it is envisaged that the new surface will have been installed thereabouts.

Fixture booklets are in the pipeline and our thanks are extended to all the sponsors that contribute to fixture advertising and events throughout the year.

Social bowls will commence on **SUNDAY** afternoons and the club is looking to recommence corporate bowls one night during the week.

So, watch out for some action at the Bowling Club soon. New members very welcome.

President: Peter Dearden 0421 478 720  
 Sec/Treas: Rhonda Parker 0428 653 079

## KidSport Vouchers Doubled

The Cook Government is making sport accessible to more Western Australian children, and further relieving cost-of-living pressures on families, by doubling the amount of financial assistance available per child through the popular KidSport voucher program.

Families struggling to cover the cost of registering their children in community sport can now apply for up to \$300 in KidSport vouchers per child, each financial year, over the next two years - double the previous amount.

Other enhancements to the State Government's KidSport program include allowing vouchers to be used towards essential playing equipment and uniforms.

Of this increase, local MP Jane Kelsbie MLA said, "I know how important playing sport was to my kids' not just for their physical and mental wellbeing, but for their social connection to community.

"All kids deserve the opportunity to participate in their favourite sports. Cost should not be the prohibiting factor. I encourage eligible parents in Warren-Blackwood to apply for their kids."

KidSport is open to eligible 5-18 year olds. For more information visit the Department of Local Government, Sport and Cultural Industries website:  
[www.dlgsc.wa.gov.au/kidsport](http://www.dlgsc.wa.gov.au/kidsport)
